Of Fouls.

With the entire team playing a great
game of basketball, the Tar Heels swept
their way to fourth Southern champion-
ship Tuesday night by defeating the
Mississippi Aggies by the score of 38-23
in a hard fought and very interesting
contest.

The Carolina team got off on the
wrong foot and the Aggies ran up a
large score in the first few minutes of
playing. But Captain Dodderer's men
rallied and at the end of the initial
period had tied the score at 15-15, and
led consistently throughout the second
half. The Aggies crept up to within
three points of knotting the count once,
but Cobb and Newcomb started dropping
them through the hoop from all angles
and the Mississippi team never threatened
again.

"Spratt" Cobb led the scoring with
eight field goals and three fouls for a
total of 11 points. The work of Captain
Dodderer at defensive guard was out-
standing and he aided materially in
keeping the score down.

The victory Tuesday night marked
the third successive conference win and
the fourth out of the last five years.
They won in 1923, 1924, and 1925, while
the Aggies managed to nose out ahead
of the Tar Heels in 1923.

The Carolina team won the right to
compete in the final game by defeating
Clemson, Virginia, and the University of
Mississippi while the Aggies were victo-
rious over Maryland, North Carolina
State, and Kentucky.

Jones started the scoring in the game
when he tossed a field goal from near
the center court. The two quints worked
the ball up and down the floor for the
next few seconds and Berry finally
caged a field basket from underneath
the goal.

The Mississippi team played carefully
but had the same dash that character-
ized their play in the other games of the
tournament. Captain Stone was leading
the attack and he was ably assisted by
the great playing of Jones. Stone slipped
under the goal and tossed one

JUNIOR CLASS IS SUPPORTING CHASE

Pledges Solid Support in Help-
ing to Carry Out
Aims.

AT QUARTERLY SMOKER
Matherly and Graham Are Speakers of
Occasion Tuesday Night.

Upon the motion of Kike Kyser the
Junior class at its regular quarterly
smoker Tuesday night in Swain Hall
adopted a resolution pledging President
H. W. Chase its support in carrying out
his aims to make the University of North
Carolina the greatest university in the
South. The resolution reads thus:

Resolved, That the members of the
class of '27 of the University of North
Carolina are overjoyed at the recent
decision of Dr. Chase to remain here as
President of the University and that
they pledge him their heartiest co-opera-
tion in carrying out his plans for the
University's future.

Professors Walter J. Matherly and
Frank P. Graham were the speakers of
the evening. Bob Sides, president of
the class, called upon Professor Matherly
who declared in his opening remark
that North Carolina now faces one of the
greatest crises in its history. He said
he was going to give a brief outline of
what the University is and what it is
not.

"In the first place," said Professor
Matherly, "the University is not a place
of religious unbelief." The speaker
played cynics who take the attitude that
students are taken when they first come
to the University and told that they

Welcome Team In Chapel Friday

A mass meeting of the student
body will be held tomorrow
morning in chapel for an official
reception of the returning South-
ern Champions. The students
are expected to be out in full
force, and the cheer leaders hope
to have the entire basketball
squad on hand. Professor Frank
Graham will speak to the stu-
dents and the team. The cheer
leader will also endeavor to
persuade Captain Dodderer and
other members of the team to
speak. Special music will be pro-
vided.

Carolina has taken part in five
of the tournaments and this
marks the fourth time that the
team has returned victorious,
this being the third successive
championship. Every Carolina
student is expected to be pres-
ent at chapel tomorrow and give
a rousing welcome to the team
which has proved itself to be
the best in the South.

WRESTLING TEAM ENJOYS BANQUET

ful Season.

QUINLAN IS PRAISED

Warren is Elected Captain and Jones
Manager of 1927 Squad.

The members of the Carolina Wres-
tling squad, which had such a success-
ful year, were guests at an elaborate
banquet held at Gooch's Cafe Monday night.
The banquet was featured by plenty of
good eats and wonderful talks.

W. B. Pipkin, manager of the matmen,
was the toastmaster at the banquet and
he presided in grand style. Manager
Pipkin made a short talk in which he re-
viewed the season and thanked the men
for the splendid co-operation they had
shown him. He also paid a glowing
tribute to Coach Quinlan and extolled
him for the way that he had handled the
men on the squad. The speaker said
that Quinlan was undoubtedly the best
wrestling coach in the south and that
the University would make a grave mis-
take if they failed to get him back next
year.

Short talks were also made by "Zack"
Waters, captain of this year's team; "Ad"
Warren, who was the high scorer of the
team this year; Charlie Wood, captain
of the freshman team, and K. R. Jones,
assistant manager of the team. All
talks were centered around the team's
appreciation of the work that Coach
Quinlan has accomplished during his stay
here. Each speaker was of the opinion
that next year's team would be the best
to ever represent the University.

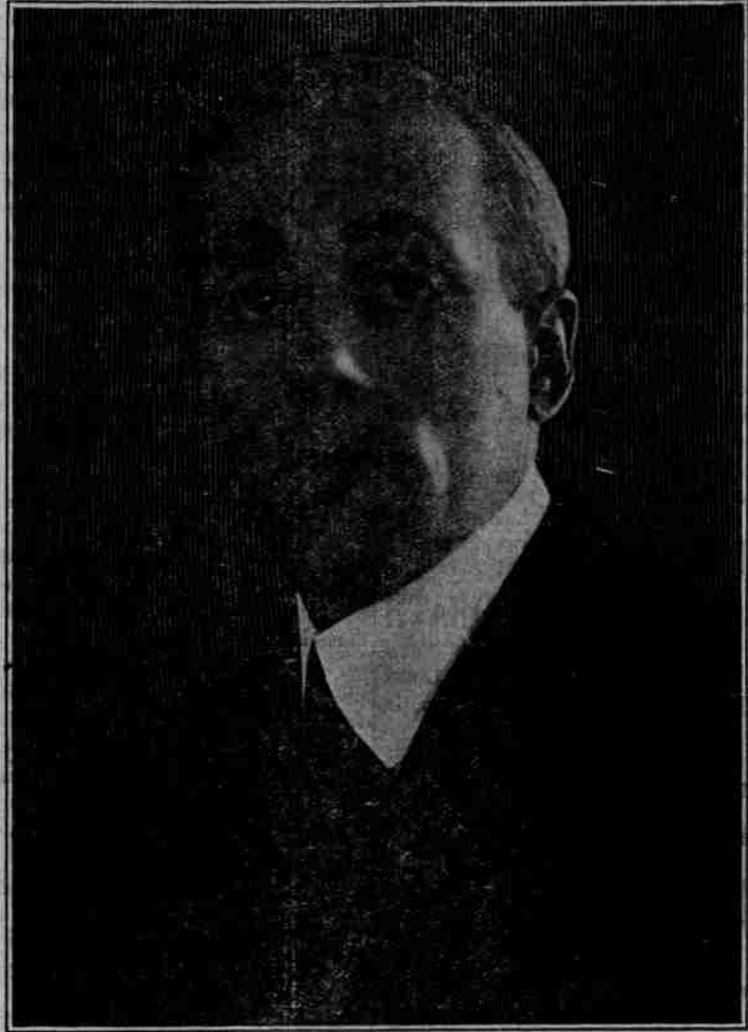

Coach Quinlan was the principal speak-
er of the evening. He stated that the
boys had shown a wonderful spirit this
year and his only regret was that there
were not more men on the squad. He
also gave the boys an inspiration for
next year's work and told them that re-
gardless of whether he was here or not
that he would be with them in spirit.
Going further, the speaker made the an-
nouncement of the beautiful loving cup
which was donated by K. R. Jones to
the man making the highest number of

EASTERN FINALS BE PLAYED HERE TONIGHT

Durham and Goldsboro Meet in Tin
Can to Determine Winner of
Eastern Series.

The final contest in the Eastern sec-
tion of the State High School champion-
ship series will occur tonight in the Tin
Can at 8:00 between the Durham High
School and the Goldsboro High. The
winner of this contest will gain the right
to meet the winner of the Western se-
ries for the high school championship of
North Carolina here Saturday night.

The White Whirlwind from the Bull
city copped the honors in the series last
year, defeating the Guilford High in
an exciting game here. Notwithstand-
ing the fact that they lost practically
their entire championship team by grad-
uation, the Durham lads have shown ex-
cellent form and are again making a
strong bid for the cup this year. Dur-
ham high school went to the third round
in the National High School champion-
ship at Chicago last spring, and if expe-
rience counts for a great deal, the advan-
tage in tonight's game should be with
them.

The Goldsboro quintet has gained the
right to meet Durham by consistent play-
ing throughout the season. They will

DR. WIND WILL SING AT DEUTSCHE VEREIN

Will Be Feature of Program—Meeting
Will Be Held Tonight at 7
O'clock in Murphy Hall.

Professor Wind, of the department of
philosophy, will play and sing native
German and student songs in the origi-
nal at the meeting of the Deutscher
Verein tonight in 113 Murphy Hall at
7 o'clock. It was formally announced
that the meeting would be held at the
Episcopal Parish House, but it was
felt that the room in Murphy would of-
fer better opportunities, especially as it
is closer to the center of campus life.

Dr. Wind's singing and playing will
be the feature of the evening, although
it does not comprise the whole program.
The regular business of the club will be
disposed of as early as possible, and the
rest of the time devoted to a social
meeting. German conversation will be
practiced, and probably a number of
German games.

Dr. Wind is a graduate of the Uni-
versity of Hamburg and a resident of

BROWN TO GIVE McNAIR LECTURE

"A Working Faith" Will be Subject
Of Series.

Dr. Charles Reynolds Brown, Dean of
the Divinity School of Yale, New Haven,
Conn., has accepted the invitation offered
him by the McNair Lecture Committee
to deliver the series of three McNair
lectures here, in Memorial Hall, May
11, 12, and 13, it was announced from
the office of the President yesterday.
"A Working Faith" will be the subject
of Dean Brown's lectures.

The committee has been negotiating
with Dean Brown for the past several
weeks, but only yesterday it was an-
nounced that all of the kinks had been
straightened and he would come here in
the spring to deliver his three great mes-
sages. Under the general subject of "A
Working Faith", the series of three lec-
tures will be delivered on the topics of
"What We Live By," "The Real Test of
A Christian," and "The Christian Way of
Life."

Since 1911 Dr. Brown has been Dean
of the Divinity School of Yale Univer-
sity. He was a native of West Virginia,
but his service as a clergyman has been
throughout the eastern United States.
He received the degree of Bachelor of
Arts at the University of Iowa, in 1893,
and his A. M. from the same university
in 1896. During his earlier years he was
lecturer in a number of northern col-
leges and universities. He has received
the degree of L. L. D. and S. T. D. from
several colleges and universities in the
east. Between the years of 1896-
1911, Dean Brown was pastor of the
First Congregational Church, of Oak-
land, Cal. He made an extended trip
through Egypt and Palestine for profes-
sional study.

It is probable that Dr. Brown will
be best known here by his religious
treatises, which have received wide
recognition. Among some of his most
prominent books and treatises are the
The Main Point, Social Message of the
Modern Pulpit, The Religion of a Lay-
man, The Quest of Life, Why I Believe
in Religion, The Master's Way, Faith
and Health, and The Strange Ways of
God. He was the Layman-Beecher lec-
turer, Yale, 1905-06, 1922-23; Ingersoll
lecturer on Immortality, Harvard, 1920.

Dean Brown is very popular on the
Yale campus, and the student body
there hold him in high regard. His
series of lectures here are expected to be
of unusual interest and note, and
largely attended. Pres. Chase, in speak-
ing of the popularity of Dr. Brown at
Yale, expressed the hope that the stu-
dent body would attend the whole
series of lectures.

The lecture fund for the series of Mc-
Nair Lecture was established by the will
of John Calvin McNair, of the class of
1849, became available in 1906, and the
interest thereon from rendered it pos-
sible to begin the lectures in 1908. Un-
der the will the objects of the lectures
"shall be to show the mutual bearing of
science and religion upon each other and
to prove the existence of attributes (as
far as may be) of God to nature." The
lectures have yearly been delivered by

URGED BY BOARD OF TRUSTEES TO REMAIN AT N. C.

Inform Board in Raleigh Tues-
day of Decision to Remain
As President.

REFUSES OREGON OFFER

Pleads for Sympathetic Understanding
—Tells of Tasks and Possibili-
ties Ahead of University.

Dr. Harry Woodburn Chase, Presi-
dent of the University of North Caro-
lina, will remain as the head of the Uni-
versity according to his decision ren-
dered to the board of trustees in Raleigh
Tuesday afternoon. Dr. Chase was re-
cently tendered the presidency of the
University of Oregon for the second
time and last Thursday returned from
a trip of inspection to the Pacific Coast.
Urged by Trustees

Walter Murphy, trustee and staunch
friend of the University, offered the fol-
lowing resolution which the board unani-
mously adopted:

"It is the sense of the board of trust-
ees that Dr. Chase be urged to de-
cline the offer of the presidency of the
University of Oregon and remain as the
head of the University of North Caro-
lina."

Following the adoption of this resolu-
tion a committee composed of Josephus
Daniels, Secretary of State R. O. Ever-
ett, and A. H. Price were appointed to
escort Dr. Chase into the meeting.

He was then told of the resolution
adopted. Dr. Chase then made it known
to the trustees that he had decided to
remain and dealt in his speech upon the
great possibilities that lay before the
University and pointed out the dangers
of the critical period that is apparently
in store for it.

Action Appreciated
Governor McLean following Dr.
Chase's speech, expressed gratification
that he had decided to remain in North
Carolina. Francis D. Winston then in-
troduced the following resolution which
was adopted unanimously:

"The board of trustees has heard with
a great deal of pleasure that Dr. Chase
will remain as president of the Uni-
versity and continue to serve the people
of North Carolina."

Dr. Chase's Address
"Some weeks ago the University of
Oregon did me the honor to ask me to
assume its presidency. With full appre-
ciation of the opportunity which the sit-
uation in Oregon involves, I have de-
cided after full reflection that I should
remain in North Carolina.

PHI KAPPA SIGMA REUNION BANQUET

George Gordon Battle, New
York Alumnus, Makes
Principal Speech.

TO BUILD HERE SOON
Initiate Two Students and Two Mem-
bers of Faculty—Announce Pledges.

George Gordon Battle, native Tar
Heel and university alumnus, and now
prominent lawyer of New York City, was
the principal speaker here Saturday night
at a reunion banquet of the Lambda
chapter of the Phi Kappa Sigma frater-
nity.

Phi Kappa Sigma was revived here
three years ago after lapsing into inacti-
vity on two previous occasions. There
are now seventeen members of the frater-
nity chapter.

Announcement was made at the ban-
quet that a new chapter house will be
built this spring, plans having already
been drawn for a place on vacant lot
on the corner of Cameron avenue and
Pittsboro street. It was recalled that
this fraternity built the first chapter
house in the South, and it still stands
here in Chapel Hill on the corner of Hen-
derson and Rosemary streets. It was
originally painted in the colors of the
organization, black and gold.

Col. Thomas Branch McAdams, bank-
er, of Richmond, Va., was toastmaster
at the banquet last night. Dr. Edwin
Anderson Alderman, president of the
University of Virginia, was also on the
program but was unable to attend owing
to an attack of influenza. He telegraphed
greetings.

A large number of the older members
of the fraternity from all parts of the
