

REMOVAL OF DANCE SUSPENSION TO BE CELEBRATED THIS WEEK

(Continued from page one)

Clubs Responsible

In case any individual fraternity or club should give a dance at which conduct failed to meet the University's requirements and the German Club regulations, that organization will not be allowed to give a dance for the period of one year or more.

The By-Laws

Below are reprinted the by-laws proposed for adoption by the German Club in its session this afternoon:

The members of the University of North Carolina German Club, in regular meeting assembled, do adopt, in accordance with the Constitution, the following by-laws:

I. The Executive Committee of the German Club shall act as a committee for the purpose of keeping order at all dances given under the auspices of the German Club.

II. For the control of dances given at other times than those specified in the Constitution by fraternities, clubs, or individual students of the University, the following regulations shall apply in addition:

- 1. Permission to hold such dances must be obtained from the Faculty Committee on dances.
2. Every such dance must be under the auspices and regulations of the German Club.
3. Such dances may be held only on Friday evening and Saturday evening, except by special permission of the Faculty Committee on Dances.

4. Any organization, fraternity, or club giving such a dance shall elect three of its members, and individual students giving such a dance shall select three students of the University, whose names shall be given to the Faculty Committee on Dances, and to the Chairman of the Executive Committee of the German Club.

III. Chaperons for all dances given under the auspices of the German Club shall be selected subject to the approval of the Chairman of the Board of Chaperons, who is to inform the Dean of Women as to these chaperons.

IV. Before the Commencement Dances, and after the election of officers for the following year, both bodies of officers, old and new, shall meet with the Faculty Committee on Dances, and review the Constitution of the Club and all rules and regulations governing dances.

V. Copies of the Constitution, by-laws, all rules, rolls of committees and officers, lists of offenders, minutes of meetings, etc., shall be filed in the office of the Faculty Committee on Dances.

VI. Any organization giving a dance which in the judgment of the Executive Committee of the German Club is not up to German Club standards, shall not be allowed to give a dance for a period of time to be fixed at the discretion of the Executive Committee, in conference with the Faculty Committee on Dances.

VII. The Executive Committee shall be empowered to suspend from all dances given under the auspices of the German Club, for a period of one year, any student, visitor, or alumnus for any misconduct whatever in any period during which the dance or dances are being held, regardless of whether the misconduct is before, during, or after the dance.

VIII. The following rules shall govern conduct on the dance floor:

- 1. No smoking on the dance floor.
2. No one showing signs of drinking shall be permitted to remain on the floor.
3. No girls will be allowed to leave the hall during an evening dance unless accompanied by a chaperon.

IX. All dances given under the auspices of the German Club shall close not later than one a.m.; provided, that the last dance in any set of dances given by the German Club shall close not later than two a.m. When any dance is given on Saturday night, it shall close not later than twelve o'clock midnight.

In addition to these by-laws of the German Club, the University requires girls to be in their respective lodging places within half an hour after the close of each night dance. There are to be no dates after that time; the boys

are to leave the girls, and the girls are to be under the supervision of their respective chaperons.

CAROLINA DEFEATS SOUTH CAROLINA IN BASEBALL 3-2

(Continued from page one)

steadily pulled himself out of hole after hole.

The Tar Heels increased their lead to two runs in their half of the sixth. Mackie singled. On an attempted sacrifice, Young was called out when hit by the batted ball. Mackie took second on Jones' infield out. Dodderer arose to the occasion with a easy roller down first that was just slow enough to pull the first sacker out of reach of the bag.

The eighth inning found Carolina's lead still increasing. Hatley started the fireworks with a single; Mackie sacrificed him to second. Jones then came through with screeching liner to right, that scored Hatley. Jones took second on the throw in and stole third, which was as far as he could get.

And then came the terrible ninth that robbed Sapp of a shutout game and caused his retirement from the field. With visions of his first Varsity victory staring him in the face, Sapp weakened and walked the first two batters. Mackie didn't go back far enough on a hard hit line drive and missed the ball—scoring Jeffords. Exit Sapp—entrance of Poyner.

The next batter drove a fly to Hatley. Hatley made a nice throw to catch the runner who was scoring after the catch, but failed to get him. Total two runs for the Gamecocks. With the stands calling for a put out, Poyner forced the last hitter to tap weakly to Dodderer at first, ending the game.

High Spots of Game

High spots of the game were contributed by Lamar, visiting second sacker, who twice raced deep into right field to rob Sides of almost sure hits. The plays were made on ground balls and both stops were followed by quick, beautiful throws. Young, local outer gardener, pulled off a nice catch of a line drive that started out labeled "three base knock".

Offensive honors were divided between Dodderer and Jones, Tar Heel stick artists, and Lamar of the Sandlappers. An added attraction was Harold Osborne, worlds record holder in the high jump, who came in for his share of the afternoons credit. Half of the stands journeyed over to the jumping standards to watch this husky, bespectacled lad from the North soar over the bar at a height exceeding six feet.

HIGH SCHOOL WEEK BEGINS TODAY WITH SIXTY-NINE ENTRIES

(Continued from page one)

Memorial Cup presented by Mr. R. B. House. In the past the Aycock Cup has been won four times by Wilson High School, three times by Durham, and once each by Pleasant Garden, Winston-Salem, Graham, Waynesville, Asheville, and Elizabeth City.

Nearly three hundred high school boys and girls are expected to be on the Hill to participate in the debates. The Y. M. C. A. is to be the general headquarters for all visitors, who are supposed to register three on their arrival. The

Y. M. C. A. will conduct a bureau of information and will aid the visitors in every possible way.

Graham Memorial will be opened for the high school boys participating in the High School Debating Union today and tomorrow. The county clubs have arranged for all those not staying at Graham Memorial to stay in the dormitories. The faculty will provide for the girls to stay in the homes of different members of the faculty.

Following the second preliminary debate Friday morning the annual inter-scholastic track meet will be held at 10:00 o'clock on Emerson Field. This track meet has been a feature of the High School Debating Union since it was established in 1913. At this time the field events and heats for track will take place. At 2 P. M. the track events will take place. Also in the morning at 10:00 o'clock the eleventh annual inter-scholastic tennis tournament will be held on the tennis courts east of Emerson Field.

Preceding the final debate the University band will give a concert honoring the visitors for High School Week, at Memorial Hall, where the debate will be held.

Following the presentation of the Aycock Memorial Cup to the winning debating team, Mr. A. H. Patterson will present the cups and medals to winners. At 10 o'clock a reception for all visitors of the track meet and tennis tournament will be held in the gymnasium.

HIGH SCHOOL TRACK MEET TOMORROW

(Continued from page one)

(1) 100-yard dash; (2) 220-yard dash; (3) 440-yard run; (4) 88-yard run, (5) one mile run; (6) 120-yard low hurdles; (7) high jump; (8) broad jump; (9) pole vault; (10) 12-pound shot put; (11) discus throw; (12) javelin throw; (13) special relay race.

Two cups are to be given. The school winning the largest number of points is to be awarded the state championship cup. Only the school winning the cup for three years will have permanent possession of it. The school that wins the relay race will be awarded a cup, this to remain in permanent possession of the winner. A first place in any event carries with it a silver medal. A second place embraces a bronze medal. The points are to be counted thus: 5 points for first place, 3 for second place, 2 for third place, and 1 for fourth place. The relay race will not count in the scoring of points.

The schools that have already filed entry blanks this year are as follows: Atkinson, Burlington, Cary, Charlotte, Fayetteville, Fremont, Greensboro, High Point, Marshville, Reidsville, Roanoke Rapids, Salisbury, Sparta, Statesville, Vanceboro, Wilmington, and Winston.

High Point high school won the first state high school track meet in 1913. The following year Friendship High began a reign over high school cinder paths that lasted unbroken for seven years—from 1914 to 1921. The extension division began to seriously consider the advisability of transferring the annual event to the town of Friendship. However, in 1921, Chapel Hill came to the rescue, and revived local interest by retaining the crown for two years. Charlotte High School has won the big meet each of the last three years, and if advance dope means anything she will in all probability repeat tomorrow.

PLAYMAKERS TRIP UNUSUAL SUCCESS

(Continued from page one)

And such has been the case on every occasion hitherto. There must be something truly professional, in the best sense of the word, about the Playmakers, for Saturday night one could hear every syllable, even to a stage whisper by Grace Livingston at a crucial moment in the happenings at 'training quarters' for the serio-comic trials of the first year of married life.

"On the other hand, there's a charm in the work of the college players, to which the professional stage can never attain, in their freedom from the slightest commercialism. No boasting of a great star with the subordination of other characters. No distorting of the story to fit the high and low degrees of the actors, was seen in the Playmakers' presentation of 'The First Year,' or so it seemed to those who enjoyed the Playmakers and their play Saturday night. Grace Livingston and Tommie Tucker are no more delightful than are Grace's father and mother in their parts, and the most charming character of all is the doctor, perhaps because everyone just naturally loves doctors. Dr. Anderson, though a confirmed bachelor, has as he declared a knowledge of the matrimonial measles that enables him to diagnose and cure the disease when it is dreadful indeed and seems likely to prove fatal at any moment."

The Playmakers also visited five other towns during the Easter holidays. They played in Durham Monday, Clayton Tuesday, Goldsboro Wednesday, Rocky Mount Thursday, and New Bern Friday. After returning to Chapel Hill, they played Smithfield on Monday night. In all these places they were well received by large and appreciative audiences, the people taking to their first Broadway production to be carried on tour equally as well as to the folk-plays that have been carried during past tours. The Playmakers were entertained at all the towns they visited, Rocky Mount and New Bern both giving dances in their honor.

Freshmen track meet has been scheduled for Monday afternoon with Duke University freshmen at Durham. All candidates who expect to make this trip are requested to report for practice today.

EVERETT SPEAKS TO LARGE CROWD

stances could produce it, quite apart from any man-made standards of right and wrong. Professor Everett is widely known as a lecturer, and as a writer. His treatise "Moral Virtues" having gained him a national reputation. He was formerly the president of the eastern branch of the American Philosophical Association.

Considerable confusion was caused by the conflicting announcements regarding the place of the lecture, and for that reason it was postponed until eight-thirty. Following the lecture there was a dinner at the Carolina Inn in honor of the Professor.

"A whale" of a good time!

WE won't try to describe a trip to Europe on a Cunard Vacation Special because we abhor superlatives. If you were aboard one last summer, nothing more need be said. If you weren't, we'll leave the description to your friends who were.

"A whale of a good time" is expressing it mildly. Thumbs down on the usual, commonplace vacation this year! See London, Paris, Belgium, Scotland, Holland, this summer.

Interesting people, quaint customs, marvelous scenery, intriguing sights—and the cost is only—

Close harmony

Don't think that a college "sing" is the only place for close harmony. The electrical communication industry, too, has applied the big idea.

Four men put their heads together in the research laboratory—and there evolves a new and scientifically accurate basis for the measurement of speech and hearing.

Construction engineers, whose pole lines stride across country, work hand in hand with purchasing engineers who look forty years ahead for the pole supply of the future.

In the factory, engineers and craftsmen together develop new processes and almost-human machines to increase production and effect economies.

Combined ability—that's the thing! In the words of the song, "a long pull, a strong pull, and we'll all pull together."
