Fourteenth Annual Track Meet Won By Charlotte

ISON IS STAR

Six State High Records Smashed by Young Athletes.

BREWER HIGH POINT WINNER

Ideal Weather Makes Yesterday's Meet Most Successful Ever Held Here for High Schools.

Charlotte High School won the fourteenth annual High School track meet of North Carolina for the fourth time yesterday afternoon on Emerson Field. Charlotte made a total of 46 1-2 points, taking seven first places, one second place, two third places, two fourth places and tying for fourth place in the high jump. Four state records were broken by Charlotte and two by Winston-Salem. High point honors go to Brewer of Winston-Salem with first place in the javelin throw, second place in the shot put, and a tie for second and third place in the high jump. Ison of Charlotte, who took first place in the century and 220 was runner-up with ten points. Brown of Greensboro trailed with seven points.

Despite the fact that every high school track meet since 1913 has been accompanied by rain, the afternoon was ideal for the event. There was no wind to slow down runners or rain to muddy up the track. The fact that five state records were broken emphasizes the presence of ideal track weather.

Probably the most spectacular performer of the afternoon was Ison of Charlotte. In the preliminary heats in the dashes he simply walked away from the rest of the field. He had no trouble at all in galloping in ahead to capture first place in the hundred and 220 yard dash. In both events he lowered the state records. The old record for the century was 10 3-5 seconds and was held jointly by Suit of Chapel Hill, Keening of Greensboro, Tucker of Laurinburg, and Smith of Chapel Hill. Houchens of Winston-Salem established the old record in 1925.

Two other state records were broken by Charlotte boys, Millstead clipping 1-5 of a second off the old state record established by packer of High Point in 1925 and Fort jumped a distance of 20 feet and 10 inches to break the record established by Weston of Washington in 1924.

Winston-Salem annexed second place by taking two first places, four second places, one third place and tying with

ALPHA KAPPA PSI DANCE IS SUCCESS

Bevy of Beautiful Girls Inaugurate First Dance of Season.

MUSIC BY TARSONIANS

Gala Event Staged by Commerce Fraternity.

The long fasting period which has been observed in local social circles with regard to the Terpsichorean art since the suspension of dances after Thanksgiving, was broken at the Carolin Inn Friday evening when the local chapter of Alpha Kappa Psi, commerce fraternity entertained with a delightful dance. The event came as a fitting culmination to the dreary season of abstinence, for it was characterized by gaiety and rejoicing. The festive occasion was graced by a bevy of the most beautiful and charming young ladies from all corners of the State. Demure high school damsels from among the high school week visitors, and representatives from many of the girl's schools hereabouts vied with one another for the favors of feminine charm. The Sigma Nu week-end house party was responsible in a large measure for the choice variety of female talent present on the Hill. The music was ably furnished by the comparatively new Tarsonian orchestra and it proved itself a thoroughly competent organization. The music, the girls, and last but not least, the enthusiastic spirit of the dancers, sharpened considerably by the recent inactivity on campus dance floors, all contributed to make the occasion an enjoyable one and the Alpha Kappa Psi's are to be congratulated on the entertainment.

The Alpha Kappa Psi Fraternity, one of the largest and most influential national commerce fraternities, was founded at New York University in 1904. It has at present 45 active chapters in some of the country's best schools. The Alpha Tau chapter, here at the University, was installed February 18, 1925 and although it is comparatively new here, the Fra-

"Children of Old Carolina," by Miss Ethel Theodore Rockwell is Achieving Eminent Success.

Miss Ethel Theodore Rockwell, representing the University Bureau of Community Drama, is staging a big pageant in Charlotte this week. The pageant is "Children of Old Carolina" and was written by Miss Rockwell herself. It depicts the history of North Carolina through the children of the various settlers and the different periods. In the cast are approximately 1500 school children of Charlotte and of Mecklenburg county. The cast has been thoroughly rehearsed and drilled for some time and is expected to give an excellent, artistic performance. BOXERS TO BEGIN SPRING TRAINING

Men Interested in Boxing to Meet Monday Night.

PRACTICE BEGINS TUES.

Coach Rowe Anxious to Get Likely Men Out.

There will be a meeting of all men interested in boxing in Gerrard Hall Monday night at 8:30. All men that are interested in any way in boxing are urged to be present as well as all the members of the boxing team. Active spring training will start in the Tin Can Tuesday afternoon.

This meeting is being held so that Coach Rowe will have an opportunity to talk to all the boxing enthusiasts at one time and to explain the purpose of spring training. He will also talk over prospects for next year with the new and old men.

Spring training is being held to teach inexperienced men the art of self-defense and to give the old men an opportunity to develop their weak points. Men from last year's squad will be on hand to help out the beginners. Coach Rowe states that the training period will be taken up with road work, punching the bag, foot work, and sparring. Towards the latter part of the quarter the squad will be divided into teams which will compete in regular boxing bouts. These bouts will give the coach a line on his men and may bring to light some promising material for next year's squad.

Boxing is one of the most favored sports at the University, which is shown by the increasing numbers of candidates for the team each year. Carolina only competed in two meets this year losing to Virginia but winning from V. P. I. A much better schedule is being arranged for next year with several meets at home as well as on the road.

Pasquiot, Sylvette's father, Blaise, a gardener. There are also swordsmen, a musician, negroes, torch bearers, a notary, four waitresses.

The first act opens with a scene on the garden wall that divides the estate of Percinet and Sylvette. The two lovers are making love in the garden and think it is very wicked that their fathers object to their love making. When the

RULES ADOPTED BY GERMAN CLUB

Unanimous Approval Given By-Laws and Resolutions.

NEW OFFICERS CHOSEN

Dr. Bernard Reviews History of University Dances.

The German Club, in its meeting on Thursday afternoon, adopted by a unanimous vote the by-laws and resolutions concerning dances on the Hill, as published in the Tar Heel Thursday morning. These by-laws were drawn up by the German officers in conjunction with the faculty committee on dances. The present regulations are a combination of the old set of rules in force last year and the new by-laws.

Dr. W. S. Bernard, chairman of the faculty committee on dancing, was present at the meeting and he explained the clauses in the rules and attempted to justify the position taken by the committee in each case. He praised the present regulations as "a masterpiece of work" and expressed the hope and belief that it will work successfully. "No paper, organization, or constitution," he said, "is above the personnel behind it."

Charlie Gold, president of the club, stated that the present rules are superior to the old set in that "the individual pays for what the individual does, and the majority does not have to suffer for the misdeeds of the minority." The German Club executive committee bears the brunt of the responsibility of the enforcement of the rules and in this capacity acts independent of the Student Council. President Gold urged the members of the club to do all in their power to help put the plan across and called special attention to the dances being held this week-end.

The election of officers for the next year was held at this meeting. Jim Shannonhouse was unanimously elected president. John Finley, nominated for vice-president, and Baron Holmes nominated for assistant secretary and treasurer, were both elected without a dissenting vote.

The club was reminded that all members not paying dues before April 26 will be subject to a fine of \$5.00. After May 12, however, all who have not paid their dues will not be admitted to the final dances. Freshmen will now be eligible to join the German Club and all wishing to do so should send \$15 to Winslow McIver at the Sigma Chi house before May 15.

Dr. Bernard, in speaking before the meeting, reviewed the history of the regulations on dances. Three years ago the misconduct and disorder at the University dances brought forth much criticism from the state at large and the President received many indignant letters concerning the matter. Immediate action had to be taken and a meeting of the administrative committee was called by the President. Although some were in favor of the complete abolishment of the dances, it was decided to leave the matter up to the students themselves and the German Club was asked to appoint a special committee to meet with the faculty committee. After several meetings, the set of rules which has been in use for the past few years was worked out. During the following year the plan was particularly successful and the committee was congratulated on what was thought to be a perfect set of rules; however, last year there was a let-down in the high standard of behavior at the dances and criticism again arose which finally resulted in the suspension of the

TRACK TEAM TO MEET VIRGINIANS

Virginia and V. P. I. Will Be Met on Trip Next Week.

TEAMS EVENLY MATCHED

Carolina Has Edge in Track Events—Virginia Strong in Field Events.

Seeking further laurels, Coach Bob Fetzer's cindermen will journey to Charlottesville next Thursday where they will meet the University of Virginia track team in one of the most grueling contests that will be held this year. On this same trip, the V. P. I. track team will be met at Blacksburg on Saturday.

The meet with Virginia promises to be one of the hardest fought events on the Tar Heel schedule. The Cavaliers have lined up a very formidable array of track stars and have proven hard opposers for every team which they have met this season.

For the 100-yard dash, the Cavaliers will be represented by Cummings and Schumaker. In a meet held with Navy some few days ago, Cummings covered the hundred yards in 9 2-5 seconds, and made the 220 in 21 3-5 seconds. Carolina will be represented in the 100-yard affair by a pair to be picked from Woodward, Giersch and Teague.

The runners for the 220 event will probably be the same as those for the 100 yard spurt.

In the 440 yard race, Erwing, last year Cavalier captain, is the strongest contender. Erwing covers the 440 markers in 50 seconds flat. Raney follows a close second for the Virginians with a time of 51 3-5 seconds. In this event Carolina will probably be represented by Edwards, Watt, McDaniels, or Wyrick.

Virginia's entrances for the 880 yard run will probably include Leawell, a sophomore who crossed the line second in the Virginia-Navy meet, and who won the half mile run in 2 2-5 minutes. Carolina will be represented by Captain Jonas, Rhinehart, Evans, and Henley. Captain Jonas should be able to handle that section of the meet in fine style, owing to the very good work which he exhibited last year, and which he is continuing this year.

In the mile run Leawell will compete with Russ, while in the two mile spurt Captain Risher is the strongest against Galen Elliott, Pritchard, Undercontender for the Virginians. Risher ran a close second in the Virginia-Navy

SMITH ELECTED SENIOR PRESIDENT

Zack Williams Triumphs Over Fuller Brown for Sec. Treas.

CONTROVESY AT POLLS

Final Count Was Smith 98 and Kyser Ninety-Three

The polls for the final rising senior class elections were opened this morning at 9:00 o'clock and the race ran off between Kike Kyser and Red Smith for president and Fuller Brown against Zack Williams, for secretary-treasurer.

Red Smith triumphed by a close margin of 5 votes getting the final count 98 votes for president while Kike Kyser followed with 93 ballots. For secretary-treasurer, Zack Williams led with 108 votes and Fuller Brown 79.

At the first ballot came in Smith's favor for president but toward the end of the elections the majority of votes were cast for Kyser.

By far the most heated controversy of the election was over the ruling that the polls would be closed at 4 o'clock. At the very moment before the bell rang some of Kyser's cohorts dashed around the corner in a "Carolina Cadillac" chauffeured by Kike himself. Two voters jumped out to cast their ballots just as the 4 o'clock bell rang. Red's cohorts immediately affirmed that it was illegal to vote after the bell rang. Sharp debate ensued and a probable fistic encounter was averted.

HI TRIANGULAR DEBATE CLOSED

HERE LAST NIGHT

Winston-Salem and Wilson Debate for Aycock Memorial Cup.

67 SCHOOLS IN CONTEST

Debate Last Night Brought to Close One of Most Successful Contests

WINSTON-SALEM WINS

Winston-Salem High School defeated Wilson High School last night in Memorial Hall in the annual state-wide debating contest for the Aycock Memorial Cup. Mell Efrid and Lorretta Carroll, upholding the negative of the query, "Resolved: That North Carolina should levy a state tax on property to aid in the support of an eight-months school term", defeated Wilson's affirmative team composed of Harry Fitch and Catherine Ware.

All day Thursday high school debaters poured into Chapel Hill from every part of the state. The contest this year is indeed state wide; among the schools taking part are Hayesville in the far western part of the state, Grassy Creek in the northwestern section, Moyock from the east, and Tabor from the far southeast. The visitors totalled approximately 1000, of whom 268 were debaters, representing 67 schools. The rest were coaches, superintendents, principals, teachers, and enthusiastic supporters from the home town. All these visitors were well cared for by Chapel Hill people. The number of schools entering the contest this year exceeded that of last year by one.

The query for discussion was "Resolved: That North Carolina Should Levy a State Tax on Property to Aid in the Support of an Eight-Months School Term." There was a general meeting of debaters and teachers in Memorial Hall Thursday at two o'clock, when each team drew its opponents in the first preliminaries. These first preliminaries were held Thursday night in various halls over the campus.

The winners of these first preliminaries were as follows:

Affirmative Teams

Statesville—Louis Hartness, Zebb Long, Jr.
Wilson—Harry Finch, Catherine Ware.
Biltmore—Edwin Harris, Edith Kinsey.

Mt. Airy—Sue Mae Hendren, Clarice Bowman.
Sanford—Katherine Judd, Malcolm Judd.

Hamlet—Eugene Thompson, Harvey Carroll.

CHEER LEADERS GET ADDITION TO OUTFITS

New Spring Bonnets Given by Jack Lipman—Hardee and Thomas to Teach Yells at N. C. C. W.

When Carolina's cheer leaders sauntered out before the grand stand Wednesday afternoon, to get the racket started for the game with South Carolina, the students stopped munching their peanuts instantly. No, it wasn't to cheer, it was to stare. On the head of each cheer leader, sitting at a rather cocky angle, there was a brand new, made to order, white hat, and the boys looked so good under their new lids that no one but their favorite Co-Eds recognized them.

These hats were presented to the Tar Heel "loud speakers" by Jack Lipman. They were all that was needed to complete the make-up of Carolina's human jumping jacks.

The addition of new spring bonnets to the outfit which already consisted of white ducks, white sweaters with U. N.
