

TAR HEELS DROP 2 GAME SERIES TO GEORGIA TECH

Second Game Goes to Yellow
Jackets By Score of
11 to 3.

THREE PITCHERS USED

Hatley Drives Out Homer in First
Inning to Score Carolina's
Three Runners.

The fast-playing Yellow Jackets from Georgia Tech handed the Tar Heels a second walloping on Emerson field Wednesday afternoon. The final count was 11 to 3. Duke Duncan used three Tar Heel hurlers in an effort to stem the tide of Tech runs, and when the mele ended the sub-assistants were warming up. The Techman pounded out ten safe swats off the offerings of Bill Payner, Odell Sapp, and "Red" Whisnaut, while the Tar Heel batters ferreted out Florrid's fast ones for only six safe hits.

Hatley was the leading hitter of the affair with a home run and a single out of four trips to the rubber. His homer came in the initial frame after Tenney and Sides had singled, and produced the only Tar Heel markers of the game. His single came in the ninth frame, but he died on the second sacker when Doddered grounded out, second to first, to and the game.

Wilder, Mooreland, Reeves, and Yoeman each contributed two safe swats for the Techmen, while the hard-hitting Angley's only hit was a stinging triple to deep center in the initial frame. He walked three times and popped up once. Brewer obtained the only other safe swat for the Yellow Jackets.

Interest was added to the game by the performance of the new cheerleaders who Bob Hardy had out teaching the art of making the students their vocal muscles. The boys were doing fine, but they just couldn't keep in time with Hardy's peculiar twistings, and a comedy result which was enjoyed by the spectators.

The Tar Heels scored their only markers in the initial inning. "Moose" Tenney led off with a single to center and Sides followed suit with a single to left, Yoeman errors the ball and Sides continues to the second sack, but Tenney was held on the hot corner. Hatley then smashed one over Wycoff's head for four bases and the score read 3 to 3, the Yellow Jackets having counted three times in their half of the inning. Mackie

HOOPS SEMINAR DISCUSSES FAUST

Meeting Will Close Here To-
morrow Afternoon.

LARGE NUMBER ATTEND

Professor Hoops Makes Profound Im-
pression on His Audience.

A distinctly favorable impression has been made upon students who have attended the seminar conducted by Prof. J. Hoops, philologist of Heidelberg University, who has been here since Tuesday, according to J. O. Bailey, one of the students who has been interested in the lectures who has attended most of the meetings.

Only two more meetings of the seminar will be held, one this afternoon at 3:00 o'clock in 113 Murphy and the other tomorrow at noon in the same place. The topics upon which he will speak at these times are: "The Idea of Immortality in Keat's Poetry," and "The Pre-Raphaelites." Both of these promise to be interesting and a general invitation is issued to all who wish to attend, townspeople as well as students.

In the Tuesday's seminar at which his topic was "Glethe's Faust and Byron's Manfred," the students who were taking an active part gathered around the table with Prof. Hoops and gave reports on specially assigned topics. Prof. Hoops directed the discussion of each topic by questioning the members of the group.

"Prof. Hoops himself has a charming personality," Mr. Bailey states, "and an air of kindness and sympathy with student problems characterized his method of drawing out of his students, rather than instilling in them, the points that he wished to stress. His questions went to the point without being in the Socratic manner."

The origin of Faust, from the folklore and puppet plays of Goethe's childhood, was discussed, and the part

Sale Of Senior Invitations Is On

Orders for the Senior invitations will be taken on Thursday, Friday and Saturday of this week in front of the Post Office between the hours of 10:30 to 12:30 and from 2 to 5. This will be the first and only chance to get your orders in as no extra copies will be ordered. A deposit of 50 percent of the order price will be required.

DANCE PROGRAM HEAVY THIS WEEK

St. Hilda's Guild to Give Script
Dance at Gym Friday.

MANY GIRLS TO BE HERE

Sigma Phi Sigma Installation Ball Sat-
urday Evening.

With two big dances scheduled on the local social calendar for the coming week-end, it looks like a big time for the dance lovers on the campus. St. Hilda's Guild will start the festivities with a dance Friday night in Bynum Gymnasium, and Saturday night, at the Inn, the Alpha Phis will celebrate their installation into Sigma Phi Sigma with an installation ball.

The dance to be given by St. Hilda's Guild Friday night is open to all students and is being looked forward to with much eager anticipation by the campus. The popular Tarsonians will make the music for the dance and they are expected to bring out a crowd of enthusiasts. The Guild girls have invited a goodly number of damsels down for the occasion and these, together with girls here for the Alpha Phi events, and our own campus lassies, should fill the quota of female talent. The dance given last year by the Guild at the old Gingham lodge will be remembered as one of the most enjoyable of the dances held here last year. This society is noted for the successful dances it holds here each year. The admission for the dance will be one dollar.

The Alpha Phi installation ball will cap the climax for the social activities of the week-end. The girls will be here from miles out about to attend the function and it is expected to be a worthy successor to the other fraternity dances held here recently. The dance is announced to begin at eight-thirty and the boys are making every effort to start it off before it is time to stop. Hal Kemp will play for the dancing.

Now that the campus ballrooms are open once more, the dancers on the Hill are getting ample opportunity to exercise their talents. In fact, they should get their fill of dances, for with two more dances certain for the near future and several others rumored, the Spring presents a promising outlook.

DEBATERS WILL MEET ALA. HERE TONIGHT

Livingston and Mogulescu Will Repre-
sent Carolina in Forensic Contest
In Gerrard Hall at 8:30.

Tonight at eight-thirty in Gerrard Hall Ted Livingston of Asheville and M. H. Mogulescu of Camden, South Carolina, Carolina's affirmative team, will debate the Alabama team of Lewis A. Smith and Fred J. Smith who will uphold the negative side of the query, *Resolved*, "That the military forces of the United States should be co-ordinated into a National Department of Defence with sub-division for the army, navy, and air forces."

The Alabama team comes here with quite a reputation. Lewis A. Smith, sophomore, has participated in a large number of inter-collegiate debates. He has recently won over Furman, Emory, and L. S. U. His colleague, Joe J. Smith, is a junior and president of the debate council at the University of Alabama.

In Livingston and Mogulescu they will find two worthy opponents. Livingstone, first year law student, has made eleven varsity inter-collegiate debates and was also a member of the freshman inter-collegiate debating team. He is president of the debate council here. Mogulescu, a sophomore, will participate for his second time in a varsity inter-collegiate debate, but has been active in inter-scholastic debating. He is secretary and treasurer of the debate council.

The contention of Col. Mitchell on this question has aroused nation-wide interest and a large audience is expected to hear his discussion.

POOLE ACCEPTS DI'S INVITATION TO SPEAK HERE

Senator of Hoke County to Dis-
cuss Evolution Bill.

TUESDAY EVENING MAY 18

Di Senate Will Occupy Hall Night
of Address—Public
Is Invited.

D. C. Poole, member of the North Carolina House of Representatives from Hoke county, has accepted the invitation of the Di Senate to speak on the general subject of evolution at Memorial Hall, May 18.

In the past session of the State Legislature, Senator Poole introduced a bill to prevent the teaching of evolution in any of the State supported institutions. This bill was defeated but it is understood that a similar bill will be introduced at the next session of the State Legislature.

This discussion of the anti-evolution bill and the reasons why it should not be taught in State institutions will be held in Memorial Hall, Tuesday evening, May 18. The Di Senate invites the public and expects to have a large audience to hear Mr. Poole.

The following is the letter L. B. Kennett, chairman of the speaker's committee received from Mr. Poole, Tuesday: "My Dear Sir:

If nothing prevents, I will be with you on May 18, prox., and speak on the subject of the teaching of organic evolution in the schools of this state, and why I think legislation is necessary to prevent it.

Thanking you for this invitation, I am
Yours truly,
D. S. Poole."

J. H. HARRELL WINS THE ORATORICAL CONTEST

J. H. Harrell of Merry Hill with M. M. Young of Durham as alternate, won the judges' decision in the tryouts held in the Law Building at seven-thirty Monday night for representative to the annual Peace Oratorical Contest to be held at Charlotte in May.

Harrell's subject, "The Task of Modern Society," was well developed and forcefully presented to the seemingly disinterested few which were present.

The judges were Messrs Jenkins and Woodhouse of the History department and Mr. E. T. Thompson of the department of Rural Sociology.

The contestants and their subjects

TRACKMEN ENTER MEET AT RALEIGH

Will Attempt to Bring Back
Fifth Straight Championship.

FRESHMEN AND VARSITY

Many New Records Expected To Be
Established.

The Carolina Track Teams, both Varsity and Freshmen, may be seen now daily grilling themselves on Emerson Field in anticipation of the State Track meet to be held at Raleigh tomorrow and Saturday. This intercollegiate meet an annual event, is usually regarded as the crowning climax of the North Carolina track season. Many teams have been literally pointing for this meet all year with the result that records are supposed to fall like hail when they clash. On Friday the preliminaries and heats will be run off for both Freshmen and Varsity athletes. Then on Saturday the real strenuous competition will take place.

Coach Bob Fetzer and his Varsity cohorts are entering the meet to defend the state title which they have held for the past four consecutive years. Almost every college in the State has some outstanding candidates for highest honors, and the Tar Heels are expected a furious battle before they will be able to march off the field, State Champions for the fifth consecutive year.

There is one interesting feature about the meet this year that is interesting on account of its newness. For the first time in the history of the event, medals will be given to the individual winners of first, second and third places. This idea is in keeping with the new policies of the big track meets that are held all over the country and should insure keener competition—if that is possible. Gold medals go to first place winners, silver medals to second place winners and bronze medals to third place winners. Fourth and fifth place are to count in the scoring but are not to receive any awards.

Carolina will face her strongest competition in the person of Duke, State College, and Davidson. She has defeated both Duke and Davidson in dual meets already this year and her supporters feel confident of her ability to repeat.

McPherson of Carolina has been clocked under ten seconds in the hundred and under 22 seconds for the 220, and should go well in the meet. Sides of State, is another fine sprinter who covers the century in ten flat, the 220 in 22 and the 440 in right around 51. Other splendid sprinters are Goodykoontz of David-

Hill.

THE ORDER OF GRAIL HOLDS ITS ANNUAL SESSION

Regular Quota of Thirteen Men
Initiated Tuesday Night.

5 JUNIORS 8 SOPHOMORES

Campus Leaders are Bid by Well
Known Honor Body Here
This Week.

Well, campus, here's the pick! for the last few weeks speculation has been rife as to who would be selected as new members of the Order of the Grail, and now the secret is out. On Tuesday night the Grail held its annual initiation, taking in a total of thirteen new members, five juniors and eight sophomores. In the last few years the Grail has come to be regarded as one of the most influential and one of the most worthy organizations at the University, second only to the Golden Fleece. The Dance committee of the Grail has made a thorough and conscientious study of the dance problem, and its investigative efforts have not been fruitless. The Order has always promoted dances with a three-fold purpose: to get the students together; to provide recreation under supervision; to develop the campus society.

With the aim of promoting more wholesome campus relationship, the Grail has endeavored consistently to make a clean sweep of the naggot-like problems which have been boring into the vitals of campus life. Last year the Order established a Carnival Fund of \$500.00 to insure the success of the Carolina Carnival each year, and also donated \$50.00 to the Intra-mural department for trophies.

The new members initiated Tuesday night are: T. E. Clemmons, Hallsboro, N. C., Norman Block, Greensboro, N. C., Mutt Evans, Fayetteville, N. C., J. W. Crew, Jr., Pleasant Hill, N. C., George McDaniel, Henderson, N. C., "Fat" Hatley, Albemarle, N. C., Harold Buck, Charlotte, N. C., Billy Ferrell, Petersburg, Va., Bobby Wilkins, Greensboro, N. C., Nash Johnston, Tarboro, N. C., Byron Glenn, Asheville, N. C., Kike Kysler, Rocky Mount, N. C., Pinky Morris, Charlotte, N. C.

Below is the roll of 1925-1926.
William Weeks, Walter Crissman, Zack Waters, William Couch Lester Crowell, Hampton Davis, Joseph Epstein, Jeff Fordham, Frazier Glenn, Charles Gold, Edward Hedekpeph, William Highsmith, Henry Johnston, William Parker, Altou Routh, Marian Saunders, Emmett Underwood, Bob Sides, Bidgood Wahmann,

NEW FRATERNITY INSTALLS FRIDAY

Sigma Phi Sigma Will Install
Chapter Here.

FORMERLY ALPHI PHI

Elaborate Installation Dance Planned
for Saturday Night.

Great preparations are now under way for the installation of Alpha Phi local, into Sigma Phi Sigma, national fraternity this week-end. The advent of Sigma Phi Sigma here marks the arrival of the twenty-fifth national fraternity on the campus and the third to be installed here since Christmas. A large number of visitors; national officers of the fraternity and alumni of Alpha Phi, are expected to be on the Hill during the events of the installation and elaborate plans have been made for their entertainment while here. The installation team will arrive Friday and the ceremonies will begin immediately. Friday afternoon and night will be taken up with installation and initiation rites which will be continued on Saturday morning. Saturday afternoon, "open house" will be held at the fraternity house on Rosemary street, followed by a formal banquet at the Carolina Inn in honor of the installation team and other visitors. As a climax to the events will come the installation ball at the Inn Saturday night at eight-thirty. Hal Kemp's orchestra has been engaged to play for the occasion, which is enough in itself to insure the success of the dance.

Alpha Phi began petitioning Sigma Phi Sigma in December 1925 and a handsome petition was duly circulated. On March 2, 1926, the local fraternity received notice of its acceptance and the installation was set for the week-end of April 30.

Sigma Phi Sigma was formed at the University of Pennsylvania in 1908. Since its organization, the society has been slow to spread on account of the

CAMPUS EAGERLY AWAITS TAPPING OF GOLDEN FLEECE TUESDAY NIGHT

Dr. Howard E. Rondthaler, President of Salem College, Will
Make the Address—Tapping Will Precede Address This
Year—Tar Heel Will Publish Probable Men Saturday.

By Joe R. BOBBETT, JR.

It is with eagerness and anxious anticipation that the student body awaits for the twenty-fourth annual tapping of the senior order of the Golden Fleece which has been set for next Tuesday, May 4, at 8:30 p.m. in Memorial Hall. It is with a tingling thrill of excitement that most of them look forward to the slow-dragging minutes when the hooded and black-robed Argonauts shall weave in and out among the aisles of the ancient assembly hall to pause between seemingly endless intervals, to pounce upon a "tapped" leader and thus proclaim him one of Carolina's outstanding figures.

Dr. Howard E. Rondthaler, president of Salem College, and one of the state's most eloquent orators, has been secured as the principal speaker of the occasion. His address will immediately follow the tapping, which in the past has been the first, and to many the most important, item on the program.

For twenty-three years the Golden Fleece has been in existence, holding its annual tappings to which the public is invited. From old issues of the Tar Heel we have its comparatively brief but eventful history, chronicling the rise of the most influential organization on the campus. In 1903 two representative students, recognizing the need of such an organization but having no definite scheme in mind, met with Dr. Horace Williams, now acknowledged founder of the Fleece, and Dr. Eben Alexander, now deceased, but then a prominent member of the University faculty, to consider the possibilities for an honorary senior order.

The campus then, we are told, "was torn by friction among groups, personal jealousies, and unsettled conditions in
(Continued on page six)

PRESS ASSOCIATION WILL HOLD MEETING

State Gathering of College Editors
Will Be Held at Guilford Col-
lege This Year.

The semi-annual meeting of the North Carolina Collegiate Press Association will be held at Guilford April 29, 30, and May 1.

Several speakers have been lined up for this meeting, among them President Raymond Binford of Guilford College. He will speak on some phase of journalism.

Among the many events of this gathering there will be a banquet held at the Jefferson Standard Cafe in Greensboro. After the banquet the guests will be taken for automobile rides to points of interest in and around Greensboro. That night a dance will be given in honor of the guests.

The regular presidential address will be made by E. G. Moore president of the body, who is editor of the *Technician*, newspaper of State College. His subject will be "The Press and Public Opinion."

A feature of the spring meeting is the selection of the best newspaper and magazine for the current year. For the past three years *The Davidsonian* has carried away this honor. *The Archivist* a magazine published at Duke University has carried away the honors in the magazines.

The last convention was held at the University of North Carolina. There were about fifty delegates to that and an even larger number is expected at
