PROMINENT ENGINEERS VISIT THE UNIVERSITY

During the past ten days the School of Engineering has been honored by visits from two prominent engineers, E. F. Kelly and George E. Schafer, to inspect the culvert pipe experiments that are being conducted as a joint research project between the North Carolina State Highway Commission, the United States Bureau of Public Roads, and the University of North Carolina.

Mr. Kelly, Acting Chief Engineer of the Division of Tests of the United States Bureau of Public Roads, was in Chapel Hill on May 18 and expressed satisfaction with the layout of the apparatus and with the proposed methods of conducting the experiments. As part of their cooperation, the United States Bureau of Public Roads has agreed to furnish one of their engineers who will be stationed in Chapel Hill to assist in the experiments. They also will furnish fifty soil pressure cells, which will be used in the determination of earth pressures.

Mr. Schafer, Research Engineer of the Armo Culvert and Flume Manufacturing Association, has also been in Chapel Hill for several days with the idea of making a study of the experiments.

hibited throughout the past season, and under his leadership, the 1927 baseball squad which will be composed of the entire list that is present now with the exceptions of "Touchdown" Jones and Bill Poyner, abetted by the freshman nine, should produce one of the most successful seasons that has been enjoyed at Carolina in some time.

Commencement Address Delivered by Coates

Mr. Albert Coates, of the law faculty of the University, delivered the principal address at the commencement program of the Wilson High School last Friday evening. He spoke on the fact that only in the clash of mind and matter is the real truth discovered.

Among the high school graduates receiving medals and awards were two lads who represented Wilson High School here at Carolina some weeks ago in the state championship debating contest.

Elmer Oettinger, Jr., was awarded the Lion's Club medal; and Harry Finch received the award for being the boy who most nearly met all the scout ideals and was considered by his fellow students as being their ideal boy.

ALLEN TO GIVE HIGH SCHOOL ADDRESS HERE

A. T. Allen, State Superintendent of Schools at Raleigh, will deliver the Baccalaureate address for the Chapel Hill High School June 2. About 35 seniors will receive diplomas that night.

The senior event of most interest to outsiders will be the play "Mr. Bob" which will be given the preceding Monday night, May 31. The play is a light comedy consisting of seven people, four girls and three boys. This play will be given for the benefit of the "Hilllife", annual, put out by the senior class. The annual is just off the press and many interesting aspects of the High School life are presented in it.

The senior class day will be given Tuesday night, June 1, and the student highest in scholarship will give the valedictory address.

BAND FRATERNITY IS ORGANIZED HERE NOW

Mu Sigma Locals, Will Petition Kappa Psi, National Band Fraternity.

The Mu Sigma band fraternity, organized among students who have had two or more years work on the band will present a petition next fall to the National Band Fraternity, Kappa Kappa Psi. There are twenty chapters in this fraternity in which twenty bands are organized for the chief purpose of fostering band music of the higher type and to depart from the Rah-Rah kind of music which the usual college band indulges in.

The University of North Carolina band made a start to raise the standard of music, in that six classical concerts were given. One was given here in December, the others out of town. In Raleigh they gave a concert to 2000 people and received splendid press notices next day. Another outstanding concert was given in Southern Pines, where the house was full and many standing.

In making the move to do classical work, the band will continue as in the past to function at all athletic events and other college activities. They only aim to broaden the scope of their musical activities.

With this aim in view the eligible group organized the Mu Sigma fraternity a short time ago and plans have been made to achieve their object through this organ.

The personnel of the group will be increased as more members of the band become eligible. The present members are: J. P. McNatt, A. E. Freeman, W. M. Mebane, Zack M. Williams, L. E. Lancaster, C. W. Williamson, D. Whitaker, F. L. Byerly, R. K. Scott, C. E. Harris, C. W. Kelly, J. B. Hatley, T. R. Lowden, A. D. Knox, C. H. Wessel and T. S. McCorkle director of the band. The president is C. H. Wessel, vice-president A. C. Freeman, Secretary and treasurer C. W. Kelly.

LOCAL BOY SCOUTS WILL HOLD COURT OF HONOR

The Chapel Hill Scouts have arranged a very complete program for the next meeting of the Court of Honor which will be held in Memorial Hall, Thursday night at 8 o'clock, according to Scoutmaster Vernon Kyser, who also extends to interested students an invitation to be in attendance.

Patrol and troop buglers and the scout band will be on hand to enliven the occasion, and the list of speakers includes prominent professors. President H. W. Chase will deliver the principal address of the evening, while the awarding of the various test badges will be left to Professors Harold D. Meyer, A. H. Patterson, J. G. DeRhouf-lac Hamilton, and Secretary H. F. Comer. The invocation will be delivered by Rev. Eugene Olive, while the director of songs will be Brooks Patten.

The Pine Tree Patrol, composed of six Eagle scouts, will give a demonstration of scout-craft.

WEEK-END PARTY IS GIVEN BY THETA PHI

The Theta Phi Fraternity entertained at an enjoyable week-end house party May 22 and 23 at their attractive house in Davie Woods. Saturday evening the guests were taken on a delightful picnic supper and were served roast steak, iced tea, sandwiches, pickles, apples, and toasted marshmallows. After the picnic, the later part of the evening was taken up with a dance at the Fraternity house. The hall was charmingly decorated with wild flowers and the Fraternity colors, orange and blue. The girls were presented sweet pea corsages as favors. The guests enjoyed dancing until twelve o'clock.

THE PICK SHOWS NEW BEBE DANIELS COMEDY

A sparkling, rollicking comedy, laid in the society atmosphere of Palm Beach and other Florida beauty spots, glorified by the bewitching presence and humorous antics of Bebe Daniels, and depending for its thrills upon speedboat racing is what picture-goers may expect to see at the "Pick" today, when "The Palm Beach Girl" begins a three day's run.

Just picture Bebe as a gawky country girl trying to learn the manners and mannerisms of the smart social set, falling in love with a handsome millionaire, adventuring with bootleggers and running wild in a sixty-mile-an-hour speed boat, and you'll begin to realize the hilarious fun and hysterical thrills wrapped up in this picture.

The story was adapted from the yarn by Byron Morgan and the play, "Please Help Emily" by H. M. Harwood, and is packed cram-full of speed, spice and suspense. There are enough funny gags and comedy situations to keep audiences in a constant uproar of laughter. Forrest Halsey wrote the scenario and Erle Kenton wielded the megaphone.

Lawrence Gray, who gave such a good account of himself opposite Gloria Swanson in "Stage Struck" and "The Untamed Lady," is happily cast as Bebe's leading man. Josephine Drake, Margaret Calvi, edkquKofshrdlu guerite Clayton, John Patrick and Armand Cortes are others who assist Bebe.

Of the many exciting highlights in the production the big speed boat race—actual reproduction of the annual regatta near Miami Beach—is outstanding by virtue of its thundering action and hair-raising thrills.

SKINNER'S DRESS SUIT

One of the greatest comedy hits of the year, and thus acclaimed by all the critics, is "Skinner's Dress Suit," starring Reginald Denny, listed for its first local showing at the Pick on Friday. Skinner's wife insists that he ask for a salary raise. He tells her he got it, which is a lie, but wife proceeds to spend money like water and Skinner is caught in a net of awful financial complications. He wins out in the end, but not until disasters menace him everywhere. A screamingly funny film!

The support includes such well-known players as Laura La Plante, Ben Hendricks.

Skinner's troubles started through lying to his wife about a supposed salary increase. So she spent money accordingly.

FRESHMAN ROCK PILE IS NOW A STONE SEAT

Order of Gimgghouls Have Traditional Pile of Rocks Transformed Into Massive Seat at Piney Prospect.

The Freshman Rock Pile is no longer a shapeless mass of stones. In its place stands a massive stone seat, built by the order of the Gimgghouls as a memorial to the late ex-president Kemp Plummer Battle.

The seat, in the form of a semi-circle with the opening toward the valley, is enclosed by a wall about six feet high made of rough stones gathered from the sides of the hill. The work was done by the Valdesians, who have just completed Gimgghoul Lodge. On the inner surface of the wall, just above the middle of the seat, is to be placed a bronze memorial tablet.

The original name of the hill upon which this seat is built was Point Prospect, but it has become changed to Piney Prospect because of the abundance of pine trees.

When Dr. Battle was president of the University, he liked to visit the hill in his walks, and it was he who first started gathering together the loose stones which later grew into such a huge pile. He asked every student who went out there on his afternoon walks to add a stone to the pile, which thus became a mute witness to the thousands of pleasant rambles which the students took through the woods in order to get the extensive view. The tradition has changed slightly, and the idea was handed down that only freshmen were expected to enlarge the pile, which for years has been known as the Freshman Rock Pile.

The Gimgghouls, who now own the property, were unwilling to use the stones in the building of their new castle, but were also unwilling to leave them in a shapeless mass—hence the new memorial seat, which it is hoped will minister to the pleasure and comfort of many generations of college students and will keep alive the memory of Dr. Battle, after whom Battle Park was named.

Dr. Battle was a great nature-lover, and spent many hours weekly cutting out new trails, building bridges, and making the Park accessible to the public.

ELGIN IS CHOSEN TO CAPTAIN TENNIS TEAM

At a recent meeting of the tennis team D. V. Elgin, of Charlotte, was elected to captain and manager of the team next season. Elgin played on the Varsity all this year as number two man, and has figured in all of the Carolina victories.

He won the state high school singles championship in 1923 for the Goldsboro high school. By virtue of his outstanding achievements on the freshman team of 1924, he was elected captain of that team. Besides being an excellent player with a varied method of attack, Elgin has the added advantage of being a southpaw. Many players say that it is awkward to them to play opposite a left handed man, and they will often forget themselves and play his strong side instead of his weak side.

ALL-UNIVERSITY TENNIS CONTEST NEARING FINISH

The all-university tennis tournament is drawing to a close, and eight teams still have a chance at the crown. Thirty-six teams were entered in the race, but twenty-eight of these have been eliminated.

The teams will meet Monday to see who enters the semi-finals Tuesday. And the winners of Tuesday's matches will meet Wednesday to decide the campus championship. The champions will be awarded a beautiful silver loving cup given by an insurance company of Greensboro. This cup was won by the Beta Theta Di team last year. It is a two year trophy and the team which is fortunate enough to capture it twice in succession will be allowed to retain permanent possession.
