

TIMEN'S PLAYERS TO GIVE LEONID ANDREYEV'S PLAY

"He Who Gets Slapped" to Be Presented Friday and Saturday Nights

DENNY HAS LEADING ROLE

Reserved seats for both performances of "He Who Gets Slapped" can now be reserved at Sutton and Alderman drug store. Seats for the performance are \$1.00 each. Seats will be on sale at the ticket office of the Theatre building the night of both performances for the benefit of those who are unable to secure their seats earlier.

He Who Gets Slapped, a story of circus life by Leonid Andreyev, will be presented in the Playmaker Theatre tomorrow and Saturday by the Playhouse actors of Asheville.

He Who Gets Slapped is a strong play presented by an intelligent cast who have studied the play and re-live the parts instead of just giving the interpretation of them. The costumes, as designed by Irene A. Converse are thoroughly in keeping with the play as well as being beautiful and colorful.

The story of the play deals with the life and emotions of a man of high education forced from society and who seemed to cover up his soul under the makeup of a clown. George V. Denny in the role of HE gives the role the superb interpretation that he has always shown in his acting with the Carolina Playmakers. He plays the role of the clown, who, suffering from a broken faith, a victim of disappointment in love, and cast out by friends, tries to forget all by becoming just HE, a mere clown in a circus. Underneath his makeup he gives to the world the jaunty pose of one who laughs that he may hide the ravages of a bleeding heart.

John W. Timen, a student of Stanislavsky directs the play and also plays the difficult part of Mancini with ease and conviction.

Miss Mary Madeline Ross who played the part of Lady Pane in the New Year of Hammerstein's *Rose Marie*, will play the part of Consuelo, bareback rider in papa Briquet's circus.

Council Reorganizes Rushing Rules for Fraternities Here

TUESDAY EVENING

On Monday, October 25, Will Be Inaugurated a Two Day Period of Silence

ROUSE IS PRESIDENT OF FRATERNAL COUNCIL

At the second meeting of the Inter-Fraternity Council at the Coop Tuesday night, freshmen rushing rules were revised and brought up to date, with practically the same regulations and restrictions as were enforced last year. The council's twenty-two members unanimously approved the following regulations:

1. Following the 35 days of open rushing there will be a period of silence beginning at midnight, Monday, October 25, and lasting until 6:00 p. m. on the following Wednesday, October 27. During this period there shall be no rushing in any form by the fraternities, or their agents, or the new men themselves, on or off the Hill. (Rushing is defined as entertaining, engaging in social conversation, in written conversation, or in any form of communication, direct or indirect—except formal salutations—on the part of any member or agent of a fraternity).
2. On the first day of the period of silence each fraternity shall submit a list of those whom they wish to bid through the secretary of the Inter-Fraternity Council to the Faculty Advisor on Fraternities.

3. On the second day of the period of silence, (Wednesday) the Faculty Advisor on Fraternities will summon every man who receives a bid to some convenient place selected by him, at which time each man shall appear alone before the Advisor and any Assistants he may select to aid him, and state in writing his first, second, and third choice of fraternities he would like to join, or may have reason to expect bids from. The Advisor after consulting the list of bids, shall then direct him to the house of the fraternity of his highest choice among those bidding him, but not informing him of any other bids he may have received, and putting him on his honor not to disclose to anyone his choice before arriving at the proper fraternity house and putting on the pledge button. The freshman's choice as stated to the Advisor shall be considered as final.

MEN INJURED IN WRECK

While turning a curve at a fast rate of speed, Jack Lee, of Chapel Hill, and Hugh Merritt, of Carrboro, ran over a fill in a Nash automobile near Dr. R. B. Lawson's residence in Chapel Hill, Monday night about 12 o'clock.

GRADY PRITCHARD WEDS

Grady Pritchard, veteran gridiron hero and now a member of the University coaching staff, has fallen victim to Cupid. A New Bern paper of September twenty-fifth carries an announcement of the wedding of Miss Sarah Holland Hester, of that city, to Mr. Pritchard. The wedding is somewhat of a surprise to the friends of both the bride and groom.

After a trip to western North Carolina, Mr. and Mrs. Pritchard will be at home in Chapel Hill.

CONNOR ADDRESSES NORTH CAROLINA CLUB AT ITS FIRST MEETING

The North Carolina Club began its thirteenth year with a meeting in Saunders Hall last Monday evening. The feature of the evening was a paper by Dr. R. D. W. Connor on "The Development of Democratic Institutions in North Carolina," which provided a very excellent background for the topics which are to follow.

He reminded the members of the Club that their papers and discussions helped to mould public opinion throughout the state, and that in several instances wanted reforms in the State had their beginnings in the N. C. Club discussions.

Dr. Connor reviewed the development of North Carolina's political democracy. He said it was a mistake to think of Democracy as a product of the eighteenth century, but that it was more of an accomplishment of the nineteenth. The American Revolution was not a democratic movement but rather a rebellion of Englishmen whose constitutional had been violated.

North Carolina's constitution was written by Englishmen and in it the time-honored rights of Englishmen were guaranteed. The first constitution was far from a democratic instrument. It set up a government based on property rights, and only land owners were eligible to vote and hold office. Furthermore, only

27 NEW MEN JOIN THE PHI ASSEMBLY

Dormitory Soliciting Discussed

With the renewed enthusiasm the Phi Assembly held its weekly meeting Tuesday night in the first year classroom of the law building. The response to the call for initiates into the society was unusually strong. Twenty-seven new men were administered the oaths and obligations of the Assembly.

The first resolution discussed concerned a question of vital interest to every student. Resolved: That soliciting in the dormitories shall be limited to a period of one hour each night which period shall be selected by the occupants of each dormitory at their next meeting.

Mr. Carroll, speaking in favor of this plan, said that the University considers the present soliciting situation as unfavorable. The interruption of students at every hour of the night is detrimental to their studying. He proposes that one hour should be given, after 9 p. m., to the solicitation by self-help students for their work. Mr. Noe opposed this idea as being harmful to those students earning their livelihood, while tending to cramp their style as salesmen. It is necessary that we give self-help students every possible opportunity to remain at the University, said the speaker. The final vote of the Assembly was heartily opposed to this resolution.

The following motion was met with a far from sober attitude by the members. It concerned the admittance of Co-eds into membership in the Assembly. No one seemed to have given the idea any really serious thought and the results that would occur with the presence of the fair sex in that Hall, were amusingly described. This motion was tabled until the next meeting.

3 CABINET SYSTEM PLANS Y WORK

Junior-Senior, Sophomore, and Freshman Bodies Organized—Crissman in Charge of Freshmen

EIGHT MEMBERS MAKE UP "FACULTY CABINET"

The new Y. M. C. A. organization plan for the University student body was inaugurated Monday night with the Junior-Senior Cabinet, the Sophomore Cabinet, and the Freshman Cabinet, meeting in separate rooms of the Y. M. C. A.

This new organization is made necessary by the great increase in the student body and the Y. M. C. A. work on the campus, and instead of the one Y. M. C. A. cabinet for the three upper classes, there is now organized the Junior-Senior Cabinet, and the Sophomore Cabinet, with the Freshman Cabinet, formerly the Freshman Friendship Council, for the first year men. A "Y" Cabinet is being formed for faculty members of the Y. M. C. A., which will be called the "Faculty Cabinet," and about eight members of the faculty have signified their desire for membership. Each cabinet is to meet separately, in the "Y" building, Monday nights, at 8:30, three times a month, and the last week of the month hold joint meetings, with the regular officials taking charge. The new system of organization was planned by the National Council of the Y. M. C. A., at its annual conference four weeks ago, in which Mr. H. F. Comer took part, and it is recommended as the most comprehensive plan for student "Y" work in the United States.

Each cabinet is the agent for the Y. M. C. A. work in its class. The Junior-Senior Cabinet will direct the main work of the "Y," and appoint the committees for the 27 departments of the annual program, calling on the cabinets of the two lower classes for members of these committees. Each cabinet will deal in particular with problems of its own class.

The meetings Monday night were well attended by both old and new men. The programs primarily consisted of election of officers, and talks by Mr. Comer, and Walter E. Crissman, assistant "Y" Secretary, concerning the new system of organization.

The officers elected to head the Freshman Cabinet this year are: William Bobbitt, president; Bob Graham, vice-president; Marion Follin, secretary; and Bud Eskew, treasurer. The same rules of organization apply to the Freshman Cabinet as to those of the Y. M. C. A. freshman

65 MUSICIANS WAIT IN VAIN TO GO TO GAME

A sixty-five piece band gathered in front of Memorial Hall promptly at ten-thirty o'clock Saturday morning in hopeful expectation of the arrival of a promised bus to convey it to Wake Forest. The musicians waited until two or three o'clock and then dispersed without the trip to the game. The bus which would have taken the crowd was pressed into service for use by the football team and the other bus engaged had engine trouble and never arrived.

SATURDAY GRID CONTEST TO BE HARDEST ON TAR HEEL SCHEDULE

Will Have Definite Bearing on Carolina's Conference Standing

TEAM IS WORKING HARD

Realizing that they are facing one of the hardest games on the entire grid card Saturday, Carolina football mentors have pushed their squad through one of the most intensive weeks of training that has ever been witnessed on Emerson field in an effort to iron out the wrinkles which developed in the Demon Deacon affair, and when the Tar Heels take the field against the strong University of Tennessee eleven at Knoxville Saturday, a much smoother and more powerful machine than that which trotted out on Gore field last Saturday will be the result.

The contest with the Tennessee gridmen is a recent addition to the Carolina program, and it is upon this contest that Carolina's strength in Southern Conference circles will undoubtedly be rated. Little is known of the strength of the Tennessee eleven and the Tar Heels will go into the fray "with blinkers on"—what the result may be cannot be predicted. However, it is known that the western university ranks high in conference circles, and a Carolina victory in that contest will mean much to the Tar Heels in their race for conference honors.

The Tar Heel eleven which will take the field Saturday will more than likely be the same which started the Wake Forest contest. Warren and McMurray, ends; Faulkner or Gregory and Morehead, tackles; Josephs and Whisnaut, guards; Lipscombe or Swartz, center; Hackney, quarterback; Shufford, fullback; Ellison, Forrel, Foad, Lassiter and Young halfbacks.

24 NEW MEMBERS ENROLL IN THE DI SENATE TUESDAY

Body Unanimously Agrees to Meet Hereafter on Saturday

The initiation of twenty-two freshmen and four upper-classmen featured the meeting of the Dialectic Senate Tuesday night.

In order to save time the roll-call was suspended and the senate took up the constitutional amendment designed to change the meeting night from Saturday to Tuesday. It was passed unanimously with little discussion. "Kike" Kyser was then allowed three minutes by the senate in which to present the new plan for a cheering section, membership to be selective.

The senate then passed on to the feature of the meeting. The following upperclassmen were first presented for membership: J. F. Ashby, H. B. Bell, E. H. Smith, J. B. Neal, B. H. Hardee. The freshmen were as follows: C. J. Pickett, Spencer; E. T. Pickett, Spencer; D. H. Armstrong, Troy; E. E. Wheatley, Albemarle; F. B. McPherson, High Point; Murrell Cohen, Louisville; R. D. Marshall, Granite Falls; S. C. Harper, Winston-Salem; Mercer Blankenship, Charlotte; J. M. Alexander, Asheville; Carl Sechrist, Lexington; A. B. Crudup, Meridian, Miss.; Leonard Lewis, Hender
