CHAPEL HILL, N. C., TUESDAY, OCTOBER 5, 1926

NUMBER 7

U. N. C. Bows to Tennessee In 34 to 0 Defeat Saturday

PLAY IN KNOXVILLE

Tennesseeans Puncture Carolina's Defense in First Period for Scores—Collinsmen Offensive Weak

FERRELL AND YOUNG STAR

The University of Tennessee gridiron machine opened its game with North Carolina in whirlwind style and defeated the Tar Heel invaders 34 to 0 Saturday, at Knoxville.

The flashing offense displayed by the Volunteer eleven literally swept the visitors off their feet during the first few minutes of play. At no time during the first half did the Collinsmen offer an effective resistance to the fast moving Tennessee backs. Carolina failed to register a first down in either of the first two quarters.

End Runs Fatal

Time after time Elmore, star half-back on the Knoxville team, skirted the blue and white ends for long and consistent gains. Moore, substituting for Elmore, was equally capable of circling the opposing flankmen.

Carolina came back strong in the third quarter and threatened twice to score, with Young, Ferrell, and Block bearing the brunt of attack. Young broke loose on one occasion for a twenty-four yard gain before he was dragged to the ground by Harkness. Several passes, Farrel to Young, were completed near the Tennessee goal, but two additional attempts were unsuccessful.

As the game drew to a close, Tennessee again obtained the ball in Carolina territory and succeeded in pushing it across for another touchdown, with Dodson, heavy Volunteer full-back, making the necessary yardage through guard.

First Score Early

Tennessee's first touchdown came in the first two minutes of play, resulting from end runs by Jimmy Elmore and a pass, Harkness to Rice. In rapid succession Elmore then proceeded to cross the Blue and White Goal line twice, carrying the ball around end on practically every play.

In the second quarter Tennessee added six more points when Block, substituting for Shuford, fumbled near his own goal line.

CHASE SPEAKS AT CHAPEL EXERCISES

First Year Men Advised to Learn to Properly Apportion Time

"Learn to apportion your time so as to have room for the proper amount of study and school activities," President Chase advised those in chapel yesterday morning. "More than 200 men did not apportion their time properly last year, could not pass the required amount of work, and were compelled to leave the University."

Dr. Chase exhorted the students to have a definite time for everything. "Everyone should take part in some of the college activities, but not to the detriment of his studies," he advised.

"There are just as good loafing places in your home town as the Chapel Hill drug stores. If you are going to loaf your time away here you had better go back home and not waste the taxpayer's money," President Chase declared.

NEW CHEERERS GIVE FREE SHOW

"Cheeri-O-Show" Will Be Given Night Preceding All Football Games This Year

CHEERIOS HEAR COLLINS

A special novelty form of entertainment and pep meeting, called a "Cheeri-O-Show," has been planned by the organization of "Cheerios," to be held the night preceding every football game to be played on Emerson Field, to supplant the worn-out form of "pep" meetings that have been held here in the past. The first "Cheeri-O-Show" will be held in Memorial Hall Friday night, at 8:30.

Carefully planned programs for these shows will include novelty acts of entertainment, two or three brief talks by the Coaches, captain, faculty members or students, and short rehearsals of Carolina yells by the audience.

The shows will be free of charge, and will mean diversion and enjoyment for the student body, without the necessity of strenuous exertion on their part as in the ordinary "pep" meetings, while at the same time they will get good practice in yells and the much needed pep. It is the general opinion that this program will be a decided improvement over the old system.

The first meeting of the "Cheerios" was held in Gerrard Hall yesterday at Chapel Hill, with practically every member present. Coach Collins talked to the body on the vital part this organization can play in all athletic contests at Carolina, saying that it is a great need for the support of the teams and is welcomed by the coaches and authorities.

The "Cheerios" are meeting in Memorial Hall every night from 7:00 to 7:30 o'clock. All men who signed up for the squad at the class smokers are considered members, and are requested to report for rehearsals at once or be dropped from the organization.

Boxing practice will be held in the Tin Can this afternoon. All new men who wish to learn the art of self defense are requested to report to Coach Clayton Rowe. Any Sophomores wishing to try out for places on the boxing team as sub-assistant managers may report then.

DEPARTMENT OF MUSIC GIVES A SUNDAY CONCERT

Large Audience Hears Kennedy, Pianist, and McCorkle, Violinist, in Memorial Hall

FIRST CONCERT OF YEAR

The University Music Department gave its first concert of the year in Memorial Hall, Sunday afternoon. A fairly large audience listened to Nelson O. Kennedy, pianist, and T. Smith McCorkle, violinist.

Mr. Kennedy began the concert with Haydn's rather lengthy Andante with Variations, F minor. It was his first appearance before a Chapel Hill audience, and he showed an extensive technical command over a diversified program.

The next number, the Pugnani-Kreisler Praeludium Und Allegro, was played by Mr. McCorkle. His tone has gained in warmth and his style in authority since his first appearance here last fall. He is not an artist who relies upon virtuoso effects to impress an audience, but one who plays simply and sincerely without affectation and undue seeking after individuality in interpretation. His performance of the florid Praeludium Und Allegro was all that could be desired. Mr. McCorkle also played Mozart's Minuet, the Brahms-Hochstein Waltz in A major, and Geens's Scherzo. The Scherzo, with which he brought to close his part of the program, was played with finished ease and due value was given the bits of melody.

Lilith W. McCorkle, at the piano, gave him sympathetic accompaniment throughout the afternoon.

Where Mr. Kennedy's technique had been hard and opaque in the introductory Haydn, it became supple and descriptive in the Gluck-Brahms Gavotte, from Iphigenie in Aulis, and Schubert's Impromptu in A flat. Schuman's Novelette was played with the sure energy and vitality that its quiet but virile melody demands. He completed the program with McDowell's Idyll and Brahms's stirring Rhapsody in G minor.

This concert was probably one of the finest ever presented by resident musicians, and, despite the rather warm afternoon sun (Continued on page four)

BRIGHT LIGHT

Billy Ferrell, who was termed by a sports scribe as "the bright light of Carolina's offensive" in the game with Tennessee, Saturday.

CALLAHAN LEADS IN FROSH RACE

Light Ballot Cast in Freshman Elections Yesterday; Leaders Are Active

RUN-OFF WILL BE SOON

A very light vote was cast yesterday in the primary for the officers of the freshman class. This was the first election in which the freshmen have had the privilege of voting. From the results turned in by S. G. Chappell, president of the student body, they failed to come to the polls to cast their votes, and as the rule barring absentee votes was in force, only 327 votes were cast during the day.

The final election will be held in the next few days, though the definite date has not yet been announced. The freshman political leaders are working hard for the climax of the freshmen class organization. This report was turned in to the office of the Tar Heel late last night.

During the day men stationed around the polls used forceful arguments for the benefit of the candidate they held in favor. The interest shown by the "Political Bosses" of the class of '30 is said to have been one of the greatest ever exhibited in a freshman election at Carolina.

J. N. Callahan led the field for the presidency while Brownlow Jackson was the second in the count. Dick Winborne held first place by an overwhelming vote for the position of vice-president, while Robert Graham held the next highest vote. Phillip Jackson polled the highest number of votes for secretary. Ray Ferris trailed him by two votes for second place. C. E. Perkins had the highest count for treasurer.

The official count of the votes as issued by Chappell follows: President: Brownlow Jackson 79; James Maus 50; John Frederick 22; Sam McNelly 27; Carl S. Orr 21; Emmett Wilson 18; J. N. Callahan 110.

Vice-President: Paul Patten 43; Dick Winborne 151; Robert Graham 81; Vernon Ausband 38. Secretary: Phillip Jackson 73; Jimmy Powell 53; Ray Ferris 71; Leslie Matthews 35; John Pierce 24; George Winston 60. Treasurer: Harry Tuesh 48; Marshall Snyder 72; C. E. Perkins 80; Raymond Ainsley 40; Hugh Laxton 66.

UNIVERSITY DAY PROGRAM TO BE GIVEN TUESDAY

October 12 to Be Formally Observed as Founders Day with Appropriate Ceremony

EXERCISES IN MEMORIAL

Tuesday, October 12th is the 133rd anniversary of the founding of the University of North Carolina. It has been known for many years as University Day and as such has always been celebrated with due form and ceremony by the University community, by alumni organizations throughout the State and Nation and has always been largely attended by alumni and friends of the University. Appropriate ceremonies participated in by faculty, students and alumni of the University will make this day at Chapel Hill, it was determined Saturday by the Committee on Public Occasions and Celebrations, which met in President Chase's office at noon.

Dr. A. H. Patterson, Dean of the School of Applied Science, will be Chief Marshal of the occasion and under his direction there will be formed a monster procession of the faculty and students of the University headed by the University band. The procession will form on the walks converging at the Alumni Building. From this point the procession will march around the historical walk to the north of the Caldwell monument, around Person Hall and New West to Memorial Hall. Here the band, the University Glee Club and University orchestra will unite with the assembly in a musical program of University songs, hymns and other musical numbers.

Hon. A. M. Scales, President of the General Alumni Association, will deliver the principal address of the occasion, and memorial exercises to the University's alumni who have died during the past year will be held. It is designed to make the program brief and impressive.

A meeting of the faculty will be held in Pharmacy Hall Tuesday. (Continued on page four)

WATTS HILL MAKES GREENHOUSE GIFT

University Recipient of Addition to Botanical Departmental Equipment

The University has received, as a gift from Watts Hill of Durham, a greenhouse. The glass-walled and glass-roofed structure has been erected at the lower (southern) end of the botany department's nursery back of the Peabody building and is now ready for use.

It will serve two purposes. First, for the propagation of plants to be set out in the Arboretum and other parts of the campus; second, as a winter-time laboratory for the botany department. Here, in the cold season, the students may observe the growth of delicate species which, hitherto, could be cultivated here only in the spring and summer.

The greenhouse, which is 80 feet long and 15 feet wide, is equipped with a complete heating system. Valves regulate the heat automatically. Mr. Coker or one of his assistants can set the mechanism at a certain temperature, as easily as one would set an alarm clock, and the temperature remains constant. These valves are a recent invention.

Approximately 25 Per Cent of Faculty Listed in "Who's Who"

Chapel Hill has forty-three men listed in the latest "Who's Who," which has just come from the press. The only town in the state with more representatives than Chapel Hill is Raleigh, and the majority of these are state officials.

The fact that the University has approximately 25 per cent of its faculty listed in "Who's Who" shows the high quality of the teaching staff and their recognized importance.

The brief biographical sketches in "Who's Who" include all notable living men and women in the United States and give the birthplace, age, parentage, college or university degrees, occupation, position, achievements, politics, societies, clubs, marriages, etc., of those listed.

Raleigh led the list of North Carolina towns with forty-five men listed; Chapel Hill was second with forty-three; Asheville,

third with twenty-seven; Greensboro, fourth with twenty-two; Durham, fifth with twenty-one; Charlotte sixth with sixteen; Wilmington, seventh with twelve; and Winston-Salem, eighth with eleven.

Chapel Hill men listed were: E. C. Branson, G. M. Braune, D. D. Carroll, H. W. Chase, Collier Cobb, R. E. Coker, W. C. Coker, R. D. W. Connor, P. H. Dagget, M. L. Ferson, Norman Foerster, Louis Graves, A. L. Green, J. G. de Roulhac Hamilton, Archibald Henderson, Addison Hibbard, George Howe, H. M. Jones, A. M. Jordan, E. W. Knight, F. H. Koch, W. de B. MacNider, I. H. Manning, C. T. Murchison, M. C. S. Noble, H. W. Odum, A. H. Patterson, W. W. Pierson, Jr., W. D. Toy, M. R. Trabue, F. F. Venable, H. M. Wagstaff, N. W. Walker, P. J. Weaver, H. H. Williams, H. V. P. Wilson, L. R. Wilson, and P. H. Winston.

THE CHECK COMMITTEE
