"In Abraham's Bosom," Leading Contender for Pulitzer Award, Moves To Garrick Amid Praise

YEAR'S BEST PLAY

After Month and Half Run in Greenwich Village the Negro Drama Moves Uptown.

CRITICS PRAISE GREEN

Philosophy Professor Has Unusual Success With His 1st Broadway Production.

Paul Green's play *In Abraham's Bosom* was moved from the Provincetown Theatre to the Garrick Theatre, which is in the heart of the theatrical district, last Monday, and is now playing to capacity houses.

In his review of *In Abraham's Bosom* at its opening at the Garrick Theatre, Percy Hammond, dramatic critic for the New York Herald Tribune, says: "*In Abraham's Bosom* moved up from the Village last night accompanied by a report that it is the leading suitor for the Pulitzer Prize. Whispers from the juryroom hint that Professor Green's negro drama precedes Mr. Anderson's *Saturday's Children* by an eyelash in the competition and that the umpires are about to crown it as the year's most improving play. It would be quite an upset if this barefoot from the Netherlands should walk away with the reward of merit, leaving its more urban rivals—*Broadway*, *The Barker*, *Chicago*, and others—to console themselves in prosperous disappointment. A delicate sense of ethics forbids a lay judge to intrude on the deliberations with his own casual beliefs; and this one will be content with opining that "*In Abraham's Bosom* is worthy enough to deserve, if not the Pulitzer riband, a chaplet similarly azure."

It would seem that Paul Green has been fortunate in having

The two local publications have already received their certificates. They indicate that the publication "has been given a distinguished rating in the 1926-27 National College Press Congress Publication Contest."

Seven awards were made in North Carolina. They were as follows: *Carolina Buccaneer*, TAR HEEL, University of North Carolina; *Maroon and Gold*, Elon; *Guilfordian*, Guilford College; *Old Gold and Black*, and *Student*, Wake Forest College.

CAMPUS GROGGY WITH WEEK-END DANCE PROGRAM

Kappa Sigs, Grail and A. T. O.-K. A.-Zeta Psi Pledges Are Hosts.

NEW POLICY BY GRAIL

Buccaneers Will Play Continuously from 6 until 12 O'clock Tonight.

With two dances on the campus social calendar for tonight the native dance enthusiasts and the many visiting girls on the Hill should find ample ballroom entertainment. The Grail holds its second dance of the quarter in Bynum Gym and the pledges of A. T. O., Zeta Psi and Kappa Alpha are giving a twilight hop at the Carolina Inn.

At its dance tonight the Order of the Grail will innovate a new policy concerning its social affairs and the function is being heralded as a gratifying departure from the usual custom. The new policy has been adopted by the order with a view of improving the general tone of its dances and thereby making them more enjoyable. Out of respect to the girls attending, it was decided to eliminate crowded conditions as much as possible by limiting the number of stags. Hereafter the first arrivals will be admitted until a certain hour after which no unescorted boys will be allowed to go on the floor. It is hoped that this rule will also help get the dance under way earlier. There will be solo waltzes which are intended to allow the girls a few dances without breaking. Special feature acts of entertainment have been planned to break the monotony of intermission. The Carolina Buccaneers have been engaged to make the music.

AUTO MONSTROSITY INTERESTS CAMPUS

Hybrid Visits Hill and Attracts Students by Unusualness of Construction.

Composed of Chrysler wheels and radiator, Oldsmobile engine, Franklin windshield, queer, flat headlights, and a body of unknown antecedents, an automotive monstrosity created quite a bit of interest on Chapel Hill streets yesterday morning. The strange-appearing vehicle was parked in front of the Methodist church on Franklin street for several hours.

The interior of the car, arranged with only a small driver's seat in front, allowing a good deal of space for baggage, was as freakish as the exterior. A large cabinet radio and several sample cases were included in the heterogeneous assortment of fittings discernible through the windows.

Low and rakish, the hybrid auto presented an appearance that was unusual in the extreme.

Investigation revealed that the car was the property of E. A. Harris, Trenton, New Jersey, salesman.

MARYLAND MEETS U. N. C. TONIGHT IN DECIDING GAME

Each Team Has Defeated the Other Earlier in This Season.

TO ATLANTA NEXT WEEK

Will Meet Duke in Final Pre-Conference Game Tuesday Evening.

The decisive game of the Carolina-Maryland basketball series is scheduled for tonight at the Tin Can. It will be the third meeting of the contestants, as they previously faced one another when the Tar Heels made their annual northern invasion of Washington and vicinity a week ago.

The first meeting of the Old Liners and Carolina resulted in a 28 to 23 victory for the former. They met the following afternoon in a suddenly arranged game, and the Tar Heels avenged their defeat of the previous night by the score of 32 to 23. With the count standing one victory each, both teams are pointed for the clash as the final means of determining which is superior.

An odd feature of the game—or rather the setting of the game—is that neither team has as yet suffered another conference defeat besides the one received at the hands of the other. The game tonight will also be the final conference game for both institutions before their departure for the Conference tournament at Atlanta next week.

The Tar Heels are a much improved quint since their northern trip—witness the Wake Forest game at Raleigh Tuesday—but they will have powerful opposition in the form of the Marylanders. To guard against the

Senators Inspect Campus Buildings

The Senate visiting committee spent the afternoon here yesterday with Dr. Chase, looking over the buildings and making an inspection of the general plant. The committee was composed of five Senators: Askew of Burton, Blount of Pitt, Horton of Caswell, Hancock of Granville and Hancock of Chatham.

Juniors and Seniors To Discuss Politics Monday

The issue of open politics has recently come to the wide-spread attention of the campus. In sincere recognition of this fact, an interested group of Juniors and Seniors is planning to meet at 10:30 Monday night in the Assembly Hall of Murphey building. All interested in meeting this issue constructively are invited to be present.

NO POST SEASON GAME WITH WAKE

Authorities Refuse to Schedule Game on Account of Already Heavy Schedule.

There will not be a play-off basketball game between Wake Forest and Carolina to determine which of the two teams shall be acclaimed champions of North Carolina for the year 1927. The championship now is claimed by both institutions, as each has defeated the other by the same margin of points. Wake Forest conquered the Tar Heels at Chapel Hill several weeks ago, 29 to 23. Early this week the Flying Phantoms journeyed over to Raleigh and before a record crowd defeated the Deacons 32 to 26.

According to rumor, Wake Forest officials are particularly anxious to arrange a post-season meeting of the two teams. However at a meeting of the athletic council of the University of North Carolina a few days ago, it was decided that no more games could possibly be added on to the Tar Heels' schedule. Charles T. Woolen, graduate manager of athletics at the University yesterday made the announcement of no play-off contest.

It was stated by members of the athletic council that the only open date on the schedule at which such a game could be played would be next Monday or Wednesday, and the council is emphatically opposed to crowding the schedule of the basketballers immediately before the Conference tournament.

WINTER RUSHING SEASON NETS 5 GREEK PLEDGES

Period of Silence Which Began Monday Ended Thursday at Noon.

PLEDGE DAY THURSDAY

New Men Will Not Be Eligible for Initiation until Next Fall.

A miniature pledging spree Thursday afternoon brought an end to the winter fraternity rushing season by the buttoning of five men by Greek organizations on the campus. The new men are: Allen C. Boren of Greensboro, Pi Kappa Phi; Randall Barton of Englewood N. J., Delta Kappa Epsilon; Ben Kendrick, Jr. of Greensboro, John Winstead of Roxboro, Sigma Delta; John Fort of Charlotte, Sigma Phi Sigma.

The pledge day activities followed the cessation of the period of silence which began Monday night at midnight during which no rushing in any form was allowed. The winter rushing season followed the same procedure for five weeks as that of the fall quarter and although of Liliputian dimensions compared to the annual autumn furor among the fraternities, the rules were as rigidly observed. The men pledged Thursday will be initiated after passing the required five courses and receiving at least two grades of "C."

AMBASSADOR TO ENGLAND PATRON FOR THE GROUP

University Singers Will Carry Their Famous Organization Abroad for First Time.

TAKE GUEST ARTIST

Number of Places Are Still Open to Men Who Can Qualify.

The University of North Carolina Glee Club announces, through Ernest F. Young, Business Manager, the completion of plans for a trip to Europe during the coming summer. The Club will leave Chapel Hill immediately upon the close of the first summer session, singing a number of concerts between here and New York, and sailing on August 1st by the Holland-American Line. A month will be divided between London and Paris, with trips into the surrounding country. The Club will return just in time for the opening of school in the fall.

This trip is to be made under the patronage of Alanson B. Houghton, the American Ambassador in London. Ambassador Houghton was in this country during the Christmas holiday, at which time Mr. Young had a conference with him which resulted in his extending a formal invitation to the Club to sing at the Embassy in London, and to sing other concerts in England under his patronage. Ambassador Houghton is arranging three big charity concerts, one of which will be under the auspices of the Society for the Rebuilding of the Shakespeare Theatre at Stratford. Plans are

ZETA BETA TAU INSTALLATION IS NEXT WEEK-END

Zeta Epsilon Makes Advent Into Realms of National Brotherhood.

GRAND BALL SATURDAY

Ceremonies Bring Many Prominent Fraternity Men to Campus.

The ceremonies and celebration of the installation of the Alpha Pi chapter of Zeta Beta Tau national fraternity will be the outstanding social activity of next week-end.

Beginning Friday, national officers and guests will arrive for the first ceremonies. An initiating team composed of fraternity members from two Southern chapters, Washington & Lee and the University of Virginia, will usher Zeta Epsilon, the local group, into the realm of national brotherhood.

Visiting guests will be furnished with different forms of entertainment during the next day.

The crowning feature of the occasion will be the installation ball Saturday night, when a charming group of girls will grace the floors of the Carolina Inn ballroom. Many elaborate arrangements have been made. Music will be furnished by the increasingly popular Buccaneer orchestra.
