

## TAR HEEL NINE PLAYS DURHAM THIS AFTERNOON

Bulls Here for Informal Game at Four O'Clock—Dartmouth Game Cancelled.

The Tar Heel baseball team will swing into action this afternoon at 4:00 o'clock on Emerson field when it meets the Durham Bulls from the Piedmont league in the first of two informal practice games. Tomorrow afternoon Coach Ashmore will cart his proteges over to the El Toro park and face the Durham team on its home grounds. No admission charge will be made for the game this afternoon, and a large crowd is expected to witness the gratis affair.

The games with Dartmouth, arranged for next week, have been called off. Dartmouth has decided to cut its Southern trip one week short and will be unable to play Carolina either of the two games previously scheduled.

The Elon Christians have substituted for Dartmouth and will face the Tar Heels in the opening college game of the year on Monday, April 4. All students are urged to secure their membership books from the business office before the Elon game, graduate manager Woollen stated yesterday.

Another slight change in the baseball schedule is the shifting of the date of the Duke game, to be played at Durham, from April 20 to April 19. This change has been necessitated to avoid conflict with the opening date of the Piedmont League in Durham on the twentieth.

The probable line-up for the clash this afternoon is very doubtful, although it is expected that Coach Ashmore will

## Four Narrowly Escape Stone Pounding; Now Toot Warning

A hirsute hoisting tale, narrated by a quartet of students, of being in a literal shower of stones last week has led to the practice of violently sounding the whistle of the steam shovel down in the ravine where the new Kenan Memorial Stadium is being constructed when a dynamite discharge is to be fired.

It is narrated that these four boys were nonchalantly wandering southward in the direction of the stadium site, which is now being excavated at a very rapid rate, when out of the blue a veritable rain of stones began to descend. Seeking shelter and safety among the pines and the sheds of the construction shacks, they avoided being hurt by the falling stones, which were the result of a blast set-off to dislodge the rock ledge that im-

## ED BUTLER NEW BOXING CAPTAIN

Manager Not Elected at Banquet Given Last Night.

Ed Butler of Glen Alpine was elected captain of the 1928 University boxing team at the annual banquet given to members of the boxing squad last night.

Butler, who fights in the lightweight class, has just completed his second year as a varsity boxer. He was one of the strongest men on the squad last season and this year, fighting on the Southern Championship boxing team, was one of the three men on the team who participated in all the meets with other institutions and emerged victorious in every scrap in which he was entered. At the Southern conference meet he successfully vanquished all comers, and came back to Chapel Hill with the undisputed title "Lightweight Champion of the South."

## CAROLINA WINS DUKE MEET BY A SINGLE POINT

Track Meet at Durham Taken By 63½ to 62½ Score—McPherson Absent.

The Carolina cinderpath artists triumphed over the Duke harriers on Hanes Field, Durham, Saturday afternoon at 3:00 p. m. after a hard fought struggle, ending with the score Carolina 63½ and Duke 62½. "Mac" Gray saved the day for Carolina when he jumped 21 feet 5½ inches on his last jump.

Duke was two points in the lead with the score 59½ to 57½ but Gray's five points and Sandlin's point brought up the score to 63½. Through the entire meet the teams ran neck and neck. One reason for this was the absence of Captain "Gus" McPherson. Two state records were bettered. Brantley (Duke) pole vaulted 11 feet nine inches. The record is 11 feet 5½ inches. Hoyt Pritchett ran a beautiful 2 mile in ten minutes and four seconds, the former record being ten minutes and 16 seconds.

Elliott Has Close Call

The times and distances were very good for an opening track meet. The hundred yard dash was run in ten flat; the 880 dash was run in 2 minutes 2 seconds, while Colburn (Carolina) slung the discus 126 feet eight inches. Elliott had the closest competition he has ever met with, but won the mile in 4 minutes 30 seconds.

Erwin (Duke) was the high scorer for the meet, taking first place in the 100 and 220 dashes, the 220 low hurdles, and second place in the 440 yard dash, winning 18 points. Johnny Pearson came second with nine points, winning the 120 yard high hurdles and tying with Purser (Carolina) for first place in the high jump. Woodward of Duke was third with a total of eight points. He won first place in the half mile and trailed Elliott only a few yards in the mile.

Summary of events:

100 yard dash: Erwin (D.), Bruton (D.), Giersch (C.). Time 10 seconds.

220 yard dash: Erwin (D.), Bruton (D.), Harrison (C.). Time 22.4 seconds.

440 yard dash: Pegram (D.), Erwin (D.), Litaker (D.). Time (Continued on page three)

## CHAPEL EXERCISES HELD ONLY ON MONDAY FOR REST OF THIS QUARTER

There will be no Chapel exercises during the remaining eight weeks of this quarter except on Monday, Dean F. F. Bradshaw chairman of the faculty committee on Chapel arrangements, announced yesterday morning. Short devotional exercises will be held every morning in Gerard Hall under the auspices of the Y. M. C. A., but attendance at them will not be compulsory.

Freshman attendance at the Monday Chapel programs will be carefully checked, according to Mr. Bradshaw, and three absences will automatically place a Freshman on general probation. This means that any unexcused absence from class, gym, or Chapel will lead to suspension from the University.

In discussing the new ruling,

Dean Bradshaw said that it was not a radical or a permanent change. "Chapel exercises during the spring quarter are not as essential as during the rest of the year," he stated. "We don't want to force students to attend anything that is not essential. The change is by way of official recognition of points made by members of the Freshman Discussion Group in a recent discussion of the question."

Mr. Bradshaw urged that the students attend the devotional exercises in Gerard Hall as often as possible. "Many students here are growing up in ignorance of one of the essentials of a well-rounded life. A knowledge of the Bible is imperative to a full appreciation of English literature, and to a proper outlook upon life."

## Student Body Meets at Chapel Today for Committee Report

### PRESIDENT CHASE IS BACK AT HIS DESK

Investigators of Council's Action In Suspending Men Recently Will Lay Their Finding Before Mass Meeting at Memorial Hall This Morning.

The Student Body will meet at Chapel period this morning at Memorial Hall to consider the report of the student committee on the action of the student council in the recent affair involving the suspension of thirteen students for gambling. At this time it will be the privilege of the Student Body to discuss the report of the Committee as freely as it may wish, and either accept or reject the report. It is expected that the meeting should be able to consider the report within the ordinary limits of Chapel period.

Paul Green read his play *The Field God* Sunday night in the Playmaker Theatre to the largest crowd that has attended these Sunday night readings this year. Professor Green did not read the entire play but selected some of the most interesting parts and wove these in with the rest of the play by telling the connecting links. *The Field God* in its entire form can be read in the volume of his two long plays recently published by McBride. There are several copies in the Bull's Head Book Shop.

In addition to the reading there was a concert of negro music furnished by two negro quartets, one the Lily Whites, a female quartet from the Methodist church, and the other, the Silver Tongues, a male quartet from the Rock Hill Baptist church. The selections were "I've Never Been to Heaven," "Roll Jordan Roll," "He Took My Sins Away," "Look Away in the Heavens," "Go Down Moses," "Rise Shine," "Everybody Talk About Heaven Ain't Going There," "Pharoh's Army," "Ain't It a Shame to Dance on Sunday," "Sit Down," "Waydown South," "Built on That Shore," "Chapel Hill Boys," and "Going Up to Live with God." A collection was taken up for the two churches with the result that \$56 was secured which was evenly divided between the two churches.

### Man Not Christian Unless In Politics

Woodhouse Says True Democracy Is Aim of Christianity.

"A man cannot be a Christian unless he is in politics," for he must "attend his civic duties" vote, and see that the right men get in office, said E. J. Woodhouse, Professor of government, speaking on Christianity and Politics before the Epworth League Sunday night.

The speaker believes that "we are in a disgraceful condition," because the best citizens, who plead that they wish to steer clear of "dirty politics," fail to put into their government the necessary cleanliness and subsequently thwart the aim of Christianity, which is true democracy.

Mr. Woodhouse also upheld the speakers of the "Human Relations Institute," in that the United States is playing a disgraceful part in Mexico and Nicaragua.
