

Juniors And Seniors Rue The Day They Cut Soph Classes

"And a little bird shall tell them." The juniors and seniors who have been put on class probation as a result of cutting sophomore classes before and after the holidays probably wish that some one had told them.

Little misunderstandings, intentional or otherwise, will creep into the best of well regulated attendance systems and cause trouble. The trouble seems to be that these same juniors and seniors, who were put on probation, were taking sophomore subjects as electives or unfinished requirements and as a penalty for cutting these classes before and after the Easter holidays, they received penalties of probation.

As a result of the misunderstanding a stream of ruffled juniors and seniors filed in and out of their dean's offices, during the early part of the week. Many eloquent speeches of protest were interrupted by the explanatory remarks of the deans, but this failed to satisfy the justice seekers.

If the expressions on the faces of some of the unfortunates, as they came out of the offices, are any criteria of their success in getting the sentences removed, the remaining ones can spend their time in better ways.

The trouble revolves around the question of whether or not a junior or senior taking a sophomore subject should be treated as a sophomore, or the old principle of "When in Rome do as the Romans do," is applied.

The penalties inflicted on these students will be executed.

Freshman Debaters Will Meet Davidson

Try-outs Held Thursday on Debt Cancellation Subject.

The preliminaries for the intercollegiate debate with the Davidson Freshmen which were held in the law building Thursday night resulted in victories for Mercer Blankenship, J. J. Cohen, John Mebane, and J. A. Lang. The latter two, representing the negative side of the query: Resolved, that all intercollegiate war debts should be cancelled, will journey to Davidson College at a future date, while the affirmative will argue here.

This is the only Freshman Intercollegiate Debate of the year, and the participants in the try-outs presented excellent argument on the subject. All of the speakers selected have participated in campus debates during the previous quarter, and are expected to offer strenuous opposition to the Presbyterians.

New Ranking for Frosh Tennis Men

The freshman tennis team which was organized recently under the managership of John Norwood has gotten under way with many ladder matches being played and an excellent schedule being arranged. Due to the fact that many good men have started out after the ladder was arranged, there will be a new ranking made Sunday night in 302 J. All men interested are requested to come there.

There are now sixteen men trying for places on the team which will, for most matches, consist of four men. Wilson, of Orlando, Florida, is head and shoulders above the rest and appears certain of a place on the Varsity next year. The ranking at present is: 1, Wilson; 2, Merritt; 3, Kendrick; 4, Watt; 5, Reeves; 6, Wiley.

HOW THEY'RE HITTING

| Player | ab | h | per. |
|--------------|----|----|------|
| Mackie | 42 | 19 | .429 |
| Young | 38 | 16 | .421 |
| Hatley | 39 | 14 | .359 |
| Westmoreland | 14 | 5 | .357 |
| Coxe | 31 | 11 | .355 |
| Sharpe | 38 | 13 | .342 |
| Heavner | 9 | 3 | .333 |

Extension Division Concluding Contests

Math Contest Ends Series Conducted in High Schools.

The last of the state-wide high school contests are not being completed through the Extension Division.

The final test of the year was given Wednesday when the Annual Mathematics Contest was sent to the schools. The results of this round have not been received by the Division, but should be fully tabulated by the end of next week. Over thirty-five high schools entered the contest.

Last week five high schools competed for the Spanish Championship Title. The results as given out by Mr. Rankin, are: Statesville High School, first place and High Point High School second place.

FRESHMEN WIN FROM DAVIDSON

Show Greatly Improved Form to Trounce Wildkittens 10 to 7.

A rejuvenated Tar Baby baseball team astounded a number of pessimistic spectators by coming from behind in the last three innings and administering a neat trouncing to the Davidson Wildkittens 10 to 7 last Thursday afternoon on Emerson field.

The way things started off in the beginning it looked as if "Pop" LeGrande and his cohorts were due for another licking, but in the fifth and sixth the boys began to get that old "batting eye" and, aided by several good hits and timely errors on the part of the visitors, forged ahead with a one run lead. To this was added two more in the ninth, and the game was cinched.

Fenton Adkins was the leading swatsman of the day, gathering two singles and a triple out of three trips to the plate. McManaway, another Tar Baby, accounted for a single and a triple as his day's work at the bat. Miller did the best work for the Wildkittens, collecting a single and a double out of four tries.

The Carolina yearlings, on the whole displayed a bit better form than on the last occasion. They pounded the Davidson hurler for 12 hits while holding their opponents to eight bingles. The fielding was much better than last game with only 4 errors chalked against them compared to six made the opening game.

GREENSBORO GETS DEPUTATION TEAM

A Deputation Team composed of a quartet and three speakers representing the Y. M. C. A. left for Greensboro Friday morning.

The group intends to present programs before the Proximity Mills Y. M. C. A., the High School, and several of the organizations in Greensboro. They will also participate as aids and officials in the annual field meet which is to be held in Greensboro Saturday. The team will return Sunday.

The quartet is represented by Leroy Smith, Bill Downs, John Downs, and Paul Scurlock, while Windy Crew, Nelson Howard, and Leroy Smith will complete the speakers. The group is under the leadership of J. W. Crew.

vidually. "This plan means that no student can go through college without coming in constant, continuous, and friendly relation with the faculty during the working hours of the day," he said. "When this method of instruction is adopted then and only then will the graduates be likely to return 'neath the elms' as much interested in what takes place in the classroom as in smoking pipes and in singing glees again on the old senior fence," Dr. Holt told the alumni executives.

"Under the recitation system," Dr. Holt asserted, "the professor becomes a detective trying to find out the student's degree of unfaithfulness, and the marking system is the measure of the insufficiency. Thus, marks tend to become the objective of a student, and not the mastery of his subject."

The plan contemplates limiting the enrollment, securing the best instructors available, and paying them high salaries, he said.

"If we come within 80 percent of reaching our goal—I believe we can come within 90 percent—I am not such an idealist as to believe we can be 100 percent successful—then we shall have made a college that will graduate alumni whose interests and sympathies in the higher life of their Alma Mater will grow with the years and transcend all other college ties," Dr. Holt concluded.

"P.A." letters of recommendation

EXPERIENCED pipe-smokers from Cape Lisburne to Cape Sable (get out your map of North America!) recommend P. A. to you as the finest tobacco that ever lined the bowl of a pipe. You'll check-in with their recommendation.

Why, the instant you swing back the hinged lid on the tidy red tin, your olfactory nerve registers a fragrance like that of a pine-grove on a damp morning. And when you tuck a load of this wonderful tobacco into your pipe—say, Mister!

Cool as Cape Lisburne, mentioned above. Sweet as the plaudits of a first-night audience. Mild as morning in Cape Sable. (That's working-in the old geography!) Mild, yet with a full tobacco body that completely satisfies your smoke-taste. Buy some Prince Albert today and make the test!

PRINCE ALBERT

—no other tobacco is like it!
