Asheville School Wins the First Annual Prep School Track Meet

Mountaineers Score 38½ Points to Win Southern Cinder-path Honors.

MOTLEY IS HIGH SCORER

Carolina Freshman and Varsity Harriers Give Relay Exhibition for Visitors.

Asheville School scored 38 1/2 points to win the first annual Southern inter-scholastic preparatory school track and field championship games held here Saturday over some of the most outstanding prep schools in the South. These games were sponsored by the University of North Carolina Athletic Association.

Woodberry Forest, after pushing Asheville for first place, trailed second with 35 points. Augusta Military Academy was third with 30 1-2, while Virginia Episcopal School and Hargrave Military Academy took 20 and 18 points respectively.

Gold, silver, and bronze medals were presented to the individual winners of first, second, and third places by the University Athletic Association. Asheville as champion was awarded the silver loving cup given by the Order of the Grail.

The Asheville men placed in every event except the discus and javelin. The great success of the first games gives promise of a great meet next year. Quite a number of schools that were unable to enter teams in this meet on account of the short notice given them have already signified their intention to enter next year's games.

An added feature of the meet was a mile and a half relay race between the Carolina varsity and freshman teams. The varsity team composed of Harrison, Pearson, Sandlin, and Elliott won over the freshman team which was composed of Nims, Hamer, Devine, and Barkley. The time of the race was 7 minutes flat. Elliott ran the mile against Barkley in 4 minutes and 26 3-4 seconds.

Rhodes of Woodberry Forest set a new Southern inter-scholastic record in the discus for the feature event of the day. He hurled the platter 131 feet and 1-2 inch, clipping the previous record by three full feet.

Brown of Augusta, distance star, won a place in the sun by virtue of his good work in the mile and half mile. In the half mile he put up a stiff battle from start to finish and crossed the tape in 2 minutes and 42 seconds.

Motley, another Woodberry Forest weight heaver, took off individual scoring honors with 13 points. He won first in the shot and the javelin and pushed Rhodes in the discus to pile up his winning total.

Summary of events:
100 yard dash: Scott, Hargrave; P. Sawyer, Asheville; Squires, Asheville; Adelson, Augusta. Time, 10.2 seconds.

High School Circus Was Grand Success

Parade and Shows Amuse Students and Townspeople Saturday Evening.

The Chapel Hill High School put on a circus Saturday night from six-thirty to ten o'clock at the high school building. The pupils and faculty staged a parade at six-thirty Saturday afternoon. The parade was the outstanding feature of the circus, which consisted of floats, clowns, animals, bands and many other interesting features. The blase college students were surprised and delighted when they saw such a parade Saturday evening.

The high school students sold refreshments at the school building. The main program consisted of an operetta "Fairland" given by the primary grades. After this performance the numerous side-shows attracted the crowd. Approximately six hundred and seventy-five happy and noisy men, women, and children were present at the circus. It was indeed a colorful occasion, with its barkers of the sideshows, the moving crowds, the gay-colored clowns and the joyous noises in general. According to the report of Mr. L. R. Sides, Superintendent of the high school, the circus receipts were around \$125.

Prizes were given by the local merchants for the best clown, best sideshow, and other things.

UNION SOCIAL
The Young People's Inter-denominational Union will hold the last social of the year next Wednesday afternoon. It will be a picnic, and everyone will meet at the Methodist church at five o'clock sharp. Come prepared to hike.

FOUR HOPS HELD SATURDAY NIGHT

Woodberry Forest Club, Grail and Fraternity Affairs Keep Dancers Busy.

Saturday night will surely be a memorable occasion, for at that time there were more dances than have ever taken place on the campus during the course of one evening. Four hops were crowded into the six short hours between six o'clock and the midnight hour.

The entertainment was begun at six o'clock by the Woodberry Forest Club's dance at the Carolina Inn, and the Theta Chi shag at their home in Fraternity Court. The former was given in honor of the Woodberry Forest track team, which was here on that date taking part in the Southern Preparatory School track meet, and the ballroom was decorated in Woodberry Forest colors, orange and black. The Buccaneers played, and there were solo dances for students and alumni of the "prep" school.

The music for the Theta Chi dance was furnished by Kike Kyser and his Orchestra. The house was decorated in Carolina colors and in the colors of Theta Chi, red and white. Punch was served on the porch. Both of these dances were rather slow in starting, but the crowds soon gathered, and the fears of the hosts as to the successes of their hops were allayed.

At nine o'clock Kike's Orchestra moved to the Inn to start the Alpha Kappa Psi dance, and the Buccaneers repaired from there to Bynum Gymnasium to play for the Grail affair. The trippers of the light fantastic divided their numbers about evenly, and both of these later dances were very enjoyable.

The Alpha Kappa Psi hops began shortly after nine o'clock, and the closing hour came all too soon. An illuminated Alpha Kappa Psi crest was placed on one side of the ballroom, and punch was served directly beneath. Solo dances were given for members of the fraternity.

The Grail dance, the last of the year, got under way simultaneously with the fraternity affair. The gym was decorated with streamers of various colors, and the Y Quartet afforded entertainment during intermission. There were solo dances for the members of the visiting track teams and for the initiates of Golden Fleece and of Phi Beta Kappa.

Debate Tryouts
Phi Assembly Will Argue Negative Side of Junior Commencement Debate on Saturday.

Tryouts for Junior Commencement debate for Phi Assembly will be held Saturday, May 28, at 7:30 p. m. on the second floor of Manning Hall. The Phi Assembly has the negative side of the query which is Resolved: That democracy as a political ideal is a failure in the United States. There will be seven minutes for the first speech, and there will be no rebuttals in the preliminaries.

Chief Cheerleader Nominations Wanted
Due to a delinquency on the part of the monogram club in nominating a chief cheerleader for next year, open nominations were held last night at the awards night program. James K. Kyser was the only nominee. Any further nominations should be turned in to Bunn Hackney by Wednesday. The election will probably be held Friday. The chief cheerleader will appoint his assistants this year.

Misses Virginia Parks and Pattie Morgan spent the week-end at Miss Morgan's home in Wilson.

Last Playmaker Reading Sunday

Ann Majette Grant Will Read "Mary Stuart" at the Theatre

The last Playmaker reading of the year will be given Sunday evening at 8:30 o'clock at the Theatre when Ann Majette Grant will read John Drinkwater's *Mary Stuart*. Mrs. Grant's readings each year have proven to be a delightful affair. Last year she read *The Fountain of Youth* which was considered one of the outstanding readings of the year. Mrs. Grant has studied in New York and Boston, and several years ago she played the lead in *The Bearded Buckle*, a comedy by Fanny Gray.

ALUMNUS TAUGHT CHAMPION TO FLY

William A. Winston Gave Lindbergh First Rudiments of Aviation.

William Augustus Winston of Wendell, N. C., at one time a student of the University of North Carolina gets credit for teaching Capt. Charles A. Lindbergh, who last week, made the spectacular trans-oceanic flight, the rudiments of aviation.

Winston was born at the ancestral Winston home near Wendell 31 years ago. He went to Wake Forest for two years before coming to the University in 1916. He came to the University with the intention of studying medicine, but after staying in Chapel Hill for two years the World War broke out and he left the study of medicine and hid himself over to Raleigh where he applied for admittance into the naval aviation corps, but he was turned down, and at the Army recruiting office the same thing happened. He was very small and failed to favorably impress the examiners, but these first two interviews did not discourage him so he went to the Army office at Greensboro and here he was admitted. He learned flying himself and was sent to Brooks Field, Texas, as flying instructor.

Brooks field is the elementary school for fledgling flyers, and it was here that he had as his pupil young Lindbergh. Winston remembers very little about Lindbergh, or he is too modest to venture forth with any reminiscences of the now famous flyer, but Oliver Smith, himself a wearer of the D. S. C. for bravery in France and one of Winston's friends tells that during the progress of Lindbergh's flight he was playing golf with Winston and the facts came out.

Winston holds quite a few records himself. Aviation experts doubt if his record of nearly 4,000 hours in the air has been excelled, most army fliers making only 600 hours a year if they are lucky. He taught advanced flying at Carlstrom Field in Florida and while there flew over the entire state photographing and mapping landing fields. During the Sesqui-Centennial, Winston piloted a big Fokker between the national capital and the airline terminals. This was a difficult job and it was accomplished with considerable credit for the flier.

Hall, of Newport, Is President of Third Year Class.

The Law School of the University of North Carolina has just elected its officers to serve for the coming year.

The officers for the third year class are: C. W. Hall of Newport, president; Fred Parker, of Goldsboro, vice-president; Llewelyn Phillips, of Greensboro, secretary and treasurer.

Officers for the second year class are: James N. Smith, of Scotland Neck, president; T. C. Hoyle, of Morehead City, vice-president; J. C. Rodman, of Rocky Mount, secretary and treasurer.

Playmakers Will Entertain Friday

Annual Caper and Dance at Theatre for Playmakers Ends Year's Activities.

Reviving a custom which has been extinct for two years, the Playmakers will give a Caper Saturday evening at 7:30 o'clock in the Playmaker Theatre. After the Caper a dance will be given on the stage and refreshments will be served.

The Caper is a number of skits dealing with plays and incidents that interest members of the Playmakers. Only Playmakers will be allowed to attend. There will be no admission charged.

Archibald Henderson, Hubert Heffner, Frederick H. Koch, F. G. Haronian, Urban T. Holmes, P. L. Elmore, Bill Atlee, Eral Thompson, Chas. Norfleet, Bill Perry, Marilee Shaw, J. Z. Hamer, Sheppard Strudwick, J. M. Booker, Josephine Sharkey, Anita Darling, and many others are working daily on the Caper and it is expected to prove one of the most entertaining given here in years.

Hoffman Fights Warren Monday

Two North Carolina Heavyweights to Box in Durham City Auditorium.

K. O. Warren will box Len Hoffman, heavyweight fighter from Charlotte, Monday night, May 30, in the American Legion program at the City Auditorium in Durham. Hoffman is an experienced boxer and bids fair to give Warren a good scrap. He is considered one of the best heavyweight battlers in the South.

Warren, prominent campus figure and the recognized amateur heavyweight champion of the United States, fights Hoffman in the last event of the evening in a ten round bout. Due to the fact that K. O. has not graduated, he can not meet Hoffman as a professional, but he will donate his services to help the American Legion. Many students will doubtless be present to see Warren in action.

Miss Lucile Spears, a former student here, visited Miss Kathleen Elmore this week-end.

The bush negroes in the wild sections of Dutch Guiana, South America, have just heard of the world war.

Small Crowd In Attendance At Annual Awards Night Program

Tryouts for Business Staff of Yackety Yack

Any rising Juniors that wish to try out for assistant business managers of next year's *Yackety Yack* are asked to be at the office of the publication, in the basement of alumni building Wednesday afternoon at three o'clock.

LAST MEETING OF Y CABINETS HELD

Bradshaw and Workman Address Student Workers at Meeting Sunday.

The final meeting of the year of the Y. M. C. A. cabinets was held Sunday afternoon when the three groups assembled in a mass meeting at the Forest Theatre at four o'clock.

The meeting opened with the reports of the members of the various committees, in the Junior-Senior Councils. A brief resume of the activities of the Sophomore Cabinet was given by Walter Spearman, president of the organization. This is the first time that a Sophomore Cabinet has ever been formed. Marion Follin, president-elect of next year's Sophomore Cabinet, told briefly of the work of the Freshman Friendship Council during the past season. This year is the first time that the Freshman group has published three issues of the *X-Hi-Y*, a journal sent to the High School Hi-Y Clubs throughout the State.

Mr. M. T. Workman of the School of Religion gave a brief address on Y work. Dean Francis F. Bradshaw told of the increasing importance of the Y. M. C. A. at the University, and of the more efficient functioning of the three councils. He stated that he believed that more men on the campus are known and influenced by the members of the Cabinets than were several years ago.

Taylor Bledsoe reviewed the work of the newly-formed Boy Scout Troop of Carrboro. Bledsoe is acting as Scoutmaster of the Troop. Bobby Wilkins, chairman of the Blue Ridge Committee, urged that every member of the Councils attend the annual Conference at Blue Ridge which is to begin this year on June 17. Several prominent men will present addresses at the Conference.

Nash Johnston, president of the entire Y organization, extended an invitation to all new men to join in with the work of the Councils. All the men were introduced to the group by rising and giving their name and home town.

At the beginning of the term next year a new Freshman Friendship Council will be formed from ninety picked freshmen of the first-year class which will begin functioning as soon as possible. The meeting was adjourned with prayer by Mr. M. T. Workman.

Lawn Party Friday

Epworth League to Have Benefit Party on Church Lawn.

The Epworth League of the Methodist church will give an ice cream supper on the church lawn next Friday evening beginning at 7:00 o'clock. Miss Margaret Gattis is in charge of affairs and is working diligently to insure the success of the occasion.

Ice cream, cake, and drinks will be served.

The proceeds of the ice cream supper and lawn party will go toward paying the expenses of a representative of the Epworth League to the Y. M. C. A. Conference at Blue Ridge which is always an important affair for Carolina Students. Everyone is cordially invited to attend this supper and help send a student to the Conference.

"Studies in Philology" Out
Studies in Philology for April, 1927, has come out. This issue is one of the most important of the year, as it is devoted to Elizabethan studies. This issue marks the twelfth number in the series devoted to Elizabethan studies. It contains, among articles by many leading articles, an article by a member of our own faculty, Louis B. Wright.

Addison Warren Is Awarded Patterson Memorial Medal for Athletic Prowess.

PRESIDENT CHASE SPEAKS

Athletes and Others Are Recognized at Exercises in Memorial Hall.

Last night in Memorial Hall students doing outstanding work in the various phases of athletics and extra-curricular activities this year were accorded recognition in the annual awards night exercises, which have become one of the University's most honored traditions.

Addison E. "K. O." Warren, of Edward, was awarded the Patterson Memorial medal for the most outstanding athlete in the University. Dr. Frank Graham, of the History Department, who made the presentation speech, characterized Warren as a "tackle, wrestler, boxer and gentleman, who packs a mighty wallop in either hand and always plays the game fairly." Warren is National Amateur Lighthweight boxing champion, and was captain of the University boxing team this year. He was also a member of the wrestling team and tackle on the football team.

The Norris Cup for the man most outstanding in athletics, character and scholarship was awarded to M. D. "Red" Whisnant, of Morganton. Whisnant was this year's captain of the football team. He was also a pitcher on the varsity baseball team.

President Chase made the chief address of the evening. "Throughout the annals of history men have been awarded by their fellows when they have done something worthy of recognition," he said. "There is a thrill in witnessing and awarding clean-cut achievement in whatever field the activity lies. It is fitting that outstanding work in all activities at the University be given fitting recognition in this public fashion tonight."

Sidney Chappell, retiring president of the student body, presided over the exercises. A lamentably small crowd, consisting almost entirely of the men who were to receive prizes or rewards, was on hand when the assemblage was called to order by President Chappell. R. A. Fetzer, Head of Athletics in the University, who awarded the athletic monograms and numerals, decried this fact in his presentation speech. While he offered the proximity of examinations and the heat wave as possible extenuating factors, he declared that there was no excuse for the apparent lack of interest exhibited by the students in the exercises, which mark the culmination and public recognition of outstanding student work in all extra-curricular activities during the year.

The cups awarded annually by the Order of the Grail for the best Intramural athlete and the best Freshman athlete, scholar and citizen were to K. B. (Red) Raper, of Welcome, and R. L. Zealy, of Goldsboro, respectively. R. W. Wilkins, of Greensboro, awarded the cups on behalf of the Grail.

R. B. House, Executive Secretary of the University, presented the debating medals. The men receiving these medals were: Henry McCalliard, of Chapel Hill; Ralph W. Noe, of Beaufort; W. H. Strickland, of Dunn; Judah Shohan, of Greensboro; H. Bryce Butler, Thomas Capel, of Garrysburg; E. A. Cameron, of Manly; and J. B. Lewis, of Farmville.

Thirteen members of the baseball squad were awarded monograms or stars. They were: W. D. P. Sharpe, Jr., of Wilson; J. B. Hatley, of Albarmarle; E. B. Mackie, of Granite Falls; T. B. Young, of Monroe; H. C. Satterfield, of Durham; T. C. Coxe, of Wadesboro; E. R. Burt, of Biscoe; J. B. Westmoreland, of Canton; C. F. Ellison, of New Bern; E. A. Green, of High Point; M. D. Whisnant, of Morganton; A. S. Hayner, of Rutherford College; and D. R. Jonas, of Lincolnton. T. J. Pearsall, of Rocky Mount, was awarded a manager's monogram.

Fifteen students were presented with awards in track. They were: A. F. Daniels, of Charlotte; Galen Elliott, of Washington; M. S. Giersch of Raleigh; R. A. McPherson, of Raleigh; G. D. Pearson, of Apex; H. B. Pritchett, of Greensboro; H. A. Rhinehart, of Canton; Z. M. Williams, of Stovall; D. S. Colburn, of Biltmore; W. L. Harper, of Pittaboro; M. P. Myers, of Jennings; A. P. McFadden.
