

INTRAMURALLY SPEAKING O' SPORTS
By "Onlooker"

"Cake Eaters"
Long years ago the students of a certain rival institution of learning used to chant a little ditty that ended up with the words, "Carolina for cake eaters." Taken in the usual sense of the words, the Tar Heels would be justified in rising up in protest, but they cannot justly deny the report for the past couple of days. If the campus is not full of "cake eaters" then where did all those cakes go?

The Cake Race
The Cake Race itself was one of the most successful of the five, considering the fact that for the first time in the history of the event the Intramural authorities required a physical examination for entry. The officials themselves were surprised and pleased at the number of entrants. According to count as the entrants filed past the gate on the way to the starting line there were one hundred and ninety-three ambitious seekers after cake.

You Racketeers Take Notice!
And now that the Cake Race is over and the tag football season is well-under way, the Tar Heel racketeers can take notice. The annual Fall Doubles Tennis Tournament is scheduled to begin within the next two weeks and will be played off as fast as the entrants can be eliminated. The doubles title was won last year by Malcolm Cameron and Charlie Waddell, playing for Beta Theta Pi Fraternity. As many teams may enter as desire to go in quest of honors, and the Intramural authorities hope for a record number of teams. There were sixty-four teams entered last fall. Each dormitory or fraternity may enter as many pairs as they desire, and in addition there are always a number of boarding house or church teams in the running.

The Gridiron Stage
The gridiron stage still holds the interest of a great number of Intramural enthusiasts. The chase for the dormitory and fraternity titles, with the later "world series" clash for the campus championship has narrowed down to just two undefeated teams. New Dorms rests in solitary grandeur on top of the Dormitory circuit, boasting five wins and no defeats. Sigma Phi Sigma, by virtue of a smashing 14 to 13 victory over Pi Kappa Phi, reigns alone over the frats.

But You Had Better Watch "J"
This fighting eleven from "J" Dormitory is making a big dent in the hopes of dormitory aspirants. Led by Manager Carroll Credle, with one of the scoring aces of the league in Stokes, they have been climbing rapidly. Their record shows wins in their last four straight games, and those victories came over such brilliant teams as Mangum, Old East, Steele and Carr. Stokes, who plays a mean game on the receiving end of the passes, has climbed in the brief space of a week to third place in individual scoring. They dumped Old East after the "easterners" had romped undefeated for three weeks, and they're now grooming for a crack at New Dorms.

That Pi Kappa Phi-Sigma Phi Sigma Battle
That battle of last Wednesday between Captain Arthur Daniels' Sigma Phi Sigma seven and the team from Pi Kappa Phi was a corker. The Sigma Phi Sigs finally emerged victorious by a 14 to 13 count, two points after touchdown off Johnny Fort's toe proving the margin of the win. The Pi Kaps, minus the services of Captain Bill Scott, failed to show their stuff so freely, and despite the brilliant play of the veteran "Pop" Shepherd, they fell by the wayside. The feature of the game was a scintillating 70 yard run for touchdown by Daniels of Sigma Phi Sigma. He intercepted a pass and sprinted past all the speed artists on the opposing side, with Shoemaker clipping Shepherd to give him a clean field.

Neiman of Grimes—New Scoring Mark
That Neiman boy from Grimes, who pastimes on first one end of the line and then the other, set up a new scoring mark for one single game last Thursday afternoon. The Grimesites downed Ruffin 39 to 0, and "Ooky" accounted for 25 of his team's markers. This totals Neiman with 44 points for the year, just five behind Roy Alexander of New Dorms. Alexander added 13 more last week when New Dorms broke Ruffin's winning streak 23 to 0. That leaves the individual race with Alexander 49, Neiman 44, and Stokes of "J" with 30 points.

LAW SCHOOL TO TRY NEW PLAN

Series of Addresses to Be Made By Prominent North Carolina Lawyers on Problems That Arise in Law Offices.

BATTLE SPEAKS NOV. 1

This year the Law School association undertakes a new feature that is to bring the Law School closer to the actual practice of law. In the past it has been the policy of the Law School to invite prominent lawyers here to discuss the various phases of the trial court practice. This policy is to be continued. Realizing however, that a gap yet remains between the "Law School" and "Law Practice" the association has this year taken an advance step in connecting the two by securing the services of a number of prominent specialists to come here for a few days to conduct lectures and class discussions on the problems that arise in the law office.

The practical difficulties that arise in advising clients as to their rights and duties, in the drawing of papers and agreements, and in drafting wills will be presented both in lecture form, from the lawyers' own experience, and in the solution of some of their problems by the law students.

This series of lectures and problems will be opened by Mr. Kemp P. Battle of Rocky Mount on November 1st and 2nd. Mr. Battle will deal with the topic of abstracting, the investigation and tracing of titles, thru the registrar's records. The problem will be discussed in eight or ten lectures and class discussions. After this development of the topic the class will be taken to Hillsboro to the Court House, where a practical demonstration of the process will be given in the tracing down of titles and special problems will be assigned to the various members of the class for their solution.

During the week of November the 14th Mr. Charles W. Tillett, Jr., of the Charlotte Bar, will be here for a couple of days to give eight or ten lectures on the practical situations that arise in the formation, operation, and dissolution of corporations. At the end of the lectures and discussions Mr. Tillett will leave with the class a number of problems to be solved, a set of corporation papers to be drafted for the formation and the dissolution of the same by the class.

Mr. Kenneth Ryal of the Goldsboro Bar will come here to spend a few days discussing with the Law School students the problems that arise in the drafting of deeds, mortgages, and deeds of trust. In this case as in all others the students will be called upon to solve some of the problems that have in the past faced the lawyer in his practice.

On dates not as yet definitely fixed Mr. R. D. Douglass of the Greensboro Bar, Trust Officer for the Greensboro Bank and Trust Company, and Mr. Gilbert T. Stephenson of the Raleigh Bar, Vice-President of the Wachovia Bank and Trust Company will present the practical problems that arise in the framing and probate of wills and the administration of estates.

MOVING PICTURES FREE EACH WEEK AT VENABLE HALL

Chemistry Department is Showing Series of Educational Pictures Every Tuesday.

Actual moving pictures are being shown in the main auditorium of Venable Hall on every Tuesday evening at 7:00 o'clock. The pictures are primarily educational, and are shown free of charge by the Chemistry Department. The department extends an urgent invitation to attend these shows to students and townspeople and especially to all who are interested in the fields of chemistry, commerce, and engineering.

The films are secured by the Chemistry Department through the courtesy of the Young Men's Christian Association, United States Bureau of Mines, General Electric Company, and various other industrial corporations. The pictures are very instructive and beneficial. They deal with phases of the actual operations of various industrial activities such as mining, fishing, manufacturing, and the construction of canals, highways, and skyscrapers. Then, there are films illustrating the scenic wonders and natural phenomenal creations of the world. Some phase of the story and romance of a raw product which is produced in one country and then manufactured and consumed in another is almost certain to interest any class of students, whether they be followers of a branch of science or engineering, history, commerce, or sociology. Several pictures of this type have been booked.

The program for each week has been so arranged that it deals with two or more subjects interspersed with a bit of comedy or humorous material. The program only lasts about fifty minutes.

- The following pictures have been booked for the remainder of the fall quarter:
- October 26
 - "Story of Fireclay Refractories" (4 reels).
 - "Story of Portland Cement" (1).
 - Pillars of Salt (1).
 - November 2
 - "Story of Alloy Steel" (4).
 - "Manufacture of Steel Sheets and Tin Plate" (1).
 - November 9
 - "Story of Abrasives" (4).
 - "The Jewels of Industry" (2).
 - November 16
 - "White Magic" (2).
 - "Story of Compressed Air" (2).
 - "Oxygen" (2).
 - November 30
 - "The Storage Battery" (2).
 - "The Romance of Coffee" (1).
 - "The Benefactor" (3).
 - December 7
 - "Play safe" (1).
 - "Laudering" (3).
 - "A Shakedown Cruise" (2).
 - December 14
 - "The World's Struggle for Oil" (3).

The films which have been booked for the winter and spring quarters will be announced at a later date.

Red Fisher Leads Field in Fifth Running of Cake Race

(Continued from page one)

The first ten to finish in order were J. V. Fisher, Salisbury; Creighton Wrenn, Garner; Clarence Phoenix, Greensboro High School track captain; Phil Gallagher, Charlotte; Jimmy Miller, Henderson; Ed Ferrell, Asheville; C. R. Baucom, Marshville; D. G. DeRosset, Montclair, N. J.; Bill Carhine, Charlotte; and Dave Nims, Mount Holly. Dave Nims won further distinction by leading the pack up to the first mile post and winning the special cake given by Jack Lipman's University Shop.

The immense team cake to go to the winning team, or group placing the most men in the first hundred, went to the "Town" group. They put fourteen cake winners home, and barely led New Dorms which had thirteen in the lucky hundred. The cake for the winning "Town" team was given by "Dean" Paulsen of the Smoke Shop and far surpassed any given by the genial "dean" in years gone by. The second team cake, given New Dorms, was a gift of Charlie Gooch of Gooch's Cafe.

This fifth annual "Cake Race" was noteworthy in that it marked the first year that the Intramural Department has required the entrants to have a physical examination before entering. The number of entrants was particularly pleasing to the authorities in view of this innovation.

Cake winners in addition to the first ten were as follows: R. B. Fisher, Salisbury; R. L. Parlier, Kings Creek; W. G. Lowry, Pineville; C. H. Fisher, Salisbury; S. G. Hatem, Greenville; Bob Horney, Greensboro High School; Bill Horney, Greensboro; F. M. Taylor, Enfield; J. A. Metts, Denver, Colo.; Jerry Cohen, Henderson; Francis Uzzell, Chapel Hill; R. White, Hertford; D. L. Rape, Monroe; Wyeth Ray, Pittsboro; B. U. Whitehead, Woodville; J. A. Wilkinson, Pantego; B. S. Connelly, Swannanoa; A. W. Tilley, Bahama; F. L.

Crane, Waxhaw; J. S. Allen, Florence, S. C.; H. H. Simpson, Rosabory; E. W. Rowe, Leaksville; Giles Horney, Greensboro; E. R. Hamer, McColl, S. C.; Haywood Miller, Salisbury; Grady Mercer, Beaulaville; J. K. Smith, Washington, D. C.; J. O. Griffin, Reidsville; S. H. Shaw, Richlands; R. A. Grier, Gastonia; J. C. Warner, Alledale, S. C.; C. V.
