P.A.
is some
little
cheer-leader

EVERY pipe is a Sunny Jimmy-pipe when it's packed with P. A. The tidy red tin chases the blues—and how! Why, you feel better the instant you open the tin and get that marvelous P. A. aroma. Every chore becomes a cheer, and you're sitting on top of the world.

Then you load up and light up. That taste—that never-to-be-forgotten, can't-get-too-much-of-it taste! Cool as a cut-in from the stag-line. Sweet as retaliation. Mild and mellow and long-burning, with a balanced body that

satisfies, right to the bottom of the bowl.

You find that P. A. never bites your tongue or parches your throat, no matter how often you stoke and smoke. Get on the sunny side of life with a pipe and P. A. Buy a tidy red tin today and make the personal test. Pipes were born for tobacco like this.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.
