

TAR HEEL'S SUB EDITORS CHOSEN TUESDAY NIGHT

Ehrhart, Holder and Mebane, Managing Editors; Galland Assistant Editor.

At a meeting of the Tar Heel reportorial staff Tuesday night, George Ehrhart was elected to continue the managing editorship of the Thursday issue, John Mebane was elected managing editor of the Tuesday issue and Glenn Holder was elected managing editor of the Saturday issue. Five men were nominated for office, the other two being Oates McCullen and Dick McGlohon. Three men were voted upon. The one receiving the lowest vote on the first ballot to be thrown out and the remaining four were to be voted upon in the run-offs. McCullen was eliminated in the primaries and McGlohon was eliminated on the second ballot.

Harry Galland was the only man put up for assistant editor of the Tar Heel and a vote was not necessary. Jud Ashby, retiring editor, and Walter Spearman, editor-elect, presided. Twenty-one members of the staff were present at the meeting. Will Yarborough will take over the sports editorship and is slated for a sports column. Galland will continue a column in Tuesday's issue and Saturday's issue will have a column but by no particular man. This issue is to be assigned to various men for column work.

Beats were decided upon and quite a number have been assigned, though some are only tentative. There remain as yet seven beats that have been unassigned and these must be filled in the next few days. These beats are: debates, Phi Senate and New East; all university clubs; downtown and Chapel Hill news; law building, Alumni, Saunders and Murphey; chapel exercises; Peabody, Phillips and the Infirmary; and Venable, Davie and Caldwell halls. Anyone wishing to take over any of these beats should call at the Tar Heel office and see the editor or any of the managing editors.

Some few changes are expected to be made and any man who wishes to go out for the reportorial end of the Tar Heel is requested to see one of the managing editors for instructions.

CHASE SUPPORTS LONGER SCHOOL TERM IN TALK

Gives 12-Minute Talk Over Radio Station WPTF Monday Night.

A plea for an eight months school term was the chief support of a 12-minute talk given by President Chase through WPTF on Monday night.

His grounds for argument were that the elementary schools, high schools, and colleges are all a part of one great system, and that the whole system is no stronger than its weakest part. In showing the good of a strong school system, he showed the growth of the educational system in the South and in North Carolina since the Civil War. His final appeal was that the men sent out by the University were a proof of what higher and efficient education was doing for the state which made it possible for young men to get this education.

"Parson" W. D. Moss was another of the speakers who broadcasted from the Raleigh station in the "University Hour." In his speech Dr. Moss told how his twenty-five years near the University campus has shown him the real virtues of freedom and stability as represented by the University, the students, and the state which makes the institution possible.

"The citizens of the Carolina campus, like the citizens of the state, occasionally take liberties with freedom and swagger around in the garb of excessive individualism. But such citizens are neither representative of Carolina or their fellow workmen there," he declared. His talk was concluded with the presentation of the Carolina Honor System and the influence on the men who have come into contact with it.

NOTICE

A picture of the Carolina Dormitory Club will be made this morning at chapel period on the steps of the law building. All members are urged to be present.

Campus Favorite for President

GOVERNOR ALFRED E. SMITH

The name of Governor Alfred E. Smith, of New York, candidate for the Democratic nomination for president, emerged from the dust of campus elections Tuesday with a crown. He received an overwhelming majority from faculty and students, the student vote standing at 507 for Smith against 261 for Hoover and the faculty vote totalling 68 Smith votes against only 9 for Hoover.

Campus Run-over Elections Show Very Close Balloting

Page and Guerry Will Give Commencement Talks

Arthur W. Page of New York, Vice-President of the American Telephone and Telegraph Company, and Bishop W. A. Guerry of Charleston, S. C., Bishop of the Diocese of South Carolina, will be the Commencement Speakers at the graduation exercises in June, according to an announcement from the office of the Executive Secretary.

Mr. Page is a former editor of World's Work magazine and was at one time an official of the publishing firm of Doubleday-Page and Company. He is a graduate of Harvard. His birthplace is Aberdeen, N. C. Bishop Guerry will deliver the Baccalaureate sermon. He was formerly chaplain and professor at the University of the South.

German Club Holds Annual Elections

Preparations Made for Final Dances to Take Place in June

Annual election of German Club officers and discussion of plans for the final dances were held in Gerrard Hall yesterday afternoon at one-thirty.

Election of officers for next year was the first business placed before the assembled club members; three officers and two ball managers were unanimously elected. The officers as elected to serve next year are as follows: President, Bowman Gray; Vice-President, June Adams; Assistant Secretary and Treasurer, Robert Zealey. Bill Marshall was automatically promoted to Secretary and Treasurer, having served as assistant this year. The chief ball manager will be B. Uzzell, and the assistant ball leader is Thomas Royster.

According to present plans, the final set of German Club dances will be held in Swain Hall on the eleventh, twelfth, and thirteenth of June. Plans are being made to make this the finest and most elaborate set of final dances to ever be given here. Contracts for the decoration will be let this week and bids are being received.

Weidemyer's orchestra has been secured to play for the whole set of six dances. The finals are to be opened with a dance on Monday night, followed by others Tuesday morning and afternoon, the Commencement Ball Tuesday night, a morning dance on Wednesday, and the German Club Ball on Wednesday night.

A number of dances during these three days are being planned by other organizations. The Gorgon's Head

Chandler, Heath, Cox, Connell And Moore Win Over Opponents; Mild Interest Shown in Secondary Elections.

Bill Chandler won out over Bill Bobbitt by the margin of 496 votes to 281 in the race for "Y" secretaryship in the run-over elections Tuesday, it was announced by Charlie Jonas, president of the Student Body, early yesterday morning. A total of 777 votes were cast for this position, the only campus office for which no candidates received a majority in the regular elections last week.

Four class officers were voted upon in the run-over elections. Mac Leath received 88 votes to Charlie Moore's 82 to be elected secretary of the rising senior class. H. E. Cox was elected Student Council representative from the senior class, receiving 91 votes to Harry Weatherly's 79. Jimmy Connell defeated Jimmy Ward for the vice-presidency of the junior class by a margin of 99 votes to 86. "Wop" Moore received 153 votes to win out over Kenneth Gay, for whom 129 ballots were cast in the race for the vice-presidency of the rising sophomores.

The run-over elections aroused only mild interest, coming as a distinct aftermath to the regular elections. All of the more important offices were filled in the first election. The candidates themselves seemed to be about the only persons who succeeded in working up any great degree of enthusiasm over the balloting. The polls were open from 10 a. m. to 4 p. m. in front of Gerrard Hall.

The campus straw vote for the presidency of the United States was cast in connection with the run-over elections.

W. H. S. Burgwyn to Address Phi Assembly

Senator W. H. S. Burgwyn, of Northampton county, candidate for the Lieutenant-Governorship of North Carolina, has accepted an invitation extended him by the Philanthropic Assembly to speak at the University Tuesday night. The speaker will discuss some phase of the present political situation.

Br. Burgwyn is a former senator and a favorite in the race for the Lieutenant-Governorship. Other candidates who will oppose him are: J. D. Langston, of Goldsboro; Mr. Leary, of Morehead City; and Mr. Fountain, of Rocky Mount.

The literary societies will suspend meetings next Tuesday in favor of Mr. Burgwyn.

The enormous increase in savings deposits in this country, which total over \$21,000,000,000, is stimulating competition for savings accounts.

Governor Smith is Campus Favorite For President by a Large Majority

Annual High School Week Opens Today With 800 in Attendance

This morning saw the opening of the Annual High School Week sponsored by the University. It is estimated that 800 high school visitors representing not less than forty schools are in attendance.

A program of athletic and debate contests has been scheduled for today and tomorrow. The schools will compete in the state track meet, tennis tournament, and the annual triangular debate finals.

The preliminaries for these events will begin this morning and last throughout the day. The debate preliminaries will be held tonight with University men acting as officials. The athletic and debate finals will take place tomorrow.

The subject for the annual debate is: Resolved, "That Congress enact the McNary-Haugen farm relief bill." The eliminations

were held throughout the state about two weeks ago. In order for a school to compete in Chapel Hill both the affirmative and negative teams had to win decisions. The cup awarded to the winning team last year was given to Greensboro High affirmative team composed of Henry Biggs and Harry Gump.

The visitors will be entertained and accommodated by the residents of Chapel Hill and the students of the University. Mr. Grady Leonard is chairman of the Entertainment Committee and has arranged places for the delegates to be housed during the week-end. E. R. Rankin is secretary of the annual week.

The events today and tomorrow are expected to draw a large crowd of spectators from the various towns and cities of the state.

Two To One Choice of Students And Eight To One of Faculty.

HOOVER G. O. P. CANDIDATE

Straw Vote Conducted under Auspices of Tar Heel, University Republican Club and the Al Smith Club.

Alfred E. Smith, fiery New York State governor whose rise to fame and public favor reads in the manner of a Horatio Alger thriller, is the two-to-one favorite of the students and eight-to-one choice of the faculty for the presidency of the United States.

The campus straw vote conducted in conjunction with the run-over elections yesterday under the auspices of the TAR HEEL and of the University Republican Club and the Al Smith Club, resulted in an overwhelming Smith victory. He received 507 student votes and 68 faculty votes, while the Hoover student ballots totaled 261 and the faculty votes 9.

A number of well-known student politicians have staged a well-organized Smith campaign during the past few weeks, and a decided sentiment in favor of the man who is expected to figure in the final balloting for Democratic nominee for the presidency has been in evidence here for some time. Smith was nominated as the Democratic candidate for the straw vote in a primary held last week. He amassed a big vote to easily win over his nearest competitor, Senator Jim Reed of Missouri, who spoke in Memorial Hall recently.

Hoover was selected as the Republican nominee by the University Republican Club. He has previously been selected as the favorite of the Di and the Phi, the two campus literary and forensic organizations, at a joint meeting of the two bodies.

The markedly large plurality of the faculty votes received by Smith occasioned quite a bit of comment today among those who had learned of the outcome of the straw vote. Faculty voting was done on separate ballots.

Presidential straw votes have been taken at a number of colleges and universities throughout the country during the past few weeks. The total results show a rather narrow margin in favor of Hoover.

DAVIDSON GIVES UNIQUE PROGRAM HERE APRIL 20

Will Consist of Musical Selections, a Burlesque, and a Debate in Spanish.

The Spanish department of Davidson College is offering on April 20th at eight-thirty in Gerrard hall a unique program consisting of an intercollegiate debate, musical selections, and a burlesque number, all to be rendered in Spanish.

The topic for debate is "Resolved: Que la intervencion de los Estados Unidos en Nicaragua por fuerzas armadas debe de cesar." The affirmative will be upheld by Carolina's team composed of T. C. Hayes and Armando Mendez Perez; the negative will fall to W. M. Weaver and R. A. Glenn of Davidson.

In addition to the debate several popular Spanish melodies will be presented by a quartette from the Circulo Espanol of N. C. C. W. The last feature of the program is to be a farce on campus politics with particular emphasis laid on the forthcoming national convention and the November elections. The two debate preliminaries already have attracted a large number of participants and spectators. All visitors who are interested are cordially invited to attend this program which is to take the place of the regular monthly meeting of the Spanish Club here at the University.

General S. T. Ansell, of Washington, spent a few hours in Chapel Hill Saturday with Dr. N. W. Walker. General Ansell is a native of North Carolina, and after graduating from West Point, studied law at the University of North Carolina, graduating in 1906. During the war he served as judge-advocate general, and is now practicing law in Washington, D. C.

Soundings give lake Michigan's greatest depth as 870 feet.

CARROLL SPEAKS AT REAL ESTATE MEETING MONDAY

Addresses Greensboro Board at The Hylmore on "Relations in Education and Professions."

"Relations in Education and Professions" was the subject of an address by Dean Carroll before the Greensboro Real Estate Board which met at the Hylmore Monday afternoon for its monthly meeting.

In the beginning of his speech, Dean Carroll praised Greensboro for its civic pride and commended the organization for the part it has played in bringing about this spirit which he described as an invaluable asset to the progress of North Carolina cities. The business of the realtor, according to the speaker, "is a transition from trade to profession."

The two problems in educating people, to make an adequate living, and enjoy it after gaining it, are the problems which are met by the educator, according to Dean Carroll. Emphasis is laid upon the first of the problems rather than the second and creates a great demand for efficiency and making of money rather than of enjoying it after it is gained.

Broad understanding in America is needed to avoid catastrophe, he said. Dean Carroll declared that the collapse of Russia was caused by just such a development, and that what is needed today is less technology, more instruction in everyday problems, and a race of men mastering money instead of being shriveled up by it. The instinct to judge values is rare and should be cultivated, for one mustn't expect education to do everything, was one of the points emphasized by Dean Carroll in his speech.

Large Number of Social Events for Coming Week-End

Another big week-end is listed for dancers here at the University. The Sigma Nu's and the Phi Delta Theta's are planning dances, and the "13" Club, a sophomore social order, is also planning to give their annual ball. Besides their dance, the Sigma Nu's are planning to help the entire week-end out by giving a house party. A large number of girls have been invited and according to reports it will be one of the most complete house parties on the Hill.

The Sigma Nu's begin the week-end with a dance at the Carolina Inn Friday night. The same night the Phi Delta Theta's will be entertained by the Duke Chapter of that fraternity in Durham.

Saturday afternoon the Chapel Hill chapter of the same fraternity will give a tea dance. The "13" Club is planning to give its dance Saturday night also. The latter affair was planned for last quarter, but was postponed until this session due to the crowded calendar.

Next week the Sophomores are planning to hold their ball. The dance arrangements are in the hands of Dick Winborne, chairman of the executive committee of the class.

UNIVERSITY WILL OFFER POST-GRAD DENTAL COURSES

Five Centers Selected for Presentation of Courses.

A plan of forming classes in several cities of the state to carry on post-graduate work in dentistry next summer, with instructors to go the rounds of these classes, has been thoroughly worked out by the University Extension Division and approved by President Howle and other members of the Executive Committee of the North Carolina Dental Society, and will be formally presented to that body when it convenes April 14 in Charlotte, according to announcement today by M. G. Little, head of the department of Extension Teaching.

This plan, which is known throughout the country as the North Carolina Plan has been followed with great success in the medical field and is now being introduced into the dental profession.

It was presented at the district meetings of the North Carolina Dental Society and received a unanimous endorsement, so that it was decided to proceed with the definite arrangements to be presented at the state meeting.

Northwestern University Dental School was picked as the institution offering the best dental work of a post-graduate nature and with the most experience in offering instruction to dentists in the field; and the choice of instructors was left almost entirely to Dean Black of the Northwestern Dental School.

The result was the recommendation of five outstanding members of the

Call Sent Out For New Cheer Leaders

All men interested in becoming cheer leaders are requested to meet Paddy Waddell at the gymnasium this afternoon at four o'clock.

From the men applying, a chief cheer leader is to be chosen from the rising Senior class, two assistants from the rising Junior class, and three sub-assistants from the rising Sophomores. These appointments are in the hands of the Monogram club, under the present system. All the men interested in this work will be given training and try-outs during the remaining baseball games of the season.

Sophomore Class Will Give Dance

The sophomore class has planned a dance for Friday, April 27 to be held in the Bynum gymnasium.

Decorations for the affair have been ordered by the class committee from New York, and the Buccaneers have been engaged to furnish the music.

The dance will be informal and, due to a lack of funds in the treasury, an assessment of one dollar will be made. No one outside the second year class will be admitted to the affair.

Practically all plans have been completed, and admission cards may be secured at the sophomore smoker in Swain hall Tuesday night.
