

FROSH CHEERERS PROVIDE NOVELTY

Freshman Group Takes Place of the Former Carolina Cheerios.

Quite a distinctive novelty was introduced at the Carolina-Wake Forest football game Saturday in the form of organized Freshman cheering. This was the first time that an attempt has been made here to have the entire first year class sit together in a body and lead the cheering.

For several years heretofore the brunt of the cheering has been borne by the famous "Cheerios," but they were found to be inadequate in the large Kenan Memorial Stadium. Toward the latter part of last year it was decided to change the plan that had been in force and to have all freshmen cheer in a body. A plan was adopted whereby all freshmen were to be issued tickets that would only admit them to a section that was to be reserved for them. In this way a freshman would have to sit in the special section in order to be admitted to the games on his season pass.

During freshman week a mass meeting of all freshmen was called at Gerrard Hall, and the subject was broached to them. They all voiced their hearty approval and assured the cheer leaders that they would lend their support to the scheme. Cheer practice was held several times the past week and everything was put in readiness for the game Saturday. Notice was given that all would be expected to wear white duck trousers and blue coats. The time for the assemblage was set at 2 o'clock Saturday afternoon.

The group gathered in Memorial Hall at 2 o'clock and each member was issued a small megaphone. They formed a line, four abreast, and began their march to the stadium. The band preceded them into the field where they formed several figures. The word was given for them to break, and the one thousand white-trousered youths swarmed into the section reserved for them. They were directed by cheer leader Bill Chandler and his assistants and ably gave the various songs and yells. Between the halves this body marched onto the field and gave a snake dance.

There was much favorable comment made on the manner in which the freshmen carried out their part of the program, and the cheer leaders were highly complimented for the able way in which they directed them.

Temperament is the peculiar quality that makes you think you should have your own way because you've got it. —San Francisco Chronicle.

Much Speculation Aroused Over the Game with Harvard

Carolina Stock Rises with Hurdling of the Wake Forest Obstacle.

With the Harvard game but two weeks distant and the Wake Forest obstacle having been hurdled with ease, speculation over the outcome of the game with the Cambridge team has formed the major part of every football discussion. Scant hope was held for victory over the Crimson squad, but with the developments over the week-end Carolina's stock has risen skyward.

Adhering to the old rule of the defunct "Big Three" setting September 15 as the earliest date for starting practice, the Eastern squad will be forced to overcome the two weeks handicap enjoyed by Carolina. While the Harvard game is the third on the schedule for the Tar Heels, following on the heels of the game with Maryland, it is only the second game for the Easterners. Springfield engages Harvard in the initial combat.

Like Carolina, the coaching staff of the Cambridge crew, is experiencing its third year at the institution. Last year held little success for either the Southern or the Eastern school, but according to critics the tutoring of the past two years should blossom forth in the present season.

The Crimson is well stock with backfield material, but lacking in an experienced forward wall. According to dispatches, Captain Art French, intercollegiate dash man, is ready for a successful year after having spent the summer in a Maine lumber camp. French is a triple threat man, punting, passing and running the ball, with equal ability.

Wrestling Practice Will Be Held Daily; Workouts in Tin Can

Coach Motsinger announced yesterday that wrestling practice for varsity and freshmen will be held in the Tin Can every afternoon except Saturday and Sunday. All old men are urged to come out every day and first year men are requested to report as soon as possible in order that fall training may get an early start.

Motsinger was formerly a member of the University varsity wrestling team and one of the most outstanding light-weight matmen in the state. Gene Thompson is captain-elect of the team this season. Thompson was a brilliant grappler last year, losing only one decision, and promises to make one of the best mat artists in southern colleges.

A number of varsity men are back this year. Among them appear Gene Thompson, C. B. Wood, Robert Zealy, Moore and Houghton.

TENNIS PROSPECTS FOR THIS SEASON APPEAR TO BE GOOD

Four Lettermen Return to Form Nucleus of Varsity Sextette; Bill Scott Captains Team.

As viewed through the distant haze Carolina's prospects for a successful tennis season appear very bright as four letter men returned to form the nucleus of the 1928 sextette. While Lee Wilson and Dick Covington, No. 2 and No. 3 men of last year's team respectively, will be sorely missed, their vacancies probably will be filled by two very capable men from the freshman team, Morton Shapiro and Ed Yoeman. Both of these were outstanding last year and as bright possibilities.

The four letter men who will see action this year are: Charley Waddell last year's captain, Bill Scott, captain-elect, Bill Merritt, and John Norwood. It is uncertain as to whether Waddell will participate in the meets this fall because of his co-operative work. However it is almost certain that he will play throughout the spring season. It is also possible that Lee Wilson will return after Christmas and assuming that he does Carolina will possibly have a much stronger team than last year.

There will be three matches this fall; the first against Duke will be held in three weeks. There will also be a return match the following week. The final fall match will be played in Charlottesville against Virginia the day before the Thanksgiving football classic. Manager Norwood reports that the spring schedule is yet in the making but will be announced soon. However it is probable that there will be a ten day eastern invasion during the month of May.

Coach John Kenfield has been notified and will probably be at the University during the month of April. Several years ago Kenfield coached the Canadian Davis Cup team and played a large part in developing George Lott a noted star of today.

The personnel of the team is as yet very uncertain, there being at least one or two open positions for new men. If any new men wish to try their skill, either John Norwood or Bill Scott will arrange for a tryout.

TAR HEELS ROUTE FOUR YEAR JINX

(Continued from page one) total. With the score 20-0 in their favor, the Heels rested until after the second half.

Things began to pop loose soon after the second session opened. Coach Collins had the starting team back on the field. Spaulding received the kick off and ran it back 20 yards. A couple of plays failed to net the Heels a first down, so they kicked. Ward gave the Heels their next chance to score by grabbing a Deacon pass and carrying it to the five yard line. The Hendersonville boy sneaked out beyond the Deacons' backs and waited until Spaulding dropped a neat pass into his hands for the fourth score.

This bit of laxness on the part of the Deacons began their downfall. From then on it was a rout. Coach Collins ran in substitutes in groups of two and three, finally climaxing it with a bunch of six. Exery man on the bench played for a while. But the more subs the Heels used, the more the score mounted. There was no stopping of the Carolina team. Touchdown after touchdown was scored until finally the Heels had amassed the largest score ever piled up in one game by a team wearing the Blue and White of Carolina.

Soon Bud Shuler grabbed the pig skin and ran for a touchdown when Jonny Cox dropped the ball. Perhaps that hard-charging linesman remembered a day last fall when Cox picked up a Carolina fumble, sprinted 70 yards, and beat Carolina. Anyway they wer through on Cox and the speed merchant didn't have a chance to send the oval across the line of scrimmage. Bill Chandler had his 800 cheerios count out 33.

Gresham sent the sphere into Don Holt's waiting hands and the score mounted to 39. Wake Forest was beginning to relieve their tired players, but the score still mounted. Maus and Gresham got together and made State's victory over Elon look weak. Score Carolina 45, Wake Forest 0.

The fourth quarter produced as many points as the first half. Jackson and Nasn began to run during this period. Jackson took the ball 15 yards before he carried it over. Nash added a point to send the score to 51. Here Nash duplicated in most spec-

tacular fashion the Jackson play when the Charlestonian shot by the ends, was tackled by everybody in Wake Forest except, as the Greensboro Daily News said, the "Anti-Smith Club", and carried the ball over to make with Fenner's goal, 59 to 0. Jackson raced 38 yards in the last few minutes of the game for the final score.

The team looked mighty good for an opening game. At times the Carolina backs would race all over the field. The line, too, remained the Carolina supporters of those famous lines during the last few years. Sometimes the Deacon backs would get past the forward wall, but at other times Heels would charge through to nail the Black jerseyed men before they got started.

Leaves Tobacco Tin as All-time Calling Card

Calgary, Alta., March 4, 1928

Larus & Bro. Co., Richmond, Va. U. S. A.

Gentlemen:

While in Banff, Alberta, in 1909, I climbed Tunnell Mountain. On top of this mountain there is a cairn of stones where tourists leave their cards with remarks about the scenery, etc. Not having a card with me, I left a tin of Edgeworth Sliced, scribbled my name and address on a piece of paper, and said, "Have a fill on me."

I have kept up a haphazard correspondence with one of three who wrote me thanking me for the Pipeful of Edgeworth. What makes me write you is that today from Australia I received two slices of Edgeworth with the words, "Have a fill on me," so you see Edgeworth keeps friends friendly.

Yours sincerely,
P. B. Johnstone

Best Fresh Athlete Will Be Determined In Next Three Weeks

The best all round athlete in the freshman class is soon to be determined. Within less than three weeks every member of the freshman gym classes will be run through a modified decathlon or all round track competition.

The first day of the new freshman program will be Wednesday afternoon at 4 o'clock when all members of the gym class that meets at 4:40 o'clock on Mondays, Wednesdays and Thursdays will be expected to report to Emerson Field to run through the first three events of the program. Those three events for this opening day for each class will be the shot put, the 50 yard dash, and the high jump.

The actual program for Wednesday calls for the members of that particular gym class to report to the main gate of Emerson Field at 4 o'clock on Wednesday afternoon. Each man will be registered and given a number. Attendance will be

checked all the way through the three weeks program, and an absence from these tests will count as an absence from gym.

Following the registration at the main gate of the stadium, each man will go immediately to the shot put pit at the upper end of the track toward Mourphy Hall. There the men will be given three tries at the shot, and as soon as he completes those tries he will be run through a 50 yard dash. Upon finishing the dash, each man will take his high jump trials and stay in as long as he can clear the bar. Upon completing the three events, each Freshman will be through for the day. The same program will be followed for each of the four gym classes of their respective days.

The dates for the four classes are as follows:

1. The class that meets at 4:40 o'clock on Mondays, Wednesdays and Fridays will report on Emerson Field at 4 o'clock each Wednesday afternoon for three weeks.

2. The class that meets at 4:40 on Tuesdays, Thursdays and Saturdays, will report on Emerson Field at 4 o'clock each Thursday afternoon for three weeks.

3. The class that meets at 5 o'clock on Mondays, Wednesdays and Fridays will report on Emerson Field at 4 o'clock each Monday (beginning next Monday) for three weeks.

4. The class that meets at 5 o'clock on Tuesdays, Thursdays and Saturdays will report on Emerson Field at 4 o'clock on Tuesdays (beginning next Tuesday) for three weeks.
