

# HEEL MAT AND MIT TEAMS TO MEET VIRGINIA FOES TONIGHT

## FRESHMEN WILL ENGAGE TEAMS IN AFTERNOON

Varsity Wrestlers Will Take on V. P. I. While Mitmen Engage V. M. I.

The Tar Heel boxers, undefeated this season and Southern Conference champs of last year, with the wrestling team will make their home debut here tonight in a double-header exhibition against the strong V. M. I. cadets and the V. P. I. Gobblers. The Tar Heel wrestlers will meet the V. P. I. matmen, Conference champions of the past three years, at 7 o'clock, and at 8:30 the North Carolina boxers will engage the V. M. I. challengers. Both Tar Heel teams are undefeated this year, and both are priming hard for victories in their initial appearances before the home fans.

Wrestling prospects took a slump today when it was learned that Captain Gene Thompson, star 125-pounder, would be out of the meet due to the rigors of Law School exams. Zealy will probably replace Captain Thompson. Tentative lineup for the other posts shows Abbott, veteran letterman, 145 pounds; Moore, 155 pounds; and a host of sophomores who have been showing up especially well—Stallings, 115 pounds; Woodard, 135 pounds; Cowper, 165 pounds; Stone, 175 pounds; and Thompson or McKinney, unlimited. Coach Quinlan has the best wrestling material he has had since coming to the University, and the Tar Heels will be out to disturb the unmolested three-year championship of the Gobblers.

Tonight's meet will be the third of the season for the North Carolina Conference Champions. Previous victories have been won over South Carolina and V. P. I., and the Tar Heels will be pointing hard to keep their season slate clean. The following men will toss their gloves into the ring to defend last year's Conference honors against the invading Virginian team: Vaughn, featherweight; Goodridge, lightweight; Allen, welterweight, and Captain Brown, middleweight, will be the big guns in the Tar Heel boxing attack. Brown and Allen are lettermen of last year, Brown Conference champ in his weight. To complete the lineup will probably be Sheffield, bantamweight; Davis, light heavyweight, and Warren, heavyweight.

The Tar Baby wrestling team will open a double-header yearling affair as they meet the V. P. I. freshmen this afternoon in the Tin Can at two o'clock. Following this meet the Tar Heel freshmen boxing team will lock horns with the V. M. I. first year team; the first bout will begin at four o'clock.

The probable line-up for the Tar Baby mitmen will be as follows: bantamweight, Gray; 129 pounds, Todd; 139 pounds, Redwine; 149 pounds, Farris; 159, pounds, Tom Parsons; light heavyweight, Avery; heavyweight, George Buchan.

The wrestling team lineup for the Carolina freshmen will with but a few changes be the same that journeyed to Washington and Lee last Saturday.

## State College Frat House Burns Down

The fraternity house of the State College chapter of the Sigma Nu fraternity was considerably damaged by fire of unknown origin late Saturday night. The house, one of the new homes on Clark avenue, was practically ruined. The chapter will probably move into a dormitory section on the campus until next September, it was stated by one of the members.

None of the members was at home at the time of the fire, the alarm being turned in by an Oak Ridge cadet who noticed the fire in passing along the street. The rooms of the upper story were ruined, and those of the lower water-soaked.

## Boren Stars at Three Positions on Team

Los Angeles—(IP)—The University of Southern California had a versatile football player in the person of Charley Boren, who played his last game for the Trojans against Notre Dame. Boren will be graduated next June with the honor of having starred at three positions on the eleven, in doing which he proved himself one of the most efficient players in Southern California football history. He played one year as a halfback, one as an end, and one as a running guard. In addition, he has a splendid scholastic record.

## COLLINS PICKS "PAPER TEAMS"

Eleven Games on the Schedule To Take Place One Each Saturday.

Once more Kenan Stadium will not be idle. After two weeks of practice, Collins has selected four "paper" teams; Georgia, South Carolina, Virginia, and Georgia Tech. South Carolina and Georgia will play the first game of the winter season this afternoon in Kenan Stadium.

Georgia has three lettermen and two freshmen who made their numerals, while South Carolina has the same number of lettermen and five freshmen that made their numerals. Also Georgia has two holes in their backfield to fill due to the temporary absence of Ward and Slusses because of injuries. It is evident that South Carolina has a slight edge over Georgia, but a close game is expected, nevertheless.

Each team has its own coaches. South Carolina is coached by Howard and Enright, Georgia by Young and Fener, Virginia by Sapp and Cerny and Tech by Schwartz, Gresham, and Fetzer.

After each game, the members of the winning team attend the Carolina as guests of Mr. Smith. At the end of the season, a cup will be awarded to the team winning the championship.

Schedule:  
February 2, S. C. vs. Ga.  
February 6, S. C. vs. Va.  
February 9, Tech vs. Ga.

## Plays Football for Six Hours in Six Games

Seattle, Wash.—(IP)—Three hundred and sixty-six minutes, or exactly six hours of football in six conference games is the record this year of Charles Carroll, University of Washington halfback. He did not miss a minute of play during the season. This is believed to a world's record for football players, at least in more modern times.

The University of North Carolina will stage a football season of its own during the next seven weeks, with two regular scheduled games each week to furnish interest to grid fans. The Tar Heel football squad, out for winter maneuvers, will be divided into four separate teams of nearly equal strength and play scheduled sixty-minute games every Wednesday and Saturday after next week.

## FROSH TAKE HARD ONE FROM V. P. I.

Hutchinson Again Is High Light of Game With Nine Points To His Credit.

Again Thursday night the Tar Babies continued their custom of starting off double-headers right when they scored a decisive twenty-five to nineteen win over the V. P. I. freshmen. The fray was the hardest fought one that the Carolina freshmen have played this season and the cadets presented the strongest offense that they have yet run up against.

Coach Belding sent his first string guards and his second string forwards and center in the fray at the start. These men played a fast brand of ball and more than matched the strong offensive of the Cadets. The game started off with each team getting under way rather slowly. As the period went on the lead shifted back and forth quite often. Just before the half the Tar Babies drew out ahead and held their lead until the whistle. At half-time the score stood 13 to 9 in favor of Carolina. Green, Sachs, and Reid replace Moore, Johnson and Meyers at the opening of the last half, for the Tar Babies. All during this period the Cadets made a spirited rally and the Tar Babies found difficulty in coping successfully with their attack. However, again near the end of the half the freshmen sank shots to cinch the lead which they held until the end of the game.

Garner, captain, Chandler and Tibbs were outstanding for V. P. I. Captain Garner at guard led the scoring with a total of ten points. The other Cadet points were credited to Chandler and Tibbs, the former ringing up 5 and the latter 4. The floor work of the entire Cadet team deserves mention especially their following of shots and sinking the ball on the rebound.

Jenks Hutchinson, again led the Tar Baby attack with 9 points. The former Charlotte high school guard has been either high scorer or runner-up in every game the freshmen have played to date. Johnson, another Charlotte boy, followed Hutchinson with 5 points. Moore, Greene and Meyers with 3 and Sach with 2 points completed the scoring.

Tonight the Tar Babies will meet the Duke freshmen at Duke in the curtain raiser to the varsity game. This will be their last game before they leave for a trip to Virginia next week. Three or four games to be played after the Virginia trip complete the schedule for the Tar Babies.

## DOWN GOBBLERS IN FAST GAME

Satterfield, Diminutive Forward, Features Offensive of Ashmore Five.

In a fast contest replete with thrills, the University's basketball team defeated the V. P. I. Gobblers in the Tin Can here Thursday night, 33 to 27, to mark its seventh Southern Conference victory of the season. Carolina's succession of recent Conference victories places the Tar Heels definitely among the strongest contenders for Southern basketball honors this year.

The visitors jumped off to an early lead and had scored six points before the Tar Heels tallied. Satterfield replaced Price at forward for the Heels and the old scoring of Hackney and Satterfield began functioning in fine fashion. With the whole squad affording good defense, the White Phantoms caught the Gobblers two minutes before the half-time, and led at the intermission, 15 to 12. The Tar Heels seemed to have struck their stride, and were never headed again. Henry Satterfield, diminutive forward, was clearly the shining light of the Carolina victory. He sank four field goals and three one-pointers for 11 points and high-scoring honors for the night, besides leading the floor work and follow-up for his team.

Captain Rufus Hackney, Satterfield's running mate, tallied 9 points to be runner-up in scoring honors for the contest. Marpet and Brown, playing their first season at the varsity guard positions, featured as a powerful defense for the Heels. Brown turned in 7 points and Marpet 4, in addition to their good defensive play.

Captain Brown at center, Rice forward, and McEyer guard, were the stars in the Gobbler's aggregation.

Price and Dameron, playing but a short while, were the only Heels who failed to score, while two Gobbler substitutes also missed getting in the scoring column.

Carolina's victory over V. P. I. gave the Tar Heels a percentage of .875 in Southern Conference competition. The only defeat sustained thus far within the Conference is the 28 to 25 trimming by South Carolina here recently. Since then, the Tar Heels have got revenge by winning over the Gamecocks in Columbia. The Heels' seven conference wins have been over as many teams, the victims being: Kentucky, Tennessee, N. C. State, Virginia, South Carolina, Georgia, and V. P. I.

North Carolina engages Duke in Durham tonight in what will probably be the most important single game for the Tar Heels in the state. So far this season, Carolina has won all of its "Big Five" contests, having defeated Davidson, Wake Forest, and N. C. State in order. Duke has been defeated but once in the state this year, and that by State. It is well-understood in state basketball circles that Duke has a formidable array of court stars, and it is consequently expected that the Tar Heels must extend themselves tonight to continue their clean slate within the state. Carolina teams customarily rise to the occasion when tough opposition is encountered, and surely Coach Ashmore's proteges will hit a strong stride tonight.

## Phone Coin Slots Left Open; Boys Take Advantage

Easton, Pa.—(IP)—The coin slot in the public pay telephone at Lafayette college recently was left open when the phone was installed, and as a result all the money used in making calls was returned. Not a few students took advantage of this as soon as it became generally known, and the telephone did a thriving business in long distance calls. The boys called home and the girl friends, all over the country, for nothing.

When they returned from Thanksgiving vacation, however, they were somewhat chagrined to learn that the telephone company had traced their calls, and had taken advantage of the vacation to distribute bills for payment. Not a few students are broke.

## Gets Out Report on Incomes and Living Costs of Faculty

According to James Rowland Angell, president of Yale University, "The problem presented by academic salaries is in many ways the most urgent now confronting American education." Dr. Angell has been instrumental in getting out a report entitled "Incomes and Living Costs of a University Faculty."

This is a report on the academic standard of living made by a committee appointed by the Yale Chapter of the American Association of University Professors. The facts which it brings forward present a very definite contrast between the salaries of university professors and the salaries of men engaged in other professions.
