

## Carolina Meets Davidson In Easter Monday Classic

Ancient Rivals to Clash in Rowan Capital in First of Big Five Baseball Series; Meet Pennsylvania Today.

The University baseball squad will meet the Davidson Wildcats in Salisbury next Monday afternoon in their annual Easter Monday battle, the first of the state's "Big Five" diamond classics this season. The game also marks the Tar Heels' first engagement away from their home lot.

The Tar Heels have one other game booked for this week. They meet the University of Pennsylvania nine here today. Which means there will be no opportunity to point for the Davidson encounter.

Special arrangements for the occasion are being made by Carolina and Davidson alumni in the Rowan capital, including entertainment for the two teams and the large number of visitors expected. The game always draws a large crowd.

Jim Ball, the only veteran pitcher on the University squad, southpawed the Tar Heels to a 3 to 0 shut-out victory in the Easter Monday classic last year, and it may be that Coach Ashmore will give Ball another crack at the Presbyterian rivals. Ball started the opening game with Springfield College here on Monday, but poor support proved his downfall.

Next Monday will see the entire Tar Heel team steadied by battle, however, and any pitcher who starts may find straight support. Certainly, there is no lack of hitting power in the Tar Heel bats, and they show promise of giving all pitchers plenty of runs for a working margin.

Davidson's outfit dropped a tough game to Catawba in the first meeting of the season, but Monk Younger has his boys looking better every day. He is expected to furnish a fast combination for the Easter celebration in the Rowan capital. Both Coaches Younger and Ashmore will be hot after a win to start the "Big Five" titular race.

## TO HOLD OUTDOOR ATHLETIC MEET

Coaches Hope To Uncover New Material; Usual Number of Events on Program.

Following upon the heels of a most successful indoor track and field meet held in the Tin Can late in February, the Intramural Athletic Department has decided to add another event to the crowded Intramural athletic curriculum and hold an outdoor track and field meet on Wednesday, April 10. An outdoor meet was held last year for the first time in the history of Intramurals. So, with the varsity coaches faced with the task of moulding an almost complete new squad this season, it seemed advisable to hold this meet in addition to the indoor one already run off in an effort to uncover additional untried talent and to stimulate more interest in track.

This will be an entirely novice meet, since by the date of competition the Carolina freshman and varsity teams will have participated in a meet, thus rendering all participants in these meets ineligible for this Intramural affair. All other men who have not won a letter in track at Carolina or freshmen who have not participated in a meet will be eligible. Everybody is urged to take part in the coming meet, since there are mighty gaps in the varsity squad to be filled; and if Carolina is to flash her usual form on the cinder this season much new material will be needed.

There is the usual quota of track and field events, with some of the distance runs shortened to avoid injury to untrained participants. The following events will be run off: 50 yard dash, 100 yard dash, 220 yard dash, 300 yard run, 660 yard run, 3-4 mile run, 1 1-2 mile run, 70 yard high hurdles, 120 yard low hurdles, pole vault, high jump, broad jump, shotput, discus, javelin, 440 yard relay (four-man team), half-mile relay (four-man team).

## Puny Harper Proves Versatile in Sports

"Puny" Harper, giant center on the University of North Carolina basketball team, is expected to be a big point-getter for the Tar Heel track team this spring. Harper heaves the discus, but he also can throw the javelin as a sideline.

Harper's first athletic fame came when he won the discus at the Southern Conference Meet in Baton Rouge, La., back in 1927. He has thrown the metal platter over 135 feet.

## HEEL RUNNERS MUST FIGHT TO KEEP IN LEAD

Big Question Is Whether Youngsters Can Uphold Past Cinder Records.

The University's distance runners must fight to retain their leadership in the Southern Conference this spring. For many years now a Tar Heel has ruled the mile ranks, and since the days of Johnnie Purser and Hoyt Pritchett the two-mile toga has rested on Tar Heel heads.

Now all those Tar Heel stars are gone. There is no Dale Ranson, no Harry Thach, no Andy Bell, nor Galen Elliott to race to certain victory in the mile. Johnnie Purser passed on several years ago, and Hoyt Pritchett took over his two-mile honors. This year even Pritchett is gone, and Coach Bob Fetzner must find new champions.

Captain Johnnie Henderson, star two-miler, who ran the fastest two-mile ever seen in the South last spring before he suffered a fractured ankle in practice, leads the distance men this spring. However, he must find support from less experienced men. Minor Barkley and June Fisher earned letters last year, but they must gain form and speed to rank in the class with the graduated stars.

Barkley may run either the half-mile or the mile this season, with Fisher majoring in the mile. Both boys are juniors and ran with Elliott on the national four-mile relay championship team last season. With these two boys on the mile will be such youngsters as Creighton Wrenn, Henry Brown, and Herbert Coxe. All were on the varsity squad last spring and earned cross-country letters with the Southern Conference hill-and-dale team last fall.

Captain Henderson, with his ankle injury apparently healed, is expected to carry on in the two mile event. Henderson ran the distance in 9 minutes 38 seconds last March, and he may go lower this spring. His support will come from such youngsters as Billy Lowry and Charlie Baucom, both cross-country lettermen last fall. June Fisher may double up and ran both the mile and two-mile.

## Golfers To Practice Three Days Each Week

Manager June Adams of the Golf team announces that practice will be held three days each week in Kenan stadium.

All men who expect to go out for the team are urged to see either the manager or Mr. Kenfield who is supervising the golfers this year in addition to coaching tennis.

An attractive schedule has been arranged with the team playing all members of the "Big Five" and with matches scheduled with several outstanding Conference teams. The state tournament in Greensboro will be attended as well as the Southern Conference tournament in Asheville. Competition for places on the team is unlimited as the places will be filled by means of a series of matches.

## Sailor Gets This Tobacco in Far Port

Buenos Aires, Argentine, Jan. 4, 1928

Larus & Bro. Co., Richmond, Va., U. S. A. Gentlemen: I'm a seafarer, and as such of course travel quite a lot. Right now I am in the Argentine, and am glad to say that I can here purchase your beloved Edgeworth Tobacco, of which I'm so very fond.

It is indeed a pity that one can't find this good smoke in every place of the seven seas. While recently in Germany, my home-country, I tried in vain to come upon one of these little blue tins. I'm not saying too much in mentioning that I would outwalk that famous mile, hunting up dear Edgeworth. I dare say there is no other tobacco like it, and am convinced that Edgeworth cannot be improved. Let me know when you contemplate ceasing to make Edgeworth so that I may lay in a goodly store to last till I'm seventy.

May Edgeworth never change! I'll always remain Sincerely yours, Willie Schmekies

## ALLEN ELECTED BOXER CAPTAIN

Raleigh Boy Is Southern Conference Champion in the 135-Pound Division.

Archie Allen, Southern Conference champion in the 135 pound division, will lead the Carolina boxers next winter.

Shortly before the holidays the boxers elected the Raleigh boy to succeed Charlie Brown. Returning with Captain-elect Allen will be several outstanding boxers. In fact Coach Quinlan will have only on breach to fill, that vacated by Brown, when the ringmen begin work next fall. Vaughn, Sheffield, Goodrich, Davis, and Warren all were regulars during the past season and all are sophomores. Coupled with these are one or two men who failed to win letters during the past year who will be eligible again next winter.

## Dialectic Senate To Install Officers

The meeting of the Dialectic Senate Tuesday night will be given over largely to the installation of the Spring Quarter's officers. The following men will be installed: John Norwood, president; J. E. Hunter, president pro-tem; Bill Chandler, clerk; T. W. Church, sergeant-at-arms; and Carter Studdert, critic.

The retiring officers are: H. N. Brown, III, president; J. C. Williams, president pro-tem; T. R. Karriker, clerk; G. A. Kincaid, sergeant-at-arms; and J. E. Hunter, critic. The office of treasurer is a yearly office. By virtue of this fact Garland McPherson will continue to serve the senate in the capacity of treasurer until the end of the Spring Quarter.

After the installation of officers the following resolution will be discussed: "Resolved, That the Dialectic Senate go on record as favoring the adoption of a system of national birth control."

## Frosh Baseball Men Continuing Practice

After two weeks of practice the Carolina freshman baseball team is nearly ready to begin its schedule. With a wealth of material on hand, and with a number of high and prep school stars on the squad, the chances for a winning team are very bright. While as yet no definite lineup can be given, the men who have played in the three practice games with the Wardlaw Prep School of New Jersey have shown lots of class. Cushner and Gill are the leading candidates for the catching job, and Greene and Chapman look the best out of the dozen seeking pitching assignments. The infield will probably line up with Wall or Longest on first, Waterhouse or McKinnon on second, "Shorty" Branch on shortstop, and Jimmy Moore holding down the hot corner. A merry scramble is going on in the outfield. However, Belton, Dunlap, Cozart, and Daniels look the best of the lot.

A schedule is being made up and will be ready for publication next week. It will include games with members of the big five and also a number of games with nearby high and prep schools. The first game will probably be the first of next week with the Durham High School as the first opponent.

## Tau Epsilon Phi Entertained By Carolina Tonight

Tau Epsilon Phi fraternity will be entertained at the seven o'clock show at the Carolina theatre tonight, according to an announcement by Manager E. C. Smith. The boys are requested to attend in a body, and to be at the door promptly for the beginning of the show.

Continuing the practice of entertaining various groups on the campus during the year, Mr. Smith will have as his guests next week one of the dormitory groups. The announcement will be made in the Tar Heel.

**"Will the gentleman who just coughed, kindly step to the box office . . . for a package of Old Golds?"**

"Of course, I have never said just those words from the stage—but in all kindness I have often wanted to offer this friendly help to some poor fellow whose cough was interrupting the show and spoiling the enjoyment of those around him.

"A year or so ago, the makers of OLD GOLD ran some ads on the disturbing effect of coughing in theatres. As an actor, I was grateful for those ads. I am more grateful now that OLD GOLD has invited stage folk to help them bring 'first aid' information to our unhappy friends the 'theatre-coughers.'

"My own advice is that prevention is the best aid. The kind of prevention that smoking OLD GOLDS gives. Harsh tobacco irritates the throat, and that causes coughing. Changing to OLD GOLDS soothes the throat and removes the cause of the 'cough tickle.'"
