

Merely Meandering
by
john mebane

You know, it's nice to be back for a little change!

But changing the subject we found the following bit in "Our Young People's Department" of the Union Republican. We are reprinting it because we feel certain that it will hold particular interest for a number of the co-eds. And remember, first come, first served:

From Another Wife Hunter

Dear Associate Editor:—I am enclosing my renewal for another year and am also sending 50 cents for the Sunshine club. I am a widower and can cook as well as patch my shirt but if there are any old maids or widows who wish to write me send your letters to the Associate Editor and he will forward same to me as he has my address.

JUST MYSELF,
Jackson Springs, N. C.

Here is another piece from the same place which might prove of interest to Freshmen—perhaps even a few sophomores:

From a Franklin Cousin

Dear Cousins:—Here comes a jolly girl for the first time. You girls and boys move over and give me a comfortable seat. I will describe myself before I say too much. I have blue eyes, dark hair, weigh 140 pounds, 5 feet 3 inches high and fair complexion. I live on a farm with my mother, brothers and sisters. My father is dead. I use powder, rouge and lipstick. I live 5 miles west from Spring Hope. As this is my first letter to the U. R. I will not write much this time but more next time. If any of you girls and boys want to write to me I will be glad to answer.

IDA SLEDGE,

Bunn, N. C., R1.

And lastly, we submit from "Our Young People's Department" the following:

From Two Ashe Cousins

Dear Cousins:—Will you boys and girls please move over a little and give two jolly school girls a seat? Our fathers take the U. R. and we think it is fine, especially the cousins page. Well, as we never have written before we will describe ourselves and go. I, Hazel, have brown eyes, brown hair, weigh 90 pounds, 13 years of age, and five feet 4 inches tall. I, Kathleen, have blue eyes, brown hair, five feet 6 inches tall, weigh 122 pounds. We both go to Stagg's Creek high school and are in the 8th grade. If any of you boys and girls wish to correspond with us we will assure you an answer, especially the boys.

HAZEL MILLER,

Comet, N. C.

KATHLEEN MILLER,

Clifton, N. C.

From the way some of the fellows on this campus are following the lady high school visitors around, we might mistake them for track men.

Perhaps you will forgive us for this too:

Sweet Lady

I fear, sweet lady, we shall part
And leave this pretty rendezvous,
Unless you give me back my heart
Before you've torn it half in two!

And we dare someone to call us sentimental!

They're having a Press Convention up at Greensboro this week. But, even at that, they haven't anything on some of us. We do quite a bit of pressing ourselves.

So we hear.

Anyway, why not press ourselves?

We're as good as any pair of trousers.

The other day we read somewhere or other a definition of an optimist. It said: "an optimist is a man who hasn't spoken to his wife in five years but believes that his turn will eventually come."

We have also seen quite a few optimists standing on street corners with their thumbs pointed westward.

That's what Horace Greeley has done for the race!

Well, this is enough to fill part of the great open space. (In the Tar Heel).

**Pikas To Be Given
Free Show Tonight**

The members of Pi Kappa Alpha will be entertained tonight at the weekly show presented free to a fraternity or dormitory group by the management of the Carolina Theatre. The Pikas are requested to be at the door at seven o'clock with their president.

**Combined Exhibit To
Be Held in Village
By Community Club**

There will be a combined exhibit from the Garden Club, American Home Department, and Art Department of Chapel Hill Community Club, Friday, April 26, in the Episcopal Parish House. The exhibit will open at three o'clock and continue until nine.

Rewards will be made for the prize exhibits, and the contestants are asked to enter any plants that they have in bloom. Entries of flowers and plants should be registered with Mrs. H. R. Totten, and the position of display indicated by Thursday noon. Hand hooked rugs, draperies, chair covers, mats or lampshades should be registered with Mrs. D. E. Schreffler. While hand-painted china, or pictures and tapestries should be registered with Miss Alma Holland.

Prizes will not necessarily be awarded for the largest exhibit, but for the most artistically arranged. At the formal opening the "Garden Improvement Prize" will be presented. The prize award list follows:

1. Largest and Best arrangement of Field Flowers, Kokak, Book and Stationery Store, Chapel Hill.

2. Best Large arrangement of Mixed Flowers, Window Box, Robert Hackney Seed Store, Durham.

3. Best Small arrangement of Mixed Flowers, 10 packages Flower Seed, Model Market, Chapel Hill.

4. Most Artistic Exhibit of Single Flower, Spike or Spray (Roses excepted), 1 Garden Weeder.

5. Handsomest Collection of Iris, Merchaum Pipe, Cigar Holder, Cigarette Holder, Smoke Shop, Chapel Hill.

19. Most artistic Roses in Basket, 3 Bush Roses, Hibberd, Florist, Durham.

20. Most artistic arrangement of Single Bush Rose, Box of Candy, Martha Washington Candy Shop, Durham.

21. Most artistic Bouquet featuring Roses with other flowers, Vase of Cut Flowers, Doyle Florist, Durham.

22. Most Artistic Centerpiece for Formal Luncheon, China Flower Bowl.

23. Most Artistic Centerpiece for Informal Luncheon, N. C. Pottery Flower Bowl.

24. Most Suitable decoration for Child's Table (arrangement by child), 2 Tickets to Carolina Theatre, Chapel Hill.

25. Most attractive Display of Aquilegia, Garden Basket, "M" System, Chapel Hill.

26. Most artistic Display of Sweet William, Box of Candy, Sutton's Drug Store, Chapel Hill.

27. Most Attractive Bouquet featuring Lilies of the Valley, 25 Iris Roots, Dr. W. C. Coker, Chapel Hill.

28. Greatest variety of Peonies, 1 Garden Hoe.

29. Finest Specimen Peony, 1 Year Subscription to "Better Homes and Gardens."

30. Handsomest Bouquet featuring Peonies, N. C. Pottery Candle Stick.

31. Largest Entry or Display of Flowers, 3 Year Subscription to "Better Homes and Gardens."

Jones in Michigan

Professor Howard Mumford Jones of the English Department is now in Ann Arbor, Michigan, where he will deliver a series of three lectures at the University of Michigan. The general topic of Mr. Jones' lectures will be "American and French Literature."

Grail Notice

All members of the Order of the Grail are asked by officials of the Order to be present at a banquet at the Carolina Inn tonight at 6:30 which is to be given in honor of the recent initiates. The affair will be finished before the dance.

**Tau Beta Pi to Tap
Honor Engineers**

On Monday evening, April 22, at 8 o'clock, Tau Beta Pi, national honorary Engineering fraternity, will select new members for this year. The selection will be made public by a tapping in the auditorium of Phillips Hall, to which everyone is cordially invited.

On this occasion, Dean Braune, the speaker of the evening, will make an address on the history and ideals of Tau Beta Pi.

Membership in Tau Beta Pi is based not only upon high scholastic attainments, but in addition recognizes the personality and extra-curricular activities of the individual. In a word, it seeks to mark in a fitting manner the well-rounded engineer.

**Dialectic Senate To
Meet Tuesday Night**

The Di Senate will meet Tuesday night primarily to discuss this bill: Resolved, That the Di Senate go on record as favoring the adoption of a system of birth control in the United States.

This discussion has been on the calendar for several weeks, but has not been considered by the senate as yet due to the predominant interest which has been shown in the Booker plan of student government reorganization. The meeting of the senate Tuesday night will be given over almost entirely to a discussion of this resolution.

**UNIVERSITY WILL BEGIN
WORK ON SOUTH CAMPUS**

(Continued from page one)
Commerce building, with the group of buildings that it to be built opposite these on the other side of the court that will make up the South Campus.

The space behind the new Library has already been graded, and it is to be further leveled off and made into a parking space. The material to be used as a wearing surface has not yet been determined, but if it is possible, to obtain them, granite screenings will be used.

Work on this project is to begin next week when T. C. Thompson and Brothers, University builders, who are to do the grading, gutting and path making will start moving dirt from this area.

**SHORE AND CHASE ADDRESS
SENIORS**

(Continued from page one)
said, "is State support. But in addition to what the State does and will do, there is always a large pioneer region in which the University will want to go ahead of the state and in this region alumni aid may count most."

"The main job we have ahead of us is to see to it that the University maintains and reaches standards of real excellence in everything it tries to do—nothing second-rate."

Alumni Loyalty Funds made up of a number of small contributions have worked wonders at other institutions, and President Chase recommended this idea to the seniors to think about as the means of making their Alma Mater stand out in things not ordinarily provided for in state support.

Golf Season's On!

Get the spell of warm, sunny afternoons, the thrill of a real game—there's no better sport.

**IS YOUR EQUIPMENT
COMPLETE?**

We invite you to inspect our complete line and use our putting green.

**Freshman Debate
Try-Outs Monday**

The try-out for the coming freshman debates with Davidson College will be held Monday night in 201 Murphey Hall at 7:30. The query to be debated is: "Resolved, That the jury system should be abolished."

Each of the candidates for the teams will have at his disposal ten minutes, not more than seven of which may be taken up in his first speech. The rebuttal, therefore, must not be shorter than three minutes and any rebuttal longer than three minutes will mean a decrease in the time of the first speech.

Four men will be chosen to compose the two teams together with two alternates.

**Cornell University
Summer Session
in LAW**

First Term, June 24 to July 31

CONTRACT, Professor Costigan, Univ. of California, and Professor Grismore, Univ. of Michigan.

PROPERTY I-a, Professor Wilson and Assistant Professor Farnham, Cornell University.

Dayton whip-steel SPEED

gives you the jump on faster players

Look at the lines of a Dayton Steel Racquet. It's built like an airplane, built for speed. The frame is shaped like a strut, thin edge to the wind. The steel strings are like guy wires—less than half the thickness of gut, much stronger, more springy.

The wind resistance of a Dayton Steel Racquet, measured in the wind tunnel of an airplane laboratory, was 43% lower than

that of standard wood-and-gut racquets.

That extra energy is imparted to the ball, and gets it there faster, 20% faster. And that extra 20% gives you the jump on speedier players.

In impartial scientific tests, the Dayton comes out ahead in the laboratory, just as it does in practical tests on the courts. Dayton Steel Racquet Co., Dayton, Ohio.
