Activities To Sponsor Song Fest Walter James Will

Lead Harmonizing Nell Barefoot, director of Summer School activities, has planned a campus sing similar to those held last

summer Tuesday night at 8:30 on the

north lawn of Graham Memorial. Since the opening of the second summer session there have been many requests made to the Summer School Activities committee for a group sing. Last summer the Carolina campus heard regularly the sounds of student voices harmonizing on both old mer. and new popular songs, as all who were interested joined together on the Graham Memorial lawn for several hours of pleasure-singing.

James to Lead Walter James of the physical education department will lead the singing, and he is expecting the full cooperation of everyone in Chapel Hill to make this first party a real suc-

Tar Heel Cuts Go Off To War

OLD NEWSPAPER CUTS, which had seen service in the Tar Heel over a period of years, were junked this week and sent back to the scrap heap to be processed as materiel of war. Shown in these pictures are L. E. Hoenig, Jr., who ran off proofs of the pictures so they could be filed, and M. E. Richter, Tar Heel editor, who directed the work. The lower picture shows the cuts heaped in a box, giving some idea of the amount of metal that will be gained from reprocessing them. (Tar Heel photos by Jim Hershey.)

CPU Sponsors Talk By President

By Bob Rolnik Sponsored by the Carolina Political Union, Dr. Frank P. Graham, president of the University, will speak on the subject of the War Labor Board, Tuesday, August 1, at 8 p.m. in Gerrard hall.

Dr. Graham has been a member of the National War Labor Board since its inception, and is one of the only two members held over from the original Defense Mediation

Appointed by President Roosevelt, Dr. Graham has received high praise for his decisions. To him has been entrusted the strategic handling of the "maintenance of membership" policy, which was formed in the interest of more stable, secure membership in the various unions, at the same time giving the individual worker a relative freedom of choice.

The War Labor Board and its regional branches settle all labor disputes. No change in wages can be made without WLB approval. Cited for Service

of his Washington schedule, holding open house every Sunday evening in his home on Franklin street.

Dr. Graham has led the University for about ten years, helping to bring various military programs to the campus, such as the Pre-Flight school, the V-12, ASTP and Pre-Meteorology units. Under his presidency a pioneering tradition in new fields of thought has gained Carolina national eminence.

Dr. Graham was chosen to represent the WLB in a Town Meeting of the Air discussion, last June, involving the question "Should the WLB Prescribe Maintenance of Membership for the Duration?"

Of the twelve men on the national WLB, four members represent the employer, four represent the workers and four the public. Included among the four public members are: William Davis, chairman; George Taylor; and Dr. Graham.

All labor disputes, according to Dr. Frank, can be settled amicably if approached carefully, analytically, without emotion and with patience and good will.

By Barbara Swift Ed Gaither, Navy V-12, was elected chairman Thursday night of the recently re-created elections committee of the student legislature.

Speaker Charlie Vance, answering criticisms that the elections committee had been out of existence since the last part of May, said, "There was no cause for having an elections committee since the last of May. It is better to have no committee than one with nothing to

Necessity for re-creating the committee came after the passage of the replacement bill which calls for the nomination of three Navy V-12 men and five town students to be accepted into the legislature. The committee, headed by Gaither and including Allen Pannill, Tommy Slayton, Kitty Kelly and Gleason Allen, met immediately following the legislature meeting to arrange the time and place of nominations.

Election Dates Ballot boxes will be placed in the Y, Swain hall and Graham Memorial on Monday, July 31, and Tuesday, August 1. Any V-12 man or town students may be nominated. The nominees will be interviewed by a special legislature committee, which will present the names for acceptance into the legislature at next Thursday night's meet-

Bob Allen and Ed Twohey were accepted by unanimous vote of the legislature for positions on the student council. Marion Saunders, Helen De-Busk and Pat Lawrence, newly-elected representatives from coed dormitories, were welcomed into the legislature by Speaker Vance.

The bill concerning Law and Pharmacy school representation in the legislature will be brought to the floor next Thursday night.
