Coed Senate Plans Banquet For Thursday

Three-Day Event Starts Tuesday

Sponsored by the Coed Senate, the annual coed leadership training program will be staged Tuesday, Wednesday and Thursday of next week with the two-fold purpose of giving practical training to all newly-elected coed officers and at the same time to develop the potentialities of non-office holding members.

Highlight of the week will be the formal installation banquet Thursday evening at 6 o'clock at the Carolina Inn.

Two mass meetings, to be held in the North-South room of Graham Memorial, have been scheduled for all coeds who are officers or members of any campus organization. Tuesday evening at 7 o'clock Bill Poteat, assistant secretary of the YMCA, will speak on "Playing the Part," and Wednesday at 7 o'clock Mrs. R. H. Wettach, wife of Dean Wettach of the Law School, will talk on parliamentary procedure. Both meetings will last about 20 minutes.

Officers' Instruction

Following these will be group meetings directed by retiring student leaders to instruct newly-elected officers. Monday night at 7:30 o'clock the following discussions will be held: presidents and vice-presidents, Sara McEachern and Libba Wiggins; secretaries, Winkie White and Tommy Slayton; social chairmen, Arlene Newell and Nancy Greenwall.

Wednesday at 7:30 o'clock the following are scheduled: treasurers, Dixie Bodge and Ann Webster; publicity chairmen, Brooksie Popkins and Arlene Newell; honor council and house councils, Pat Hughes and Tharon Young.

Person Hall Show Of Expert Photos Starts Tomorrow

An exhibition of photographs by a group of the nation's leading experimental photographers opens Sunday at Person Hall Art Gallery. The show, titled "Captured Light," will continue through Monday, April 30. Sponsored by the Norlyst Gallery of New York, the exhibit is an annual event to which photographers from all parts of the country are invited to submit works.

Pictures included range from realistic landscapes and studies in texture, light, and shadow to abstract prints with various photographic effects. Brief text panels show the methods used to achieve interesting and at times startling results, while at the same time the collection is a review of finest contemporary works. Many of the pictures have been shown in salons in numerous cities while others are the originals for reproductions used by advertisers and periodicals such as Verve, Fortune, and Vogue.

An added attraction to gallery visitors will be the temporary darkroom installed in the gallery. An opportunity will be given to those who have never worked in the medium to make shadowgraphs with various materials furnished.

Sunday afternoon at 4 o'clock a gallery talk "Photography Today" will be given by Kenneth Ness, acting head of the Art department. Gallery hours in the exhibit are from 10 to 5 o'clock daily and from 2 to 5 o'clock on Sundays.

Regionalism In World Economy Scheduled For One Day Stand

Conference Is First Of Kind To Be Held Here

Seven outstanding economists and sociologists will come to Carolina on Saturday, April 21, for a one-day working conference on Regionalism in World Economics.

CRIL Will Bring Third Speaker Here April 22

Dr. Ira De A. Reid of Atlanta University will appear Sunday night, April 22 in Hill Hall as the third speaker presented by the Council for Religion in Life. Well-known throughout the South, Dr. Reid talks on this campus for the first time.

Dr. Reid, who is head of the department of sociology at Atlanta University, one of the South's largest negro universities, has been active in the work of the Southern Regional Council. He has worked in close contact with Dr. Howard Odum, president of this organization and head of the University department of sociology.

Before coming to Atlanta university in 1934, Dr. Reid was associated with the Urban League movement, holding the position of industrial secretary of the New York Urban League and later director of research for the National Urban League in New York.

Dr. Reid is the author of several books and monographs dealing with many aspects of the race question. With Arthur Raper, he has published the book, *Sharecroppers All*, a study widely used by students in the South.

Other presentations of the CRIL to the campus have been Martin Hall, authority on the problem of post-war Germany, and Morris Ernst, attorney for the Civil Liberties Union, who appeared in connection with the recent Institute of Human Relations.

Wallace Heads Dormitory Council

Without opposition, Jimmy Wallace became the new president of the Inter-Dormitory Council, in the elections held Tuesday night. He succeeded Tom Robinson, who had finished out the unexpired term of Grant Sorrell.

Also elected were Charles Warren as vice-president, Dave Lilienthal as secretary, and Tom Corpening as treasurer. On the following night, Tom Robinson was elected as the Inter-Dorm representative to the Student Legislature.

The date for having a Yackety Yack picture was moved up to Thursday night, April 19, and the members decided to meet in the lounge of Graham Memorial at 7:30 o'clock. The Council had previously voted to include in the picture all former Inter-Dormitory council members back to the summer of 1944, as well as present members.

At the Tuesday session, a motion was passed allowing dormitory managers to vote in the council, if elected to an office. Dorm managers had previously been denied voting privileges under any conditions.

Smith Elected Chairman Of Ways, Means

Brinkley Chosen Elections Head

In a routine meeting, the first for the new student legislature, Douglass Hunt was elected by acclamation as Carolina's representative to the conference of Southern Colleges and Universities to meet here tomorrow.

Hunt had previously been proposed along with three other candidates, Bill Crisp, Sam McEachern and Ralph Glenn, by the convention committee. The committee turned the actual election of the delegate over to the student legislature which it considered a group more representative of the campus as a whole.

The floor was opened for further nominations by the speaker pro tem, Allen Pannill, but no nominations were made, and following a period of discussion Hunt was elected by acclamation.

Smith Selected

A. B. Smith, who served as chairman of the rules committee for the last term, was unanimously elected chairman of the ways and means committee, succeeding Libba Wiggins.

Walt Brinkley was chosen elections committee head succeeding Ed Gaither, and Charlie Warren was

SPEAKER HUNT

Illegal Balloting Calls For Another Freshman Election

Freshman elections held last Wednesday to elect a president and vice-president of the class have been declared void by the Freshman Friendship council. A check of the voting register revealed that at least three persons who were not eligible to vote had been marked off as voters.

Jack Kirkland candidate for vice-president rolled up a sufficient margin to make his election valid in spite of the illegal ballots. Pat Kelly nosed out Farrell Potts by only three votes so another election will have to be held to determine who shall be president of the class.

The election was under the jurisdiction of the Freshman Friendship council because the Elections committee of the Legislature was unable to take care of the election while the major campus elections were being held. The FFC is trying to get the Elections committee to handle the next election but as the TH goes to press no definite arrangements have been made.

Pat Kelly, president for a day, said that he was "definitely in favor of having another election" because he did not want anyone "to have any doubt about the honesty of the whole affair."

Band Rehearsal

University band rehearsals next week will be held on Tuesday and Thursday nights beginning at 7:15 o'clock, according to an announcement made by Earl Slocum, director, last night.

The practices were originally slated for Monday and Thursday, but a last-minute change has been made necessary.

Ward Proposes Organization Plan For New Monogram Club

The University Athletic Council met Tuesday night and approved the plan proposed by CAA President Bill Ward for reorganizing the Monogram club.

The Monogram club has not functioned since the inauguration of the V-12 program in 1943. It was dissolved then because the turnover in the student body was rapid and the accelerated academic programs of most of the men left them with little time for extra-curricular activities. Now that the service units on campus have become more assimilated into University life the club can be returned to its former place of prominence.

Under normal conditions there are three student members of the Athletic Council; the President of the Student Body, the President of the Athletic Association and a member elected by the Monogram club. Due to the inactivity of this group in recent years the students have not had their full representation on the Council.

First Meeting

Ward has announced that an organizational meeting will be held in

the Monogram club lodge behind Woolen Gym next Tuesday night at 7:30. Any men students who have won letters in previous years and the following lettermen of this year's varsity teams in major and minor sports, team managers and men cheerleaders are eligible for membership in the Monogram club and are urged to attend this meeting:

Football: Tom Abel, Fred Bauer, Jim Camp, Red Collins, Ed Golding, Sam Hay, John Kerns, Del Leatherman, Ed Twohey, Bill Voris. Wrestling: Bill Edwards, D. D. Franze, Wade Isaacs, Laurie Hooper, Jack Shaw, Dick Willingham and S. G. Smith, manager.

Basketball: Bill Allen, Don Anderson, John Dillon, Jim Jordan, Walter Markin, Ira Norfolk, Bob Paxton, Clive Thompson. Baseball: Bill Forrest, Boxing: Jim Lodge, Joe Mal-

A memorial service honoring President Roosevelt will be held today at 11 o'clock in Memorial Hall.

Group To Send Two Delegates To California

Problems Facing Parley Is Topic

With replies from 32 schools still to be received, delegates from 34 Southern colleges and universities had at Tar Heel press time accepted invitations to attend the widely important conference of Southern students on world peace plans to be held here tomorrow.

To the 70 telegrams sent out last week-end to colleges all over the South, ranging from Virginia to Oklahoma, only four refusals had been received. Estimates are that about 50 will attend.

Thursday night's session of the Student Legislature elected Douglass Hunt to represent Carolina at the meet.

Sunday's conference will consider the problems facing the April 25 San Francisco United Nations parley and will coordinate a plan for study on Southern campuses of Bretton Woods, Dumbarton Oaks and other plans related to world peace organization. The group will elect two delegates to attend the San Francisco meeting as observers and representatives.

Session Opens at 10 O'clock

The session will open at 10 o'clock tomorrow morning on the fourth floor of the Alumni Building with Bill Poteat, assistant secretary of the YMCA, presiding. The opening address will be made by an official of the Federal State department, unannounced as yet, who will speak on "Dumbarton Oaks, Bretton Woods, and the Students' Responsibilities in the Peace." All students are invited to attend.

Following this address will be a discussion of proposed resolutions concerning world peace organization and the election of a resolution committee to draw up suggested proposals.

Luncheon will be served at Hillel House to conference guests, who will reconvene at 2 o'clock to hear the resolutions committee's report. Its proposals will then be debated and adopted on the floor.

Delegates will then elect their two representatives to the San Francisco meeting, a permanent chairman of the Southern students' organization and a permanent executive committee. Plans are that this committee will stay over until Monday to work out a more effective and lasting organization.

The conference will close at 6
