EACH

CAMEL

IS A HIGH-SPOT
OF PLEASURE

Camels are either a solitary pleasure
or a companionable custom As you pass
from one activity to the next or meet one
friend after another let Camels mark the
transitions and lend their cheerful aroma
to each new circumstance To punctuate
each day with high-spots of pleasure say
to yourself now and then I'll have a Camel!

Camels are mild, mellow and smooth . . . refreshingly cool . . . an expert blend of the choicest tobaccos grown. That's why they bring you an extra measure of pleasure . . . why they never tire your taste, nor leave an unpleasant after-taste, no matter how often you smoke them.
