

FELLOWSHIPS IN FOREIGN STUDY NOW AVAILABLE

Scholarships Offered In Exchange For Those Given By American Colleges.

A limited number of fellowships and scholarships are offered by the international student exchanges of the Institute of International Education to American students who wish to study in foreign lands, it was announced here yesterday. These given in exchange for those offered by American colleges to the nationals of the countries concerned.

General requirements for eligibility: a candidate applying for one of the scholarships must (1) be a citizen of the United States or one of its possessions; (2) at the time of making the application be a graduate of a college, university or professional school of recognized standing, or at the time of entering upon the fellowship have met this requirement; (3) be of good moral character and intellectual ability, and of suitable personal qualities; (4) present a certificate of good health; (5) possess ability to do independent study and research; and (6) have a practical reading, writing and speaking knowledge of the language of instruction in the particular country.

These opportunities are open both to men and to women. Preference in selection is given to candidates under 30 years of age. Scholarship and fellowship holders must have sufficient money of their own to cover traveling, vacation, and incidental expenses. Certain steamship lines allow a reduction in steamship rates to the Fellows, and in some cases free visas may be secured.

Countries where the fellowships and scholarships are offered include Austria, Czechoslovakia, France, Germany, Hungary, Italy and Switzerland. Applications must be submitted around the first of the year. Any students interested should see Dean Addison Hibbard of the liberal arts school on the second floor of South building.

Enrolled for these courses are 145 North Carolina dentists.

Slade To Address Engineers Tonight

J. J. Slade of the engineering school will address the William Cain student chapter of the American Society of Civil Engineers at its regular meeting tonight at 7:30 o'clock in 206 Phillips hall. Mr. Slade's subject will be "The Adventurous Engineer." Following the address, moving pictures, "Building New York's Newest Subway," will be shown.

Co-ed Athletes

A special meeting of all co-eds interested in athletics will be held this afternoon at four o'clock in Gerrard hall. Carl Farris, basketball coach, will make a talk. Election of co-ed managers for various fields of athletics will also take place at this meeting. A special invitation is issued by Ida V. Weaver, president of the Co-ed Athletic Association, to every co-ed who is interested in any form of athletics to be present at the gathering.

McINTOSH ISSUES FROSH STATISTICS

C. E. McIntosh, executive secretary of the School of Education, after checking over the report on the midterm grades of freshmen in that school, has announced that their progress made thus far this year has been much more satisfactory than that of previous years. Although there was a considerable decrease in the enrollment of freshmen this fall from that of last year, this year's scholastic record compares, relatively, very favorably with that of last year, according to his announcement.

The number of first year men enrolled in the school is only 81, as compared to 124 enrolled last year. Of this number, however, 40, or 53 percent of the total, checked all their work, while only 36, or 29 per cent, did so last year. Only four, or five per cent of the total number, failed to check any of their work, to 24 (19 per cent) last fall. Of all those receiving unsatisfactory grades on one or more subjects, there were 35 (47 per cent) this year, to 88 (71 per cent) last year. Of this year's class, the majority of those failing to check all their work received only one W, while no freshman in the school received three X's, or two X's and one W.

PLANS BEING MADE FOR CHEERIO SECTION HERE

The freshman class practiced "Carolina Ho!" the new football song which was written for the Virginia game, at chapel exercises yesterday. Handbills with the song printed on them were distributed to the freshmen at that time.

Cheerleader Jack Barrett opened the exercises with a few cheers. Then practice on the song began with Steve Lynch leading. Though the song is somewhat difficult in places, the freshmen were aided by the copies of the song.

Barrett is planning to introduce "Carolina Ho" and, possibly, certain other songs as a special feature of the cheering program for the Thanksgiving game. Arrangements are being made with Grady Pritchard to seat the freshmen or a large cheerio group in sections together, so that plans for the cheering at this game may be carried out in the best manner.

Notice

By arrangements which have been made with the Davidson Athletic Department the students of the University can secure tickets to the Carolina-Davidson game for \$1.00 by bringing their pass books to the Book Exchange. The regular price of these tickets is \$2.00.

Marine Band To Appear Today In Two Concerts

First Show Is This Afternoon In Kenan Stadium at 3:30 And Tonight In The Tin Can At 8:30.

The United States Marine Band arrives here this morning to deliver two concerts, one in Kenan stadium at 3:30 and the other at the "Tin-Can" at 8:30 tonight.

The band, which has been making a tour of eighteen of the largest cities in the United States, brings with it two special cars, one for the members of the band and the other for the baggage. It has also chartered two busses to bring the players to the Carolina Inn, where day registration has been secured in order that the band might get a rest before the concerts. Twenty trunks containing all the players' belongings will be carried to Raleigh where the band will go in busses after the concert tonight. The band will take the mid-night train at Raleigh for Norfolk, where its next concerts will be held.

According to Chas. A. Horr, advance agent for the band, "The afternoon performance being in Kenan stadium will add greatly to the success of the program." Mr. Horr continued by saying, speaking of the stadium, that he had not seen a place where the work of man and Nature had combined with such marvelous results. He was very enthusiastic over the idea of having the afternoon performance in the stadium.

The band, which has been in operation for the past 129 years, has played at all the presidential inaugurations from Thomas Jefferson's through Herbert Hoover's.

It has in all its seven score years of existence had but nine leaders, and was for 12 years led by Sousa. While in Kansas City 36,000 people attended its performances.

According to Mr. H. F. Comer, general secretary of the Y, "The United States Marine Band will bring here only the highest class music, and Chapel Hill and the University are exceedingly fortunate in being among the few privileged cities that will hear this noted band."

Those in charge of the ticket sales especially urge all those that expect to attend the afternoon performance to please get their tickets as early as possible so as not to allow any mix-up at the last minute.

Phi Assembly Holds Heated Discussions

With a large percentage of its regular membership in attendance, the Philanthropic assembly met in regular session Tuesday night. The program for the evening included a discussion of the new constitution and the initiation of new members.

Following the reports of the various committees, Speaker Allbright presented a full and clear explanation of the revised constitution, as drawn up and presented by the constitutional committee.

Several of the amendments were subjected to heated discussions. However, all of them were included in the final draft which was accepted by a substantial majority.

After completing the business at hand the remainder of the meeting was taken up with the initiation of seven new men.

Buccaneer Notice

ESPERANTO CLUB MEETS TUESDAYS

World Language Society Holds First Meeting; Forty Members.

There occurred this week 3 events of interest, not only to the philologist but the average student interested in world affairs. The first was the decision of the Irish Dail to appropriate a large sum of money for the furtherance of the use of the Gaelic language at Galway college, where very little English is spoken. The second event took place in Turkey. The secondary schools of that new republic agreed to discontinue the teaching of ancient languages and to adopt the modern languages in their curriculum and to latinize Turkish. The third, and most pertinent development was the first meeting of the Esperanto Club of the University of North Carolina, held last Tuesday at 5 o'clock.

The meeting was originally planned to be held in the "Y" but due to the unexpectedly large number of enthusiasts who responded to the invitation printed in the Tar Heel Gerrard hall was decided upon as the most suitable gathering place.

More than forty persons, two of them co-eds, all interested in a world language movement, listened attentively as Dr. Ernst Metzenthin, the leading spirit of the club and its teacher, traced the history of the earliest universal language attempts. Occasionally he digressed for a moment to point out a few of the many unnecessary forms with which modern languages are so overburdened. And many were the smiles and sighs of contentment as he stressed the fact that the simplified grammar of Esperanto can be very easily learned in an hour or two and that with the aid of a dictionary letters could be written after several lessons.

It was decided that there would be no formal club organized until the members have a fair knowledge of Esperanto. Classes are to be held every Tuesday at 5 o'clock in Murphey hall and all students and other people interested in becoming members of this world movement are invited to attend.

What's Happening

2:00 p. m.—Meeting of the new class in administration of justice in the law building.

3:30 p. m.—Concert by the United States Marine band in Kenan stadium.

4:00 p. m.—Meeting of all co-eds interested in athletics in Gerrard hall.

7:00 p. m.—Varsity basketball practice in the gymnasium.

7:30 p. m.—Meeting of the Debate club in 201 Murphey hall.

8:30 p. m.—Concert by Marine band in the Tin Can.

Admission Tickets

General admission tickets for \$1.00 for the public will be on sale at the Book Exchange and the Tin Can for the U. S. Marine Band Concert.

Woofter Directing Folk Culture Study

Dr. and Mrs. T. J. Woofter, Jr. left Chapel Hill Tuesday to spend a week on St. Helena Island, S. C. For the past two years Dr. Woofter has been directing a study of folk culture among the negroes who make up the larger portion of the population of the island.

Living thus in isolation the inhabitants of St. Helena have developed customs, a dialect, and a civilization which have attracted the attention of numerous social research groups. The present survey is being sponsored by the Social Science Research Council, a national organization, and the University Institute for Research in Social Science, of which Dr. Woofter is a member.

The Research Council serves as a clearing house for social scientific information. Although it is not endowed for research, it frequently conducts surveys similar to this one, using funds obtained from various foundations.

Di Senate To Hold Tryouts For Debate

The Dialectic senate held its weekly meeting in New West Tuesday night. Much interest was exhibited toward the bills that were placed upon the floor and many arguments were presented.

Following the clerk's reading of the minutes, the President announced that the tryouts for the Mary D. Wright debate would be held Monday night at 7:30 in the Di hall, New West building. Senator McPherson, further reporting for the dance committees, stated that Jack Wardlaw has been engaged to furnish music for the occasion. Mr. Hanna was presented for membership and was unanimously granted full privileges, except that of voting, his initiation to take place at the next initiation meeting, the date of which has not yet been set.

After the clerk's reading of the calendar, the following resolutions were discussed and voted upon:

Resolved: That the Dialectic senate go on record as requesting the officials of the University to repair the walks in front of Swain hall.

Resolved: That the Dialectic senate go on record as stating that, since co-eds are permitted to enroll in the University, they should be admitted to all classes.

Senators Davis and Shreve argued pro and con upon the first bill. The vote was 9-8 in favor of the resolution. Senators Shreve and VanCleve upheld the second resolution, being ably opposed by Senators McEver, Vick and McPherson. The vote of the senate defeated the bill, 12-8.

No further resolutions were placed on the calendar, and after a favorable criticism by the critic, the senate adjourned in favor of carrying the two remaining resolutions over until the next meeting.

In September, 1913, Adolphe Pegoud was the first flyer to loop the loop.

GLEE CLUB WILL GIVE CONCERTS IN FOUR TOWNS

Complete Plans For Trips Begun Next Week Announced By Homer Lyon, Business Manager.

Complete plans for the annual fall concert tour of the University glee club to begin Wednesday, November 20 were announced yesterday by Homer L. Lyon, business manager of the organization. Twenty-nine members of the club, will make the trip which is to last five days.

DORMITORY PRESIDENTS RESPONSIBLE FOR GRASS

At the last meeting of the Dormitory club it was decided to make the dormitory presidents responsible for the grass adjacent to their respective dormitories.

In the past few years it has been the policy of the dormitory government that the dormitory councilmen should not have jurisdiction over any activities outside the dormitory walls. This year a student has to be warned only twice to keep off the grass before he is expelled from the college dormitories. A student has been hired to go around and warn the offenders.

R. D. W. CONNOR SPEAKS AT KINSTON DEDICATION

R. D. W. Connor, historian, delivered the address at dedication of a "Caswell memorial fence" in Kinston yesterday. The fence surrounds the tiny Caswell cemetery of a plantation two miles west of Kinston. The exercises were divided into two parts. Connor's speech was delivered in the city. The audience was conveyed in automobiles to the cemetery for the closing ceremony.

Americanism: Shuddering to think how wicked people have become; being unable to produce any evidence except what some one said.—Durham Herald.
