

Branch Stars As "Georgia" Defeats "Tennessee" 19-13

Game Between Winners Of First Contest Proves Exciting Affair.

"CRACKERS" LEAD LEAGUE

Winter Football Under Direction Of Coach Collins Draws Large Crowds; Team Headed By Nash, House And Branch Proves Stronger.

(By Browning Roach)

Opening a smashing attack in the first half, the "Georgia" eleven ran through "Tennessee" to the tune of 19 to 13 in Kenan stadium yesterday. The honors for the first half went to "Georgia." While the "Tennessee" outfit waited till the third quarter to let loose its fireworks in the shape of the Chandler-Moore pass combination.

"Georgia" broke the ice in the initial period when McDade blocked Chandler's punt and stepped across the line. Branch's try for extra point fell short and the score stood 6-0 with "Georgia" holding the edge.

A pass, Branch to Croom, for 14 yards put the ball in scoring position for "Georgia" in the second quarter and Henry House dived through the line for the touchdown. The line buck for extra point failed. Branch again tried the short kick play on the kickoff, but "Tennessee" was on the ball and downed it in midfield. Chandler attempted a pass to Moore but Nash intercepted on his own 40 yard line. Branch carried the ball five yards from punt formation and then went off tackle to make it first down. A pass, Branch to Croom, netted 10 yards and "Shorty" took the ball off tackle for 20 more. Nash gained six yards through center and Croom made it a first down. Another short spurt through the line by Croom and Nash and the ball rested four yards from the goal. Croom's first line buck for the touchdown was successful and a pass, Branch to House, added the extra point.

"Tennessee" received the kickoff on its own 32-yard line. Two successive passes, Chandler to Moore, accounted for 35 yards. Chandler tried another pass which Smith intercepted and the half was over.

"Tennessee" kicked off, Croom stepped over center for four yards and Branch punted out of danger. Then the "Vols" opened up. Moore received a ten-yard pass from Chandler over center and dashed 40 yards before he was downed on the 12-yard line. McAllister went off tackle for the touchdown and Moore drop-kicked for extra point.

"Georgia" received the kickoff and Branch went 6 yards through center and then punted to "Tennessee's" 37-yard line. Chandler passed twice to Moore and made it a first down. Chandler made 23 yards on a fake punt formation and then added two first downs in three successive runs to place the ball on the 7-yard line. The chance for a score was missed when Daniels fumbled and Brown recovered for "Georgia."

Branch went off tackle for five yards and passed to Croom for 20 more. House gained six and Branch 10 yards off tackle to place the ball on the 45-yard line. A pass from Croom meant for Branch fell into the arms of Ferebee and the fast back clipped off 45 yards for a touchdown in the longest run of the day. Moore's kick for extra point went wild and the scoring was over for the day.

"Georgia" threatened to score again in the last quarter after House had raced 40 yards with a pass from Branch to be downed on the 10-yard line.

Croom and Branch added six yards and then the chance at touchdown popped up when Branch's pass on the fourth down was knocked down.

"Georgia" regained possession of the ball again when Croom intercepted Chandler's pass on his own 33-yard line. Branch ducked and dodged 16 yards on a fake punt formation and intercepted passes on both sides caused the ball to change hands twice in succession. Both teams threw in their reserves and the battle was on even terms the rest of the game.

FROSH LOSE TO STRONG WOODBERRY FIVE 16-14

Fighting furiously the entire route, the Carolina Tar Babies dropped a hard-fought game to the strong Woodberry Forest quintet 16-14 in a game played on the Woodberry floor Thursday night. The game was one of the closest and hardest fought contests played on the visitors' floor this year. Little scoring was done by either, the defensive work being such that the majority of the points were made by long range heaves. Hines and Beale were the high scorers for Carolina with 6 markers each, while John Weaver was the outstanding player for the prep school lads, and was also high scorer for the evening with 9 points.

TRAVELING SECRETARY OF DELTA SIGMA PHI HERE

Hugh D. McMillan, Traveling Secretary of the Delta Sigma Phi fraternity, is spending a few days in Chapel Hill as guest of the local chapter. He is on an inspection tour throughout the South.

From a personal standpoint Mr. McMillan is interested in the study of campus activities of the colleges where Delta Sigma Phi chapters are located. While here he intends to make a careful survey of the University.

Mr. McMillan is a native of Canada. He is a graduate of McGill University at Montreal. In pursuit of his duties, he visits many colleges in the United States and Canada. This is his first visit to Chapel Hill.

TAR HEELS MEET DUKE, STATE AND LOYOLA IN WEEK

Three Hard Games For Carolina Courtmen During Coming Week; Two Have Bearing On State Title.

TWO GAMES IN TIN CAN

Basketball contests with Loyola's Ramblers, who recently ran up a string of 34 straight wins, and with N. C. State and Duke, outstanding Big Five contenders, headline a hard card of ten events scheduled for the athletic teams during the coming week.

Two of the feature games are to be played on the home court. N. C. State comes to Chapel Hill Tuesday night with an eye to avenge a previous drubbing by a 2-point margin. Loyola of Chicago will bring one of the greatest teams in the country to the Tin Can Wednesday night.

The third engagement for the Tar Heel quint will be on Saturday night, when the Tar Heels will be visitors of Duke's Blue Devils. Duke beat the Tar Heels, 35-14, in a previous engagement. The Devils had been able to beat State by but four points. The Tar Heels beat them by two. Fans think the Tar Heels learned a great lesson in that first Duke game, and believe this second meeting may be a different affair.

The varsity wrestlers will taste of competition twice, both times with Big Five teams. They journey down to Davidson Wednesday night, and meet N. C. State here Saturday night.

The Southern Conference championship boxers will attempt to continue their string of victories against Florida in Gainesville Saturday night.

The freshman basketball team will meet both N. C. State and Duke frosh in preliminaries to Carolina-State and Carolina-Duke varsity games on Tuesday and Saturday nights. The freshman boxing and wrestling teams will each see action once, both meeting Oak Ridge there on Saturday night.

Co-ed Five Loses To Fayetteville 28 - 21

Handicapped by the absence of Thacker and Way, the Co-eds fell before the attack of the Fayetteville high school sextet at Fayetteville Friday night 28 to 21. Two co-ed guards also had to substitute for a pair of forwards who were late in arriving on the scene and the Fayetteville girls ran up a lead of 12 to 2 in the opening minutes of play. The co-eds got into action in the last half and were fast overtaking the lead of their opponents when the play ended.

The line-up:

Fayetteville (28)	Co-eds (21)
Bowles (4)	Way (4)

SIDELIGHTS

(Sports Editor)

THE TENTATIVE TENNIS schedule for 1930 carries a list of 12 matches with some of the outstanding tennis teams in the country. Tulane, Alabama and other strong Southern Conference teams are expected to be among the list when it is completed. There will be meets with all of the Big Five teams in the state and probably many others. The Southern Conference tennis tournament will be held on May 7, 8 and 9, probably in Atlanta.

THIS YEAR'S varsity tennis team will not be as strong as in recent years, according to reports. Only two men of last year's varsity will be back, and Captain Bill Merritt will probably have to captain a team composed mainly of last year's freshman stars. Graham, Hendlin and Liskin are the most outstanding men from last year's frosh squad and will probably win out over some of the veterans.

GEORGIA'S DEFEAT OF Tennessee places it at the head of the winter football league. The mythical Georgia eleven has won both of its games and yesterday afternoon forced the other league leader, Tennessee, to divide second honors with Georgia Tech. Tennessee and Georgia Tech have both played two games and won one, giving them a mutual average of .500. Virginia is still bringing up the rear by virtue of its two defeats.

SOCCER'S POPULARITY seems to be on the rise again as fair weather permits the use of the high school field for games. "Fraternity Court" and their neighbors seem to house the most enthusiastic supporters, and the number turning out for the games seems to be increasing. "Becky" Huger and June Adams are endeavoring to arouse the interest of the student body in this ancient and honorable game of associated football, and in view of the short time since its introduction seem to have made a good start. Nothing definite has been settled about the soccer games with Blue Ridge and Winston-Salem high, but it is expected that games will be arranged in the near future.

FENCING is taking on the proportions of a major-minor sport at Carolina with the claim that is now being made for the Southern Conference title. Several other universities or colleges are making the same claim, but Carolina has challenged them for a meet. Interest in fencing is rapidly rising and many of the students are ordering foils and masks to have for their personal use.

CO-ED BASKETBALL seems to be another one of the new Carolina sports. Only in recent years have the co-eds begun to take interest in their physical development, but at last we find them exercising instead of dieting. The co-ed basketball teams that have been representing Carolina in the past two or three years do not seem to be representative of the feminine population of the University. Only a small number of candidate for the team have appeared and many of the girls who played in high school or prep school have not displayed enough interest to come out for the team. With a population of about 300 co-eds it seems an unusual thing that Carolina cannot produce a girls' team that can win. The team that we now have has been getting the wrong side of the breaks recently and have won only a comparatively

Fencing Council To Meet Today

H. H. Hendlin, fencing director, requests that all members of the fencing council meet with him in his room, 313 Old East, Monday evening at 9 o'clock. Among the members of the council are the following: Robert Linker, H. G. Galland, Herbert Estep, Digby and Fred Wardlaw. This is said to be an important meeting and all members are urged to be present.

TAR HEELS ADD ANOTHER VICTORY

Carolina Quintet Victorious On March Through Virginia; Marpet And Neiman Star In Cavalier Game.

Fighting every minute with only a point separating them for more than three quarters of the contest, the Flying Phantoms of the University of North Carolina and the Cavaliers of the University of Virginia struggled into an extra period before the Tar Heels captured the fray 40-37 Friday night at Charlottesville, Va. It was the eighth consecutive season that Old Dominion representatives fell before the Carolina onslaught.

Fatigued with two games played Wednesday and Thursday night against V. P. I. and the strong Washington and Lee Generals, Coach Ashmore's charges entered the game as underdogs. The strenuousness of the previous games told on the Tar Heels and the Cavaliers took an early lead. Before the end of the first half, the North Staters secured a two-point lead.

Ability to turn fouls into points was responsible for the victory for the Carolina team.

The lineup:

few games, but they deserve more credit than is being given them. If the co-eds are willing to have a team represent them, it seems only right that more should be expected to support them either by attending practices or attending games.

Week-end Engagements Find Tar Heels On Short End Of Scores; Boxers Score 4-3 Win Over Virginia.

RELAY TEAM WINS SECOND

Varsity Five Drops Contest To Maryland 34-26; Matmen Lose 15-13 To Princeton Tigers.

The University's invasion of Virginia and the East proved disastrous as Tar Heel teams turned in only one varsity victory in four starts. Carolina's boxers defeated Virginia 4-3 to keep Coach Rowe's protege's slate clean for the season. The basketball, wrestling and relay teams lost.

With Sheffield, Goodridge, and Captain Allen turning in victories against the Cavalier boxers and Koenig winning by a default the boxers nosed out Virginia 4-3. Warren and Smathers lost. A forfeit in the bantam weight gave Virginia its other score. Goodridge and Captain Allen maintained clean slates for the season by winning their fights last night.

The basketeers lost to Maryland 34-26 at College Park.

Dropping a 15-13 match to Princeton in wrestling was not unexpected as the Tigers have one of the strongest teams in the East this year. Ferguson and Stallings won by falls from their opponents while Tsumas gained a decision.

In the relay racing the Tar Heel team placed second in the Millrose games. Charles Farmer, racing against some of the country's fastest board sprinters placed second in the 50-yard dash.

In the freshman boxing bouts the Tar Babies defeated Virginia 4-3.

Other scores gave Duke a 33-26 victory over State College. This win practically gives the Blue Devils the state title.
