

DENTAL COURSES GIVEN BY U. N. C.

Extension Classes To Be Held In Six Centers.

Dental extension classes are to be held in six centers of the state this week, according to announcement yesterday by R. M. Grumman, director of the University extension division.

The lecturer this week is to be Dr. Charles W. Freeman, member of the faculty of the Northwestern Dental School, Chicago, who will present the subject "A New Anaesthetic."

Dr. Freeman's lecture is one of a series of six sessions of the 1930 postgraduate course in dentistry being conducted by the University for the North Carolina Dental Society. Class centers are located at Greenville, Raleigh, Greensboro, Winston-Salem, Charlotte and Asheville.

Other instructors to follow Dr. Freeman are: Dr. English Bagby of the University for the week of March 17, subject, "Psychology"; Dr. T. W. Eaves of Cleveland, Ohio, for the week of April 21, subject, "Gold Inlays"; Dr. Albert Midgley of Providence, R. I., for the week of May 19, subject, "Dental Economics"; Dr. Horace W. Davis of Baltimore for the week of June 16, subject, "Radiographic Interpretations."

One hundred and thirty dentists are enrolled in the course.

NEGRO FORGETS WHERE HE FOUND HIS BOTTLES; GETS ROAD SENTENCE

Ivey Fiske, 21, colored, strolled along past the co-ed house one day last week with a sack over his shoulder. From a hole in the sack protruded the neck of a bottle.

"What have you there?" asked a local policeman. "Jes a lil beef, suh, fo' mah kiddies—jes' a li'l beef," replied Ivey.

At Monday's session of Chapel Hill recorder's court Ivey claimed to have found the three quarts of whiskey his bag contained "out of 45." Later he became confused and thought he'd found it on the Durham road.

"Yessah, ah found dem bottles on de Durham road an ah's takin' a li'l short cut home."

When it developed that the geographic location of the negro's home was such that he could not have been taking a "short cut," the court held that he was lying and must go to the road.

MIXED WHISKEY WITH MEDICINE; IS FINED

Coon Neville, 35, colored, responded to a charge of public drunkenness in the Chapel Hill recorder's court Monday by telling the judge that he was ill, and mixed a little whiskey with his medicine to make it palatable. He claimed, further, that he smelled whiskey on the breath of the officer who arrested him.

"You've been up here twice in the last two weeks," replied Judge C. P. Hinshaw, "and I'm going to fine you \$5 and costs. But if you come up again you go to the road."

"By the way," continued the judge, I may forget you next time, I have so many cases. When you do come again, Coon, just remind me, will you?"

"Ah didn' come dis time, suh. Dey brung me up heah! Yes, suh!"

Forfeits Bond

Jule S. Pendergrass, 50, white, forfeited a bond of \$100 when he failed to appear in recorder's court Monday to answer to a charge of drunkenness and disorderly conduct. Police are looking for Pendergrass.

Holt Awards Made To Seven Students

The Holt scholarship awards for this year have been awarded by the committee on the Holt fund to the following students: W. R. Curtis and W. F. Owen, seniors; G. D. Caraway, junior; D. M. Carmichael and M. D. Matthews, sophomores; and V. R. Adams and R. V. Hamilton, freshmen.

These scholarships, which are for the amount of \$125 each, are maintained from the income from the Holt loan fund, established in 1920, by Lawrence S. Holt, Jr. They are awarded by the committee on the Holt fund to a member of each of the four classes in the academic department.

The scholarships were divided this year because there was a large group of applicants for each one.

K. A.s Win 46-18

Kappa Alpha ran up a score of 46 to 18 on the Chi Phis yesterday afternoon. Wells, star forward for K. A., made an individual score of 24 points. Abels led Chi Phi with 10 points and played a good game on defense.

Clarence Yarber, who has been in the employ of Strowd Motor Co. for some time, and Clarence Sturdivant, who was formerly in the mercantile business in Carrboro, have purchased the Pendergrass Garage in Carrboro.

The new firm will operate under the name of Yarber and Sturdivant's garage and will specialize in a service station business and general repairing. The partners later hope to take on the agency for a popular make of car.

SENTENCE IS SUSPENDED BY JUDGE C. P. HINSHAW

Pete Thompson, colored, was arrested last week by officers who found a 10-gallon still in merry operation in his bedroom.

Pete explained to Judge C. P. Hinshaw of the Chapel Hill recorder's court that high blood pressure and a generally bad physical condition necessitated the internal use of quantities of alcohol, and denied the sale of any of it.

"Six months on the road," said the Judge, but after a former employer of Pete, now living in Chatham, had interceded in the negro's behalf, the sentence was suspended for two years, provided Pete leave Orange county on or before next Monday and not return during the two years.

SLEEP COSTS \$5

Iley Cardin, 25, white, played for a country dance one night last week. He left the dance hall at midnight, and, although the evening was cold, he lay down beside the highway and slept far into the next morning. He was arrested, charged with drunkenness, and sentenced yesterday by Judge C. P. Hinshaw to pay \$5 and costs.

At the same time Will Moore, 40, white, of Carrboro, was fined \$10 and costs, amounting to a total of \$28, for possession of a pint of whiskey.

Negro Gets Extra Month For Drinking

Frank Minor, 30, colored, was convicted in November of operating a whiskey still, and at that time was given a four months' sentence on the road by the local recorder's court. Because his wife had a two weeks' old baby, however, the sentence was deferred until April.

Last week he was found by officers who alleged that he was inebriated. He was sentenced Monday to an additional month on the road, which was to be served concurrently with the former sentence, and both to begin at once.

Chi Psi Wins Close One

Chi Psi defeated Sigma Zeta yesterday in a fast, lively struggle, 21-17. The outcome of the game was in doubt until the final whistle blew. Both teams worked well, but the shooting of Campbell for Chi Psi turned the tide in its favor. Parks was high man for the losing team.

TOO MANY QUART JARS GETS NEGRO ON ROADS

Bob Jeff Strowd, 45, colored, who, police claim, is an old offender, was sentenced to serve four months on the county chain gang for illegal possession of intoxicants, when he appeared Monday morning before Judge C. P. Hinshaw of the Chapel Hill recorder's court.

The negro's contention that he kept the liquor for a sick mother-in-law, and that nearly 100 quart jars, all of which smelled of whiskey, were some he had picked up "on de road" and intended to sell, "fo' fi cents apiece," failed to impress the judge and failed to win a reduction in the sentence.

HOLMES HOUSE AND COMER ADDRESS Y CABINET MEETINGS

(Continued from first page)

The program of the junior-senior cabinet was first taken up with a little business. The cabinet decided to give its approval of the project of the Phi and Di literary societies to invite the students of Duke over here to an open forum discussion with the Carolina students. This discussion is to take place Tuesday night, February 24, and will deal with and point toward an improvement of the Carolina-Duke relations. After announcement of the state Y convention at Charlotte tomorrow was made, the cabinet selected delegates to go to this convention. An announcement was also made concerning the deputation team that is to go to Fayetteville this week-end. Speakers were selected for this trip.

Mr. Comer, speaking on the psychological aspects of sex relations, pointed out that the Y. M. C. A. should set up certain standards in this matter and be guided by these standards.

R. B. House, executive secretary of the University, spoke to the freshmen on some of the teachings in the Sermon on the Mount. He began by remarking on the attendance of the cabinet at this meeting. "I am wondering," continued the speaker, "just what ideas you fellows are making." He was interested especially in the opinions that the boys were forming of the Y work.

PHILADELPHIA SCHOOLS TO STAY NON-SECTARIAN

Philadelphia, Feb. 17.—(IP)—The local board of education has discarded a proposal that high school students here be released from classes one hour each week to receive religious instruction.

The plan was rejected on the ground that it is not in harmony with the fundamental

principles of the American government concerning the separation of church and state.

"The action suggested is impracticable," the board's report read, "by reason of its interference with discipline and with the roster of education."

"Moreover it is objectionable because of its tendency to divide public schools into sectarian groups."
