THE "LITTLE SIX" basketball title was won by the High Point Panthers. Their defeat of the Lenoir-Rhyne Mountain Bears in High Point last Thursday night clinched the title. Ralph Milligan, star Panther guard, closed his collegiate court career by leading the Panthers in their win. Mulligan is one of the most outstanding guards in the "Little Six" league, composed of High Point, Lenoir-Rhyne, Elon, Guilford, Atlantic Christian and Catawba Colleges.

BUNN HEARN, former major league pitching ace and successful manager of the Wilson Virginia League Club is now assisting Coach Ashmore in training the baseball nine. Official practice for the pitching staff started definitely yesterday with a large number reporting. Assistant Coach Hearn will be in charge of the pitching staff this year. He is a former Carolina southpaw and has returned to Carolina several times since his graduation to aid the Carolina mentors in developing batteries. Since leaving Carolina in 1910 Hearn has played baseball for 20 consecutive seasons. He played on the old Carolina League, the National League, International, Virginia, and Piedmont, and last year was with the York, Pa., club in the New York-Pennsylvania circuit. He helped turn out the strong Tar Heel nines of 1918-1919.

BOBBIE JONES lost to Horton Smith by one stroke in the recent Savannah open golf tournament. Smith, by brilliant play, turned in a card of 278 for 72 holes. Horton Smith, the Joplin, Mo., sensation, and Bobby Jones, the Atlanta marvel, were the two outstanding leaders of the tourney. Jones set a new course record of 65 in the morning round but turned in a 72 in the afternoon to be nosed out by one stroke for the \$3,000 Savannah open golf tournament title.

OBSERVATION of the 1930 Gridiron prospects look bright for the Tar Heels, but very few of last year's squad can be given undisputed claims to a berth on next year's team. The backfield, for example, shows almost the same wealth of material that was seen last year. Captain Strud Nash, Jim Magner, Henry House, Rip Slusser, Johnnie Branch, Pete Wyrick, and several of last year's freshmen and some new "finds" complicate matters in regard to picking backfield members. Nash played about as regularly as any man in the backfield last year, but this year the competition will be stronger and more experienced for his old halfback berth. Jim Magner was laid up for a large part of the season, but he was picked by many for an all-southern berth. Pete Wyrick has recovered from the injuries he was suffering from in the latter part of the 1929 season, and he and Branch will probably be alternating in the quarterback berth. Worth McAllister may offer strong opposition to House's occupancy of the fullback berth. Rip Slusser will have gained experience, and will no doubt show up better than last year. Pick a regular backfield from the material available, and test your pick in the fall.

London, Feb. 25. (IP)—A great tomb, containing relics of life in Egypt almost 5,000 years ago—the burial place of Raouer, the high priest of the goddess Nekheh—has been uncovered by excavations near the world-famous Sphinx.

To See Action At Atlanta Tournament

For the first time in history a basketball team representing the University of North Carolina, southern champions four times in the last eight years—1922, 1924, 1925 and 1926—is going to the southern conference tournament at Atlanta as a dark horse.

A big and potentially powerful quint, but handicapped by lack of veteran forwards, the 1930 Tar Heels got off to a slow start. They gained strength steadily as the season progressed, and showed a great power toward the end, taking a 43-33 win from Navy's strong quint in their last intersectional test.

And now the Tar Heels are rated as dark horses. The officials of the southern conference tournament must think so, too. They picked the Tar Heels as one of six teams for preferential ratings, despite their season record.

Pictured above are Coach Jim Ashmore and the outstanding members of the Tar Heel quint. Alexander and Edwards, who have been doing good work in the last few weeks, are omitted from the above picture. They will see action in the tournament.

Boxers Will Present Three Great Candidates For Honors At Charlottesville Tourney

Goodridge, Allen, And Davis To Make Strong Bids For Individual Titles.

ALLEN IS UNDEFEATED
Entire Team In Good Shape; No Injuries Sustained In Penn State Meet.

The University's southern championship boxers will present three great candidates through the middle weights for individual southern titles at the Charlottesville tournament this week-end.

Reference is to Noah Goodridge, lightweight; Captain Archie Allen, welterweight; and Obie Davis, middleweight.

The Tar Heels won but one individual title as they took their second consecutive southern title in last year's tournament. Captain Archie Allen won that, in the lightweight class. This year the team hopes to write a different story. Captain Allen is out of the lightweight class now, fighting welter, and has an undefeated season record. Noah Goodridge, the 135-pound contender, beat Penn State's splendid lightweight to end a great season in which he has lost but one close decision to Captain Phil O'Connell of Florida, who won the conference featherweight title last year and who is fighting lightweight this season. Obie Davis, 160-pounder, likewise has lost only to Florida's middleweight in the conference, but Davis may have to battle also with John Carper, Duke's 160-pound knockout king, who has fought light heavy and heavy much of the season.

The Tar Heels are in good shape and driving away, getting all work possible. The boys came through Saturday night's gruelling loss to Penn State's

Members Local Golf Club Meet Tonight Presbyterian Church

Members of the country golf club are requested to meet the golf committee in the basement reception room of the Presbyterian church tonight at 7:30 p. m. The meeting is called for the purpose of discussing tournament playing. It is very important that all players be present.

The committee issues a warning that no non-member will be allowed to use the course in the future, unless a greens' ticket is presented. Non-members are subject to the course rules and must comply with them. Tickets may be secured at the Book Exchange or Student's Supply Store on week days and from the course manager on Sunday.

R. B. LAWSON, Chm.

Cleveland, O, Feb. 25 (IP)—Mrs. Mary Anne Lally, at the age of 74, is just completing her third semester at Cleveland college, where she studies the essay, short story and English courses.

After the recent bear killing in Wall street we understand the small investors have put in a petition to rename it "The Sock Market."

national champions unscathed, and are planning to make a great stab for a third consecutive southern title.

During yesterday's workouts Harry Sheffield looked good in several fast rounds. Study Clark, reserve featherweight, showed both speed and punch, and looks like a first-class prospect for next year.

LINKER IS GREAT HELP TO FENCING

Romance Language Instructor Largely Responsible For Success Of Movement On Campus.

There is a man on this campus who has helped sponsor the original fencing movement here and is now enthusiastically cooperating with Director Hendlin in running off and completing intramural fencing now in existence. The man in question is one who was extremely active in his undergraduate days and is now extremely popular as an instructor in the department of romance language. He is Robert White Linker. As an undergraduate at Carolina "Bob" was intensely alive in extra-curricular activities. It is well to mention that he was one of the original founders of Carolina boxing, one of Carolina's most popular winter sports, and participated in a few bouts himself.

"Bob" has been delving in fencing for several years, but it was not until last year, when he took regular professional lessons under the French master, Professor Perrot, that fencing could conscientiously number him among its ardent devotees. Now he is bending his efforts in support of fencing, as he once did in boxing. He has been placed on the fencing council and has been officially appointed as faculty advisor for fencing.

FENCING SCHEDULE

The intramural fencing schedule for the remainder of this week is as follows:

Today at 4:00—Sigma Epsilon vs. Beta Theta Pi No. 1; at 5:00—Everett vs. Sigma Phi Sigma.

Thursday at 4:00—Beta Theta Pi No. 2 vs. Sea Hawks; at 5:00—Old East vs. Manly.

Friday at 4:00—Buccaneers vs. Phi Alpha; at 5:00—Ruffin vs. Musketeers.

'GEORGIA' MEETS 'VIRGINIA' TODAY IN GRID CONTEST

Game Scheduled For Kenan Stadium At 4 O'clock; Fast Attacks Expected.

"Georgia" and "Virginia" clash in Kenan stadium this afternoon at 4 o'clock in the ninth and next to the last of the winter football games. The two strongest teams of the league are pitted against each other, and today's game will be a deciding factor in deciding who wins the winter grid race.

Johnny Branch, Strud Nash, and Harden are the star backs for Georgia and are sure to see service in the game today. These boys with the help of House have led the "Bulldogs" through an undefeated season.

However, it is being rumored that the star halfback combination of Magner and Slusser, who ran so brilliantly last fall and who have passed the "Cavaliers" to two victories in the last two weeks, will win another game today. Lipscomb, another star, is expected to be a great help for "Virginia."

In the line "Georgia" will present Brown at end and Gilbreath at center—both old men—and McDade and Smith, rookie tackles. Other men on the "Bulldog" team who should be watched are Croom, White, Frazier and Morrisey.

"Virginia's" best men will be Underwood, Crew, Nelson and Lipscomb in the line and Magner, Slusser, McNeil and Lassiter in the backfield.

DEKES WIN TITLE IN FRAT RACE

Alpha Tau Omega Team Downs Dekes, But Plays Ineligible Man.

D. K. E. - AYCOCK TONIGHT

The Dekes cinched the fraternity intramural league title yesterday by winning from A. T. O. by a forfeit. The participation of Brooker, A. T. O. player and member of the varsity basketball squad, was protested by the Dekes on the grounds of his having participated in a varsity contest. Upon investigation of this protest by intramural department officials, the claim of the Dekes was upheld and they were declared winner of the game as provided under the rules governing the intramural league.

By winning this game the Dekes clinched the fraternity league with eight wins and no losses. They will play the strong Aycock dormitory team tonight for the campus championship. The game will be played at 7:30.

Zeta Psi Fencers Win

A strong, well-coached Zeta Psi fencing team defeated the hard-fighting representatives of Sigma Nu yesterday afternoon by the score of 8-1. Valk and Cooper of Zeta Psi were the outstanding fencers of the day, each winning three and losing none. Pratt, also of Zeta Psi, showed up excellently, winning two matches out of three. Whedbee of Sigma Nu did well, and after a slow start finally succeeded in winning his last bout. Ferguson and Skinner of Sigma Nu lost their bouts in close skirmishes but displayed commendable ability.

While the articles and the mummy itself are of the highest archeological value, probably the most startling find was one that revealed a drama enacted probably centuries ago within the dark fastnesses of the tomb.

Laugh and step to "Alma Mammy"
WHAT...no reverence?? Here's a speedy, peppy galloper that shatters all collegiate inhibitions! Victor Records bring you all the latest, hottest hits. Hear Reisman, Vallée, Olsen, etc., etc. Victor picks the cream of the orchestras. Vivid Victor arrangements "set the pace!" The best cost no more. Ask your Victor dealer to play these for you... TODAY!
