

## Frosh Trackmen Come Near To Whipping Varsity Outfit

Varsity Minus Fifteen Performers Succeeds In Beating Frosh 70-56.

### FROSH WIN THREE FIRSTS

The varsity track team, minus fifteen of its best performers, defeated the freshman tracksters on Emerson field here yesterday afternoon by the score of 70 to 56. The outstanding members of the varsity crew were carrying Carolina's colors in the Georgia Tech Relays in Atlanta. While no world beating performances were turned in, the marks were unusually good, considering the absence of four of the best quarter and half milers for the freshmen, as well as the varsity stars.

Garrett, Reid, Horney, Dameron, Thompson, Fenker, Shulenberg, Owens, Smathers, Ruble, and Smith accounted for first places for the varsity, while Drane, Cordle, and Davis took firsts for the frosh. Drane, with firsts in the 100, 220, and broad jump, was high scorer of the meet.

The varsity made clean sweeps in the high jump, pole vault, 440 and javelin. The frosh took all three places in the two dashes.

The summary of the meet follows:

440 yard dash—Horney (V) first; Case (V) second. Time 54.2.

## CAROLINA GOLFERS BEAT BLUE DEVILS

The University golfers continued their unbroken string of victories yesterday by taking the Duke golfers in tow 14½ to 3½ over the Hope Valley course.

Willis, Stuart and Goodes countered three points each for the Tar Heels in the morning's singles with Rendall, Buie and Taggart, while Jennings beat Captain Chatham for Duke's three points in the singles.

In the doubles, Willis and Chatham took three points from Jennings and Buie, and Goodes and Stuart won 2½ while losing ½ to Rendall and Taggart.

## Intramural Wrestling Under Peyton Abbott

Preparation for the intramural wrestling tournament eliminations on April 23 is now in full swing, according to Director Peyton Abbott. Instruction is being given in the Tin Can every afternoon from 4 to 5:30. In these sessions the beginners learn the fundamentals of the sport under the expert supervision of Abbott. So far a good number of men have come out for the practices, but there is ample room for many more. Abbott urges all interested in learning something about wrestling and in entering the tournament to come to the afternoon practices. Only light workouts are taken on hot days and the work is enjoyable. There is plenty of time remaining before the tournament for the aspirants to learn the fundamentals of the sport.

In the event of continued hot weather the final bouts will be five minutes in length instead of ten.

## PSYCHOLOGY AND LAW SUBJECT OF DASHIELL'S TALK

fect in telling whether the subject is telling the truth or lying.

Dean McCormick of the law school here and other forward-looking members of the legal profession believe that it is only a matter of time until the law will accept psychology almost completely, and take over psychology's methods of telling whether a criminal is guilty and whether a witness is telling the truth.

Mr. De Wick, who will conduct the experiment, has been specializing in such work while an instructor here, and his technique is said to be splendid. He has conquered more than one supposedly "invulnerable liar," who forgot that blood pressure and respiration are tell-tale signs that cannot be masked, and he will be glad to take as a subject Monday night any man who thinks his lies are indelectable.

## FROSH NINE DOWNS ROCKY MOUNT HIGH

While Chandler, star quarter on the frosh grid team last fall, held Rocky Mount to three scattered singles, the Tar Baby baseball team hit in the pinches to win over the Rocky Mount High 8-0 yesterday on Emerson field.

Croom was the star batsman of the day, getting a home run and a single out of four times at bat. Daniel and Powell also contributed to the Tar Baby runmaking with a home run and a double, respectively.

This is the third official game of the season for the Tar Babies, and their third victory. They won over Darlington Prep 26-5 and over Winston-Salem High 9-7. In each game, the Tar Baby pitchers looked like sure bets for varsity stars of the future, McNeil pitching the Darlington game, Griffith pitching that with Winston, and Chandler doing the mound work yesterday.

Score by innings:

Rocky Mount ... 000 000 000—0  
Freshmen ..... 211 200 20x—8

Batteries: Rocky Mount, C. Ayers, Thomas and A. Ayers; for Carolina, Chandler and Peacock.

## COLORFUL DANCES FEATURE SOCIAL EVENTS OF WEEK

(Continued from page one)

the dance was a tremendous success. The Blue Devils of Duke University rendered excellent music. The affair was held in the Bynum gymnasium, which was decorated very appropriately in the class colors of purple and gold. Barron Holmes and Frazier Glenn had charge of the decorating.

Ed Yarborough, Haywood Weeks and John Phil Cooper served as the committee in charge of the dance. During the course of the evening, an attractive figure was held. The figure was followed by a no-break dance composed of the members of the figure.

### Phi Sigs Entertain

Also entertaining Friday evening was the Phi Sigma Kappa fraternity. Invitations to the dance were sent out during the early part of the week by the members of the fraternity to their friends.

Two processions were held. "Dink" Fowler, accompanied by Miss Martha White of Norfolk, Va., led both of these. The dance was held at the Carolina Inn, lasting from 9 until 1 o'clock. Russ Bolin and his Brunswick recording orchestra of Cleveland rendered music for the fraternity and its friends. The ballroom of the Inn was artistically decorated in the fraternity colors. Members of the fraternity wore ribbons of red and white.

This dance might easily be termed as the outstanding event of the week-end, according to the enthusiasm of those who attended. In addition to the dance, the Phi Sigma Kappas had a house party at which approximately 30 girls were present, chaperoned by Mrs. Douglas Long of Greensboro. Many alumni of the fraternity came to Chapel Hill for the week-end, as well as members of the Grail only, while the second was for all who brought girls to the dance. Alex Mendenhall and his Tar Heel Boys played.

Never before has the slow-going senate found so much to investigate, to probe. It has plagiarized the traffic officer's best line—"Hey, you! Pull over to the curb."—Duluth Herald.

## University Band To Play At "Carolina"

This afternoon at 2:30 the University band will give a concert in the Carolina theatre under the direction of T. Smith McCorkle, and this will be followed by the picture, "Close Harmony," shown through the courtesy of E. C. Smith, theatre manager.

A silver offering at the door will be taken in order to secure certain funds for the band which are not subsidized by the University. From this fund annual awards for those completing their third year in the band, will be purchased. This is the only form of recognition shown to band members.

The concert will be symphonic

in character, and will be chosen from the repertoire which has recently caused the band to be termed an "orchestra without the string section."

"Close Harmony" has never before been shown in Chapel Hill. It is especially appropriate in that its plot centers around a young man attempting to start a band in his home town. Nancy Carroll stars in this production.

### PHI MU ALPHA MEETING

There will be a meeting of Phi Mu Alpha music fraternity tonight at 7:30 in room 9 of the music building.

The United States, one learns from the department of commerce, now leads the world in the production of false teeth—most of them, no doubt, being used up in law making.
