

STATE COLLEGE TO HAVE BOXING TEAM THIS YEAR

Dr. Ray R. Sermon, athletic director at State College, announced Thursday that the Wolfpack would put a boxing team in the field this winter for the first time. The team will be led by Sam Dimeo, middle-weight from Philadelphia and coached by Lieutenant Elmes.

Last winter a regimental team from State put on an exhibition bout with the Carolina frosh and drew a good crowd in spite of the novelty of the sport in Raleigh. The bout made such a favorable impression on the student body that the authorities decided to make boxing a minor sport.

State is the third North Carolina school to take up boxing, and the fifteenth in the Southern Conference. Virginia was the first to take this step and was followed by Carolina soon after.

Scientific Society Will Meet Tonight

The Elisha Mitchell scientific society will begin its work of the year with its 322nd meeting tonight at 7:30 in room 206 of Phillips Hall.

Dr. H. V. Wilson of the zoology department, who made laboratory studies in Italy last summer, will talk to the group on the "Larvel Metamorphosis in Manoxonid Sponges."

Dr. Collier Cobb, head of the geology department will be the second speaker. Dr. Cobb, who has done a great deal of research, will talk on the "Light on the Loess Problem from the Mississippi Valley."

The officers of the society ask that all members attend this meeting so that the society may get off to a good start this year.

WISCONSIN SQUAD TO ADOPT WHITE

Madison, Wis.—(IP)—The time-honored cardinal jerseys of the University of Wisconsin football squad have been discarded for the first part of the season this year in favor of pure-white outfits, believed to be cooler to wear during the warm days of the early football season.

FOOTBALL

(Continued from preceding page)

offense in operation this season. The Carolina-State game, however, is four weeks off, so it is rather early to start talking about what will happen here November 8.

VANDERBILT CONTINUES to show up best in the conference with the smashing 40-0 victory over V. P. I. at Nashville. With this win and Minnesota's holding Pop Warner's Stanford eleven to a 0-0 tie out at Minneapolis Saturday, Dan McGuigan caused many conference coaches to watch his team very closely. It will be remembered that Vandy beat Minnesota 37-7 October 4.

TENNESSEE CHALKED UP 27 points against Mississippi with both of her star ends and Gene McEver sitting on the bench. Coach Bob Neyland must have a great bunch of reserves this year.

COACHES STRESS DEFENSE TACTICS

(Continued from page three)

Wednesday. The Georgia game will be a game of speed, since both the Bulldogs and the Tar Heels play under the Notre Dame system, and for this reason the Tar Heel coaches intend to give the team stiff drills in preparation for an eleven which is lighter but much faster than either of the past opponents.

Charles Rogers, Helen Kane and Victor Moore in "Heads Up"—At the Carolina Theatre Today

FRESHMEN LEARN GEORGIA TACTICS

The freshmen spent the afternoon yesterday learning Georgia plays which they intend to use against the Tar Heels in preparation for the important game with the Bulldogs on Saturday. The freshman squad was divided up into different teams and each team practiced the plays given them by Coaches Enright, Farris and Sapp. The first-year men will probably go down to Kenan stadium today and try to offer the varsity a sample of what is expected in Athens Saturday.

COURSE FOR CAKE RACE IS MAPPED OUT BY OFFICIALS

(Continued from page three)

resulted in his being ranked All-American miler. He won the Southern Conference cross-country meet in both 1926 and 1927. The Southern Conference mile was again won by Elliot in 1927 and 1928.

Minor Barkley, 1926 winner was one of the stars of the track and cross-country teams for several years. He was captain of last year's Southern Conference championship cross-country team. In the Penn State track meet held here last year he nosed out Paul Rekers, I. C. A. A. champion in the mile. In the dual meet with Princeton last year he ran a 4:21.4 to take second place and a half hour later ran a 1:56.5 half, which is the University record.

June Fisher, who won the race in 1927 was a member of the quartet of Elliot, Barkley, Pritchard, and Fisher which won the National four mile relay championship in 1928. He took third in the Southern Conference cross-country meet in 1927. There was no Cake Race held in 1928.

Tom Watkins, last year's winner, developed into one of the best freshman quarter milers, and appears to be one of the best prospects for this year's cross-country team.

The entries for the Cake Race close at 4:00 this afternoon. All those interested in competing in this event should see Coach Ranson as soon as possible. Men may report for practice daily at Emerson Field between 8:00 and 5:30 in the afternoon.

Yale Team Tours

New Haven, Conn., Oct. 13.—(IP)—The Yale University debating team spent the past summer touring South American countries.

Correction

The Tar Heel regrets that through unintentional mistakes Tau Epsilon Phi was credited with two losses in intramural tag football games last week. Tuesday Tau Epsilon Phi defeated Sigma Zeta by the score of 25-0, and Friday Theta Chi bowed to the same outfit by a margin of six first downs.

Old Trees Die

Two Have to Come Down, and One Has Its Limbs Lopped Off

In the last week or so two of Chapel Hill's old trees have had to come down, and a third has had its limbs lopped off and the trunk stands a bleak monument to the ravages of time.

The two trees felled were a white oak in the grove east of the Arboretum and a maple in the front yard of the Roberson place on Columbia street. Joe Cave and other Negroes, commissioned for the job by the University, carried out the death sentence on the oak, while the municipal street force cut down the maple and lopped the limbs from the tree in the yard of the Carolina Inn.

This last was one of four giant oaks that flourished when the Inn property was the Graves place and long before. The other three came down a few years ago, but John Sprunt Hill, owner of the Inn, kept the fourth, the one nearest the campus, as long as he could. At last the time came when the limbs had to be cut away. The trunk, however, is still good for many more years, and Mr. Hill intends to cover it with ivy.

LOCAL MEN TO ATTEND HENDERSONVILLE SESSION OF SANITARY ENGINEERS

H. G. Baity, professor of sanitary engineering and Charles E. Ray, Jr., principal assistant engineer of the state department of conservation and development, will attend the meeting of the North Carolina Water and Sewage Works association at Hendersonville next week. The meeting is to last from Monday until Wednesday.

FRESHMAN MUSICIANS

All freshman musicians who have had dance experience and interested in joining the Freshman Dance Orchestra please see John Finlator at 114 Grimes tonight at 8 o'clock. You must have had previous dance experience.

Special Club Rates

In following our policy of working as many self-help students as possible, we are with the official endorsement of the Self-Help Bureau conducting a small campaign. Self-help students will call on you tomorrow and offer you club rates on pressing.

Intramural Schedule

Tuesday, October 14
3:30—(1) Steele vs. Law School; (2) Mangum vs. Carr.
4:30—(1) Tau Epsilon Phi vs. Beta Theta Pi; (2) Phi Sigma Kappa vs. Delta Psi; (3) Alpha Tau Omega vs. Phi Kappa Sigma.

Wednesday, October 15
3:30—(1) Pi Kappa Phi vs. Lambda Chi Alpha; (2) Sigma Alpha Epsilon vs. Chi Phi.
4:30—(1) Sigma Nu vs. Sigma Phi Epsilon; (2) Ruffin vs. Lewis; (3) Grimes vs. Graham.

Thursday, October 16
3:30—(1) Sigma Phi Sigma vs. Chi Psi; (2) Sigma Zeta vs. Phi Gamma Delta.
4:30—(1) Theta Chi vs. Zeta Psi; (2) Delta Kappa Epsilon vs. Zeta Beta Tau; (3) Aycock vs. Everett.

Friday, October 17
3:30—(1) Manly vs. Question Marks; (2) Kappa Sigma vs. Sigma Chi.
4:30—(1) Phi Alpha vs. Pi Kappa Alpha; (2) Phi Sigma Kappa vs. Phi Delta Theta; (3) Phi Kappa Sigma vs. Delta Psi.

GEORGIA BATTLE SATURDAY WILL RENEW RIVALRY

(Continued from page three)
Carolina leading in points by 223 to 74.

Georgia has never beaten Carolina by more than 13 points, this having been in 1923, but the Tar Heels have had several big margins. Captain Frank Rogers' team won by 44-0 in 1898; Captain Francis Osborne's team won 55-0 in 1900, Captain Albert Carr's team won 28-0 in 1901, and in 1914 the Tar Heels' famous 359-point eleven, captained by Dave Tayloe, only Tar Heel to lead two seasons, won 41-6.

The series was revived after a long lapse last year, with the Bulldogs, inspired by a thrilling victory over Yale, evening old scores by eliminating the high-powered Tar Heels from the Southern Conference race, 19-12 in North Carolina's only loss of the year.

Henry Johnston, director of the bureau of vocational information, left yesterday for Winston-Salem and Charlotte.

Half of you men in college have

"ATHLETE'S FOOT"

... says U. S. report

YOU may call it toe itch, golf itch—the "doc" may call it ringworm—millions of people who catch it, call it "Athlete's Foot"—but all of them are the same. A ringworm parasite, *tinea trichophyton* by name, causes that redness between the toes with i-t-c-h-i-n-g. Tiny blisters or a thick, moist skin condition may be another symptom. Again dryness, with little scales, is a signal.

this fungus parasite infects and reinfects bare feet almost any time they come in contact with damp floors.

Absorbine Jr. kills the germ of "ATHLETE'S FOOT"

Tests in a famous New York "lab" have revealed that Absorbine Jr. penetrates flesh-like tissues deeply and that wherever it penetrates, it KILLS the ringworm germ.

It might not be a bad idea to examine your feet tonight. At the first sign of the symptoms mentioned here, douse on Absorbine Jr. And keep a bottle handy in your locker as a preventive. Use it after every exposure of bare feet on damp floors. At all druggists—\$1.25. W. F. Young, Inc., Springfield, Massachusetts.

"At least half of all adults suffer from it at some time," says the U. S. Public Health Service. In universities as far apart as Pennsylvania and California 50% of the men have it. And the co-eds are not immune either.

It lurks in the very places where we all go for cleanliness and health—on the edges of swimming pools and showers—in gymnasiums—on locker- and dressing-room floors. In spite of modern sanitation (you have to boil socks 15 minutes to kill it)

Absorbine Jr.
