**Alumni Loyalty Fund Solicits
Annual Appeal For 1931 Pledges**

Receipts to Go Towards Supplying Loans for Needy Students

The 1931 appeal for contributions to the Alumni Loyalty Fund will be conducted during the month of October in an effort to have it completed before the date of President Frank Graham's formal inauguration on November 11, according to a recent announcement by Felix A. Grisette, director of the fund.

The receipts from this year's fund, like those from last year, will be used to provide money for student loan funds. Inasmuch as President Graham is known to be deeply interested in student welfare, the Loyalty Fund directors feel that nothing could be more inspiring to the new president as he formally begins his new duties than a gift of this kind, representing as it will, the good will and active interest of thousands of alumni.

Annual Pledges Asked

Every living alumnus of the University who has not previously made an annual pledge to the Loyalty Fund will be asked to make some gift to the University during the campaign in October. The method of procedure to be followed will consist of appeals by the agents of each class, by local committeemen working in their respective communities, and through local meetings to take place throughout the state.

Present indications are that University alumni will respond liberally to the appeal, according to Mr. Grisette. Although there is a possibility that individual gifts will not be large, it is expected that a large majority of the 15,000 living former students will give something. The Loyalty Fund Council urges that every alumnus send his gift either to his class agent or the Fund office in Chapel Hill early enough that a full report may be made at the time of President Graham's inauguration.

Barwick Is Chairman

Allen J. Barwick, graduate of the class of 1900 and a prominent Raleigh attorney, heads the list of outstanding alumni who constitute the governing board of the Alumni Loyalty Fund, known officially as the Alumni Loyalty Fund Council. The 1931 campaign marks the first one over which Mr. Barwick will preside as chairman, although he has for many years served as a member of the Council. Mr. Barwick succeeded Leslie Weil, '95, of Goldsboro, who was chairman of the Council for many years and who still serves as a member of the group.

In addition to Messrs. Barwick and Weil, the Council is composed of the following ten alumni: Dr. H. G. Baity, '17, Chapel Hill; Burton Craige, '97, Winston-Salem; President Frank Porter Graham, '09; Alfred W. Haywood, '04, New York; K. P. Lewis, '00, Durham; Dr. J. G. Murphy, '01, Wilmington; Dr. Ira W. Rose, '06, Chapel Hill; J. Maryon Saunders, '25, Chapel Hill; C. R. Wharton, '12, Greensboro; and Dr. Louis Round Wilson, '99, Chapel Hill.

Many a high hat covers a low brow.—*Pasadena Post.*

In America, prosperity is again beginning to make its appearance in the head-lines. It is somewhat slower, however, about making its appearance in the bread lines.—*Dublin Opinion*

ETHICS COURSE TO RUN FOR THREE QUARTERS

During 1931-31 Ethics (Philosophy 171) will be taught by Dean F. F. Bradshaw one evening a week all three quarters, between one and a half and two hours each meeting. The credit is one course total for the three quarters. No partial credit is allowed for one or two quarters work. The evening on which the weekly meetings will be held will be decided at the first meeting of the class which will take place at 2:00 o'clock, Monday, September 21, in room 205 South building.

This method of giving the course has been adopted experimentally in order that more current events may be used as illustrative material in the course, and in order that the instructor and class members may have more opportunity for acquaintance, discussion, and exchange of viewpoints.

Telephonic conversation with the White House has doubled in the past two years. Perhaps Mr. Hoover finds it easier to control conversation by telephone.—*Savannah News.*

**You Have Never
Seen A Pen
Like This
Before**

You fill the Conklin Nozac by simply turning the knurled end of the barrel—like you wind a watch. Leak-proof, smooth, easy action.

YOU won't find this in the reference library—it's too new. You've got to go down the street to the most up-to-date supply stores to see the Conklin Nozac—the pen that winds like a watch. Visible ink section or all-opaque barrel as desired. The visible ink section enables you to look right into the ink compartment at any time and watch the birth of a sentence. The Nozac holds 35% more ink than other pens of the same size because there is no rubber sac in the barrel. Examine the Nozac. Try it. And see if you can get along without one. Depression-proof prices. The pens \$6 and \$10; pencils to match \$3.50 and \$5.00.
