

Devils Hold Tar Heels To Scoreless Tie As 22,000 Watch Contest

Phipps and Gilbreath Star for Carolina; Duke Retains Silver Goal Posts

JACK BESSEN
FOR the second year in a row, a Duke and Carolina team battled sixty minutes without scoring yesterday in Duke stadium before a crowd estimated at 22,000.

Both teams had several splendid scoring opportunities but whenever this happened, the opposing team would either hold or get breaks via the penalty route. In fact, Duke did score in the first period when Kid Brewer skirted right end and behind beautiful interference from the eight yard line to enter the "promised land" but the play was called back and the Blue Devils penalized fifteen yards for holding.

After the game, Acting-Captain Chandler tossed Adkins for the trophy and the ball. Duke won the ball and Carolina granted the trophy to Duke for another year. Adkins substituted for Brewer in the ceremony, the Kid being carried off after being kicked in the head.

Fans will go a long way before seeing two teams more evenly matched. With the exception of the tail end of the first half, the threatening was done by Duke, while Carolina monopolized the play of the final quarters. Carolina and Duke both scored the same number of first downs—seven. The Tar Heels held the Devils to nary a first down in the second half.

It was up to a rookie to cover himself with glory. Johnny Phipps, who seems to have found himself recently, reeled off yard after yard and was most of Carolina's offensive. Another rookie, Thompson, also was a main offensive threat of the Tar Heels. On the line, Gilbreath won his duel with Klocker Adkins. Red was all over the field, breaking up passes and in general giving the Klocker a mighty uncomfortable day, making him throw two wild heaves over Laney's head. After that exhibition, Gilbreath will have no trouble making first string center on the All-State eleven.

Carolina almost cashed in on one of Adkins' zeppelin heaves just before the half ended. With fourth down, Adkins sent the ball way over Laney's head for a loss of thirty-two yards, giving Carolina the ball on Duke's thirty-six yard line. White made it a first down with an eleven yard smash off tackle. Thompson on a spinner makes another eleven. White goes off tackle for five, and on the next play Carolina was penalized for holding, removing the Blue Devils from danger. From that point on till the game was over, the Carolina backs dominated the play.

Brewer, playing his last game against the Tar Heels was seriously injured toward the close of the game when he was accidentally kicked in the head after receiving a pass. He was carried off the field, and at the time, it was feared that he had concussion of the brain.

The Tar Heels were handicapped by the loss of Stator McIver who has a painful leg injury. His place was well taken care of by Herb Newcombe.

Four other Tar Heels bid adieu to Duke in yesterday's game. They are: Rip Slusser, Ellis Fysal, Red Gilbreath, and Theron Brown.

CO-CHAMPIONSHIP LOOMS IN SOUTH

This business of football co-champions is getting to be a Southern conference habit. Back in 1927 Georgia Tech and Tennessee claimed the conference honors. Last year Alabama and Tulane finished with perfect records and the talk of a titular game between them ended at the talking stage.

Tulane still faces Louisiana State in the conference, while Tennessee must meet Kentucky. Now, unless Tulane or Tennessee loses one of their remaining games, it appears that all effort to bring them together will fail.

A game between these teams probably would be the best of the year. Both have strong lines and versatile backfields. Both have played at least two formidable conference opponents and have been victorious.

Tulane beat Vanderbilt and Georgia in its top conference attractions and also top conference attractions and also gained a decision over Texas A. and M. of the Southwest conference. Tennessee won from Vanderbilt and defeated Alabama, a team that has been coming along fast since that early season setback and could now give either of the leaders a real tussle.

Apply for Loans

Students Needing Money for Winter Quarter Should File Request Now.

The dean of students office has already received fifty-two applications for loan fund assistance during the winter quarter. The total amount requested in these applications is \$4,016. Since the amount available for lending in the winter quarter will not be very much more than \$4,000, this presents a serious problem. It is suggested that students needing help in the winter quarter from the loan funds, who have not already applied for such assistance, should make written application at the dean of students office, 205 South, immediately, so that each application may be reviewed in the light of the need of the entire student body.

Coker's Brother Dies

Charles Coker, younger brother of Dr. W. C. Coker of the botany department, died at his home in Hartsville, South Carolina, Friday night of heart failure.

Dr. Coker left Chapel Hill for Hartsville yesterday to attend the funeral.

GETS ANOTHER CHANCE

Johnny Branch, Carolina's brilliant quarterback, has been reinstated by Coach Collins and will report to the squad tomorrow. Branch broke training after the Carolina-Florida game and it wasn't until late Friday night that Coach Collins decided to let the "mighty atom" play again in the Blue and White. Branch has been working out since his suspension and should be in shape for the annual Turkey Day spectacle with Virginia.

BREWER SUFFERS STRICKEN HARRIER IS IN NO DANGER

BRAIN CONCUSSION

Condition of Duke Captain Described as 'Satisfactory'; Full Extent of Injuries Unknown.

The condition of Kid Brewer, Duke university football captain, was described by physicians last night as "satisfactory," after the stellar fullback had been removed to a Durham hospital suffering from injuries received in yesterday's Carolina-Duke game in Durham.

Word came last night that Brewer had recovered consciousness but had not yet spoken. The injuries were said to be a slight concussion of the brain, and possible neck injuries in extent, but attaches at the hospital stated that they would not be able to ascertain the full extent of his injuries until this morning.

Brewer was removed from the game late in the fourth quarter after he had been kicked in the head on receiving a forward pass from Nick Laney.

The following cases were tried at the local recorder's court yesterday morning:

Stanly H. Heist, white, charged with speeding on the public highway, found guilty and judgement suspended upon payment of the cost of court.

Robert Pofter, colored, charged with assault on child, assault with a deadly weapon, a rock, assault with a gun, found guilty in all cases, judgement suspended upon payment of cost of court in the first two cases, and confined to the county road for a period of eight months, in the last case.

Ralph Shure, Maryland University runner, collapses at finish of Conference Race.

The Maryland runner, who so gamely crawled across the finish line in the Southern Conference cross-country race yesterday morning, was Ralph Shure. He was able to stretch his hand over the tape before he collapsed, thus capturing eighteenth place for his team. With this last effort, Shure seemed to lose interest in his surroundings, and for a while it was feared that he had suffered a heart attack.

The trainers and coaches worked to revive him for almost an hour, and then carried him to the University infirmary. He was put to bed, and at the time was slightly out of his mind. Later, Shure showed slight improvement coming to with a headache. When Dr. E. A. Abernathy returned to the infirmary after the Duke game, he administered a hyperdermic of morphine, and this allayed the pain sufficiently to allow the harrier to fall into a troubled sleep. The patient is in no danger, and no complications are feared.

The Maryland team left the Hill yesterday, but "Swede" Epley, the coach, and two teammates of Shure remained behind to look after the sufferer in the hope that they will be able to take him home this afternoon.

Passbooks Admit Students Of Syracuse To Game At Colgate

The use of passbooks held by Syracuse students was allowed at the Syracuse-Colgate freshman game last Saturday. Although the game was played for charity, the Colgate athletic authorities made this offer to secure a larger student attendance at the game.

This proposition occurred as a result of a conference between the Colgate athletic authorities and the Syracuse freshman class officers. In making the offer the director of athletics at Colgate announced that excellent seats would be reserved for the members of the Syracuse student body attending the game.

Other fans including the alumni and members of the faculty were required to pay a dollar at the gate.

Jensen Wins Individual Crown in Fast Time; Carolina Places Four in First Five.

MILTON BAUCHNER

Led by Captain Clarence Jensen, the University of North Carolina, yesterday regained the Southern Conference cross-country title which it relinquished to Virginia Military institute last year at Chapel Hill. The Flying Squadron did not defend its laurels this year and a fast Carolina team won its fifth championship in six years of competition. Coach Dale Ranson's boys romped to victory over the five-mile course by a big margin, and established themselves as the best team in the south.

TAR BABIES WIN OVER CAVALIERS

The University of North Carolina freshman team came from behind in the second half to win a thrilling 12-7 victory over the University of Virginia yearlings Friday at Charlottesville.

The Cavalier frosh scored early in the second quarter when a short punt gave them the ball on Carolina's thirty-three yard line. Six plays later, Forney scored and Denne added the extra point.

A few moments before the first half ended, McDonald, Tar Baby sub, passed thirty yards to Cox and raced twenty-five yards for a touchdown on the next play.

Trailing by a single point, the victors rallied in the third session when a twenty yard pass. Jackson to Farrell, brought the winning score. Again the try for point failed.

DEBATE TRYOUTS HELD THURSDAY

The preliminary try-outs for the Oxford and state debates took place Thursday in Memorial hall. For the Oxford question, Resolved: That Russian civilization is more dangerous to the world than American civilization. The following men were chosen to be eligible for the finals in Graham Memorial, Monday evening at 7:30: Jim Baley, Dan Lacy, John Wilkinson and McBride Fleming-Jones. The University will take the negative, on the question in the debates in December.

For the state question, Resolved: That the federal government should enact legislation providing for the centralized control of industry. John Wilkinson and Edwin Lanier were chosen on the affirmative; J. W. Slaughter and W. R. Eddleman on the negative.

Maxwell Will Talk About State Affairs

Honorable A. J. Maxwell, commissioner of revenue for North Carolina, and a gubernatorial candidate, will discuss the state and county governments of this state before the North Carolina club tomorrow night, at 7:30 in Bingham hall.

He will explain the sources of revenue upon which state and county governments rely and the recent control the state has assumed over county finances by assuming responsibility for all county highways and the six months school term.

Captain Clarence Jensen breasted the tape in fast but not record time. His time of 27 minutes 10.2 seconds was not quite equal to that of Galen Elliott, former Tar Heel distance star, who holds the record of 26 minutes 26 seconds, made in 1927. Ed. McRae, running his first conference race, and Mark Jones brought up right behind their team-mate, Jensen, in second and third positions respectively. Bob Hubbard, another Carolina runner, finished in fifth place being just nosed out by Bray of Duke for fourth. Louis Sullivan pulled up in fourteenth position and completed the winning team. Walter Groover and Joe Pratt were the sixth and seventh men to finish for Carolina.

At the end of the first mile the hill and dalers were pretty well bunched, with Bray of Duke heading the procession. The order at the mile was: Bray, Duke; Nichols, Duke; Lewis, Duke; Bradsher, Duke; C. Miles, Duke; F. Miles Duke; McRae, Carolina; Jensen, Carolina; Hubbard, Carolina, and White, V.P.I. The second mile told a different story, the Duke men being replaced by some of the favorites. The first five to the station at Carrboro were: Bray, Duke; Stout, Tennessee; Jensen, Carolina; Hubbard, Carolina; and Jones, Carolina. Bray of Duke, who finished fourth, led the race for the first four and a quarter miles, then Jensen passed him and from there on was never headed.

McRae also made his bid and passed the Blue Devil harrier about a half-mile from the finish line, and held his precious advantage until he reached the tape. Once on the track Mark Jones challenged the tired Duke runner and shot by him on the home-stretch to give Carolina the first three places. The team standings: (1) Carolina 25; (2) V. P. I. 77; (3) Tennessee 100; (4) Florida 116; (5) Duke 120; (6) Georgia Tech 121; (7) Maryland 128; (8) Georgia 176.

Freshman Results

A triangular meet between the Carolina, Duke and V. P. I. freshmen was held as a preliminary to the varsity run. The Cadets breasted the tape before the other two teams, although the individual honors went to Harry Williamson, Carolina harrier. Reichman of Duke collapsed on the track about 220 yards from the finish, but he courageously picked himself up only to stagger on a few more yards and again his feet crumbled up on him and he fainted. The crowd was moved by this exhibition of courage.

The team standing: V. P. I. 33; Carolina 43; Duke 47.

Infirmary List

Patients in the infirmary yesterday were Russel Powell, Mary Fleet, and J. D. Watson.
