

LENOIR BAND TO PLAY FOR GAME HERE TOMORROW

Famed High School Organization On Third Trip to Carolina-Virginia Classic.

For the third time in the last five years the Lenoir high school band has been engaged to play as well as the bands from the two universities at the Thanksgiving game. The band appeared here in 1927 and again in 1929, and has played for the Wake Forest-Mercer and the Duke-Washington and Lee games this year.

The band was first organized in 1924 by captain J. C. Harper with thirty members. Lenoir was the third high school in the state to form a band, following those of Winston-Salem and Greensboro. Playing in the class "B" competition it won all the trophies ever given in any state contest in that class. In 1929, it requested to be allowed to compete in the class "A" group, composed of larger schools; it tied for third place. In the same contest last year it tied for first place with Charlotte, defeating Winston-Salem, Asheville, High Point, and Salisbury.

The band was organized through the efforts of the Lenoir post of the American Legion. Through them the instruments were procured and Captain Harper, one of their number, volunteered to conduct it. Under the direction of Captain Harper the band has steadily progressed until it is now known all over North Carolina. Two different governors of North Carolina and one of Virginia have written to express their approval of the work of the band.

The Lenoir band, contrary to most bands, has been a financial success.

TO PLAY AT THANKSGIVING GAME

This crack high school band, winner last year of band competition among North Carolina high school band organizations, will play here at the Virginia-Carolina football game tomorrow. The band has played at Thanksgiving football games in Chapel Hill in 1927 at the dedication of Kenan stadium and again in 1929. James C. Harper, an alumnus of the University, is director of the band, while a number of its former members are students in the University.

Student Employees

Twenty-nine students have been employed to sell refreshments at the game tomorrow. A total of thirty-two boys have applied for employment through the holidays to the self-help bureau.

Library Science School Courses

Since the last issue of the University catalogue the department of library science has been replaced by the school of library science. A story in the Sunday Daily Tar Heel based upon the catalogue conveyed a misimpression about the school. According to the story the department offered two courses whereas the present school presents sixteen.

Sigma Phi Sigma Banquet

The local chapter of Sigma Phi Sigma fraternity gave a banquet for the delegates of the eastern district conference of the fraternity Friday night at the Carolina Inn. Dean F. F. Bradshaw, Mayne Albright, Haywood Weeks, and William North, interfraternity correspondent, were the speakers. R. S. Farris was toastmaster.

Carolina Gridsters Place Six Aces In All-State Selections

(Continued from preceding page) must be relegated to the second team.

Two triple-threat men, Charley Pearce of Davidson and Bill Croom of Carolina, fought it out for left half; the Davidson southpaw getting the decision. Few will forget the great kicking exhibition that Pearce put up in the Carolina game; his kicking was responsible for the low score. Not only has Pearce scintillated in the Tar Heel game, but the Wildcat halfback has starred in every game for Davidson. On the other hand, although Croom is one of the best passers in the state, his work early in the season has been on the "in and out" style.

Slusser Unanimous

Rip Slusser was an unanimous choice for right half. Rip, besides being a ten-second man, is a great defensive player and his offensive ability is seen in his scoring record of 42 points.

There was doubt concerning the second team post but Hipps of Wake Forest was selected. The Deacon youngster was handicapped by a weak forward wall in front of him, but in spite of that, has managed to reel off plenty of yardage.

Kid Brewer, Duke captain, had little trouble being placed at fullback. The Blue Devil is one of the leading scorers in the south, and Carolina fans will remember how that boy hits a line. Of the rest of the crop, Chandler had an easy time making the second team.

Those getting honorable mention are: Gardner (Davidson), center; Werner (Duke) and Duke (State), guards; Stroupe (State) and Harton (Duke), tackles; Hyatt (Duke), and Crawford (Duke), ends; Mason (Duke), quarterback; Laney (Duke) and Wilson (State), halfbacks; Mills (Davidson), fullback.

WHY
do more and more smokers say:

"I've changed to Chesterfield"

BECAUSE . . .

THEY'RE MILDER. It's the tobaccos! The mildest that money can buy. Ripened and sweetened in the sunshine . . . cured by the farmer . . . then aged for two years in wooden hogsheads.

THEY TASTE BETTER. These tobaccos are put together right. Rich aroma of Turkish and mellow sweetness of Domestic, blended and cross-blended to Chesterfield's own BETTER TASTE.

THEY'RE PURE. Everything that goes into Chesterfield is tested by expert chemists. The purest cigarette paper made, tasteless, odorless. Sanitary manufacture . . . no hands touch your Chesterfields. They're as pure as the water you drink!

THEY SATISFY. You break open a clean, tight-sealed package. You light up a well-filled cigarette. Yes, sir . . . you're going to like *this* cigarette! And right there is, where many a smoker changes to Chesterfield. *They Satisfy!*
