Most of the teams in the south will be closing their schedules today, and as usual they're saving the best for last. Naturally, the Southern Classic Virginia-Carolina game leads the field in tradition and color, but there's plenty left for the rest of the Conference.

KEEN RIVALRY IS BEHIND TAR HEEL VIRGINIA BATTLES

Since 1892 Cavaliers Have Won Twenty, Lost Twelve, and Tied Three.

The Tar Heels and the Cavaliers wind up their seasons today in a revival of the oldest and one of the most colorful games in the south. Seasonrecords make Carolina the favorite but strong or weak Virginia teams never quit when they're playing the Tar Heels. The Tar Heels have won seven, lost three, and tied two of twelve games played since the war, but their only sizeable victories have come the last two years. The whole of the 39-year rivalry tells a different story, for Virginia leads with twenty victories, twelve losses, and three ties.

The rivalry has been great from the first year, 1892, when Carolina lost an early season game to Virginia 30-18, then came back to win a post-season scrap 26-0. Virginia teams were invincible for five years following, and it took Carolina's undefeated team of 1898, captained by Frank Rogers, to eke out a 6-2 win.
