Wake Forest	0	3	.000

The Carolina Tar Heels regained the leadership of the Big Five race for cage honors with their smashing 37-20 victory over Duke university here last Saturday night. It was the White Phantoms' first win over a Duke basketball team in three years.

Three teams, North Carolina, Duke, and North Carolina State, are now in a three-way tie for loop leadership, although Duke and Carolina have each won three games to State's two.

The biggest surprise of the Tar Heel victory was not the victory itself, for the Heels were conceded an excellent chance to win, but the margin of victory. Even the most enthusiastic of Carolina fans hoped for victory by one or two points. No one, least of all the Blue Devils, was expecting a walkaway.

The White Phantoms also made a substantial gain on the Devils in team scoring. Duke to date has a total of 259 points in nine games to the Tar Heels' 256 points in seven games. Last week the Blue Devils held a seventeen point advantage over their Chapel Hill rivals.

Virgil Weathers, diminutive forward, continued as leader in the race for state individual scoring honors, although he is closely followed by his teammate at the other forward post, Wilmer Hines. Weathers has gathered a total of 74 points in seven games to Hines' 67 in a like number of games. Following the Tar Heel forwards are two Blue Devils, Alpert, with 58, and J. Thompson, with 47 points.

There will be very little action in the Big Five cage race this week. Duke met Davidson in Charlotte last night and Carolina will meet Wake Forest in Raleigh Wednesday night in the only Big Five games before State, Carolina, and Duke begin an invasion of Virginia during the latter part of the week.

## HEEL WRESTLERS LOSE TO CADETS

Idol and Captain Tsumas Gain  
Southern Titles in 175 and  
155 Pound Classes.

The University of North Carolina matmen were subdued by the V. M. I. wrestlers by the decisive score of 19 to 9 last Saturday night in Lexington. The only Tar Heels registering victories were Hussey, Captain Tsumas, and Idol, all three winning by time advantages.

Tsumas' and Idol's victories gave Carolina the Southern Conference championship in the 155 pound, and 175 pound class respectively. Captain Tsumas had little difficulty in conquering Landis of V. M. I., while Percy Idol easily defeated Neem.

By far the most thrilling and exciting bout of the evening was the Woodward-Will match. After ten minutes of vicious, gruelling wrestling, the time keepers indicated that the Tar Heel held a time advantage of fifty-seven seconds, just four counts short of a victory. As a result, the bout had to go an extra period. Coach Quinlan, however, realizing that Woodward was unable to continue the fight, conceded the bout to V. M. I.

Summary: 118 pounds, Hussey (N.C.) defeated Marshal (V.M.I.), time advantage 3:48; 126 pounds, Decamps (V.M.I.) threw Matheson (N.C.) in 3:43; 135 pounds, Will (V.M.I.) won from Woodward (N.C.) by a forfeit; 145 pounds, Smith (V.M.I.) defeated Hiller, time advantage 8:43; 155 pounds, Tsumas (N.C.) defeated Landis (V.M.I.), time advantage 8:37; 165 pounds, Turner (V.M.I.) defeated Greer (N.C.), time advantage 6:06; 175 pounds, Idol (N.C.) defeated Neem, time advantage 5:53; unlimited, Dorrier (V.M.I.) defeated Auman, time advantage 1:44.

### FENCERS LOSE TO V. M. I.

Saturday afternoon at Lexington, the Carolina fencing team went down before the crack V. M. I. swordsmen by a 7-2 score. F. Wardlaw, D. Wardlaw, E. Eagan, and F. C. Litten represented Carolina.

V. M. I. won two of the first three bouts, but F. Wardlaw won the fourth fight to even the score. In the next five bouts the V. M. I. men won decisively, taking the match.

The defeat was a great disappointment for Carolina as the fencing team has been undefeated for three consecutive seasons. However, in the opinion of experts, V. M. I. has the best fencing team in the south this year so this defeat should not greatly discourage the Tar Heels.

On the thirteenth of February, Carolina meets Virginia here. Both Virginia and Carolina defeated Baltimore in a 5-4 match.

## SIGMA NU BESTS ZETA BETA TAU

Betas, Kappa Sigma, Kappa Alpha, and Mangum Also Winners in Intramural Play.

Mangum downed New Dorms 25 to 16 in the closest battle of yesterday's intramural games. The contest was on even terms during the first quarter, but in the second the winners took a narrow lead which they held throughout the game. The playing of Barbano was the best for the winners while Anderson, also of Mangum, played a fast game and led the scoring with twelve points.

### Sigma Nu Wins Fifth

Sigma Nu, using a fast passing offense, easily triumphed over Z. B. T. 49 to 7. Allen scored twenty-two of the winners points, while Long and Griffith were making twelve and eleven points respectively. Blount of the winners played a fast floor game and stopped many of the loser's scoring threats.

### Chi Psi Loses First

The Betas won over Chi Psi 58 to 16 in the fastest contest of the afternoon. It was Chi Psi's first loss and the Betas fifth win out of five starts. The shooting of the Beta team was the most accurate that has been seen on the intramural court this year. Barnett and Dresslar, crack forwards of the winners, tied for scoring honors with seventeen points each.

### Kappa Sigma Victors

Kappa Sigma were victors over Phi Kappa Sigma 31 to 18. The losers rallied in the third quarter. Barnhill of the losers was high scorer with thirteen and was followed closely by Eagles who had twelve. Kappa Alpha, led by House, Everett, and Webster, took an easy win from Delta Sigma Phi 45 to 22. Both teams passed wild, but the winners recovered theirs on more occasions. The trio already named scored all the K. A. points while Mauney made fifteen of the losers' points.

## INVESTIGATORS OF PROHIBITION GET VARIED FINDINGS

(Continued from first page)

William S. Kenyon who favored a further trial and an amendment if it proved a failure; and Paul J. McCormick who stated "absolute repeal is unwise."

Henry W. Anderson of Richmond said that the abolition of the saloon was one of the greatest steps ever taken by the nation and added that the effort to make all people total abstainers run counter to the fundamental social and economic principles beyond the control of government. Frank J. Loesch, Kenneth Mackintosh, Roscoe Pound, and Kenyon and McCormick are all substantially behind the opinion of Anderson although differing in the degrees to which the present law should be revised.

Ada L. Comstock, the only woman member of the commission is of the opinion that the Amendment should be modified immediately but still hopes that national regulation may prove more successful.

Newton D. Baker, formerly secretary of war, is in favor of unconditional repeal of the Eighteenth Amendment. He has said, "In my opinion the Eighteenth Amendment should be repealed and the whole question of policy and enforcement with regard to intoxicating liquors remitted to the states." He has added: "The problem is insoluble as long as it is permitted to require nation-wide federal enforcement of a police regulation at variance with the settled habits and beliefs of so large a part of the people."

### PITTS AND SUMMERVILLE

### CO-STAR IN SHOW TODAY

Universal's "The Unexpected Father," produced by Carl Laemmle, Jr., features the program at the Carolina theatre today. The film, co-starring "Slim" Summerville and Zasu Pitts for the first time, concerns the situation of a newly-rich bachelor who finds a strange young lady of four years calling him "daddy," which ruins the scheduled marriage of the bachelor to a scheming gold-digger. Miss Pitts, a nurse from the dog hospital is recruited, quite by mistake, to quiet the confusion.

Dorothy Christy plays the gold-digger, and Claude Allister, Allison Skipworth, Grace Hampton, Tyrell Davis, Tom O'Brien, and Richard Cramer complete the cast.

### Student Pool Tourney

Because the students showed so much interest in the progress of the faculty pool tournaments, a contest in which all students are eligible to take part has been scheduled for next week. Any interested undergraduate may take part in the tournament.
