

TAR HEELS WILL HAVE TOUGH JOB AGAINST VIRGINIA

Cavalier Boxers Are Undeclared For Season With Three Southern Champs.

The Tar Heel boxing squad, defeated last week by the Cadets of V. M. I., leave here this morning to face Virginia's Southern champions in their second consecutive meet away from home. Virginia has been undefeated to date, boasting wins over Duke, V. M. I., and V. P. I.

The Carolina freshmen, who also suffered their first defeat of the season last Saturday at the hands of the V. M. I. freshmen, will also make the trip to face Bob Rainey's powerful Cavalier freshman team which has been piling up a good record this season.

The Tar Heels won over the Cavalier here last year when John Warren added the deciding point with a three-round decision over Herb Bryant, Virginia football star, but the Cavaliers, with three Southern Conference champions in their line-up and a clean slate for the season, rank as favorites this year. Bobby Goldstein, featherweight, Doug Myers, middleweight, and Captain Fenton Gentry, heavy-weight, are the three champions who will face Carolina.

Carolina will probably use the same line-up against the Cavaliers as performed against the Cadets last week with the exception that Furches Raymer, hard hitting sophomore, will probably return to action, fighting this time in the lightweight division. Jim Wadsworth will likely handle the middleweight assignment again this week although there is a possibility that Paul Hudson who has seen no action since the Duke meet will get the call.

Marty Levinson, Carolina's only undefeated scrapper, will again hold down the featherweight post, and is doped to meet Goldstein in the feature bout of the evening. Goldstein took a close decision over Levinson two years ago after the Tar Heel had staggered him several times with hard rights to the head, and Marty is out for revenge. Last year their meeting in the duel meet was prevented by an injury to Goldstein.

Peyton Brown, who lost to Kostainsek last week, will meet Reiss, Virginia football captain-elect, in the lighthheavy, and is doped to start his way back up the comeback trail. Jimmy Williams has been cutting a wide path among the bantamweights since his loss to Robertson of W. and L. and will meet Russell, a newcomer to the Cavalier squad. Russell lost a decision earlier in the season to Lloyd of Duke, while Williams holds a decision over Lloyd.

Nat Lumpkin will fight again in the welterweight division, meeting Stuart, while Hugh Wilson, who put up one of the best fights of his career last week, will be in the heavyweight.

The freshmen will have Lee Berke, hard hitting welter back in the line-up, and stand a good chance of coming through with a victory. McDonald may replace Bendigo in the lightweight, but the rest of the line-up will remain the same. Quarles, Berke, and Gidinansky are undefeated and have been showing consistently good form all season.

Since Constance Bennett has married the Marquis, Phil Plant, her ex-husband has written a song called, "You're Giving Your Heart to Somebody Else When You Know It Belongs to Me."

Virginia Star

Lewis Reiss (pictured above) will face Peyton Brown in one of the feature bouts tomorrow at Charlottesville. Reiss is the lad who thrilled local football fans with his type of play at center last fall.

BENEFIT BRIDGE PARTY ADDS TO STUDENT FUNDS

Large Number of Townspeople Attend Card Games in Graham Memorial.

As a result of the card parties given in the lounge room of the Graham Memorial building Wednesday afternoon and evening, the sum of \$162.75 was raised for the student loan fund. Fifty-two persons attended the afternoon event at 3:00 o'clock, making a total of thirteen tables, while about twenty-five more were served tea at 5:00 p. m. The afternoon events realized the sum of \$45.50.

In the evening, about one hundred and thirty persons attended. Thirty-four tables were set up for the bridge games. The evening occasion added about \$145 to the afternoon's total. In all, \$138 was realized from the bridge games, the remainder coming from the disposal of prizes donated by Durham merchants for the occasion.

Dr. George Howe, who won the bridge lamp, presented it to the Graham Memorial, and the two servants of President Graham would not take pay for their services in connection with the parties.

SPEAKER SCORES NATION'S COSTLY IMPERIAL POLICY

(Continued from first page) best solution for the deplorable situation in China was to "depend on international public opinion to force Japan to do justice to China when the war party in Japan will have worked their own defeat by their excesses in misrepresenting the real interests of their own people.

"If we, meanwhile, take some actual and sizable steps toward disarmament, we shall have made a beginning of amends for our terrible mistakes of the past in encouraging rather than discouraging Japan and other nations less fortunate than ourselves to the indulgence of their selfish, imperialistic designs."

Woodhouse concluded his talk by urging the students to assert their opinions on political affairs and issues: "Write your congressmen and senators that the time has come for the United States to live up to her best ideals and to cease following after the false gods of selfish and hostile isolation." "Let us instruct our President as to our decided wish for relief from the grievous burden of taxes for unnecessary armament. . . ."

It is imagination or are those European nations calling the old gentleman Uncle Sap as they talk about war-debt cancellation? It may be that they have had colds, of course.—Nashville Banner.

K. A.'S TAKE WIN IN RECORD SCORE

S. A. E., Phi Deltas, and Best House Keep Slates Clean with Wins; Delta Psi Loses.

Only three teams remain undefeated in the dormitory league as a result of Best House's win over Grimes, 53 to 8, in yesterday's intramural play. Both teams started slowly and the score was only 6 to 2 at the beginning of the second quarter. At this stage of the game, however, the winners broke loose, and using a fast and accurate passing attack were soon dropping in basket after basket. The playing of Henson and Stuart, both of the winners, was the best on the floor, Henson being high scorer with eighteen points.

A. T. O. Wins
A. T. O. downed Delta Psi, 29 to 15, in the closest of the afternoon's contests. The count was nip and tuck throughout the first half and at the beginning of the third period was tied up. The winners then put on a strong defense and held Delta Psi to one field goal in the last half. Smith, with fifteen points, was the star of the game, while Dillard, who scored twelve of the loser's points, was also outstanding.

S. A. E. Wins Another
Trying plenty of long shots and making them good, S. A. E. kept their loss column clean by taking an easy win from Phi Sigma Kappa, 53 to 13. The losers missed many easy shots that would have made the score closer. The entire team of the winners worked like one, and no man was outstanding.

Phi Deltas Win Fifth
Phi Delta Theta was victorious over Pi Kappa Phi, 54 to 17. It was the fifth win in five starts for the Phi Deltas. The winners were a fast breaking outfit and ran up the high score with ease. Hershey of Phi Deltd seemed able to shoot from any spot on the floor and led the scoring with eighteen points.

K. A.'s Win
Two records for this season were set as Kappa Alpha ran roughshod over Chi Phi 72 to 25. This is the highest score that has been made by a team this season. Everett also set a record for individual scoring by making thirty points during the contest. The winners worked like a machine and many times scored without the losers touching the ball.

In the only forfeit of the afternoon the Betas got their fifth win in five starts when the Dekes did not make an appearance at game time.

EARTHLY LIFE WILL NOT EXIST IN TRILLION YEARS

Colonel George Cross, noted French astronomer, concludes that the earth will be covered by a glacier in a trillion years from now, and that life will no longer exist. This is, of course, based on the assumption that the sun is speedily shrinking and moving away from the earth at the rate of three feet each century. Cold summers and glacial winters are to be a result, with a temperature of about twenty to twenty-four degrees Fahrenheit for the summers and a temperature of twenty to forty degrees below zero for the winters.

Marvin Ritch, a well known alumnus of the University, is dissatisfied with the athletic set-up at Carolina and is officially declaring war on the situation as it now stands. Mr. Ritch says that since Chuck Collins has been coaching at Carolina, the Tar Heels have won but one major game, that with Georgia Tech in 1929, and in that year the Yellow Jackets were a flop. Ritch declared that his campaign would be carried via the mails to about 1000 monogram wearers of the University.

Ritch wonders why our own athletes are not appointed coaches after their active playing days are over. Perhaps it is interesting to learn that among our coaching staff are: Ranson, Rowe, Ward, Adkins, Goodridge, Sapp, Farris, Erickson, Dameron, Stallings, and Allen, all former Tar Heel stars. Coaches Collins, Howard, and Cerney are Notre Dame products, Coach Shepard has been connected with the University for several years before his appointment as basketball mentor, Bunn Hearn coached Carolina baseball teams in 1917 and 1918. If that isn't a more than fair representation of Carolina men, then what is?

Ritch also loses sight of the fact that Coach Collins was mainly responsible for lifting Tar Heel football out of the dregs into which it had fallen after the war. And considering the type of material he has, the calibre of our opponents, and the difficulty of the schedule, Chuck has done as well as anybody could do.

SEEN AND HEARD

In 1921 the University of Notre Dame football team traveled incognito to a small town in Illinois to represent that town's pickup team against a neighboring town's team. Imagine their surprise when they learned that their opponents were the University of Illinois players who also traveled incognito for the same purpose. When the papers got hold of the story, both teams were expelled from their schools. Among the Notre Dame stars was Harry Mehre, now coaching at Georgia. . . . North Carolina and L. S. U. are the only boxing teams to win three dual meets to date. The Tiger coach likes Carolina in the tournament—if the squad's in shape by the time the tourney rolls around. . . . Jack Dempsey and King Levinsky have signed for a four round exhibition in Chicago within the next fortnight. . . . Coach Bierman returned to Tulane after a trip to Minnesota. He will direct winter practice at the New Orleans school. . . . We should be able to get a good line on the Tar Heel basketball team after this northern trip. V. P. I., Maryland, and Virginia in succession is not a set-up for anybody. . . . The National League will fine, and heavily too, all players who pose for pictures or converse with the cash customers.

Six women fainted from emotion when Lawrence Tibbett sang at a benefit ball in Baltimore.

RESIGNATIONS TO ALTER DAVIDSON COACHING STAFF

Monk Younger and Tex Tilson Will Go to V. P. I.; Newton, McEver New Mentors.

William (Doc) Newton and Eugene McEver, the former a member of the University of Tennessee coaching staff and the latter an all-American halfback at the same university, have been appointed head and backfield coaches at Davidson college.

The appointment of these two men came after much deliberation on the part of the Davidson officials. The two positions were left open when Monk Younger and Tex Tilson resigned to become assistant coaches at V. P. I. McEver had already accepted a place as a coach in the Tennessee backfield, but Tennessee officials were willing to let him go.

The new Davidson head coach comes to the Presbyterian institution with very high recommendations. He has made excellent records at Birmingham Southern and at Howard college and was considered one of the best men on the Tennessee staff.

The record of McEver is already well known throughout the United States. It is said that he practically coached the Tennessee backfield while playing for them, and he was certainly the outstanding man on the great teams that have been put out by this university in the last four years. McEver has been made all-southern for three years and was all-American for two years.

The new coaches will report Monday to take charge during the remaining weeks of winter football practice. The practice is being conducted at present by the old coaches, Younger and Tilson. McEver will return to Tennessee in a month and will remain there during the spring and summer quarters, as they are necessary for his graduation.

NEGRO WELFARE WORKER WILL ARRIVE TOMORROW

Dr. Thomas Jesse Jones, director of the Phelps-Stokes foundation for negro education and welfare, will be a visitor in the village tomorrow, it was learned yesterday from T. J. Woofter, professor of statistics in the sociology department. Dr. Jones is a principal in the publication of an encyclopedia of American negro history, with which Professor Woofter is connected in an advisory capacity.

Intramural Schedule

Friday
3:45—(1) Steele vs. Law School; (2) Sigma Phi Epsilon vs. Zeta Beta Tau; (3) Sigma Chi vs. Sigma Phi Sigma.
4:45—(1) Everett vs. New Dorms; (2) Sigma Zeta vs. Theta Chi; (3) Grimes vs. Mangum.

With Contemporaries

(Continued from page two)
Every other item concerning the school is so played down that the impression is given that Notre Dame would be an uninteresting place except for its athletic events.

No doubt this is a false impression. Students at South Bend must do something besides play football well. But judging from the news-magazine, the other activities are of relative unimportance. It is an unfortunate situation, and one brought in the most part through no fault of the students of the institution. Football at the school has been so highly publicized that anything else concerning Notre Dame is thrown into the background.

The situation at the school is admittedly unfortunate. But the student publication might do something about it, or change its name from *Scholastic* to *Athletic*. That, at least, would come nearer the truth.—Oregon Emerald.
