

SIGMA NU BEATS KAPPA SIGMA IN CLOSE CONTEST

D. K. E. Chalks Up Forty-One Runs in Victory Over Sigma Zeta.

Sigma Nu got its second win of the season in downing Kappa Sigma 4 to 3 in the closest of the intramural baseball games yesterday. It was also the second win for Byerly who was in the box for Sigma Nu. Kappa Sigma jumped into the lead in the opening frame but in the fourth three men crossed the plate for the winners, giving them their margin of victory. Byerly pitched well after the first inning, holding his opponents to only one run. May in the box for the losers also turned in a good game except for the fourth frame. In the field and at bat Glace starred for Sigma Nu while Cozart was best for Kappa Sigma.

Score by innings:
Sigma Nu ... 2 0 1 0 0 0—3
Kappa Sig. ... 1 0 0 3 0 0—4

Dekes Hit Hard

Scoring twenty-five runs in the fifth frame the Dekes were easily victorious over Sigma Zeta 41 to 2. The winners went around three times although many easy outs were mixed with the hits, but Sigma Zeta players seemed to lose their heads and ability to field. Lassiter and Newcombe led the hitting for the winners, both crossing the plate three times in the final big frame. Tom Alexander, D. K. E., pitched shutout ball except for the same inning when Sigma Zeta pushed two runs over. Brooks was best for the losers.

Score by innings:
Dekes 2 6 3 5 25—41
Sigma Zeta ... 0 0 0 0 2—2

Pikas Lose

Led by Adkins and Meyers, Sigma Chi took a fast game from the Pikas 4 to 2. Sigma Chi forged to the front in the opening inning when Adkins hit a home run with a man on base. The Pikas, however, tied the count in the second frame with a home run hit by Sprinkle; Sigma Chi came back in their half of the same inning to push the winning runs over. Meyers pitched hitless ball in every frame but the second. Both teams fielded airtight.

Score by innings:
Pikas 0 2 0 0 0 0—2
Sigma Chi ... 2 2 0 0 0 0—4

Twenty-Five Delegates Here For Beta Theta Pi Meeting

The annual convention of all chapters in the eighth district of Beta Theta Pi got under way last night with a banquet in the local chapter house, Robert Frazier of Greensboro being chief speaker of the occasion.

Meetings are to take place during the day, with the final part of the program being a second banquet tonight. Delegates, some twenty-five in number, represent the chapters at Davidson, Washington and Lee, and the University of Virginia.

FRESHMEN TAKE THIRD STRAIGHT TENNIS VICTORY

The University of North Carolina freshman tennis team scored its third straight win yesterday, taking the Darlington Prep School netters into camp to the tune of 5-1.

The feature match of the afternoon was the No. 1 singles tilt between Captain Joe Grier, of Darlington, and Harvey Harris. Harris scored a straight-set win and led most of the way, but Grier put up a game fight and staged a number of beautiful rallies. The score was 6-4, 6-3.

Darlington's lone win came in the No. 2 doubles tilt when Cleve Rumble and Don Bryson took a 6-4, 3-6, 6-3 decision from Dick Weesner and Ed Martin. Laurence Jones and Paul S. Jones came through in the No. 1 doubles match after three hectic sets, defeating Grier and William Bell, 3-6, 8-6, 6-3.

Results of the other singles matches were as follows: Walter Levitan defeated Bell, 6-2, 6-4; Robert Lovill defeated Cleve Rumble, 6-2, 6-3; Ricky Willis defeated Bryson, 6-1, 6-2.

CUBS WILL HAVE DANGEROUS CLUB ENTERED IN RACE

Manager Hornsby Has Rookie Infield, Strong Outfield, and Bolstered Pitching Staff.

With two rookies in the infield, a former Brave in the outfield and a former Cardinal heading the pitching staff, the Chicago Cubs are doped to land the third place berth in the National League. The Cubs are one of the most improved teams in the league and will cause plenty of trouble before the season closes.

Young Infield

Manager Rogers Hornsby will have anything but a veteran infield. The Rajah is enthusiastically benching himself in favor of Bill Herman, the twenty-two year old lad, who was obtained from Louisville last fall and finished the season with a .327 batting average and a fielding mark of .937 at second base. He has also benched the veteran third-sacker, Lester Bell, replacing him with Stanley Hack, a .352 hitter with Sacramento last year. The remaining infield posts will be filled by Charlie Grimm, thirty-two years old, but who can still move around first with lots of speed, and Elwood English, regular shortstop, who hit .314 and fielded .964 in 1931. A second infield for relief work is composed of Harry Taylor, first base; Clarence Blair, second base; Bill Jurgens, shortstop; and Lester Bell, third base.

Outfield Lineup

In the outfield Lance Richburg, heavy batsman obtained from the Braves, will fill the gap vacated by Hack Wilson, now with the Dodgers. Riggs Stephenson, who has fully recovered from his broken leg of last year, and Kiki Cuyler, leading base-stealer of the league, are certain starters in the outer gardens.

No change is expected in the catching department. Gabby Hartnett has forgotten about his sore arm and is pegging second in great form. He will be assisted by Ral Hemsley and Zach Taylor.

Pitching Staff

Burleigh Grimes, spitball pitcher of many campaigns and one of the leading hurlers of the champion Cardinals last year, is probably the greatest improvement made on the Chicago team. Lyle Tinnings, who boasted a record of twenty-four wins against two losses for Des Moines of the Western Loop last year, should also add considerable strength to the somewhat weak pitching staff. Ed Baecht and Lon Warneke, with a year's experience behind them will be finished hurlers while, Pat Malone, Guy Bush, Charles Root, and Bob Smith will be the outstanding fingers back from the past Chicago team.

The fight and pep of the Cubs will be a big factor in deciding the outcome of the flag chase. Grimes, well known as a battler will add to the fight and winning desire of Manager Hornsby, Cuyler, and Grimm; while Hartnett, known as a pepper box, and the two rookie infielders should put the necessary pep in the Cub machine.

PROFESSOR CALLS TAX ON FOOTBALL 'GRAVE MISTAKE'

Action by Illinois Legislature Considered Unfair to College Sports.

(Big Ten News Service)

Evanston, Ill., April 8.—“It was a grave mistake on the part of the politicians,” said Professor O. F. Long, director of the faculty committee on intercollegiate athletics at Northwestern University, in speaking about the pending tax on sports now before the legislature of the nation. “It will necessitate either a rise in admission prices or an arrangement by which the tax can be figured in the cost of the tickets.”

Northwestern stands to contribute a large sum to help balance the national budget if the proposed tax of ten per cent on athletic contests is passed. In the better years, Northwestern has taken in as much as one million dollars during the football season.

“It is grossly unfair to college sports,” continued Professor Long. “College athletics are not run for profit. The major sports, football and basketball, support the minor sports. If this bill becomes a law, the physical training department and intramural athletics will suffer greatly.”

“Northwestern as well as other colleges, donates large sums of money obtained from charity football games; these donations simply whetted the appetites of the politicians. If the taxes are levied, payments on the stadium will not be made and the minor sports will suffer.”

Women Energetic But Lack Plugging Of Male Scholars

“Although a woman as a student will apply herself more quickly to her work than a man, she is impulsive and after having put her whole being into her studies for a short time, will be easily diverted by any new subject that attracts her attention.” This statement was made by Dr. Walter B. Greenway, president of Beaver College.

In contrast to the woman student, who takes her work seriously and conscientiously, Dr. Greenway depicts the man as patient and persevering. It is these qualities of endurance that makes the man as a student capable of comparing favorably with the more energetic female.

“As far as the student in general is concerned, the student of today is just as good as the scholar of twenty years ago, is doing more good, and has more opportunities. Those adults who believe that the present generation is going to the dogs, cast a poor reflection upon themselves and their youth, in that way they have set the example for their children to follow. Not so long ago, the youth of the day was expected to be seen and not heard; today they are seen and expected to be heard from.”

PHI DELTA THETA TAKES EASY WIN

Chi Psi and Phi Delta Theta took easy wins in the fraternity league of intramural tennis yesterday while Everett defeated Best House and Old East forfeited to Swain Hall in the dormitory league. Two matches were called off on account of rain.

Atwood and Reynolds of Chi Psi had an easy time in winning from the A. T. O. team, taking both singles matches. D. K. E. lost to Phi Delta Theta 2-0.

Rain forced the games between New Dorms and Lewis and between Aycock and Mangum to be called off after two matches had been played in each.

HARVARD COACH DESIRES FEWER OLYMPIC TRIALS

(By College News Service)

Cambridge, Mass., April 6.—Eddie Farrell, track and field coach at Harvard, last week proposed that outstanding amateur sport stars be placed on the American Olympic team without the formality of tryouts.

Coach Farrell's idea would not eliminate the pre-Olympic trials entirely, however, but would concede places to such men as Ben Eastman of Stanford, who has just broken the world's record for the 440, and Frank Wykoff, dash expert of the University of Southern California, on the basis of their past performances.

“This would eliminate the possibility of those frequent ‘breaks,’ which sometimes prevent an outstanding athlete from qualifying during the tryouts,” the Harvard mentor pointed out.

According to his plan, one star in each department would be chosen as the leader of an event, while others would be selected by tryouts.

While Coach Farrell's idea was looked upon with approval in intercollegiate sport circles, plans for the Olympic tryouts have so far progressed that a change in the program at this late date might cause undue confusion, according to observers who were doubtful that it could be put into effect.

Lass Seeks Advance Dope On University

(Big Ten News Service)

Some may say that the younger generation is not serious-minded, but here's one proof that it looks toward the future.

Dean J. B. Edmonson of the University of Michigan education school has received a letter from a twelve-year-old grade school girl asking for a catalog of the school.

The neatly written request says, “It is quite early for me to worry over this, but I have heard two teachers talk about the profession, and think I would like that kind of work. I would like to attend a junior college, and then I want to attend the university.”

Dean Edmonson acknowledged the letter and sent her an announcement of the school.

CAROLINA TENNIS TEAM WINS OVER DEACON NETMEN

Tar Heels Experience No Difficulty in Continuing Their Winning Streak.

In a far from exciting match yesterday the Carolina netmen defeated Wake Forest on the Deacon's home courts. Last year's claimants for the national collegiate tennis championship had little difficulty in winning every match.

Bryan Grant regular number one man was unable to participate in the match, and his running mate Wilmer Hines had some trouble in subduing Vernon, Deacon ace. Except for this one hard match, and one deuce set which Dixon won, the scores were lopsidedly in favor of the Tar Heels.

Following is the summary of the play:

Singles

Hines (C) defeated Vernon (WF) 6-4, 7-9, 6-1; Wright (C) defeated Fletcher (WF) 6-3, 6-1; Shuford (C) defeated Graham (WF) 6-0, 6-1; Abels (C) defeated Bryan (WF) 6-2, 6-0; Dillard (C) defeated Bruton (WF) 6-2, 6-0; Dixon (C) defeated Hutchins (WF) 8-6, 6-3.

Doubles

Hines and Shuford (C) paired to defeat Vernon and Graham (WF) 6-3, 6-1; Wright and Dixon (C) paired to defeat Hutchins and Bryan (WF) 6-1, 6-1; Abels and Dillard (C) paired to defeat Bruton and Glenn (WF) 6-1, 6-1.
