

THREE ELECTED TO MEMBERSHIP IN TAU BETA PI

Honor Accorded Dr. Alfred McLaren White, J. E. Hunter, And J. R. Marvin.

At the meeting of the local chapter of Tau Beta Pi, national honorary engineering fraternity, Monday night, three men were elected to membership in the organization.

Dr. Alfred McLaren White, who came to the University in the fall of 1930 to take charge of the chemical engineering department, was elected into membership in the fraternity, while two juniors, John Emile Hunter of Asheville and James R. Marvin also received the honor.

Since Marvin is away on co-operative work at the present, the society decided not to conduct the usual formal tapping for the one student eligible.

Membership in Tau Beta Pi carries with it the highest honor that can come to an engineering student. The qualifications are among the highest attainable in scholarship and character.

The qualities considered in election of new members are mainly good scholarship, integrity, interest, adaptability, capacity for leadership, and social qualities.

Weil Lectures For This Year Canceled

Dean D. D. Carroll of the school of commerce announced yesterday that the Weil lectures have been canceled for this year at the request of the Weil family. The money, which would otherwise be used for the annual lecture, will be transferred to the Student Loan Fund. The lectures are to be continued next year.

During the years 1914-1915 an endowed lectureship was established by the University. After the first year, the foundation, named "The Weil Lectures on American Citizenship," has been permanently established through the generosity of the Weil families of Goldsboro.

CONCERT BAND TO PRESENT OPENING PROGRAM SUNDAY

Group Composed of Forty-Eight Members Will Be Directed By Professor McCorkle.

The University Concert Band, under the direction of Professor T. Smith McCorkle of the music department, will present a concert in Hill music hall Sunday afternoon at 4:00 o'clock. This program will mark the annual formal spring concert of the band, and later, as the custom is, other informal programs will be played on the campus under Davie Poplar in the evenings.

The program to be presented is altogether from symphonic literature and ranges from the classic school to the more modern composers. Of these modern composers there are yet a few alive whose works will be presented Sunday in the program.

Assisting Soloists

Assisting soloists will be Miss Helen Eubanks, soprano, Thor M. Johnson, violin, and Brooks Fryer, pianist. Miss Virginia Buckles, a pupil of Professor Nelson O. Kennedy, will serve as accompanist.

The University Concert Band is a symphonic organization of forty-eight men who are chosen from the personnel of the large band which plays at football games and other outdoor events. It represents thus a finished organization of highly skilled musicians.

The present officers of the band are: John W. Clinard, Jr., of High Point, president, and Frank Jacobs, Jr., of Elizabeth City, manager. These officers will retire this week, and officers for the coming year will be chosen at that time.

Eight in Infirmary

C. K. Carmichael, H. D. Boyd, W. G. Duffock, John McInes, Jr., H. T. Dupree, Jr., Ansley Cole, A. J. Baracket, and Emmie Frances Polhill were confined to the infirmary yesterday.

Erratum

The Daily Tar Heel wishes to correct a statement in the article on prospective Golden Fleece candidates contained in yesterday morning's paper.

Whereas it was stated that the first man tapped automatically became Jason of the Order, the article should have read that the Jason is elected from the group tapped, the order of selection having nothing to do with the selection of officers.

GRAIL TO HONOR NEW MEMBERS AT LAST DANCE

Organization Decides to Admit Freshmen to Affair Saturday Night.

New members of the Order of the Grail will be presented at the last dance of the organization which will be given Saturday night, April 23, in Bynum gymnasium. The dance will be in honor of the new men, whose names are to be announced later in the week.

After much deliberation, the order has revoked the ruling which forbids freshmen to attend the Grail dances. While the rule had its merits, it is thought that all freshmen should be given an opportunity to attend dances before finals, sponsored by the German Club. For that reason, an amendment has been made, and freshmen will be admitted to this last Grail dance.

The dance will be the climax of a week-end of social activities sponsored by the Kappa Alpha and Theta Chi fraternities and the Grail. Music for all three dances will be furnished by Jack Baxter and his orchestra.

President Graham Addresses Society

President Frank P. Graham returned late yesterday from Winston-Salem, where he addressed the medical unit of the general alumni association at a luncheon for the group.

The luncheon was a part of the program of the North Carolina Medical Society convention which came to a close yesterday.

Dr. Robert Millikan's Interests In College Lay Outside Physics

Famous Scientist Who Will Deliver McNair Lectures Beginning Tonight Did Not Develop Real Liking for Subject Until He Had to Accept Teaching Position.

Dr. Robert Andrews Millikan, celebrated physicist, who is to deliver the annual series of three McNair lectures at the University beginning tonight at 8:30 o'clock, was interested in anything but physics during his undergraduate days.

His most absorbing studies during undergraduate days at Oberlin College, he says, were Greek and mathematics. He was also active in athletic, musical, literary and other extra-curricular activities.

Versatile Student

He competed in the 100 and 220-yard dashes with some success, was chosen president of his class in his sophomore year, was editor-in-chief of the college annual in his junior year, acted as student gymnasium director during his junior and senior years, and was chosen to make the speech for his class at graduation exercises. And yet scholarship apparently was his chief interest throughout these undergraduate days, as attested by the fact that he made Phi Beta Kappa.

Dr. Millikan did not develop a real interest in physics until he found himself a college graduate wondering where to turn for a job. Oberlin had an opening for an instructor in the physics department. It did not appeal to Millikan, but it was the only position offered him at the time.

Physics must have won Millikan over in a fairly short time, for two years later, after teach-

SYMPHONY GROUP NAMES DATE FOR FIRST REHEARSAL

Head of Organization Reports Progress in Formation Throughout State.

The North Carolina Symphony Society, which was formed here March 21 at a meeting of seventy-five music lovers from all sections of the state, will have its first audition rehearsal here in the Hill music auditorium next Saturday, at which time some of the musicians to take part in the first demonstration concert, planned for May, will be selected. Colonel Joseph Hyde Pratt, president of the society, announced yesterday.

The audition will begin at 10:00 o'clock Saturday morning and continue until 4:30 in the afternoon. All musicians with symphonic experience or qualifications and others interested are invited to be present.

Chairmen Appointed

Applications for auditions may be made directly through the society here or through the following district chairmen: Professor W. T. Sinclair of the Charlotte high school, Professor Earl Slocum of the Greensboro high school, Professor Charles G. Vardell of Salem College, or Professor Isaac L. Battlin of Meredith College.

Plans have been definitely laid for organizing symphony clubs in four other North Carolina towns, Greensboro, High Point, Concord and Charlotte, as the result of visits to those towns of Lamar Stringfield, research associate of the Institute of Folk Music, who is doing most of the

McNair Lecturer

Dr. Robert Andrews Millikan, director of the Norman Bridge laboratory of the California Institute of Technology at Pasadena, will deliver the annual McNair lectures here in Memorial hall beginning tonight at 8:30 o'clock. The subject of Dr. Millikan's lectures will be "The Changing World."

DON BESTOR TO PLAY FOR THIRD ANNUAL FROLICS

Set of Four Dances Scheduled For April 29 and 30 In Tin Can.

The May Frolics of 1932 have been set for April 29 and 30. Music for these dances will be furnished by Don Bestor and his Victor recording orchestra.

The May Frolics will begin Friday afternoon, April 29, with a tea dance given at the Carolina Inn from 4:00-6:00 o'clock. That evening the formal dance will take place from 9:00-1:00 o'clock in the Tin Can. Saturday, the May Frolics will continue with a luncheon dance from 12:00-2:00 o'clock at the Washington-Duke hotel in Durham, and with tea dance in the Tin Can from 4:00-6:00 o'clock. The last dance of the series will be given Saturday night in the Tin Can at 9:00 o'clock.

Given by Seven Fraternities

Seven fraternities, including Sigma Nu, Zeta Psi, Beta Theta Pi, D. K. E., Kappa Sigma, S. A. E., and Sigma Chi, will co-operate in giving the set of dances. The officers of the May Frolics of 1932 are: John Park, president; Fred Laxton, vice-president; Henry Anderson, secretary and treasurer; Bob Carmichael, assistant secretary and treasurer; Harry Finch, dance leader; George Waterhouse, first assistant dance leader; and Arlindo Cate, second assistant dance leader.

Chaperones

The chaperones who have been chosen are: Mrs. P. Van Valkenburgh, Mrs. J. C. Lyons, Mrs. Fred Patterson, Mrs. J. F. Wiley, Mrs. Robert Wettach, Mrs. W. W. Pierson, Mrs. R. J. Mebane, Mrs. C. T. Woollen, Mrs. W. M. Dey, Mrs. A. C. Howell, Mrs. P. Venable, Mrs. S. E. Leavitt, Mrs. E. G. Hoefer, Mrs. G. M. Braune, Mrs. E. J. Woodhouse, Mrs. Colin Harding, and Mrs. P. S. Randolph.

Music Meeting

The last meeting of the music department of the Community club will take place this afternoon at 3:30 o'clock in the Hill music auditorium. Selections from Brahms, a group of vocal solos, and two selections of chamber music will make up the program, which has been arranged by Mrs. Fred McCall.

CAMPUS OFFICERS FOR COMING YEAR TAKE OVER POSTS

Thirty-Four Men Formally Inducted Into Offices in Ceremony in Memorial Hall.

Following the custom begun last year, thirty-four campus officers for the coming year were formally inaugurated in assembly yesterday.

Mayne Albright, outgoing president of the student union, spoke briefly of the past administration. He stated that during the past term the student government had earnestly endeavored to improve itself and to deal with all students equally.

New President Speaks

Haywood Weeks, new president of the student union, introduced by Albright, accepted his office promising to do his best and to have the campus government run by the students. He stated that the first act of the combined old and new councils was to give a representative on the student council to the engineering school. He pledged himself as a medium between the students and the faculty. Weeks praised the outgoing council and administration, stating that it was the best in the history of the University.

He, in turn, introduced the

FIRST DAY'S SALE OF INVITATIONS IS VERY SUCCESSFUL

Orders for Booklets Now Being Taken at Pritchard-Lloyd's And at Y. M. C. A.

The first day of sale for senior invitations was unusually successful. The comparatively large reductions in price were responsible for many early orders.

Invitations this year are offered in high quality leather booklets in blue and silver, and reasonably priced cardboard booklets in white and silver. The covers of both have the year, University name and seal, as well as a drawing of the Morehead-Patterson bell tower embossed heavily upon the outside.

The material within includes the names of all candidates for degrees such as fourth year undergraduates, first year master's candidates, etc. Then the graduation program, class committee personnels, and pictures of President Graham, Graham Memorial, Old South, and the Old Well will follow.

Prices Reduced

Prices have been reduced on the leather booklets from seventy-five cents each to sixty cents each, to fifty cents in half dozen lots, and to forty-five cents each in dozen lots.

The cardboard booklets, which sold for thirty cents each last year are selling this year for twenty-five cents singly and for twenty cents in dozen lots.

The sale is taking place at Pritchard-Lloyd's and the Y. M. C. A. during assembly period, and from 1:30 to 4:30 each afternoon this week. At night they are being sold at Pritchard-Lloyd's from 6:30 to 7:30.

Meyer Speaks to Seniors

Harold D. Meyer delivered a commencement address at Wallace, N. C., to a graduating class of forty-four students Monday.
