

### SUCCESSFUL YEAR FOR INTRAMURAL LEAGUE FINISHED

Nine Tournaments With 2500 Men Entered Are Staged by Intramural Department.

Staging nine tournaments, with almost 2500 men entered in the different events, the University intramural department closed last week the most successful year since being introduced ten years ago. During the year 648 contests were played.

#### Tag Football

The season opened with tag football which was the most successful ever staged by the department. Forty-one teams were entered with close competition throughout. Although Best House was easily the class of the dormitory league and won all their battles, the frat loop was decided by a post season game. Phi Gamma Delta and Sigma Nu completed the season without defeats, having played to a 20-20 tie in their first meeting. In the play-off Sigma Nu emerged victorious by one touchdown scored late in the contest. Best House continued their unbeaten record by downing Sigma Nu 12 to 0 for the campus championship.

#### Best House Wins Cake Race

Best House won their second title of the year in the Cake Race, getting 87 points to New Dorms' 56. Waldrop, second place, Eskola, sixth place, Brisk, ninth place, and Patrick, thirteenth place, composed the winning team. Williamson of the Phi Gams set the pace for the race finishing in 9:45.5 which was a new record for the 1.9 mile course. Eighty-seven men started the race.

The fall boxing tourney

brought forth some of the best prospects since the tournaments started. Best House was again the team winner with fifty points while Lewis had forty. Ivey, Mowery, Shuford, Berke, Gidinansky, Barclay, and Underwood winning in the seven classes. Ivey, Gidinansky, and Berke all became outstanding men on the freshman team. Thirty men were entered with twenty-six battles being fought.

#### Forty-Five Wrestlers Entered

Forty-five men entered the wrestling tourney with Best House getting their fourth win of the quarter, scoring fifty points to Mangum's forty. Mathewson, Lawson, Devereaux, Hiller, Higdon, Hargraves, Auman, and Dalzell came out on top in the eight collegiate weights. Half of these men developed into varsity and freshman stars.

#### Tennis Matches

Lewis, led by Willis, who took the singles crown, won the fall tennis tourney. This was the only fall tourney not taken by Best House. Willis got his victory over Dixon of Pi Kappa Phi. Neither of the single finalists were represented in the doubles' final, Baley and Huskins of New Dorms triumphing over Minor and Waterhouse in three close sets. Fifty-three players took part in the tournament.

#### Basketball Race Close

Only two tourneys were run off in the winter quarter. The basketball tourney was the closest ever conducted by the intramural department. The frat league ended in a tie between S. A. E., T. E. P., Betas, and Sigma Nu with S. A. E. winning over T. E. P. in the final contest by a one-point margin. The dormitory loop ended in a five-way tie with Ruffin downing Best House for the championship. In the campus title game Ruffin came

### GAME CONFLICTS BEING REMOVED

Woollen and Wade Working on Date for Carolina-Duke Football Game Next Fall.

Coach Wallace Wade of Duke and Charlie Woollen, graduate manager of the University have announced that two of the three Duke-Carolina conflicts on the 1932 football card have been eliminated. Now the only conflict is on opening day. The original schedule had both Carolina and Duke with home games September 24, October 22, and November 5.

The first day will see Wake Forest playing Carolina at Chapel Hill while Duke is engaging Davidson at Durham. The first change came when Coach Wade agreed to shift the Blue Devil-Deacon contest, originally to be played on October 22, back to Friday, October 23. This left Saturday open to Carolina and Georgia Tech.

Two weeks later the Tar Heels agreed to play Florida on Friday, November 4, giving Duke and Kentucky the following day.

Officials of both schools have been considering a number of ways to bolster attendance during the 1932 season. Another matter under consideration is the provision of a section of seats at popular prices.

#### Betas Win Fencing

The Betas ran up fifty points to triumph in the fencing tourney which had only twenty-six men entered. Everett with 22½ points finished second. Brown, of the Betas, was individual champion, getting the final victory over Eagan of Everett.

The spring quarter which brought the season to a close had three tourneys. The boxing tournament, although not as good as the one in the fall, was hard fought among many new comers to the ring. Best House took the crown for the second time with Sigma Nu placing second. Stoel, Mowery, Graham, Jones, Finklestein, and Efland were the individual victors.

#### Grimes Wins in Baseball

Indoor ball was used for the first time in the baseball tourney and met with great success. The frat league was won by Sigma Nu after two play-offs in which S. A. E. was the main opponent. Grimes triumphed in the dormitory loop also after play-offs. The dorm team took an easy win to get the campus championship. In the tennis tourney run off at the same time the Betas were victors over Everett.

Best House ran up 952 points for the year to take the loving cup. This is the greatest number of points ever made by a team in one season.

#### Dormitory Service Room Managers Not Chosen Yet

Managers for the dormitory service rooms for next year have not yet been chosen, but a complete list of these managers will be chosen by the University self-help committee Friday afternoon.

The sub-committee met Tuesday afternoon to choose the men for these positions, but due to unavoidable delays was unable to make the choices.

Appointees for the manager-ships will be informed through the mail Saturday morning.

#### Some of the Things You Will Need This Summer

 DURHAM, N. C.

### Carolina Track Squad Is Honored At Supper

The Carolina track squad was entertained last night at the annual track supper given by Dr. A. S. Lawrence in the yard of the Episcopal church. Captain Lionel Weil presided at the affair and introduced the speakers of the evening.

The guests were served by candle light on tables set up on the grass in the yard of the church. Mabel Malat, Julia Bates Brown, Martha Thomas, and Margaret Firey, University co-eds, served the guests of honor. Mrs. Lawrence was assisted in the preparation of the supper by Mrs. H. D. Carter, Mrs. W. L. Caldwell, and Mrs. J. P. Harland.

At the supper, Dr. Lawrence rendered his annual parody on the athletic season.

### APPLICATIONS FOR WORK BY SENIORS INCREASING DAILY

(Continued from first page) found that they will have to supplement their help from home by getting work in Chapel Hill in order to be able to attend school next year.

Another interesting fact noticed in the large number of applications is that many present students who are not to be in summer school have applied for work here in order to save money and to get better situated for next year. The self-help bureau, however, will be unable to render help to this group, as its energies will have to be expended in efforts to grant work whenever possible to those attending school.

To secure a dormitory room next year call at the Business Office now.

### Short Story Writing Courses To Be Offered

(Continued from first page)

ested in writing and in perfecting their means of expression through writing will find opportunities such as are best suited to their individual gifts."

According to a ruling by Dr. Coffman, students wishing to take these composition courses must consult Phillips Russell before registering.

Duke co-eds have been warned by the dean of women not to eat so much bran.

### Dance Committee Meeting

There will be a meeting of the recently organized dance committee tonight at 7:00 o'clock in room 209 Graham Memorial.

### Summer Work—

You can make money during summer selling our unexcelled line of men's shirts and hose. Suggest you immediately get in touch with us and get full details.
