

## Four Tag Football Games Open Intramural Season

Tag Football Games Open Ninth Season of Intramurals; Lewis, A. T. O., Old West, and Pi Kappa Phi Score Wins in First Day's Play; Games Close.

The ninth annual intramural race began yesterday when eight tag football teams opened their season. Intramural athletics this year are under the direction of Bo Sheppard and Herman Schnell and the teams will seek trophies won last year by the Best House, winners of the campus wide cup and Sigma Alpha Epsilon, leaders in the fraternity championship.

In the first game yesterday Lewis took a tight battle from Ruffin seven to two on first downs. "Snooks" Aitken was the big gun for the winners grabbing pass after pass for long gains on the offense also intercepting several Ruffin passes on the defense. Lowdermilk and Peacock did the passing for Lewis which netted the majority of their first downs. The kicking of Bell was the highlight of the Ruffin attack while Virgil Weathers was outstanding on the defense for the losers.

### A. T. O. Rallies

Putting on a last quarter rally which netted a touchdown A. T. O. was victorious over Phi Sigma Kappa by three downs. Both teams got a touchdown while A. T. O. had eight first downs to Phi Sigma Kappa's five. The losers scored first in the opening quarter on a long pass thrown by Kaveny. A. T. O. however, took the lead in first downs as a result of Thompson's passing and Smith's running. The marker which made the winner's first downs the margin of victory came on a long pass from Thompson to Menge. Neither team was able to get the extra point after scoring which would have been enough to win regardless of first downs.

### Manly Loses

Old West used a tight defense to down Manly five to two on first downs in the low score game of the afternoon. Neither team made a serious threat to count a touchdown. Old West took the game in the first half, scoring four of their first downs while in the final half both teams got only one first down each. Most of the winners' long gains were the result of passes thrown from Crouch to Beam. Crouch also did some nice punting for Old West. Kesselman was the outstanding player on the offense for Manly while Womble of the winners and Taylor of the losers starred on defense.

### Pikas Beaten

In a slow and loosely played contest Pi Kappa Phi triumphed over Pi Kappa Alpha 14 to 0. The winners also had a long lead in first downs. Pool was the outstanding man on the winners' team, doing all the passing and punting and having a hand in all the scoring. Williams was best for Pi Kappa Phi on defense while Carpenter was the star of the Pikas' attack.

### Theatre Is Sponsor Of Prosperity Contest

The management of the Carolina theatre, where votes for the Chapel Hill prosperity contest are being balloted, requests that those who are holding votes in order to deposit them at the last minute refrain from doing this. Although there are twenty participating merchants, the votes are coming in slowly due to the fact that they are not being deposited when received from the merchants.

It is not too late to enter new contestants, and those desiring to enter themselves or friends may do so.

## WILMER HINES AND DAVE MORGAN GO TO VIRGINIA MEET

Members of National Championship Tennis Team Will Participate In Tournament.

Wilmer Hines and Dave Morgan, two members of last year's national championship tennis team left Sunday for White Sulphur Springs, Virginia where they are to play in the Intercollegiate tennis tournament held each year by the Greenbrier Golf and Tennis club.

Coach Kenfield accompanied the boys on the trip and the Tar Heels will strive to win the third leg on the doubles cup as well as take part in the singles competition. Carolina has won two legs on the cup and a victory this year would mean permanent possession of the trophy. Wilmer Hines and Hinky Hendlin won in 1930 and last year Hines teamed with Harley Shuford to take the second leg. The University of Virginia won the first time in 1929 when Alonzo Smith, ranking tennis player teamed with John Martin.

In a wire from Coach Kenfield yesterday he said that Wilmer Hines had been seeded number one in the tournament with Morgan following him on the seeded list. Wilkinson of Marshall college and Morrison of Virginia were the other seeded players being listed three and four respectively. The doubles team of Carolina was seeded number one in that competition.

## DUKE ELEVEN IS HIGHEST SCORING TEAM OF BIG FIVE

Blue Devils Roll Up Total of Fifty-Seven Points; State Takes Second Place.

Duke University's Blue Devils went on a scoring spree at the hands of V. M. I. Cadets last Saturday afternoon to tally at will, running up a 44-0 count in the "Flying Squadron's" own stronghold. When this scoring orgy was completed the Duke gridsters won the right to the Big Five title in points scored.

The Blue Devils of Coach Wallace Wade have a total of fifty-seven points, just ten more than their next rival, the N. C. State Wolfpack. Despite the fact that the Duke gridmen won scoring laurels, they were unable to oust Ray Rex, stellar back on the Wolfpack, from individual scoring honors. Rex, giant sophomore fullback, has eighteen points to his credit; his nearest contenders are three cogs in the Blue Devil backfield, Mason, Cox, and Laney, each having tallied two touchdowns.

Although the field goal has become a rarity with North Carolina elevens, "Galloping Bob" McQuage, Wolfpack field general, managed to negotiate a goal from placement against Richmond college last Saturday. The points after touchdown are also quite rare, but Ershler, Duke back, has made two.

## COLLINS SHIFTS BACKFIELD MEN TO GET DEFENSE

Phipps, Daniels, and McCaskill Are Newcomers in Varsity Combination.

There were several major shake-ups in the rankings of Carolina players yesterday afternoon. Head Coach Collins cited the shortcomings and errors of the Vanderbilt game and started the boys to work for the Tennessee game Saturday at Knoxville.

The team came through the Vanderbilt tussle in good physical condition, Tom White, left halfback, was the only man to miss practice and he was out nursing a wrenched ankle. In the shake-up, Johnny Phipps and Norman McCaskill were shifted to the first team and Johnny Daniels was moved up to the first from the third as a reward for some excellent pass receiving and all-around play against Vandy. Stuart Chandler was the only regular back to hold his position.

The second backfield which worked at blocking ends while the offensive tackle blocked out defensive guards included Woolen, quarterback; Croom and Thompson, halfback; and Lassiter, fullback. Croom took White's position at left halfback with Thompson at right.

The work of Jim Tatum and Bill Collins, substitute tackles was a pleasing surprise Saturday, and Tatum was alternating at both tackles today, obviously set for much service against the Vols.

Coach Bob Fetzer who scouted the Tennessee team against Mississippi Saturday reported the Vols had a wealth of reserve material and he ran the Carolina reserves through Tennessee plays in preparation for a scrimmage against the varsity. The practice was spent in blocking for the most part and the session ended with the varsity backs running against a line of freshman tackles in an effort to improve open field running and drive.

Coach Collins told the boys they were a hundred per cent better against Vandy than they were against Wake Forest; praised the line for its play and the blocking, showing that Carolina outgained Vanderbilt except for a pair of long runs for which the poor tackling of the defensive backs was responsible; and said that the big weaknesses against the Commodores were poor tackling by the backs, poor open field running, and poor pass defense, all credited to the backfield.

Had it not been for these shortcomings he said Carolina would have been playing on even terms with one of the south's best club's Saturday, and the worst thing to him was that the boys knew how to do these things, having done them last year, but still fell down.

It now appears that Congress was just around the corner when President Hoover predicted a return of prosperity. — *Louville Courier-Journal.*

## AROUND the FIELD

By CLAIBORN M. CARR.

"YOU WILL HAVE ONE thing for your column Monday," Dan McGugin, Vanderbilt coach, told sports writers Saturday night in the dining room of the Washington Duke hotel. "We were darn lucky to beat North Carolina thirty-two points and we had to have the breaks at that. Those three passes that resulted in touchdowns were completed with the help of Providence. That was certainly a great football game this afternoon, we had an edge over the Tar Heels but not thirty-two points."

PETE GRACEY, ALL-SOUTHERN center last year and potential candidate for that berth on the all-American team this year commented on the game Saturday night. He spoke very highly of three members of Carolina's line. In his opinion Harry Hodges is one of the best tackles in the south. He said, "Hodges may not be in there making so many brilliant tackles but he is one of the best blocking tackles I have ever played against." You remember Gracey played a guard position on the defense.

JUNE UNDERWOOD AND George Barclay also impressed the Vanderbilt star. Asked what he thought of Underwood as a center of two games experience

he remarked the June played a whale of a game Saturday but that he had little contact with Underwood due to his shift in position on defense. On the offense however, Gracey played opposite the Tar Heel and he said, "Our line plays, two guards and two backs lead the play and all the center can possibly do is to pile the interference, Underwood did this very well and also was good on pass defense, probably the most difficult part of center play."

WHEN TOLD THAT GEORGE Barclay was the only member of the all-time Kiski team that had not made the all-American team Gracey said that Barclay was a hard hitting, clever guard and that he certainly had potentialities and should develop into a great player before his career at Carolina closed.

GRACEY WAS A KEEN OBSERVER of guard play during the game. He told the writer that during the game Carolina guards were pointing the way they were

## VARSITY BATSMEN BEAT RESERVES BY 3-0 SHUTOUT

Griffith and Hutchison Pitch Great Ball for "All-Star" Team.

Coach Hearn's regular "All-Star" varsity baseball squad proceeded to shut out the "Professional" reserve squad in another fall practice game yesterday afternoon by the score of 3 to 0. With the veteran Griffith and the promising frosh southpaw, Hutchison, alternating in the box and with "Red" Mathewson receiving their offerings behind the bat in his first appearance this fall, the varsity men outshone their rookie rivals.

Strayhorn, who shared the catching assignment with Mathewson, opened the attack with a triple in the third inning which clinched the victory. After the varsity hitters had cross-
