

# Feathers Leads Tennessee Volunteers To 20-7 Win Over Tar Heel Eleven

Shifty Halfback Scores Twice, Once on a Dash Off-Tackle For Fifty-Four Yards.

## TAR HEELS SCORE ON PASS

Phipps Passed to Brandt for Lone Carolina Score Late In Final Period.

The Tennessee Vols opened up a strong offense yesterday at Knoxville against the Carolina Tar Heels and at the end of the battle the Tar Heels had been swamped 20-7. The Vols exhibited an offense too powerful and a defense too deadly for the Tar Heels and monopolized the play entirely.

Led by the fleet-footed Feathers who scored two touchdowns the Vols were too much for the Collins men. Feathers was the star of the game, kicking, running, and passing in the manner of the old Gene McEver. Several times his punts went out inside the ten yard line and in the early part of the first period he broke off tackle and ran fifty-four yards for a score.

Feathers ran shifftily, utilizing a beautiful change of pace as he dodged and squirmed through the whole Carolina team. His second touchdown came on a pass from Robinson, the boy who was at Carolina a week before going to Tennessee.

## Vols Lead in First Downs

The unofficial record of first downs showed the Tar Heels were not far behind the Vols. Carolina chalked up six first downs to eight registered by Tennessee. But for the third time in as many weekends, Coach Collins' men seemed unable to score when in a good position. Yesterday the Carolina line seemed to lapse into a state of carelessness and the Vol backs smashed through the big blue wall as none of the hefty Vandy backs were able to do.

Instead of the Carolina tackles playing heads-up football, it was the play of June Underwood and his substitute, Gus McIver that stopped the Tennessee thrusts. The Tar Heel flanks and tackles showed flashes of their earlier play but for the most part fell below their usual work. Several times the Vol backs ran back punts for fifteen and twenty yards, and the gains around the ends were large. Brandt and Cozart turned in some nice play at right end, the former taking a pass from Phipps for the Heel score.

Henry Burnett, sophomore halfback, playing his first varsity game, was a pleasing surprise to Coach Collins, the Phipps to Burnett passing combination netting some nice gains. Charley Woollen showed a vast improvement over last week and seems to have hit his stride. His choice of plays was better yesterday and he returned punts with new drive.

## Tennessee Scores Early

The Vols scored in the first quarter after an exchange of punts left Chandler kicking from his own nineteen yard line. Franklin, Tennessee tackle was in and blocked the kick, knocked the ball behind the goal line and caught Chandler as he recovered for a safety. Carolina took its free kick from the twenty yard line and on the second play, Feathers squirmed through tackle and raced fifty-four yards for a touchdown and the score was eight to nothing, the kick being wide. Underwood intercepted a pass and Cozart recovered Dorsay's fumble to stop two Vol threats and end the scoring for the first quarter.

The Vols scored again early in the second period, after an

exchange of punts gave them the ball on Carolina's thirty-two yard line. Feathers skirted end for fifteen yards and then took a pass from Robinson and raced to a score. The kick was again wide. Little Johnny Daniels did some nice playing in this quarter, making some nice gains and catching a pass from Chandler for a first down.

The final Tennessee score came in the third period when Franklin recovered Phipps' fumble on Carolina's thirty-one yard line. Feathers passed to Rayburn for a twenty-eight yard gain, after officials ruled interference on the part of Daniels. There was another pass and Chandler interfered and Tennessee got a first down on the two yard line. On his third try, Wynn bucked over for the score and again the kick was wide.

## Carolina Scores

As the fourth quarter opened Carolina was backed to her twenty-eight yard line through a twenty-three yard gain in two tries by Robinson, who passed over the goal line on the fourth down. Phipps passed to Burnett for a couple of neat twenty yard gains, but the Vols held and Woollen's punt was downed on Tennessee's thirteen yard line. The Vols kicked out and Woollen made a brilliant return to their twenty-nine yard line. Phipps again passed to Burnett for a first down on the thirteen yard line, Burnett and Chandler gained a first down on the three yard strip. The Vols held but on the fourth down Phipps passed to Brandt over the goal for a touchdown. Lassiter placekicked the point. The rest of the game was a kicking duel between Woollen and Brackett.

## Stars On Defense

June Underwood, husky Carolina center, whose play against the Vols stamps him as one of the best centers in the south.

## LOCAL HIGHS WIN FROM CARY TEAM

Chapel Hill Defeats Cary 13-0 in Hard Fought Football Contest at Cary.

Chapel Hill high school was victorious over Cary high school 13 to 0 in a hard fought contest Friday afternoon at Cary.

The winners counted first in the second quarter after they had stopped a Cary threat in the opening period which took the losers to the twenty yard line. The score came on a steady drive from midfield in which Rigsbee featured. Barnes ran the ball over from the eight yard line. The final marker came in the third quarter after Rigsbee and Barnes had intercepted passes, giving Chapel Hill the ball on Cary's forty-yard marker. From here the winners made four straight first downs, taking the ball to the three-yard line. Parlin, hard driving fullback scored on a plunge over center.

Cary made their biggest threat in the final period, making four first downs in a row and putting the ball ten yards from the goal line. The Chapel Hill line braced and stopped Cary one foot short of a touchdown, the ball going over on downs. Cannada then kicked out of danger to Chapel Hill's forty-yard marker. The game ended with the winners in possession of the ball. Chapel Hill had twelve first downs to Cary's eleven.

## Bill Carr Is Modest About Olympic Win

By College News Service Philadelphia, Oct. 8.—William Carr, who last summer humbled "Big Ben" Eastman and became the Olympic 400-meter champion, this week was again registered at the University of Pennsylvania. Interviewed on his return to the university, he gave full credit for his victory to Pennsylvania's head coach, Lawson Robertson. "I consider my victory, not a personal triumph, but a tribute to the coaching genius of Lawson Robertson and Ted Meredith, his assistant," said Carr.

## AMERICAN UNIVERSITIES FORCED TO RETRENCH

American colleges and universities are carrying on during the present economic conditions by reducing salaries and suspending building programs and activities that are not absolutely essential.

Very little change is expected in the general level of the fees and tuition per student. A few schools will reduce these rates, but some few will, on the contrary, increase them. Some of the universities will eliminate or curtail their extension and correspondence work, while in other schools appropriations for scientific research will be reduced or dispensed with entirely.

## CLOSE CONTESTS MARK BEGINNING OF INTRAMURALS

Sigma Nu Rolls Up Large Score As Tag Football Gets Under Way in Two Loops.

The intramural tag football tourney finished its first week of play with most of the teams entered seeing action. Lewis with two wins to their credit took a slight lead in the dormitory loop although five other clubs have not met with defeat yet. No team took an individual lead in the fraternity race as twelve had one win and no defeats.

Many of the games were unusually close for early season play, first downs and one touch-down deciding over half of the battles. Some of the teams showed good form while most of the clubs have room for improvement which will come as more contests are played. Although a few of the games were forfeits, more interest seems to be aroused this year than in the past seasons as shown by the large squads lots of the teams have, some having more than enough for two full teams.

## Favorites

In the frat loop Sigma Nu is the favorite to take the title as a result of their thirty-eight points which they rolled up against Zeta Beta Tau. Beta Theta Pi also showed plenty of class in coming back in the last half to win after trailing during the first two periods. Lewis and Grimes are the favorites of the dorm league, Lewis as a result of its two close wins by downs and Grimes because of its easy triumph over Steele 20 to 0.

Sigma Nu with their lop-sided victory took the lead in scoring. The leaders had thirty-eight points and were followed by T. E. P. with twenty-one points and Grimes and Chi Psi who were tied with twenty points each.

The feature game of the week was that played between Lewis and Manly. Manly took a 4 to 2 lead on first downs in the first half, however, Lewis jumped into the lead in the final quarter taking the contest 6 to 4 on first downs. The contest won by A. T. O. and Beta Theta Pi over Phi Sigma Kappa and Theta Chi respectively were also close and won in the final half.

In the standings for the week in the fraternity league no team had played more than one game. Phi Kappa Sigma, S. A. E., Betas, Sigma Nu, A. T. O., Pi Kappa Phi, Theta Kappa Nu, Chi Psi, Kappa Alpha, T. E. P., Lambda Chi Alpha, and Zeta Psi with one win each. In the dormitory loop, following Lewis who had two victories and no defeats were Grimes, Best House, Swain Hall, Old West, and Aycock with one win and no defeats.

## Grimes Leads in Number Of Cake Race Entrants

Grimes dormitory took the lead from Lewis today as to the number of men entered in the forthcoming cake race. Grimes has thirteen, and is closely followed by Aycock, Lewis, and Ruffin with a dozen each. Other organizations stood as follows: New Dorms, eleven; Manly, eight; Mangum, seven; Chi Psi, seven; Everett, six; and S. A. E., four. A prize is offered to the organization with the most entrants.

## Track Managerships

All freshmen interested in trying out for managerships in track and cross-country will report Tuesday afternoon at 4:00 o'clock to J. G. Zaglin in Emerson stadium. Track and cross-country managerships are run in together.

## Backfield Star

Johnny Daniels, Tar Heel halfback who turned in some nice running in yesterday's Carolina-Tennessee tussle.

## DUKE FRESHMEN WIN FROM STATE

Hard-Fighting State Yearlings Go Down Before Duke Frosh By 12-0 Score Friday.

Duke's freshman eleven downed a hard-fighting State yearling team 12 to 0 Friday afternoon at Duke stadium.

Duke's score came as a result of a blocked kick and a seventy-one yard drive. The first came early in the opening quarter with Quinn, Duke tackle, blocking and falling on the ball behind State's goal line. The second was in the third and fourth periods, Alexander scoring on a eleven yard run around left end. Duke's outstanding backs were Russell and Alexander while Raines and Womble were best in State's backfield. In the line Quinn and Dempsey of Duke and Roessler and Sabol of State starred.

## University Of Mexico Wants Booth As Coach

In its effort to establish American football among its activities, the University of Mexico is dickering for the services of Albie Booth, erstwhile "mighty atom" of the football, basketball, and baseball teams at Yale.

During its previous two years of football, Mexico has been coached by another former Yale star, Reginald Root, but now finds itself coachless through lack of funds.

In seeking Booth's engagement, the university has besought the aid of Harry F. Sinclair, prominent oil map, whose generosity provided for Root's expenses last year.

Booth is at present acting as an assistant coach to the Eli eleven at New Haven. This is in line with Yale's policy of asking every captain back as a mentor in his first year out of college.

We Will Be Closed MONDAY, OCT. 10 Due to National Jewish Holiday Berman's Dept. Store, Inc.

## LOUIS SULLIVAN SETS PACE FOR CROSS-COUNTRY

Henry Sullivan and Captain Bob Hubbard Are Second and Third in Time Tryout.

Louis Sullivan was the outstanding performer at the first unofficial time tryout for varsity cross-country men. Sullivan was clocked up with the fine time of 27:40 for the regulation five mile Southern Conference run.

Sullivan was closely followed by his twin brother, Henry, who had a time of 28:29. Other men who were timed are as follows: Captain Bob Hubbard, 28:30; T. L. Cordle, 29:30; Ed Waldrop, 30:00; and Walter Groover, 30:45. These are the only men whose time has been checked over the full distance.

The official trials will be held next week end, and Coach Dale Ranson is expecting some exceptional performances. Some other members of the squad who are expected to set the pace are Tom Henson, Harry Williamson, Benny Rodin, Fabius Haywood, H. W. Gwyn, Joe Pratt, W. I. Williams, Strat Donnell, Jim Farr, and Jim Queen.

## Jensen Out

Clarence Jensen, last year's winner of the Southern Conference meet with a time of 27:10.2, has been confined to the infirmary until recently with a face poisoning. He is as yet unable to start workouts. The only other casualty is T. H. Curlee who is out with a sore foot.

Coach Ranson said that he expected one of the best performances of next week's official trials to be turned in by Edwin McRae, who ran second to Jensen in last year's southern meet with a time of 27:27. The harrier mentor said that McRae stood a good chance of displacing Jensen as No. 1 man for this season.

## South American Teams Fight For Davis Cup

Five nations are entered in the South American zone of the 1933 play for the Davis Cup, symbol of international tennis supremacy. The draw, made recently by the French Tennis Federation, gives Uruguay a bye, with first round matches bringing together Chile and Brazil, and Argentina and Peru.

Play in the South American zone is begun at this time because of the difference of seasons below the equator. The winner of the play in this zone meets the winner on the North American zone next summer, the winner to play in the final round in Europe for the privilege of challenging France's hold on the trophy.

Ireland may get her independence from England but, mark our prediction, she'll never have as much fun fighting with anybody else.—Judge.
