Juniors Agree To Cooperate With Seniors In Dance Affair

Vote Overwhelmingly To Re-
scind Former Stand And
Uphold Lown Contract.

CATE'S PLAN ACCEPTED

Decide To Let Seniors Sell Suf-
ficient Extra Bids To
Offset Deficit.

At a well-conducted meeting last night in Gerrard hall the junior class with Vergil Weathers presiding voted overwhelmingly to rescind the stand taken Monday night and to uphold their part in the annual junior-senior dance set next week-end.

The juniors agreed to co-operate whole-heartedly with the seniors in the affair and accepted a proposal set forth before them by President Lindy Cate of the seniors with several adjustments.

Seniors To Sell Bids

Cate's plan stipulated a sale of the remaining bids by both classes at \$1.50 each, the proceeds to be divided equally between the two. At the suggestion of Ed Kahn, however, the juniors passed the motion to the following effect: that the seniors be allowed to sell sufficient extra bids at \$1.50 to offset any deficit that class may accumulate. When this needed amount is raised through the sale, all bids still remaining are to be destroyed and the sale closed.

The juniors' action concluded a week of intense class confusion resulting from various misinterpretations on the part of both. Thorough co-operation is now expected by dance officials.

FROSH WILL USE NEW MATH TEXT

Revised Edition of Introductory
Mathematics Released a
Few Weeks Ago.

Introductory Mathematics, the freshman mathematics text for the past few years, has been revised and published in a cloth-bound volume. The new book, written by Dr. E. T. Browne and Dr. J. W. Lasley of the University mathematics department, was released by McGraw-Hill Book company a few weeks ago.

The authors state that the book is written in much simpler style than the former edition. Parts of the book have been altered and certain problems changed or deleted. Professor J. B. Linker of the mathematics department proof-read the edition.

Not only is the binding an improvement over the former mimeographed edition, but the texture of the paper is better. Logarithm tables are included, providing a new convenience. The book will retail at \$2.75.

Limestone College of Gaffney has adopted this book for use next term, and other schools are expected to use it within a short time.

May Festival Today

The annual May day festivities in honor of the high school May queen will take place this afternoon on the lawn of Chapel Hill high school. Virginia Burch will be honored as Queen of May. More than 250 school children will participate in the May fete.

Large Staff Used At Swain To Serve Voracious Students

Discounting Food Not Measurable in Pounds, as Eggs, Milk, or
Flour, Patrons of University Commons Consume About
100 Tons, or 200,000 Pounds, Yearly.

Working on a yearly budget of \$120,000, Swain Hall feeds each year between 500 and 750 men and employs between 60 and 80 students. It has been managed by Obie Harmon since January 2, 1920.

Of the kind of food that can be measured in pounds, which does not include many large items like eggs, milk, or flour, which comes by the barrel, Swain Hall is using about 100 tons, or 200,000 pounds, per year.

Over a hundred thousand pounds of ice are used, about 200,000 napkins, 15,000 pounds of washing powder and other soaps, and around 4,000 pounds of salt.

Humpty-Dumpty and Family

Swain Hall will use this year approximately 230,000 eggs, that is, around 19,000 dozen.

Thirsty students this year will consume about 20,000 gallons of milk, (unless 3.2 throws the figures off too much) and about 1,200 gallons of ice cream and punch.

Flour will amount to 240 barrels. Chickens to 12,000 pounds,

ORDER OF GRAIL ELECTS LEADERS AT ANNUAL FETE

McMillan, Nisbet, Groover, and
Patterson Become Officers of
Honor Organization.

At the annual banquet of the Order of the Grail last night in Graham Memorial R. D. McMillan was elected president for the coming year, replacing Bobbie Mason, this year's president. Other officers elected were Tom Nisbet, secretary, and Simmons Patterson, assistant treasurer.

Walter Groover, assistant treasurer for the past year, automatically replaced C. C. Hamlet as treasurer. Nisbet succeeds Claiborn Carr as secretary. All incoming officers were elected unanimously.

Speakers

Dean Francis F. Bradshaw and Dr. W. S. Bernard were speakers of the evening. Dean Bradshaw, an honorary member of the Grail stated that the Order had made great progress in accomplishing its initial aim of social unity on the campus. Consequently, he declared, the organization might assume an added objective, which he would suggest to be a "restoration, re-intensification, and revivification of the honor system." Dean Bradshaw qualified his statement, saying that he believed in the present honor system but considered that much could be done to strengthen it.

Dr. W. S. Bernard, an organizer of the Grail, pointed first to some matters that the Order might apply its strength in the betterment of the campus. Continuing, Dr. Bernard spoke on the main characteristic of the organization, unselfishness.

The new members were guests of honor at the banquet.

SEMINARY GROUP TO ADDRESS 'Y' MONDAY

The last regular meeting of three 'Y' cabinets will be conducted Monday, May 8. At this time the members of the delegation from the Virginia Theological Seminary will address the groups.

The delegation consists of Reverend A. C. Zabriskie, professor of history in the seminary, Henry Johnson, former assistant to Dean Bradshaw, and Doc Hines. They will also conduct an informal discussion at the Parish House Saturday night on "Vocation," and will discuss "Vital Religion" at the Student Forum Sunday night. Reverend Zabriskie will deliver the sermon at the Chapel of the Cross at the regular services on Sunday.

More Than 50 Representatives
Will Arrive Here This Morn-
ing for Conference.

LUNCH TO OPEN MEETING

President Graham Will Deliver
Opening Address; Goerch
To Speak at Dinner.

Over 50 delegates from colleges in North Carolina will arrive in Chapel Hill this morning for attendance at the fourth annual congress of the North Carolina Federation of Students.

Among the colleges sending representatives are some who do not yet belong to the federation but who wish to join the organization. Delegates from non-members of the federation will not be counted as official, but they will have a voice in the discussions and will be able to contribute their ideas to the discussion groups.

PAYMENTS DELAY ANNUAL PRINTING

Editor States Purpose Is to
Pave Way for Better Is-
sues in Future.

Being held up by the failure of students and organizations to pay for their space, the 1932-33 Yackety Yack will appear in the latter part of this month, Editor Nutt Parsley announces.

Parsley states the primary aim of the forthcoming annual as being to prepare the way for better issues in the future. New systems have been innovated which will make possible more outstanding books in the future, but which must be developed over a period of time. The editors have been handicapped in preparing the present issue by lack of cooperation from a number of students and organizations and by efforts to reduce expenditures. Because of a Publication Union regulation, no picture may be printed in the yearbook until the required space has been bought.

The editor commends the staff for their work upon the book, especially the large number of freshmen who were staff members this year.

Girls to Visit Church

The girls' student organization of the Woman's College from College Place church at Greensboro will be guest of the Wesley Student Association of the local Methodist church Sunday evening at 6:45 o'clock and will present the evening's program. University students are invited to be present.

Mayor Welcomes Students to Greensboro

To the Student Body
Of the University:

As Mayor of Greensboro it gives me great pleasure to extend to the students of the University a cordial invitation and welcome to attend the annual game between the University of North Carolina and the University of Virginia. This game has long been a classic in southern athletics and Greensboro is very happy to play host to this battle which never fails to draw a large crowd and to attract great interest.

The people of Greensboro have always been most enthusiastic in their support of the University and being close

to her have always maintained the most friendly and pleasant relations both with the University and Chapel Hill. Both culturally and athletically Greensboro has contributed much to the University and has never failed to take a lively interest in her welfare.

I sincerely hope that this fine contact will long continue and hope that Greensboro will have the pleasure of welcoming not only the two teams but a good crowd of Carolina supporters to help out the Carolina fans over here.

Very truly yours,
PAUL C. LINDLEY,
Mayor.
