

**DR. EDGAR KNIGHT IS CO-AUTHOR OF VOLUME ON CHINA**

Book Is Composed of Reports of Two-Year Study by Research Staff in Orient.

Dr. Edgar W. Knight, of the department of education, is one of the authors of "China," a new volume of 725 pages recently published by Harper's.

The book is made up of reports of the research staff sent to that country two years ago by one of the foundations to study the conditions of agriculture, industry, education, medicine, the church, and social work. It gives intimate glimpses of critical conditions in these activities, treats their problems, notes their achievements, and analyzes their trends.

**Contributes Section**

Dr. Knight, who was on leave of absence from the University to help make this study, contributed the section that deals with education supplied in China by funds from the United States, Canada, and European countries. His reports and those of the other seven members of the research staff reveal that the imitation of western theories and practices no longer marks the attitude of the intelligent Chinese in education and religion.

**Mrs. Tatum Injured In Campus Auto Wreck**

About 3:30 o'clock yesterday afternoon, Mrs. Tatum, Chapel Hill resident, was slightly injured when the Chevrolet coach she was driving was struck head-on by a Ford convertible coupe drive by Jack Tyree, student at the University.

The accident occurred in front of Old West dormitory, and according to witnesses, Tyree was waving to a friend on the sidewalk when his car swerved to the center of the road and hit Mrs. Tatum's vehicle. Mrs. Tatum was taken to the University infirmary, but since Dr. Berryhill was out, she was taken to the offices of Dr. Abernethy.

**FIREMEN WILL SPONSOR COMEDY GIVEN THIS WEEK**

The Chapel Hill fire department is sponsoring a musical comedy, "Cupid up-to Date," which will be presented at the Chapel Hill high school auditorium October 6 and 7. A cast of about 75 of the town's best talent has been selected and much interest is being shown by those taking part.

"Cupid up-to Date" is a play combining wit, humor, music, and colorful costumes, and weaving these around an interesting plot.

**"PADDY" TO BE SHOWN AT CAROLINA TODAY**

Janet Gaynor is said to climax her film career with her best performance in "Paddy, the Next Best Thing," which will run at the Carolina theatre today. In the picture, Miss Gaynor plays opposite Warner Baxter.

Gorgeous in its pictorial scope, "Paddy" is laid against the background of an Irish coastal town where a once influential family is reduced to circumstances which Miss Gaynor tries to improve. A novel feature of the picture is the genuine Irish brogue heard on the screen.

Included in the cast supporting Miss Gaynor and Baxter are Margaret Lindsay, who played in "Cavalcade," Walter Connolly, famous stage actor, and a brood of Irish pigs, which do nobly.

**Business Office Will Pay Change on Large Checks**

Students who gave the University business office checks larger than necessary for their payments at registration will be able to get the change this week, the business office announced yesterday.

The University has, for the last three years, made it a policy not to give change to students for large checks until they have been cleared through the local bank. This usually takes about ten days.

**Directory Due**

The Y. M. C. A. hopes to have the University directory to press by Thursday, Harry F. Comer, secretary of the "Y," stated yesterday. All students who have not as yet checked their names are asked to do so at once so that it may be published as soon as possible. The list of names and information is on the desk of the main lobby of the Y. M. C. A.

**A. K. D. to Meet**

The local chapter of Alpha Kappa Delta, sociology fraternity, will meet tonight at 7:30 o'clock in the A. K. D. room in Alumni building. The election of officers and of new members will take place, and there will be a discussion of local and national business.

**Oh Yeah?**

Among its various uses, the arboretum has come in its own in the unusual pastime of studying. Sunday found more than one group of co-eds sprawled out lazily on shaded bits of ground, busily munching chocolates, studying their math and writing letters home.

**Buccaneer Copy Due**

Members of the Buccaneer staff who have not handed in any copy are requested to meet with the editor tonight at 7:30 o'clock in the office. This meeting is necessary to check those who are

trying out for positions on the staff.

**PARKER'S FAITH IN A SCIENTIST'S "FOOL IDEA"**

*Has Utterly Revolutionized Pens!*

Pen inventors vainly tried for nearly 50 years to produce this "miracle pen." Not merely a pen without a rubber ink sac, but a sacless pen without piston pump or valves—with nothing to render it useless later. Finally most pen makers gave it up as a "fool idea."

Then a scientist at the University of Wisconsin conceived this revolutionary principle—the Vacuumatic Filler. He brought it to Geo. S. Parker, and we spent thousands to perfect it. It is guaranteed mechanically perfect.

A pen with twice the ink capacity—a twice greater beauty and distinction—a 2-way writing point, writing your regular hand on the under side, and finer on the upper side for figuring and interlining. Actually a twice greater value at a favorite price—\$5 and \$7.50.

Now you can see and try this "miracle pen" at any nearby pen counter. Go today. The Parker Pen Co., Janesville, Wis.

Parker Quink—the new non-clogging writing ink with the secret solvent—cleans a pen as it writes! Get Quink from any dealer, or send two 3c stamps to cover packing and postage for large trial size bottle.

Transparent Laminated Pearl Pen, with 2-way Point, \$7.50; Pencil to Match, \$3.50  
Jet or Plain Transparent Pen, 1-way Point, \$5; Pencil, \$2.50

**"WHEN A FELLER NEEDS A FRIEND"**

... here's a friend, indeed!

Placed on the market a few months ago, this pipe mixture made many friends before it had a line of advertising.

Said one smoker to another: "Try a pipeful of this mellow mixture. I've paid much more for tobacco not nearly so good!"

Aged in the wood for years . . . there's not a bite in a barrel of BRIGGS! But BRIGGS would much rather talk in your pipe than in print. Won't you try a tin and let it speak for itself?

BRIGGS Pipe Mixture is also sold in 1-pound and ½-pound tins . . . and in 1-pound Humidor Kegs.

ONCE AGAIN THEY COME TO ENTHRALL YOU!

Janet Gaynor and Warner Baxter... who entertained you in "Daddy Long Legs"... will win you again in this delightful romance of a fiery... gay... roguish imp... and a big strapping fellow with a heart of gold and a twinkle in his eye.
