

REVIEW RELEASES GRID SUPPLEMENT

Pamphlet Published by Alumni Association Features Florida's Win Over Carolina.

Featuring Florida's win over Carolina last Saturday, the weekly football supplement to the Alumni Review, edited by J. Maryon Saunders, was distributed yesterday from the office of the Alumni association.

Telling of Carolina's lack of offensive drive in the match, the general story of the game appears in the first part of the four-page pamphlet. In this article the fact is brought out that the Tar Heels put up a fine defensive game, but were not given a chance to play an offensive game because of the opponents' excellent punting.

A play-by-play account of the game is displayed on the second and third pages of the issue. On the last page is an announcement of the Homecoming celebration planned for this weekend. A short section is given over to the coming Carolina-Georgia Tech encounter and to the freshman football team's battle tomorrow with the State College first year team.

"From the Coaches' Bench," Coach Chuck Collins' weekly contribution to the review, is featured on the first page of the supplement. "Florida's tackling was good enough to stop our running attack," states Collins, "and as a result we had to turn to forward passes. Being on our own ten and 20-yard line practically all the time did not make our uncertain passing attack a desirable weapon to use." The head coach goes on to tell how Carolina failed even when passes were resorted to.

Statistics are printed throughout the review, and pictures illustrate the players of both teams in action.

SIGMA NU DOWNS THETA CHI, 60-0

Phi Gamma Delta provided another upset in the tag football circuit in conquering Phi Delta Theta, hitherto undefeated, 6-0. Hodges passed 30 yards to Johnson for the lone touchdown in the fourth quarter. Hodges and Johnson were outstanding for Phi Gamma Delta while Moffitt and Tucker stood out for Phi Delta Theta.

Ruffin nosed out Old East 7-6. McKinnon ran 8 yards around end for Ruffin's touchdown and heaved a pass to Leight for the extra point. Ellis thrilled the spectators when he tore down the field for 60 yards and a touchdown upon returning a Mangum punt. McKinnon and Leight stood out for Ruffin while Ellis carried off honors for Old East.

Zeta Beta Tau counted its second win of the season on a forfeit from Phi Sigma Kappa. No intramural games are to be played today on account of the annual Cake Race. The schedule will be resumed Friday.

SHE'S IN THE MONEY

The gal pictured above behind all the filthy lucre is none other than charming Lynn Browning from Kansas City, Mo. She stands 5 feet 3 1/4 inches in her stockinged feet, has brown hair, brown eyes, and weighs 119 pounds. Although we ain't from Missouri, we've got to be shown. This Kansas City kitty does her stuff in "Gold Diggers of 1933" at the Carolina today.

Cake Racers Set For Tenth Annual Event

All entrants must register as a member of their team before the race. The office at Emerson field will be open from chapel period on up to the race to receive these team registers. Men should register as early as possible.

All men should report to Emerson field between 3:00 and 3:45 to obtain his number for the race. Every runner must have a numeral and these numbers must be worn on the front. The first 50 men who cross the finish line in order will receive the first fifty places in the race, and each of these 50 will be given a card designating his position. These cards are important when the prizes are awarded.

The officiating will be done by the cross-country and track coaching staffs, with members of the cross-country team assisting. Judges will be at all corners on the course. Cakes will be given to the first ten teams which finish. These cakes are being given by Crescent Cafeteria, Swain hall, Gooches, Tar Heel Restaurant, Carolina Coffee Shop, Harry's Grill, Chapel Hill Bakery, and three cakes by the intramural department. The course being used this year is not the one used last year but it is the one which was run in all the other races. Hal Meade, 1930, holds the distinction of being the only one to run this 1.9 mile course in less than ten minutes, his time being 9:51:4. Last year Louis Sullivan won the race with a time less than eight minutes over the shorter course.

Doping The Sports

lina during the past three years, has been back on the Hill for the past week showing Coach Kenfield's racquetters some of his old tricks. Wilmer had a very successful season at tennis this past summer being ranked with the best in the biggest tourneys of the country. Hines will certainly be missed by the basketball and tennis teams, especially the latter. The former captain was not defeated by an opponent from another school during the three years that he was a member of the net squad.

Workman Surveys Week's Grid Battles

(Continued from page three) and Gailus, all-American guard, were best for the Buckeyes.

Northwestern Victorious
A highly aroused Northwestern team came out of its lethargy to score for the first time this season. A blinding rain, shifting winds and Indiana's big Hoosiers failed to stop the Wildcats as the Pack ran wild to win, 25-0.

The Wildcats scored in every possible manner: safety, touchdown, point after touchdown, and field goal. Chambers, huge sophomore tackle, placekicked a field goal from the 34 yard line. A fast charging Purple line blocked three Indiana punts. Ed Manske was the defensive star, as usual for Northwestern.

Purdue Wins
Purdue came back to put a crimp in Chicago's New Deal and won its first conference victory, 14-0. Jim Carter, left half, and Duane Purvis, right half, scored for the Boilermakers on long runs. Berwanger and Zimmer, Chicago's flashes, were held in complete check by a stubborn Purdue line.

Iowa kept up its sensational work by soundly trouncing Wisconsin for the first time in several years, 26-7. The Hawks played inspired football. Although Dick Crayne, the Hawkeye soph sensation, didn't score, he was directly responsible for every Iowa point. His buddy, Joe Laws, got two touchdowns. The Badgers continued their poor playing from the Illinois game.

Lund, Minnesota's star half, personally led the power-house attack of the Gopher eleven to a surprising 7-3 win over the Pittsburgh Panthers. Lund passed, kicked, ran and blocked superbly. Minnesota's giants, who have yet to suffer a loss, although they have been tied twice, scored in the first quarter. Weinstock kicked a field goal for Pittsburgh's lone points.

Army-Carnegie Tech Win
Army whipped Illinois, scoring a touchdown in the first quarter and then marching on to a 6-0 victory. It was the first intersectional game lost by a Big Ten team this year. Notre Dame lost to Carnegie Tech, 7-0, before 57,000 astounded spectators. The Tartans scored on the third play of the game.

This week's games promise some real football. Michigan faces Chicago's best team since '25. The up and coming Northwestern eleven meets the Buckeyes at Columbus, in what should be a battle royal. Minnesota and Iowa come to grips at Minneapolis in another great battle. Purdue meets Wisconsin and Notre Dame will try to come back against Pittsburgh.
