

PIKAS UPSET DKE IN OPENING MURAL BASEBALL LEAGUE

(Continued from page three) run decision.

Little Gets Win

Little, Pika hurler, was in trouble on several occasions, but he was supported brilliantly by his mates. Spears, Faucette and Barwick led the hitting of the victors. Woollen and Hart were best for the Dekes.

With Aitken twirling, Swain Hall vanquished Grimes, 14-0. Swain Hall tallied four runs in the third inning, and seven in the fourth to register an easy victory over their opponents. Dupree, Daniel, and Rhodes featured for Swain Hall while McCahren and Wright stood out for Grimes.

Aycock registered a decisive win over Old East, 6-0. Novich's pitching and hitting was outstanding for Aycock. Donovan, Ellis and J. Moore were the shining lights for Old East.

Delta Tau Delta and Phi Alpha engaged in a slugfest which was won by the former, 12-7. Spotting Phi Alpha a 5-2 lead, the D. T. D.'s went on a scoring rampage in the fourth inning to count seven markers. Whicker, McCollum and Lee led the stick work for Delta Tau Delta while Langsam, Unger, and Greenberg aided the Phi Alpha cause.

Because of the freshman baseball game today there will be no intramural games. Play will be resumed again Monday.

Kenfield Announces Improved Facilities

(Continued from page three) stated, "It's easy enough. Our clay courts will be kept in the 'pink of condition,' they will be watered every night for almost three hours and again at mid-day the courts will be watered until 2:00 o'clock. This hasn't been done before, because we did not have the proper financial backing."

Besides the four clay courts, there are a pair of cement-preparation courts which will be ready for use. This new system will accommodate 16 men on the clay and eight on the cement. In case the students have not been able to get in touch with the managers during the afternoon, they can still get in

touch with Ed DeGray, FERA employee, who will be on duty from 8:00 to 10:00 o'clock in the evening at the tennis office at Emerson field. Students are urged to call him at 3431, and DeGray will see about accommodations. The first to come will be first to serve, and if late more than 10 minutes, the scheduled players will forfeit their rights to the courts to the next in line.

George H. Lawrence told Coach Kenfield the reason the courts were not finished on scheduled time. CWA funds required that all work be completed by May 1, and when the curtailment came, the University was unable to complete them. Now the work is being carried forward by students.
