University Club Smoker Begins Program Of Junior Organization

Broadcasts Planned as Part of Work.

Campus Leaders Address Freshman Class in Swain Hall; Affair May Be Annual.

GROUP TO SPONSOR RALLY

With Jimmy Fuller and his newly-formed orchestra supplying the music and a galaxy of campus leaders furnishing a peppy program, the University club smoker for Carolina's new freshman contingent inaugurated the junior spirit organization's 1934-35 program.

The freshmen heard words of advice, encouragement, and spirit by eight outstanding campus leaders, including Virgil Weathers, student body president, Harper Barnes, Jack Pool, J. D. Winslow, Lonnie Dill, Frank Abernethy, Agnew Bahinson, and George Barclay. Phil Hammer, University club president, acted as toastmaster.

Radio Program

A strenuous program of activity on and off the campus has been planned for the club during the fall quarter. A weekly radio program over station WDNC, Durham, is one of the many features.

A cheering section will be organized immediately in preparation for home football games, the first step being taken this afternoon when freshmen gathered at Kenan stadium for cheer practice under the direction of Head Cheerleader Lester Ostrow.

The customary function of the group—that of welcoming visiting teams—will be administered by a special committee for the purpose. A definite budget for this work has been set aside.

First Affair

Last night's smoker was the first such affair sponsored by a student group for the new men. It is expected that it will become an annual event.

Membership to the University club is obtained only through selection by fraternities and dormitories of one candidate from each group for membership. There are 40 members in the organizations at present.

The first meeting of the group proper will take place Monday night in the club room in Graham Memorial at 7:15 o'clock.

Rehearsal Scheduled For University Band

Present enrollment points to a highly successful season for the University Band, which will conduct its first rehearsal Monday night at 7:00 o'clock in Hill music hall.

Director Earle A. Slocum urged yesterday that all old members and any prospective new members be on hand for the practice.

This rehearsal, together with another that will follow on Thursday, will be the only ones before the first football game here September 29 with Wake Worest, Slocum announced.

MEETING CALLED FOR ANNUAL BUSINESS STAFF

Students interested in trying out for the Yackety Yack business staff should report to the office of the publication in Graham Memorial this afternoon at 2:00 o'clock, it was announced by A. H. Bahinson, business manager, yesterday.

Tar Heel Meeting

Last year's staff members of the DAILY TAR HEEL are asked to report to the office for work this afternoon at 3:00 o'clock. Temporary assignments will be given until new men report and a re-organization meeting is assembled.

All freshmen wishing to try out for the staff are asked to call by the office, 205-6 Graham Memorial, between the hours of 3:00 and 4:00 o'clock next Tuesday, Wednesday, and Thursday.

SEIZE LINDBERGH KIDNAP SUSPECT

Alleged Kidnap of Charles A. Lindbergh, Jr., Entered Country Unlawfully in 1923.

New York, Sept. 20.—(U.P.)—Police announced that the man who received \$50,000 from Colonel Charles A. Lindbergh, after promising to release the latter's kidnaped son, was under arrest here tonight.

Police Commissioner John O'Ryan said, "We have in custody the man who received the ransom money. His name is Bernard Richard Hauptmann, lives in the Bronx and came to this country as a stowaway 11 years ago. He is an alien and unlawfully in this country."

\$13,750 was found in a garage near Hauptmann's home. The money was identified as part of the ransom which Dr. J. F. Condon tossed over the cemetery fence to a man who promised to return the baby.

O'Ryan believes the arrest will lead to the complete solution of the Lindbergh mystery. Condon was taken to the police station to confront Hauptmann late today but all actions were kept secret.

The police secretary said, "the prisoner was identified by witnesses."

DR. WILSON MADE DISTRICT HEAD OF PHI BETA KAPPA

Also Named on Two Committees At Cincinnati Conference.

Dr. Thomas J. Wilson, Jr., University registrar and dean of admissions, was elected chairman of the South Atlantic District of Phi Beta Kappa, national honorary scholastic society, at sessions of the 18th Triennial Council of the organization which have just been held at Cincinnati. He succeeds the late President Chandler of the College of William and Mary.

Phi Beta Kappa chapters in the United States are divided into six districts, and the South Atlantic district, over which Dean Wilson will preside, is composed of Delaware, Maryland, Virginia, West Virginia, North Carolina, South Carolina, Georgia, and Florida.

Dean Wilson was also named on two important committees, the committee on revisal of the ritual of initiation and the ad interim committee on revision of the constitution and by-laws of the United Chapters. The latter committee is composed of three senators of Phi Beta Kappa and one member from each of the six districts.

INTERFRATERNITY COUNCIL STATES RUSHING ORDERS

Rushing Lasts From Sunday Through October 6 When Second Silence Period Starts.

GROUP ASKS CO-OPERATION

The 1934 regulations for fraternity rushing have just been posted in all dormitories and fraternities by the Interfraternity council. Harold Bennett, council secretary, in the absence of Will Sadler, who is attending law school in Alabama, has urged all fraternity men and freshmen to study carefully the regulations before the beginning of the actual rushing period Sunday.

12-Day Period.

A period of 12 days rushing will begin Sunday, September 23, and extend through midnight, October 6. Before this time, exists the first period of silence, during which no fraternity man is permitted to rush freshmen or new men. The hours of rushing will be from 2:00 until 4:00 o'clock and from 7:00 until 9:00 o'clock every day except Friday, Saturday and the last day of rushing, when the time will be extended until midnight.

Following the rushing season, there will be another period of silence last two days, from midnight, October 6, until October 8. This period is given to the new men in order that they may make a careful selection of the lodge which they wish to pledge.

Compulsory Attendance. Rushing for the first day shall be done by invitation. These invitations, made by members of

TEXTILE WORKERS SHUN MEDIATION

Strike Continues Pending Decision of Executive Council; Marine Strike.

Washington, D. C., Sept. 20.—(U.P.)—The President's mediation board urged today that the labor unions call off the widely-flung textile strike pending the establishment of a series of boards to study conditions in the industry.

The White House made public officially today the report of the mediation board headed by Governor John Winant, of New Hampshire.

Leaders Decline

The strike leaders, after reading the Winant report, declined to call off the strike until the executive council had been consulted.

The report divided the industry into four sections and made specific recommendations for each.

In Easthampton, Mass., the National Guard was called to their first textile strike duty in the state, when a company came here to restore order.

Longshoremen Strike

San Francisco, Cal., Sept. 20.—(U.P.)—Dollar Line officials today acceded to the demands of 200 striking longshoremen that 16 non-union men, employed on the liner President Taft, be discharged.

The strike was finally called off after the police had escorted the non-union men through 1,000 pickets.

MORE THAN 2512 IN FALL QUARTER THOMPSON SAYS

New Classes Formed for Freshmen; Many More to Register; May Reach 1930 Peak.

COUNT IS NOT OFFICIAL

Two thousand, five hundred and twelve students are estimated to be enrolled in the University, according to an unofficial count made after the registration booths closed yesterday by M. L. Thompson, auditor.

At the time of Thompson's computation, approximately 20 students were still standing in registration lines, and were not included in his reckoning.

To Reach 1930

A large number of students here are yet to register, according to University officials, and indications point to an enrollment approaching the 1930 peak. Freshmen had to be turned away from the registration desks Wednesday because there were no more first-year classes to which they could be assigned; and due to the Jewish holiday, a number of individuals have been granted privileges of late registration.

Before the registration period began University officials had approved applications from 960 prospective freshmen and 250 other new scholars who were transferring from other institutions.

At the regular freshman enrollment period Wednesday, 701 first-year men signed up for classes. Yesterday 30 additional members of the class of 1938 enlisted with the upperclassmen.

More first-year men are expected to register today and tomorrow, for 741 individuals took the English placement test Monday for entrance into the University, and officials have continued to quiz latecomers with the same examination throughout the week.

1801 Upperclassmen

Subtracting the 731 freshmen known to be registered in the University from the approximated 2532 enrollment leaves 1801 upperclassmen in school.

All the dormitories on the campus are filled to capacity, it was learned from business office officials late yesterday.

The number of students enrolled at present is higher than the total registration count made October 13 last fall. At that time 2410 individuals were in school.

At 4:45 o'clock yesterday during the upperclassmen registration period an estimation made by Auditor Thompson revealed that 2434 persons had enrolled counting the Wednesday freshman enlistment, but the lines were full at the time of the computation and the number signing up for classes jumped to 2512 in the next half-hour.

The rumor circulating around the campus that 300 students had come to the University from the Woman's College in Greensboro was pronounced to be false by G. K. G. Henry, assistant registrar.

Excuse It

The time of the tuberculin test, contrary to the story on page three, is from 9:00 to 4:00 o'clock today and from 9:00 to 1:00 o'clock tomorrow.

Council Re-establishes Exterminated Buccaneer

First Assembly Today

Dr. Edwin Mims, formerly professor of English at the University, will deliver the address for the opening convocation at 10:30 o'clock this morning in Memorial hall. Dr. Mims is at present a member of the Vanderbilt University faculty and is also author of a book, "The Advancing South."

Regular 11:00 o'clock classes will be deferred until 11:20 to lengthen the assembly period for Dr. Mims' talk.

COUNCIL CHOOSES BENNETT AS HEAD

L. C. Bruce Elected Secretary; Frank Rogers Replaces John Schiller as Treasurer.

The Interfraternity council met last night in its first formal meeting of the year for the purpose of electing a new president and discussing the rushing regulations.

Harold Bennett, Theta Chi, was elected from his previous office of secretary to the presidency to defeat B. C. Keeney, Sigma Chi. L. C. Bruce, Phi Gamma Delta, was unanimously elected secretary.

John Schiller, Zeta Beta Tau and treasurer of the council, tendered his resignation last night. The group accepted it and selected Frank Rogers, Phi Delta Theta, to fill the vacancy.

In a discussion of the coming rushing season which begins Sunday it was voted that rushing be suspended an hour Monday night in order not to conflict with a meeting of the Freshman Friendship council. The new hours will be from 8:00 to 10:00 o'clock Monday night.

Arrangements were made for this meeting at an informal gathering of the group Wednesday night.

CO-ED DORMITORY READY FOR EXTRA WOMEN STUDENTS

Women Will Occupy Graham Dormitory This Year.

Graham dormitory was opened Wednesday for girls in order to accommodate the 30 co-eds who applied to enter the University after Spencer hall was filled. Mrs. Holt from Lynchburg, Va., is to be the new hostess.

Only the first and second floors are now ready for students, but as the need for more space becomes greater the third floor will be put in order. Equipped for boys, Graham dormitory was first used for women graduate students last year. Most of the co-eds who have chosen Graham this year have completed their undergraduate studies.

The dormitory has 54 rooms and will accommodate 108 students. Little new furniture has been purchased.

Graham dormitory is under the same regulations as Spencer hall. Mrs. Stacy, dean of women students, stated yesterday that she will cooperate with Mrs. Lee and Mrs. Holt in an endeavor to make the students feel as much at home as possible and in creating for the students an enjoyable atmosphere.

GOVERNING BODY REVERSES RULING

Vote to Resurrect Humor Magazine Is Almost Unanimous; Editor on Probation.

NAME WILL BE CHANGED

The Buccaneer, exterminated by the student council, has arisen.

By an almost unanimous vote, the council Wednesday night reversed its decision of June 11 abolishing the campus humorous magazine and resurrected it, subject to the censorship of a board composed of one member elected from the student council and two appointed from the Publications Union board.

Pat Gaskins, editor, was put on probation by the council under penalty of "immediate and indefinite suspension."

Action of the June 11 meeting was upheld only in that the name, "The Carolina Buccaneer," should be banned. A new magazine, "dedicated to clean wit and humor," would be erected in its place, said the council.

No details, however, were evident as to how it should differ from the former publication except in name and lack of obscenity.

Called a week after the final issue of the Buccaneer had been distributed and after vacation had begun, the June 11 council assembled, it was felt, due to administrative pressure.

Council Influenced Plea for its re-instatement on the part of students prominent in campus publications influenced the council in its meeting Wednesday night. A previous meeting had been held Tuesday night, when the students appeared before it.

Only four of the nine regular members elected by the student body were present at the June 11 post-vacation meeting.

Editor Gaskins was not present at the meeting. He knew the subject of discussion was to be the Buccaneer, he said, but did not attend because he understood Virgil Weathers, president of the student body and of the council, to say that no definite action would be taken on the matter at the time.

The council's objection to the issue included two items. Gaskins explained their presence by saying that he was hurried in getting enough copy for the magazine and read them only "sketchily."

Delay in Notifying Delay in notifying that the Buccaneer had been suppressed was evidenced in a letter to Gaskins from W. B. Bradbury Co., national advertising service. The letter, dated September 13, stated that the advertising company "did not hear it was abolished until a short time ago."

Gaskins claimed that he was never notified by the student council of its action.

J. M. Lear, faculty advisor to the Publications Union board, also declared that notification from the student council was never made to him. On learning of the council's action, he said, he acted on his own authority in informing W. B. Pugh of the Orange Printshop that he need not purchase paper for the printing.

Possible suit for damages was averted in this way.
