

## ANTI-WAR GROUP HOLDS SESSIONS HERE NEXT WEEK

Arrangements Committee Schedules Anti-War Convention For November 8-9.

### DUKE STUDENTS INVITED

Plans for a students' anti-war conference to be held here Thursday and Friday, November 8 and 9, were made at the meeting Tuesday night of the anti-war arrangements committee, composed of representatives of 22 campus organizations.

Acting on the principle that war and Fascism, which it considers as being closely related, are menaces to civilization, the committee set the purpose of the conference as the education of the campus on anti-war and anti-Fascist issues.

The prevention of war and Fascism, according to the committee, is only possible before the danger from them becomes acute.

### Not Political Move

Bill Levitt, chairman of the committee, was careful to make it clear that the conference will not be a political move. Its name will be simply the Students' Anti-War Conference.

The conference will be open to the general public and the Duke University student body and faculty; and, in addition, official delegates will be present as representatives of various organizations on this campus.

Tuesday night the committee selected special committees to take care of credentials, speakers, publicity, and delegates. An executive committee was also appointed.

### Two Sessions

The two meetings of the conference will begin at 8:00 o'clock each night and will be divided into two sessions with short recess periods between. The opening session of the Tuesday night meeting will be given over to speakers on war and Fascism. Discussion of the speeches of these men will occupy the second half of the meeting.

## A. & P. DIRECTORS DEFER DECISION

Board Orders 11 Cleveland Supervisors to New York For Information.

New York, October 31.—(UP)—The board of directors of the A. & P. Tea company tonight postponed the decision about re-opening its Cleveland stores until "the situation has been reviewed further."

The board, which had met to discuss the formula for settlement proposed by the National Labor Relations board, ordered its 11 Cleveland supervisors to come to New York tomorrow to furnish information on which a decision may be based.

### \$60,000 Payroll

The executives of the A. & P. company had originally stated that they would rather close their Cleveland stores than yield to labor. There is a \$60,000 payroll to 2,000 people in jeopardy if they follow this plan.

In the meantime a tense situation has grown up in Milwaukee and other cities of the middle west that are threatened with strikes by A. & P. employes and employes in allied industries.

### GEORGIA TECH TICKETS

All students and members of the faculty can secure tickets to the U. N. C.-Georgia Tech game for 50 cents. The tickets are on sale at the athletic office, 210 Graham Memorial.

## ECONOMICS GROUP HEARS J. G. EVANS

Professor Speaks to Economics Seminar in Interesting Discussion Last Night.

Professor J. G. Evans addressed the meeting of the economics seminar last evening on "The General Theory as an Approach to Economics."

Evans stated that all those elements of the environment which help to provide goods for meeting human needs are resources—human, natural, and cultural.

### Basic Problems

"In the utilization of resources every human society is faced with certain basic problems which must be solved in some manner through individual and collective organization and action," Evans stated. "One problem is the combination and control of resources so as to produce as many needed goods as possible and at the same time to give proper recognition to the influence of work and working conditions of those who labor," he remarked.

A second problem brought up by the speaker was the determination of the kinds and quantities of various goods that are produced and their divisions among the members of society for consumption.

"The basic principle of economy in resource utilization is that the natural and technological environments shall make the greatest possible contribution to the attainment of social objectives," said Evans.

Consequently it is necessary to assume a particular set of social objectives and a particular natural and cultural environment before concepts of social effectiveness can be formulated.

"Economics, then, is the science of the effective use of resources through social organization," he said. "It is a study of the phenomena of resource utilization to the end that, through understanding and control, social effectiveness in the production, division, and consumption of goods may be achieved."

### Dr. MacNider Talks At Sigma Xi Smoker

Dr. W. deB. MacNider of the medical school delivered an address Tuesday night to the chapter of Sigma Xi at a smoker in Graham Memorial.

Summarizing his lecture on "The Acquired Resistance to Injury on Fixed Tissue Cells," Dr. MacNider stated, "If the epithelium is slightly injured and it repairs in abnormal fashion, then it does not acquire a resistance to a variety of chemical substances."

### PHOTOS DUE TODAY

Today is the last day that juniors and seniors can have their pictures taken for their respective sections of the Yackety Yack.

All persons who fail to have their pictures taken today will forfeit \$1.25 in class fees.

### Copy for Next Magazine Due November 15

Issue for This Month Will Come Out November 7.

Copy for the December number of the Carolina Magazine will be due November 15, it was announced yesterday by Joe Sugarman, editor.

All persons planning to write articles for the next issue must call by the Magazine office in 108 Graham Memorial this week or next week.

This month's issue of the Magazine will be out November 7, Sugarman said.

Contrary to statements announced last week, this month's copy of the Magazine was delayed at the request of the editor and not because of late work at the printing office.

## NAZI BISHOP SAID TO HAVE RESIGNED

Rumor Reports Ludwig Mueller To Have Given Up Position In German Church.

Berlin, Oct. 31.—(UP)—Unconfirmed rumor here tonight stated that Reichsbishop Ludwig Mueller had resigned his position in the church government of the Nazi state because of growing dissatisfaction with his program for Nazification of the German church.

The rumor followed an announcement that Bishop Hans Meiser of Bavaria and Bishop Theophil Wurm of Wurttemberg, both of whom have opposed Mueller's program, would resume their posts tomorrow.

### Church Left Out

It was learned from reliable sources that the re-instatement of the two bishops was effected without consulting the church government.

Mueller's resignation climaxes a growing split between the administration and the church government. The movement to remodel the church along Nazi lines received so much opposition that it is believed to have seriously embarrassed the government.

The first sign of the withdrawal of the government from the church was given when August Jaeger, lay counsellor for the church government, resigned his position last Friday.

### BAND WILL HOLD PRACTICE TONIGHT

Leaders Will Plan for Football Game with Davidson.

A full rehearsal of the University band will be held in the Music hall tonight at 7:00 o'clock, announced Earl A. Slocum, conductor of the band, yesterday.

Leaders are planning for the band to put on a good show when the 70-piece organization goes with the football team to Davidson.

Davidson has just outfitted a new band and the competition between the two organizations will be keen. Director Slocum has planned a series of special band drills, beginning with the rehearsal tonight.

In addition to the Davidson trip, the band will go to Charlottesville on Thanksgiving to play for the Carolina-Virginia annual football classic.

### League Meets Tonight

The Student Foreign Policy league will meet tonight at 8:00 o'clock in Graham Memorial.

### Suicide's Life Restored For Two Minutes.

Physicians Make Dead Man Breathe with Heart Pump.

Moscow, Oct. 31.—(UP)—High Soviet medical authorities reported today that life was actually restored to a dead man by artificial means for two minutes after the man had been dead for three hours as a result of a suicide by hanging.

The report released today said that life was restored by an artificial heart invention of Professor Sergi Bruikhanenko, one of the country's leading scientists.

The artificial heart pumped blood through the circulatory system for several minutes. Suddenly the man began breathing and showed other signs of life for two minutes.

### PROUTY SPEAKS TONIGHT

Dr. W. F. Prouty will speak tonight at 7:30 o'clock in the fraternity room of New East to the local chapter of Sigma Gamma Epsilon, national geographical society.

The subject of Dr. Prouty's address will be the geology of the Roanoke area of Virginia. All students interested in geology are invited to attend.

## Library Displays Boone Collection

Exhibitions Are in Lobby of Building; Dr. Archibald Henderson Submits Material.

In celebration of the bi-centenary observance of the birth of Daniel Boone, the University library now has on display, in the hall adjoining the main entrance, an extensive collection of Boone material.

The exhibition was drawn from the valuable private collection of Dr. Archibald Henderson and from the North Carolina room of the library.

Among the pieces of particular interest in the exhibit are a cane and paper weight made from the wood of the beech tree on which Boone cut with his hunting knife the words, "D. Boon cilled a bar on tree 1760."

Also shown in the exhibit is an original Boone letter dated 1785. Together with other manuscripts concerning the Boone family, this letter has been used by the many men who have chosen the famous hunter as the subject of their biographies.

Included in the collection are many portraits of the explorer, and photographs and sketches of his birthplace and residences.

### Sophomores Approve Annual Class Budget

A budget for the current school year was presented and approved at the meeting of the sophomore class yesterday morning in Memorial hall.

After the brief business session Fred Johnson and his orchestra gave several musical selections. He began his program with "Hark the Sound."

Other selections rendered included "Twenty-four Hours in Georgia," "Here Come the British," and "Pardon My Southern Accent." The vocalist for the orchestra was Miss Peggy Wood.

### Tau Beta Pi's To Meet

There will be a business meeting tonight at 7:15 o'clock of Tau Beta Pi fraternity in room 214 Phillips hall.

### DESK STAFF TO MEET

There will be a meeting of all city editors and desk men on the DAILY TAR HEEL staff this afternoon at 4:00 o'clock in Graham Memorial. Attendance will be compulsory.

## PLAYERS TO GIVE TRIAL BILL TODAY

Experimentals Scheduled for This Afternoon and Tonight in Playmakers Theatre.

The Carolina Playmakers' experimental plays will be presented this afternoon at 4:00 o'clock and again tonight at 7:30 o'clock in the Playmakers theatre.

The plays that are to be presented were written this season by students in Professor Frederick H. Koch's playwriting courses. The shows will be directed by students, the authors of the several plays.

### Five Plays

"New Anarchy," a play of a banking crisis, by Philip Parker; "Sea- Psalm," a tragedy of the Carolina sea-folk, by Charles Edward Eaton; "New Nigger," a tragedy of the tobacco country, by F. E. Howard, Jr.; "Clam Digger," a play of the Maine sea-folk, by Jean Ashe; and "Hunger," a tragedy of North Carolina farm folk, by Ella Mae Daniel, are the plays that will be produced by the student cast.

All the presentations except the second are being directed by their authors. Kenneth Bartlett is directing "Sea- Psalm."

The casts include: "New Anarchy"—A. Laurence Cheek, Thomas G. Carr, Robert du Four, Herbert Kane, W. Sterry Branning, David R. Richardson, and Vincent H. Whitney.

### Niggers and Diggers

"New Nigger"—Harry Coble, L. D. T. Cox, John Walker, Bob Nachtmann, Billy Robertson, Catherine Threlkeld, Sara Seawell, and Bob Hecht.

"Clam Digger"—Bill Bonyun, Eloise Sheppard, Charles Lloyd, Louise McGuire, and Fred Howard.

"Hunger"—Carl Thompson, Phillips Russell, Katherine Threlkeld, and Gustar Harrer.

The staging of the plays will be supervised by Samuel Selden of the Playmakers staff. Alton Williams, also of the Playmakers, will be in charge of stage management. The lighting will be arranged by John Dacey. Technicians include Juanita Green, Willard Miller, Hester Barlow, Jean Walker, and Mary Blackburn.

The Playmakers conduct two of these experimental programs each quarter. The second one for the fall quarter is scheduled for sometime in December.

### NO DECISION RENDERED IN DEBATE WITH OXFORD

No decision was rendered last night on the debate between the Oxford debating team composed of Michael Foot and John Stafford Cripps and the University team composed of W. O. Jordan and A. S. Kaplan.

The subject for debate was: Resolved, that a strong trade organization on a national basis is an essential to civilized society.

### P. U. Board Meets Today

There will be a meeting of the Publications Union board at 2:00 o'clock this afternoon in Graham Memorial.

## SENIORS TO HAVE MEETING TONIGHT IN Y.M.C.A. LOBBY

Members of Class to Discuss Future Plans and Policies At 7:00 O'clock.

### WILL TALK OVER SMOKER

The first of a series of informal meetings for members of the senior class will be held tonight at 7:00 o'clock in the lobby of the Y. M. C. A. building, it was announced last night by Jack Pool, president of the fourth-year class.

Informality will be the feature of the session, and discussions will be held on class policies and activities.

### To Plan Smoker

Plans will be taken up for a formal meeting of the entire senior class which will be held at the beginning of next week and for a smoker which is tentatively scheduled for the middle of this month.

President Pool made a statement last night urging all students of the fourth-year class to attend the session. Members of the executive committee are especially asked to be in attendance.

### Brief Session

The convocation will be a brief one and students not on the executive committee may come and go as they please.

These meetings of the senior executive committee and senior class members will be held every Thursday night at 7:00 o'clock in the Y. M. C. A. lounge.

Planned to bring members of the class of '35 into closer fellowship and to give all seniors a part in class government activities, the meetings will be a part of the program sponsored this year by officials of the senior class.

## STUDIO SEEKING YOUNG WRITERS

Koch to Recommend Three to Five Students for Tryouts In California.

Professor Frederick H. Koch, director of the Carolina Playmakers, has been appointed by the Metro Goldwyn Mayer studios to recommend from three to five young playwrights of the University for a six week try-out for the junior writers department in Culver City, Cal.

Professor Koch was asked to co-operate with the studios in selecting promising dramatic students for the purpose of establishing a staff of competent and talented young men and women writers for the movies.

### Salaries Given

If those selected for a trial of six weeks prove worthy, they will be given positions as junior writers for the studios at generous salaries. Train fares will be paid to Culver City from whatever point the applicant is located, and a salary, of \$25 a week will be assured for the six weeks period of probation. In case the applicant's services are not retained, his fare home will be paid by the studios.

Professor Koch will choose several persons with whom he has come in contact here at the University and whom he considers exceptionally talented as dramatic writers and critics.

Metro Goldwyn Mayer studios
