Glove Lacings

 dead shots with both fists. They will find the traveling tough on the Dixie canvasses, but they should (and this writer is doing a little predicting now) complete the season undefeated. This pair is Joe Fisher and Jule Medynski. Their opponents' had better watch out.

All of the others have developed fine since the holidays. Tommy O'Flaherty and Maxie Novich will be dangerous material for their opponents. Captain Sam Giddins is in form and should be able to mix punches with the best. Ernie Eutsler has moved up to the 125-lb class and with this added weight should go to town. Marion Diehl, miniature powerhouse, is under a great injury handicap, but—and here lies the fate of the opposition. Lammie Alderman and Jim Carruth swapped blows—and what blows—yesterday to decide who would fight tomorrow. Who won? They came out a draw, but not before plugging healthy blows into each other. Both will make the trip.

With Carolina's lineup as follows: Diehl, Eutsler, O'Flaherty, Fisher, Medynski, Captain Giddins, Novich, and Alderman or Carruth, the Gobbler gloves should be beaten—in fact by quite a large score.

The Tar Babies will also get their initiation in Blacksburg. There is no denying the fact that their prospects are doubtful. One man, Shores, is a fine boxer and with due development should make good varsity material. Other leading frosh are Hendel, Bass, O'Herron, and Shmurak.

Ph.D. Examination

The final oral examination of Miss Sadie Franklin Jenkins for the degree of doctor of philosophy in the department of English will be held tomorrow at 9 a. m. in 112 Saunders. All members of the graduate faculty of the division of language and literature are invited to be present.

UNIVERSITY UNITS' SUMMER SESSIONS TO OPEN JUNE 13

 grade will be provided at each of the three units. Special lectures and other special features will be offered frequently during the 1935 school.

At a meeting of departmental heads last Tuesday, the principles of re-organization were explained by Dr. Knight and Dean House. The administrative board of the Chapel Hill unit of the summer school requested the heads of the department to proceed immediately with the preparation of their programs at that time.

Headed by Dr. Knight, the board is composed of C. T. Woolen, comptroller, Dean W. W. Pierson of the graduate school, Dean R. B. House, Dean John W. Harrelson of State College, and Dean W. C. Jackson of the Woman's College.

STUDENT-FACULTY DAY SUPPORTED BY COUNCIL

Unanimous support was given Student-Faculty Day by the Inter-fraternity Council at its meeting last night.

Harold Bennett of Theta Chi, president of the council, and L. C. Bruce of Phi Gamma Delta gave reports of the meeting of the National Undergraduate Inter-fraternity Council held in New York City during the Thanksgiving holidays.

Med Pictures

Yackety Yack pictures of the first and second year medical students will be made next Wednesday, January 16, at chapel period.

Students and faculty are asked to come prepared.

Duet Again

Bing Crosby and Kitty Carlisle, whose singing and comedy capers proved so effective in "She Loves Me Not," are paired again in a Paramount picture. It's "Here Is My Heart," now playing at the Carolina theatre, with songs by Ralph Rainger and Leo Robin, who composed the hit tune "Love in Bloom."

Student-Faculty Day

The student members of the Student-Faculty Day committee will meet at 4 o'clock this afternoon in Ed Lanier's office at the Y. M. C. A. to discuss further plans for the program.

What? Again!

The annual Ink Pot classic between the Tar-Mags and the Yackety-(now) Fins, scheduled for yesterday afternoon, has been postponed until Monday afternoon at 4 o'clock. The intramural fields yesterday were too wet to be played on and the game was put off when the Tar-Mags claimed that the quagmire would give too much advantage to "Cess" Pool and his cohorts.

INFIRMARY LIST

The following students were confined in the infirmary yesterday: Zeb Linker, George Yoder, Billy Lamm, E. J. Venters, G. V. Wheelless, Whitney Von Cannon, A. E. Anderson, A. K. Bailey, J. R. Vincent, Ray Rankin, W. A. Innes, J. B. Howell, Lewis Thompson, E. C. Joynner, Tracy Scobee, Bruce Smith, Carl Anderson, H. H. Mills, J. F. Blue.

Murray Honeycutt, H. E. Moore, Charles Hudson, Denmuth Spivey, John Barefoot, H. F. Shore, David Spelt, H. E. Hamilton, W. C. Fitts, Francis Hulme, T. W. McMillan, Tom Hines, P. W. Hairston, J. R. Wright, and Connor Feimster.

Presbyterian Social

The quarterly social for Presbyterian students and their friends will be held tonight at 8 o'clock in the social room of the Presbyterian church, W. M. Cooper, student pastor, announced yesterday.

The young people of the church will join the students in this event. Plans have been made for a variety of stunts and games in which everyone will participate.

Tar Heel Boxers Leave Today for VPI Battle

 ing at his natural weight and will not be handicapped this year by weakening himself to make the 155-lb weight.

Max Novich, rugged middle-weight of last year's frosh aggregation, will move up to the light-heavyweight post this year. Novich is moving around with much speed.

There is still some doubt as to who will represent Carolina in the heavyweight ranks. However, it is more than likely that "Lammie" Alderman will be given a chance to prove his worth. He went three rounds with Jimmie Carruth yesterday afternoon, and both boys looked so well that Coach Rowe has decided to take both to V. P. I.

The squad is leaving this morning at 9 o'clock from Emerson stadium.

Payment of Fees

Students whose names begin with T through V are scheduled to make payment for their winter quarter student fees today at the business office.

University Alumnus Is Dead in Raleigh

Raleigh, Jan. 10. — Perrin Busbee, loyal University of North Carolina alumnus and a former member of the board of trustees, died here yesterday at the age of 63.

Busbee was once a star football player for Carolina and captain of the baseball team. Although he was badly crippled during the last years of his life, he seldom missed a University athletic contest played in this section.

Aside from his law practice and his interest in the University, one of the chief concerns of his life was securing the direct road that now runs between Chapel Hill and Raleigh.

Meeting in Atlanta

Deans A. W. Hobbs, R. B. House, and F. F. Bradshaw and Dr. E. W. Knight will leave for Atlanta, Ga., Wednesday to attend the meeting of the Association of American Colleges, in session Thursday and Friday. They will return Saturday.

Did you ever notice..in a roomful of people.. the difference between one cigarette and another..and wonder why Chesterfields have such a pleasing aroma

Many things have to do with the aroma of a cigarette... the kind of tobaccos they are made of... the way the tobaccos are blended... the quality of the cigarette paper.

IT takes good things to make good things. Someone said that to get the right aroma in a cigarette, you must have the right quantity of Turkish tobacco—and that's right.

But it is also true that you get a pleasing aroma from the home-grown tobaccos... tobaccos filled with Southern Sunshine, sweet and ripe.

When these tobaccos are all blended and cross-blended the Chesterfield way, balanced one against the other, you get a flavor and fragrance that's different from other cigarettes.
