Varsity Hoopsters Scrap Fast Davidson Wildcats Tonight In Tin Can, 8:30

Tar Heels Must Topple FRES 'Cats to Remain in Big Five Race

Close Game Is Expected from Improved Presbyterians.

Carolina's White Phantoms will swing back into Big Five competition tonight, taking on the Davidson Wildcats in the Tin Can at 8:30 o'clock.

Entering the home stretch of the fight for the state championship, Carolina is in a tie with State and Duke for the leadership; so it needs to make every game a win in order to stay in the race.

'Cats Dangerous

The Wildcats on the other hand have yet to get their first victory in the Big Five despite being a fairly strong club. The Davidson clubs have always proved dangerous to the Tar Heels and Coach Shepard especially fears the 'Cats this year. In the first meeting between the two teams the Phantoms came out ahead, 36-26, but only after the fast Davidson quint

had put up a stubborn fight. Peabody, guard, led the play of the Wildcats with three field goals for six points, while Latcher Webster, starting his first varsity game for Carolina, took the place of the sick Glace and was the big gun for his club; the center dropped in 13 points. However, now the Wildcats will flash a new lineup which has taken on polish and finish and is reported much stronger than the five that faced Carolina some time ago.

Coach Bo Shepard sent his charges through a long drill yesterday in the Tin Can. The main part of the practice was taken up in a scrimmage with the Tar Baby first team.

After the battle with Davidson the Phantoms will have to start preparing for the clash with Duke Saturday night.

Duke Ekes Out Win

Durham, Feb. 12.—Duke's Blue Devils managed to eke out a close 35-34 victory tonight over a surprisingly strong and fast Davidson Wildcat five. This win places Duke in a triple tie with State and Carolina for top honors in the Big Five.

If Shores and Farrar Get Together, Ace Bout Expected; O'Herron Is in Shape.

With the Duke meet just around the corner the yearling mittmen got down to serious work yesterday in preparation for their hardest fights of the year. The program tomorrow night will provide many interesting and thrill-packed bouts.

The foremost of these will undoubtedly be, if they actually meet, the Shores-Farrar get-together. Farrar is reputed to be one of the first three leading amateurs in his weight in the entire country, while the Tiger enjoys quite a good reputation around these parts. Shores went through a hard workout yesterday, taking on Fisher and O'Flaherty in three rounds of fast fighting.

TEAMS IN RETURN CLASH

Gunning for its twelfth victory of the season, the frosh quintet engages the yearling team from Davidson tonight in the preliminary game to the varsity clash. Game time is scheduled for 7:15.

Davidson Has Beaten Duke; Bonner-Quarterman Bout to Feature Friday's Meet.

The Carolina varsity wrestling team took another strenuous workout in preparation for the encounter with Davidson in the Tin Can Friday night.

Davidson is the second Big Five opponent on the Tar Heels' mat schedule. Recently Carolina was beaten by State, 18-6. The Presbyterians will also be encountering their second adversary in state competition. Davidson defeated Duke 21-9 two weeks ago.

Bonner vs. Quarterman

There will be several out standing bouts on the mat pro gram Friday night. In the 155pound class a real thriller is expected between Bonner, brilliant sophomore grappler of Coach Spencer, Barium Springs, 145, Quinlan's contingent, and Quaryears of competition.

WILSON CAPTURES RUNNER-UP PLACE. 11/2 POINTS BEHIND

Patterson, Greensboro, Scores Only Kayo of Finals.

The Raleigh and Wilson high school boxing teams ended a merry two-day battle for the North Carolina interscholastic championship here last evening in the Tin City with the capital city boys taking the title by a 14 to 12 1-2 margin. This was Raleigh's third win and gave it permanent possession of the trophy.

The winners took three individual crowns to a pair each for Wilson and Greensboro, and one for Edenton. Following the leaders were Greensboro 8, Wilmington 5 1-2, Elizabeth City 3, Oxford 3, Charlotte 3, Edenton 3, Mount Holly 2 1-2, Thomasville 1 1-2, Goldsboro 1 1-2, Rocky Mount 1 1-2, Chapel Hill 1-2, Burlington 1-2.

Crown Assured

Raleigh was assured the victory after the 155-lb class, in which Stronach defeated Sinclair of Wilson by a safe margin. The first round was even, but the eventual winner's effective blows gave him the verdict.

To Patterson of Greensboro went the honor of the sole knockout win for the finals as he finished Browning of Raleigh in 45 seconds of the opening round. He quickly floored Browning with a hard left to the head and followed that with a heavy barrage of blows that sent the Raleigh youth to the canvas for the second and final time.

Close Decision

The only questionable decision and Fort will have a real battle of the finals came in the opening contest, when Dempsey of Wilson, was given the verdict over little Joe Thomas of Wilmington. Thomas, standing at least a head shorter than his opponent, carried the fight the entire way, continually scoring with hard blows to the head and body, and taking the last two rounds by apparently wide mar-
