

Williamson Invited To Princeton To Run In Palmer Stadium Meet

Harry to Run Tomorrow In Meet at Washington

Tar Heel Star to Run 880 Event In Princeton and Washington Races.

PRINCETON RACE JUNE 15

In addition to competing in the District of Columbia meet at Washington tomorrow, Harry Williamson has been invited to participate in the 880-yard run in the annual Princeton invitation meet there on June 15.

The meet, which is staged in Palmer stadium and is fast becoming recognized as one of the outstanding outdoor invitation affairs, will find the cream of the crop on parade.

Venzke Runs Mile

In tomorrow's competition Williamson was previously slated to race Gene Venzke, but the latter has been switched to the mile event which he won last year.

There will be plenty of competition, nevertheless, for Harry in the 800-meter run—perhaps even more than he can handle. Charlie Hornbostel, Indiana star; Frank Nordell, former N. Y. U. captain; Ed Brown, Georgetown, and Colman Headley, Maryland ace who ran but a few yards behind Williamson in the conference 880 will furnish the opposition.

At Princeton Carolina's ace will also be entered in the 880-yard run, but his opposition is not yet known.

Race of Champs

Entered will be every runner, excepting one, that has done 4:10 or better. This includes Glenn Cunningham, Bill Bonthron, Gene Venzke, America's trio, and Lovelock, whose performance last year was one of the standouts of the meet.

Another feature will be the participation of Ben Eastman, former Stanford bespectacled speedster, and Hornbostel, who finished first and second in the 1934 world-record breaking half-mile run.

Williamson will probably arrive at Princeton June 11th, as most of those competing in that meet will be on hand for a few days advance practice.

Although it has not been definitely announced, Williamson will probably be the recipient of an invitation to California this summer. Co-Captain Tom Hawthorne and Frank Abernethy are also probabilities, with the latter's record-breaking performance in the Southern Conference meet placing him very much in the hurdle spotlight.

Students who find it absolutely necessary to borrow from the loan fund to return to school next year are requested to file their applications at the loan fund office before the first of August. They will be advised as to whether or not their applications have been approved in time to make their plans to return for the fall quarter.

Ruffin Tops List In Mural Scoring

Scoring points in every intramural competition, Ruffin dormitory captured the 1934-35 grand campus championship. It won its only title in wrestling, but keen competition and enthusiastic participation earned a total of 824 5-6 points.

Mangum, who headed the campus last year, was runner-up with 614, while Sigma Nu led the fraternities with 576½ to take the campus third place.

In the 10 events in which points were given, the dormitory league winners garnered nine titles, while the fraternity's champs scored only in one—a triumph in the cake race.

PICK IS MADE OF MURAL NET STARS

Assistant to Herman Schnell Makes Choice.

The championship Aycock tennis team placed both men on the first All-Campus intramural tennis team, selected last night by Fletcher W. Ferguson, assistant to the director.

However, heading the singles list was Morton Singer, husky Alpha Epsilon star, the only boy to go through the full season undefeated.

The choice of a second singles man proved too difficult, and it was decided to place Paul Onasch and Angelo Fiore, the Aycock stars, Bob Lovill, Kappa Alpha, and James Cope, S. A. E., all on an equal basis. Irving Kasen, Lewis, was given the sixth ranking single position.

The first doubles selection was also rated even. The Aycock pair, and Lovill and Malcom Everett of Kappa Alpha taking the first ranking together. The S. A. E. team of Cope and Charley Poe was selected No. 3.

Summer Athletics

All students who will be in summer school and are interested in forming a summer athletic association are asked to meet in Gerrard hall at 10:30 o'clock this morning.

FIORE AND ONASCH BEAT S. A. E. TEAM

Poe Stars for Losers as He Forces Final Game to Match Point on Two Occasions.

COPE LOSES AFTER RALLY

Aycock's intramural tennis team rose to great heights yesterday afternoon as Fiore and Onasch defeated Cope and Poe of S. A. E. for the campus championship by a 2-0 count.

The matches were the best played in the competition this year, and lived up to all pre-match expectations. The triumph by the lower quadrangle pair gave that dormitory its third mural title.

Fiore Leads

Fiore started off things with a 6-4, 2-6, 7-5 win over Jimmy Cope in what was termed by many as a mild upset. Both played steady ball throughout, but Fiore's strong finish gained for him the verdict despite Cope's rally.

After putting on a desperate rally in Thursday's match to cop the fraternity championship for S. A. E., Charley Poe saw the same thing turned on him.

Poe Evens Score

Onasch took the first set by a 6-2 margin, but Poe evened matters with a 6-3 score and seemed well on to victory. With the score standing 4-0 against him, Onasch rallied and carried through six straight games to the title.

The last set was a real thriller. The final game first went to match point on two occasions, but each time Poe brought it to deuce, and on the next two successive times held the add, only to give Onasch additional chances by driving the ball in the net. On the fifth deuce point, Onasch finally broke through Poe's service to take the match.
