## I See By The Papers

By Ira Sarasohn

What will be the result of tomorrow's game? Going home, turkey dinners, seeing the folks, seeing the girl friends, and going to the dances are all second in thought in the minds of the student body. Opinions vary on the outcome of the game. Predictions vary from 0-0 scores to a 100-0 victory for Carolina. Few students conceed the chance of an upset rendered by Virginia.

But what would be as humiliating as to be held to a scoreless tie by one of the weakest teams Virginia has produced in years. Four teams have already played scoreless games with the Cavaliers and loyal Virginians would declare it a successful season if their traditional foe is beaten or held to a 0-0 score.

RECKLESS PLAYING BY VIRGINIA:

Much worse than a scoreless tie would be a defeat at the hands of Gus Tebell's University of Virginia football team. No one can scoff at the possibility of a defeat. It should be remembered that the Cavaliers are pointing for us and will "shoot the works" against the Tar Heels just as they did against Navy. Playing against a favored team, as they will be tomorrow, the Charlottesville group played the most reckless game that could have been expected. They scored first on the Middies and were in the lead at the half but could not face the onslaught in the second half.

Among the unbelievable things that the Cavaliers have done this season, two touchdown runs of 107 and 97 yards are outstanding. Almost as astonishing is the fact that on one occasion a Virginia back gained some 40-odd yards but failed to make a first down. It seems that after being thrown for several losses, the Virginia back was ready to kick but seeing an opening he ran some 40 yards. The long losses and the extra 10 yards needed for a first down exceeded the distance he ran and so no first down was made. All these facts should readily show that in the game tomorrow anything and everything can be expected. And so, don't be shocked if Virginia wins, or if there is a scoreless tie, or if Carolina runs up the largest score of the season. Your guess is as good as ours. ALL-SOUTHERN CHOICES:

All-America, and all-Southern choices are being made and will be made in the next couple of weeks. Already Jackson has made Coach Mehre's and the N. E. A. all-southern picks. Hutchins and Buck were both chosen on the United Press all-Southern team. How many such teams these men will make remains to be seen.

Personally we don't think much of such picks. When Walter recovered from an injury that Camp originally started the idea he had fewer teams from which he received to his hand in the to make his choice and probably made a more accurate pick. Those V. P. I. game which ended in a days are gone and today one person's pick is usually no better than another. We plan to point out the flaws in the present all-America zed as one of the best ends in picks in a future column. Our views will not be changed whether the Southern Conference, and any of our men make it or not, and so we announce our intentions has been picked as all-America

They tell us nine varsity players will conclude their grid career ers. He is an efficient blocker tomorrow. Another man who will end his career connected with and tackler, and is an accomthe football team is Les Ostrow who has been head cheerleader for plished pass receiver. It should the past two years. Les has done an admirable piece of work and be interesting to compare the has received much favorable comment. Eddie Brietz said after performance of this flank man seeing the Duke game that the fans didn't stop yelling. Ostrow be- with that of Carolina's three gan leading cheers long before the game began and continued until the end of the game. Tomorrow he will be leading cheers at his last game so let's all get behind him and help yell the team to victory over Virginia. Let's go Carolina!

Nine of Carolina's letter men will play their last game for U. N. C. when the Tar Heels meet the Cavaliers from Virginia on Kenan field tomorrow afternoon. Montgomery, Snyder, Jackson Evins, Daniel, Moore, Joyce, McCachren and Barwick are the men for whom this game will be a "swan song." Although Van Webb is a senior, he is eligible an excellent pass receiver and for another year of varsity play, and will probably return to school next fall.

According to reports received from the Virginia camp, the Cavaliers will be in excellent condition to give Carolina the scrap that has become a tradition when these two teams meet on Thanksgiving Day. Captain John Leys is reported to be fully scoreless tie. Leys is recognimaterial by several sportswritgreat ends.

### **Varsity Tennis Team Plays Annual Match**

De Gray to be Absent from Match with Virginia

When the Carolina net team takes the courts against the onslaughts of the Virginia Cavaliers on Thanksgiving morning, they will be striving for their 113th victory. Since 1927 Coach Kenfield has been in charge of the Carolina tennis teams and his teams have won 112 matches while losing four.

Three Veterans

Of the men who completed such a successful season last year, only three are left. Cocaptains Shore and De Gray and Archie Henderson are the men that remain from last year. However, only two of these veterans will be available for play against Virginia, as Eddie De Gray will be some 500 miles away when the matches begin.

With Shore and Henderson as a nucleus for the Thanksgiving Day match, the rest of the team will be rounded out with the freshman stars of last year. The squad that will compete Thursday morning will consist of Shore, Henderson, Potts, Grier, Foreman, Robinson, Johnson, and Yoemans. As yet the positions of the men have not been decided upon but the first three places will be divided among Shore, Henderson, and Potts.

Potts and Shore, Robinson and Foreman, and Henderson and his partner will play in the doubles.

Virginia will take the courts against the Tar Heels with a team made up of six men. Arnold flashed back into his old form are Don Smith, Lou Schmidt, Sloan will be their number one
