Leavitt Publishes Spanish Pamphlet

Piece Concerns Hispano-American Literature

Compiled by Dr. Sturgis E. Leavitt of the University Spanish department, a pamphlet has just been released by the University of North Carolina Press.

Dr. Leavitt's work is a bibliography of translations and criticism dealing with Hispano-American literature published in this country, or contributed to foreign publication, by residents of the United States from 1932 through 1934.

Quoting from the preface to the pamphlet: "The items, arranged by years, include translations, histories of literature, critical articles, book reviews, and school texts."

A bibliography of Argentine literature by Dr. Leavitt was published in 1924 through the University of North Carolina Press.

Wrestling

The title fight in the 175 pound class found Williams (Ruffin) and Hood (Lewis) as the participants.

The first outburst from the fans occurred when Hood broke the scissors, but Williams again caught Hood in a scissors and arm lock, which he tightened to end the bout in 4:48.

400 pounds of beef and brawn hit the mat when Crystal (Z. B. T.) flopped Atwood (Chi Psi) in 34 seconds after the opening gong rang sending the two heavy-weights on their way in the final match of the evening.

This afternoon the champion of the 145 pound division will be crowned when Kephart (Sigma Chi) and Davenport (Mangum) grapple it out to a finish.
