I SEE... By the PAPERS

By IRA SARASOHN

Sometime this afternoon our long awaited coach will arrive from the Lone Star State to commence what we sincerely hope will be a long and pleasant stay here in the Old North State. There probably won't be any band to greet him nor will there be any parade around town, but his arrival will be felt just as great. Over our Sunday chicken dinner today, the main topic of discussion will be football just as it usually is in the fall. Although few will actually see the new coach arrive, his arrival will be felt just as great as if everyone turned out to greet him.

Coch WOLF—no "e" as far as we know—will probably spend a quiet afternoon with some of the officials talking plans over. The rest of us won't learn any of his plans until he publicly announces most of them to the men out for the team tomorrow. He will meet the boys at Kenan at 3 tomorrow afternoon and an hour later will send them out for their first practice since Snavely's departure.

From the Daily Princetonian which carried a story written by the sports editor of the Cornell paper, we learn that Snavely is getting things well in shape up above Cayuga's waters. He has retained two members of last year's varsity squad on the first team. But with 11 prep school captains on last year's crack freshman football team it is not at all surprising to see Snavely make such a radical revision.

We don't expect Wolf to make as great a shakeup as Snavely has done but there is no telling how many of last year's freshmen will earn berths on the first squad. With such crack players as Cernugel, Maronic, Watson, Gordon, Adams and the many others not brought to mind right now, all anxious to earn varsity berths there is no telling what may happen.

Among the many things we patiently wait to learn from the new coach, the outstanding question we await to be answered is the naming of his assistants. Wolf has been granted a free hand in naming his strategy staff. It has not been learned whether he will name T. C. U. men, outsiders, former Tar Heel players, or combinations of all three.

We hope that the new coach will pick at least one former Carolina player. Without hesitation our first choice would be none other than our own former Co-Captain Harry Montgomery. Still fresh in our minds is the wide acclaim Harry received last season many times as being one of the smartest football players on the field. Had Harry not

Netters Keep Northern Slate Clean With 9-0 Win Over Navy

Henderson, DeGray Star For Carolina

Tar Heels End Trip with Sixth Straight Win, Whitewashing Middies

Annapolis, Md., May 9.—The University of North Carolina's tennis team finished up their northern invasion here today, successfully keeping an unscarred record by whitewashing the middle netmen of the United States Naval Academy 9-0.

Although hampered by the hot weather and tired from their long trip from Princeton where they set back the Nassau men 7-2, the Tar Heel netters played well enough to win although several were pressed hard.

DeGray Features

Archie Henderson, playing in number one position for the North Carolinians, defeated Noel in straight sets 6-4, 6-4. In the number two match, Tar Heel Eddy DeGray, after dropping the first set to Grantham 4-6 and behind in the second set 5-2, 40-love, suddenly clamped down, turned on the power and blasted his way to a 9-7 win in the second set and a 6-2 win in the third.

The other singles players for North Carolina had little trouble winning their matches in straight sets, though Shore was forced to go the limit in 6-4, 7-5 sets before outchopping his service opponent.

Some teams have three games this week because the Intramural department is trying to complete the schedule leaving only games between undefeated teams for the week of May 18, and also to end the playground ball so all teams will be free for the Intramural track meet, which will be announced next week.

MURALISTS NEAR BASEBALL FINALS

Five Fraternities and Three Dormitories Are Still Undefeated on Diamond

Going into the final stages of the race in the intramural playground ball league with five fraternities and three dormitories still on the undefeated list, play reaches a new height this week when a few of the undefeated teams clash.

Lewis risks its record tomorrow when it stacks up against a potentially strong Old West team. Alpha Epsilon and Zeta Psi battle it out Wednesday and the feature clash of the week comes Thursday when the two dormitory leaders, the Monograms and Ruffin, mix it up to determine the dormitory championship. S. A. E. meets its first test Tuesday meeting the strong Z. B. T. nine.

Following is the standings of the teams:

	W	L

of girls' schools for freshmen and sophomores and doesn't think girls should be admitted to the University until they are juniors.

"It is just too hard on freshmen to plunk them down in the middle of a big University, unless they had a better system of guidance. They should adjust themselves to college life in a girls' school first. However I do think that Chapel Hill girls should be allowed to enter as freshmen," she stated.

"I do hope that the co-eds will continue May Day and make it an established custom. Chapel Hill really needs a May Day. Oh, by the way, I used to play an organ, but it was nothing really hair-raising," she said apologetically.

FROSH NET TEAM DOWNS DEVITT 3-2

C. Rood and Gwyer Win Singles; Rood-Van Cise Take Doubles Match for Tar Babies

Washington, D. C., May 9.—After a day of rest due to the postponement of the scheduled Episcopal High School match because of scarlet fever, the touring Tar Baby tennis team from the University of North Carolina set back the Devitt school here today 3-2.

The three singles matches played featured a brother act with Carolina's number one man, Bill Rood, losing to N. Ritzenberg 2-6, 6-1, 6-1. In the second match, brother Carlton Rood and Pi Kappa Alpha met and the Carolinian evened up the scoring by downing his opponent 6-2, 6-4.

Gwyer Wins

Gwyer's win in the third singles gave the Tar Babies their deciding win as he downed Walsh in straight sets.

The Ritzenberg brothers collaborated in the doubles to down Ernie Byfield and Mace Gwyer while C. Rood and Van Cise, of Carolina, defeated Walsh and Bunn, dropping but one game.

Summaries:
N. Ritzenberg (D) over B. Rood 2-6, 6-1, 6-1.

C. Rood over A. Ritzenberg (D) 6-2, 6-4.
Gwyer over Walsh (D) 6-1, 6-1.

Ritzenberg-Ritzenberg (D) over Gwyer-Byfield 6-2, 6-0.
C. Rood-Van Cise over Walsh-Bunn (D) 6-0, 6-1.

Scouting Get Together

Alpha Phi Omega, national honorary Eagle scout fraternity, will hold an all scout get together Friday, May 15, at 7:30 in the Troop shack on the Pittsboro road. Several members of the University faculty will speak.

Strong Navy Track Team Gains Decisive 72-54 Win Over Tar Heel Cindermen

Duke Golf Champs

Hot Springs, Va., May 9.—The Duke University golf team won the Southern Conference tournament here today, retaining their championship for another year. The Carolina golfers finished fourth in team scoring.

Parry of Duke carried off the individual championship held last year by Laxton of Carolina. Harris of the Tar Heels was runner-up for the title at the end of the morning round with a 76, but faltered in the afternoon round and finished fifth in individual scoring.

DEACLETS MEET JAMESMEN HERE

Yearling Nine to Meet Wake Forest Tomorrow, Augusta and State Are Next.

This week the freshman baseball team enters into the final stretch of its schedule, playing Wake Forest tomorrow at Emerson stadium, Augusta Military Academy Wednesday, and State Saturday.

To date the season has been a dismal one, but the Tar Babies still have a chance to make a presentable record.

Grudge Battle

Tomorrow's game will be in the nature of a grudge battle, the Deaclets having defeated the freshmen in an early season meeting by a 9-8 score.

Going into the ninth inning of that first game the Tar Babies were leading and had the tussle apparently cinched, but the

Midshipmen Gather 11 First Places in Hard Fought Contest

Gammon Again Scores Two Firsts; Barwick and Graham Garner One Each

NEW RECORD IN 440

By ED KARLIN

Garnering 11 out of a possible 15 first places, the Navy track team scored a 72-54 victory over the Tar Heels in their fifth annual track and special feature of the Fetzer Day celebration.

Graham Gammon, star Tar Heel middle distance runner, was a double winner as he crossed the line first in both the mile and 880-yd. run. Barwick of Carolina took the discus, and "Rube" Graham, Blue and White sophomore hurdler, took the honors in the high hurdles.

High Scorers

Patterson and Dalton of Navy joined Gammon for high scoring honors as each of these men won two events. Patterson's wins came in the 440 and broad-jump, while Dalton took both the century and the 220.

The outstanding race of the day was the 440 in which Pat Patterson of Navy led Drake and Farmer of Carolina, to turn in the fast time of 49.1 seconds establishing a new meet record.

Drake, who holds the University record for the quarter in 49.3, was unofficially timed in 49.2. This is the fastest race the co-captain has turned in this year, and if he can continue at that clip, it should mean several points in the Southern Conference meet next week.

Invitation

In the invitation 800 meter race, Harry Williamson and Lionel Weil, former Carolina track captain, started from scratch, giving freshman Bill Hendrix a 30 yard handicap. Running shoulder to shoulder, Williamson and Weil closed the gap, but Weil tired as Williamson went into the lead followed closely by Hendrix. The first quarter was run in 55 seconds and Williamson crossed the finish line about four yards in front of Hendrix in 1:54.2.

In the handicap javelin throw, Ralston LeGore threw 208 feet to easily win first place from Richards of the freshman team.

The varsity hurdles saw Graham finishing first in the highs, while Umstead almost beat out Patterson for third place. But in the lows Shriver of Navy took first with Graham and Umstead finishing second and third respectively.

The complete summary of the meet follows:

One mile run: Gammon (C); Shetehelm (N); Conte (C). Time
